For More Information: David Arthur, Assistant Director & Financial Officer, 530-6688.

Boards and Commission Action: Reviewed by the Austin Airport Advisory Commission.

Approval of this request will allow the City Manager or the Executive Director of the Department of Aviation to execute the grants offered by the Federal Aviation Administration, the Transportation Security Administration, and other agencies of the United States Government related to Austin-Bergstrom International Airport during the Fiscal Year 2010-2011. This will allow the City to be in a position to quickly accept and execute grant offers as they are made by available.

Grant amounts, as they may become available, would fund terminal area improvements, noise mitigation, airfield improvements, and security related projects at Austin-Bergstrom International Airport and reduce the need to utilize airport-generated capital. Grant funding may also reimburse operating expenses.
