IMAGINE AUSTIN PLAN FRAMEWORK AND PREFERRED GROWTH SCENARIO

Citizens Advisory Task Force Motion Sheet, February 8, 2011

Agenda Item 4c.

5	Plan Framework, Housing & Neighborhoods, Item N6	<p>a. Current language: "Strengthen the planning processes for small area plans (e.g., neighborhood plans, station area plans, corridor plans, etc.) by incorporating directions set by Imagine Austin."</p> <p>b. Alternate language: "Strengthen planning processes by recognizing that the Comprehensive Plan and small-area plans (such as neighborhood plans, corridor plans, and station-area plans) need to respect, inform and draw from each other." (Approved 25 to 0)</p>
6	Send Item 4 to Working Groups to look at appropriate ways to show these areas for some kind of mixed use development and support the County's request without defining it at this point	Approved 25 to 0
7	Remove density nodes over aquifer	Not approved 8 to 16
8	Forward Plan Framework and Preferred Growth Scenario with changes above and clear designation of aquifer to Planning Commission	Approved 22 to 2
