ZONING CHANGE REVIEW SHEET

CASE: C14-2010-0190 – BB-OTL Project

Z.A.P. DATE: December 7, 2010
January 4, 2011

ADDRESS: 1807 West Slaughter Lane

OWNER: BB Retail South, LP
(Jimmy J. Nassour)

AGENT: Alice Glasco Consulting
(Alice Glasco)

ZONING FROM: GR

TO: LI

AREA: 0.260 acres
(11,246 square feet)

SUMMARY STAFF RECOMMENDATION:

The Staff's recommendation is to grant limited industrial service – conditional overlay (LI-CO) combining district zoning. The Conditional Overlay prohibits the following uses: basic industry, campground, equipment repair services, equipment sales, general warehousing and distribution, monument retail sales, recycling center, resource extraction, scrap and salvage, and vehicle storage.

ZONING & PLATTING COMMISSION RECOMMENDATION:

December 7, 2010: *CONTINUED TO JANUARY 4, 2011 (ZAP)*

[G. BOURGEOIS; T. RABAGO – 2ND] (5-0) P. SEEGER; D. TIEMANN - ABSENT

January 4, 2011:

ISSUES:

At the January 4, 2011 Zoning and Platting Commission meeting, Staff will be prepared to outline two other LI zoning cases that were limited to one site, including a building footprint.

DEPARTMENT COMMENTS:

The subject rezoning area consists of a vacant portion of a structure that was formerly used as a food sales use and is zoned community commercial (GR) by way of a 1986 case. The rezoning area is located within a shopping center at the southeast corner of Slaughter Lane and Manchaca Road. The site borders on other commercial, office, retail and restaurant uses within the shopping center (GR). There is a convenience storage facility to the south (I-RR), and a few single family residences and commercial uses across Manchaca Road to the west (County). Please refer to Exhibits A (Zoning Map) and A-1 (Aerial View).

The Applicant proposes to rezone the area to the limited industrial service (LI) district so that the building may be renovated with a light manufacturing use that will enable food preparation processes to occur. (The food preparation land use classification is first

C4
2

permitted in the GR district, but is limited to 5,000 square feet in size.) Given the limited size of the zoning area, separation from existing residential uses, access to two arterial roadways and the re-use of existing equipment which includes refrigeration coolers and other equipment related to food preparation, Staff recommends LI-CO zoning, with the Conditional Overlay prohibiting the more intense LI uses.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	GR	Vacant portion of a structure that contained a food sales use
<i>North</i>	GR	Gym; Medical offices; Parking area
<i>South</i>	I-RR; GR	Driveway serving the commercial center; Convenience storage; Undeveloped; Construction sales and services
<i>East</i>	GR; CS-1	Restaurant; Detention pond
<i>West</i>	GR	Retail and restaurant uses within commercial center

AREA STUDY: N/A

TIA: Is not required

WATERSHED: Slaughter Creek

DESIRED DEVELOPMENT ZONE: Yes

CAPITOL VIEW CORRIDOR: No

SCENIC ROADWAY: Yes – Slaughter Lane

Manchaca Road			
---------------	--	--	--

RELATED CASES:

The subject area was originally zoned GR on January 23, 1986 as part of a Principal Roadway Area zoning site plan case that encompassed 27.83 acres at the southeast corner of Manchaca Road and Slaughter Lane (C14r-86-056 – Ordinance No. 860123-F). The site plan which was required to be attached to the zoning ordinance included food sales, retail and restaurant uses accompanied the ordinance. Please refer to Exhibit B.

The property is a portion of Lot 2, Plaza at Slaughter Creek Section One, a subdivision recorded on February 20, 1986 (C8-85-046.1).

ABUTTING STREETS:

Name	ROW	Pavement	Classification	Daily Traffic
FM 2304 (Manchaca Road)	120 feet	90 feet	Arterial	27,000 (TXDOT, 2009)
West Slaughter Lane	Varies	2 @ 35 feet	Arterial	Not Available

- There are existing sidewalks along FM 2304 (Manchaca Road) and Slaughter Lane.
- According to the Austin 2009 Bicycle Plan Update approved by Austin City Council in June, 2009, bicycle facilities are existing and/or proposed along the adjoining streets as follows:

Street Name	Existing Bicycle Facilities	Proposed Bicycle Facilities
FM 2304 (Manchaca Road)	Bike Lane	Bike Lane
West Slaughter Lane	Wide Shoulder	Wide Shoulder

- Capital Metro bus service is available along Manchaca Road (route no. 3) and Slaughter Lane (route no. 10).

CITY COUNCIL DATE: December 16, 2010

ACTION: Approved a Postponement request by the Staff to January 13, 2011 (6-0, Cole – off the dais).

ORDINANCE NO. 86 0123-F

AN ORDINANCE ESTABLISHING INITIAL PERMANENT ZONING AND CHANGING THE ZONING MAP ACCOMPANYING CHAPTER 13-2A OF THE AUSTIN CITY CODE OF 1981 AS FOLLOWS:

A TRACT OR PARCEL OF LAND CONTAINING 27.83 ACRES, BEING SITUATED IN THE S.F. SLAUGHTER SURVEY NO. 1, LOCALLY KNOWN AS 1801 SLAUGHTER LANE, FROM INTERIM "RR" RURAL RESIDENCE DISTRICT TO "GR" COMMUNITY COMMERCIAL; SAID PROPERTY BEING LOCATED IN AUSTIN, TRAVIS COUNTY, TEXAS; SUSPENDING THE RULE REQUIRING THE READING OF ORDINANCES ON THREE SEPARATE DAYS; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. CHAPTER 13-2A of the Austin City Code of 1981 is hereby amended to change the base zoning district from Interim "RR" Rural Residence District to "GR" Community Commercial on the property described in File C14r-85-056, to-wit:

A tract or parcel of land containing 27.83 acres, being situated in the S.F. Slaughter Survey No. 1, Travis County, Texas, and being that same 27.84 acre tract of land as conveyed by deed to Crow-Gottesman-Shafer #4 dated January 3, 1983 and recorded in Volume 8116, Page 135, Travis County Deed Records, and also being a portion of that 36.64 acre tract of land as conveyed by deed to Joe Hoffeman by Beulah W. Lewis, recorded in Volume 2574, Page 547, Travis County Deed Records, and being more particularly described by metes and bounds as follows:

BEGINNING, at a point of intersection of the south right-of-way line of Slaughter Lane and the west right-of-way line of the Missouri-Pacific Railroad for the northeast corner of this tract and the northeast corner of the said Crow-Gottesman-Shafer 27.84 acre tract;

THENCE, with the said west right-of-way line of the Missouri-Pacific Railroad and the east line of the 27.84 acre tract, the following five (5) courses:

1. S 19° 48' 01" W, 51.34 feet to a point;
2. S 18° 57' 05" W, 199.90 feet to a point;
3. S 17° 44' 25" W, 200.14 feet to a point;
4. S 16° 52' 00" W, 267.38 feet to a point; and
5. S 16° 31' 43" W, 624.87 feet to a point for the southeast corner of this tract and the southeast corner of the aforesaid Crow-Gottesman-Shafer 27.84 acre tract;

THENCE, leaving the said west right-of-way line of the Missouri-Pacific Railroad with the south line of the said 27.84 acre

EXHIBIT B

tract and crossing the afore-referenced Hoffman 36.64 acre tract, N 74° 00' 38" W, a distance of 1022.46 feet to the southwest corner of this tract, said point being in a curve to the left in the east right-of-way line of F.M. 2304 (Manchaca Road);

THENCE, with the said curve to the left having a central angle of 02° 26' 36", a radius of 2914.79 feet, a long chord of 124.30 feet (chord bears N 18° 12' 13" E), for an arc distance of 124.31 feet to a point for corner;

THENCE, N 17° 03' 00" E, continuing with the east line of Manchaca Road, a distance of 849.54 feet to a point for the most northwest corner of this tract;

THENCE, N 53° 35' 07" E, a distance of 121.56 feet to a point for a corner in the south line of said Slaughter Lane;

THENCE, with the said south right-of-way line of Slaughter Lane and the north line of the afore-referenced Crow-Gottesman-Shafer 27.84 acre tract, S 89° 55' 38" E, a distance of 995.78 feet to the PLACE OF BEGINNING, containing within these metes and bounds 27.83 acres of land,

locally known as 1801 Slaughter Lane in the City of Austin, Travis County, Texas.

PART 2. It is hereby ordered that the Zoning Map accompanying Chapter 13-2A of the Austin City Code of 1981 and made a part thereof shall be changed so as to record the change ordered in this ordinance.

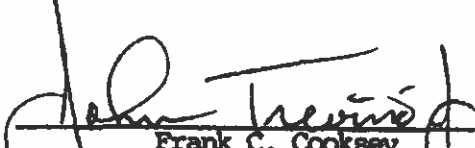

PART 3. That the development of the property herein described shall be accomplished in accordance with the site plan attached hereto as Exhibit "A", or as such site plan is subsequently adjusted or modified as provided by subsection 13-2A-6196 of the Austin City Code of 1981. Except to the extent that such site plan is inconsistent therewith, the development and use of the property described herein shall be in accordance with applicable ordinances of the City of Austin.

PART 4. The rule requiring that ordinances shall be read on three separate days is hereby suspended, and this ordinance shall become effective ten (10) days following the date of its passage.

EXHIBIT "A"

1. The site is located in the City of Austin, Texas, and is zoned for residential use. The site is currently vacant and is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision.

2. The site is located in the City of Austin, Texas, and is zoned for residential use. The site is currently vacant and is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision.

3. The site is located in the City of Austin, Texas, and is zoned for residential use. The site is currently vacant and is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision.

LEGAL DESCRIPTION

The site is located in the City of Austin, Texas, and is zoned for residential use. The site is currently vacant and is being proposed for development as a residential subdivision. The proposed subdivision consists of 10 lots, each of which is approximately 1/4 acre in size. The lots are to be developed with single-family detached dwellings. The proposed subdivision is shown on the attached site plan. The site plan shows the location of the lots, the proposed streets, and the proposed easements. The site plan also shows the proposed setbacks and the proposed lot areas. The proposed subdivision is in compliance with the City of Austin's zoning ordinance. The proposed subdivision is also in compliance with the City of Austin's subdivision ordinance. The proposed subdivision is being proposed for development as a residential subdivision.

AND D
COPY

014-85-056

C4
10**SUMMARY STAFF RECOMMENDATION:**

The Staff's recommendation is to grant limited industrial service – conditional overlay (LI-CO) combining district zoning. The Conditional Overlay prohibits the following uses: basic industry, campground, equipment repair services, equipment sales, general warehousing and distribution, monument retail sales, recycling center, resource extraction, scrap and salvage, and vehicle storage.

BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)

- 1. The proposed zoning should be consistent with the purpose statement of the district sought.*

The limited industrial service (LI) district designation is for a commercial service use or limited manufacturing use generally located on a moderately sized site.

- 2. Zoning changes should promote compatibility with adjacent and nearby uses.*

Given the limited size of the zoning area, separation from existing residential uses, access to two arterial roadways and the re-use of existing equipment which includes refrigeration coolers and other equipment related to food preparation, Staff recommends LI-CO zoning, with the Conditional Overlay prohibiting the more intense LI uses.

EXISTING CONDITIONS**Site Characteristics**

The site consists of a vacant portion of a structure that contained a food sales use.

Impervious Cover

Within the Slaughter Creek watershed, the maximum impervious cover allowed by the LI zoning district would be 80%, which is a consistent figure between the watershed and the zoning regulations.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Desired Development Zone. The site is in the Slaughter Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

C4
/ 11

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

According to flood plain maps, there is no floodplain within or adjacent to the project boundary.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

No trees are located on this property. At this time, site specific information is unavailable regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment on this site will be subject to the following water quality control requirements:

- Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

Transportation

No additional right-of-way is needed at this time.

A traffic impact analysis was not required for this case because the traffic generated by the proposed zoning does not exceed the threshold of 2,000 vehicle trips per day [LDC, 25-6-113].

Water and Wastewater

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at his own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. Water and wastewater utility plans must be reviewed and approved by the Austin Water Utility for compliance with City criteria. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

Site Plan and Compatibility Standards

Site plans will be required for any new development other than single-family or duplex residential.
