John Conley, promoter with Conley Sports Inc. submitted a street event application on July 28, 2010 to close various streets described below for the Livestrong Marathon:

Under City Code Section 14-8-3 (Restrictions on Issuance of Closure Permit), the Director may not issue a closure permit without council approval for a right-of-way event if 20 percent or more of the affected persons on any block to be closed or a neighborhood association objects to the closure. This event may receive objections from property owners on the street route, and this action will waive the right of property owners to object. The applicant has requested that Council waive this requirement.

Event times: Road closures start at 3:00 a.m. and 6:00 a.m. The event, which includes a 5K, ½ Marathon and full Marathon course, begins at 7:00 a.m. This is a moving street closure. As the area is cleared of participants, the barricades will be removed. All roads should be open by 5:00 p.m.

The applicant is in the process of complying with all other requirements for this Street Event. The Austin Transportation Department has no objections to this request contingent on all other requirements being met.
