Dear Neighbor

My name is Araceli Franco, I recently purchased the property at 1105 Kramer lane with the purpose of moving my business to a more private area, 90% of my clients have medical induced hair loss due to chemotherapy and privacy is very important.

I did not know about the different types of zoning or the process that it takes to rezone until it was too late to back out

I believe that it will be easier if I was able to live and work out of the same facility, giving me flexibility to work around my client's schedules.

The zoning changes are from NO-NP to GO-MU-CO-NP being that I will get approved for personal services under GO , one single dwelling unit under MU and the sign will be restricted not to be larger than L.A. Salon located at 1101 Kramer lane.

If you approve of the zoning changes please sign and date including your address and phone number.

Thank you for your support.

Sincerely,

Araceli Franco
