### **MANAGED GROWTH AGREEMENT** **BETWEEN THE CITY OF AUSTIN AND SHIRE'S COURT LTD.**

This Managed Growth Agreement ("Agreement") Between the City of Austin, Texas ("City") and SHIRE'S COURT, LTD. ("Shire's Court, Ltd.") is made and entered into by the City, a home rule municipal corporation acting by and through its duly authorized City Manager and Shire's Court, Ltd. Shire's Court, Ltd. and the City may be referred to jointly as Parties or singly as "Party" in this Agreement.

#### **RECITALS**

1. On March 21, 2006, Shire's Court, Ltd. filed an application for a consolidated site plan for the construction of condominium units on property described in Exhibit A, which is attached hereto and incorporated herein ("the Property").
2. On September 27, 2006, the City approved Site Plan No. SP-06-0095C, authorizing the construction of a 3 phased condominium housing development, which will include approximately 290 single unit condominiums, with attached and detached garages, amenity center and pool, drives, water quality, and detention pond, and infrastructure on 26.024 acres. ("the Project"). Portions of the Project, including all infrastructure improvements, have been completed.
3. Shire's Court, Ltd. desires to obtain buyers for the condominiums, realizing that due to the current economical conditions, it could take 8 years to construct all units.

NOW, THEREFORE, for and in consideration of the mutual covenants, and conditions contained in this Agreement, and other good and valuable consideration, the City and Shire's Court, Ltd. agree as follows:

#### **A R T I C L E   I** **PURPOSE & LEGAL AUTHORITY**

##### **Section 1.01            Purpose.**

The purpose of this Agreement is to provide certainty that the Project will not be required to undergo design changes as a result of changes to City regulations over a long period of time required for Shire's Court, Ltd. to obtain buyers and complete the Project in phases.

##### **Section 1.02            Legal Authority.**

Section 25-1-540 of the City Code authorizes the execution of managed growth agreements for planning and developing large projects, long term projects, or any

project having special benefits that are in the public interest. The Project is a large project situated on 26.024 acres with approximately 290 condominium units and a long term project.

### **Section 1.03            Expiration Date**

Section 25-1-540 provides that a managed growth agreement may specify the time period during which a project may comply with the regulations in effect when the first application for the project is filed and establish an expiration date for each application necessary to complete the project. By Ordinance No. \_\_\_\_\_, the City Council directed that the expiration date is to be March 21, 2019.

## **ARTICLE II** **TERMS**

### **Section 2.01            Original Regulations; Expiration Date**

Subject to Section 2.03 below, Shire's Court, Ltd. may construct the Project to comply with City regulations in effect on September 27, 2006, which is the day the application was originally submitted under the Comprehensive Watershed Ordinance and Land Development Code ("Original Regulations"). The expiration date of Site Plan No. SP-06-0095C for purposes of Chapter 25-5 of the City Code and the expiration date of the Project for purposes of Article 12 of Chapter 25-1 of the City Code shall be March 21, 2019.

### **Section 2.02            Revisions to the Site Plan; Change in Ownership**

Minor revisions to the Project shall be permitted in accordance with the City Code and City regulations. However, Shire's Court, Ltd. may not construct any improvements on the Property that the City Manager determines to vary substantially from the Project as defined by Site Plan No. SP-06-0095C without forfeiting the rights granted under this Agreement to develop the Project under Original Regulations. This Agreement does not abridge the rights of Shire's Court, Ltd. or its successors (including homebuilders who acquire one or more condominium units for resale to third parties) to sell and convey condominium units within the Project. However, if, without the City's written consent, title to the remaining unsold inventory of condominium units within the Project is conveyed or assumed by an entity other than Shire's Court, Ltd., or an entity that directly or indirectly controls, is controlled by, or is under common control with Shire's Court, Ltd., the City Manager may terminate the rights granted under this Agreement to develop the Project under Original Regulations, in which case the Project and Site Plan No. SP-06-0095C will expire on its original expiration date of March 21, 2011.

### **Section 2.03        Exceptions from Right to Develop Under Original Regulations**

In this section, Shire's Court, Ltd. agrees to comply with City regulations adopted after March 21, 2011, as they pertain to:

- a.    erosion and sedimentation controls;
- b.    uniform building, fire, electrical, plumbing, or mechanical codes adopted by recognized national code organizations or local amendments to those codes enacted to address imminent threats of destruction of property or injury to persons;
- c.    regulations to prevent the imminent destruction of property or injury to persons that do not affect landscaping, tree preservation, open space, or park dedication, lot size or dimensions, lot coverage, building size, residential or commercial density, or timing of the project, or that change development permitted by a restrictive covenant required by the City.
