ORDINANCE NO. _____

#2
Revised

AN ORDINANCE AMENDING CHAPTER 6-7 OF THE CITY CODE RELATING
TO ENERGY CONSERVATION AUDIT AND DISCLOSURE REQUIREMENTS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. City Code Chapter 6-7 is amended to read:

CHAPTER 6-7. ENERGY CONSERVATION.

ARTICLE 1. General Provisions.

§ 6-7-1 DEFINITIONS.

In this chapter:

- (1) COMMERCIAL FACILITY means a building used for non-residential, civic, or commercial, and/or industrial uses, excluding manufacturing [building and does not include an industrial building], with a gross floor area of 10,000 square feet or greater.
- (2) CONDOMINIUM means a site that combines separate ownership of individual units with common ownership of other elements such as common areas.
- (23) DIRECTOR means the director of the Austin Electric Utility.
- (4) GROSS FLOOR AREA means the total number of enclosed square feet measured between the exterior surfaces of the fixed walls within any structure used or intended for supporting or sheltering any use or occupancy.
- (35) MULTI-FAMILY FACILITY means a site with five or more dwelling units.
- (46) OWNER means a person with a freehold interest in a facility to which this chapter applies.
- (57) RESIDENTIAL FACILITY means a site with four or fewer dwelling units.

1 (68) TIME OF SALE means the effective date of an executory contract ~~[the~~
2 ~~recording of a deed]~~ binding [transferring] the purchaser [legal title to
3 ~~real property]~~ to purchase [implement] the [sale of] property.

4 **§ 6-7-2 APPLICABILITY.**

5
6 This chapter applies to a ~~[commercial, residential, or multi-family facility if the]~~
7 facility that receives electric service from the Austin Electric Utility~~[, as determined by~~
8 ~~the director]~~.

9
10 **§ 6-7-3 ADMINISTRATIVE RULES.**

- 11
12 (A) The director shall adopt administrative rules for the implementation of this
13 chapter.
14
15 (B) The rules shall be available for inspection at the Austin Electric Utility
16 administrative offices during normal business hours.
17

18 **§ 6-7-4 VARIANCES.**

- 19
20 (A) The director ~~[may]~~shall grant a variance from a requirement of this chapter
21 if the director determines that either, (1) due to special circumstances unique
22 to the applicant's facility and not based on a condition caused by actions of
23 the applicant, strict compliance with provisions of this chapter would cause
24 undue hardship or (2), due to exhaustion of reasonable energy efficiency
25 measures, full compliance would require performance of work excluded
26 from the scope of section 6-7-23(B). A variance granted under this
27 subsection (A) must be limited to the minimum change necessary to avoid
28 the undue hardship or excluded work.
29
30 (B) In addition to the variance authorized in subsection (A), the director may
31 grant a variance from a requirement in this chapter if the director determines
32 that:
33
34 (1) application for a permit to substantially remodel or demolish the facility
35 will be filed not later than 6 months after the time of sale; and
36
37 (2) in the case of remodel, the owner and the purchaser of the facility have
38 entered into a binding agreement, in a form approved by the director,
39 whereby the purchaser of the facility agrees to complete an energy audit
40 within a specified period of time after remodel of the facility is complete.

1
2 (C) In addition to the variance authorized in subsection (A), the director may
3 grant a variance from the requirements of Article 4 *Commercial Facilities* if
4 the director determines that the facility [~~is a data center or other high energy~~
5 ~~use facility that~~] cannot be adequately evaluated using currently available
6 audit or rating tools.
7

8 (D) A person may seek a variance by filing an application with the director. The
9 director may require the applicant to provide information the director
10 determines is necessary to evaluate the variance request.
11

12 § 6-7-5 ENERGY AUDIT REQUIREMENTS. 13

14 (A) A residential or multi-family energy audit required under this chapter must:

15
16 (1) be conducted by a person certified as a building performance analyst or
17 equivalent by an agency approved by the director; and
18

19 (2) use the audit and disclosure forms prescribed by rule under § 6-7-3.
20

21 (B) A residential or multi-family energy audit [~~required under~~] performed in
22 accordance with this chapter may be used to [~~will~~] meet the energy audit
23 requirements of this chapter for a period of ten years after the audit is
24 initially performed, unless a more recent audit meeting the requirements of
25 this chapter has been conducted.
26

27 Article 2. Residential Facilities. 28

29 § 6-7-11 RESIDENTIAL ENERGY AUDIT.

30 (A) The owner of a residential facility must, in order to meet the disclosure
31 deadline requirements required under this article [~~before the time of sale of~~
32 ~~the facility~~], have an energy audit of the facility completed.

33 (B) The person conducting the audit must provide a copy of the energy audit to
34 the director not later than 30 days after the audit is complete.

35 § 6-7-12 DISCLOSURE REQUIRED.

36 The owner of a residential facility must provide a copy of the energy audit required
37 under this article to the purchaser or prospective purchaser of the facility:

- 1 (1) if the contract for the sale of the facility provides an option period during
2 which the prospective purchaser may terminate the contract for any
3 reason, no later than 3 days prior to the termination of the option period;
4 or
- 5 (2) if the contract for the sale of the facility does not provide for an option
6 period during which the prospective purchaser may terminate the contract
7 for any reason;
- 8 (a) concurrent with the seller's disclosure notice required under state law;
9 or
- 10 (b) if no seller's disclosure notice is required under state law, before the
11 time of sale [and the person performing the audit must provide a copy
12 of the energy audit to the director not later than 30 days after the audit
13 is complete].

14 **§ 6-7-13 EXEMPTIONS.**

- 15 (A) This article does not apply to transfers of title to real property in the
16 following circumstances:
- 17 (1) through a foreclosure sale or trustee's sale, or a deed in lieu of
18 foreclosure;
- 19 (2) through a pre-foreclosure sale where the seller has reached an agreement
20 with the mortgage holder to sell the facility for an amount less than the
21 amount owed on the mortgage;
- 22 (3) through the exercise of or under the threat of eminent domain;
- 23 (4) from one family member to another family member without
24 consideration;
- 25 (5) under a court order or probate proceedings; or
- 26 (6) under a decree of legal separation or dissolution of marriage, or property
27 settlement agreement incidental to such a decree.
- 28 (B) This article does not apply to a residential facility if one or more of the
29 following apply:
- 30
- 31
- 32
- 33
- 34
- 35
- 36
- 37
- 38

- 1 (1) the facility was constructed no more than ten years before the time of
2 sale;
3
4 (2) the facility participated in the Austin Energy Home Performance with
5 Energy Star program, or an equivalent Austin Electric Utility program,
6 not more than ten years before the time of sale and either:
7
8 (a) performed at least three of the efficiency measures,
9
10 (b) performed all recommended efficiency measures, as determined by
11 the director, or
12
13 ~~(b)~~ (c) received from the Austin Electric Utility an energy efficiency rebate
14 of [an amount prescribed by rule, but] not less than five hundred
15 dollars (\$500.00);
16
17 (3) the facility participated in the Austin Energy Free Weatherization
18 Program, or an equivalent Austin Electric Utility program, not more than
19 ten years before the time of sale;
20
21 (4) the purchaser of the facility qualifies for and has signed an agreement, in
22 a form acceptable to the director, agreeing to participate in the Austin
23 Energy Free Weatherization Program or an equivalent Austin Electric
24 Utility program, not later than six months after the time of sale; or
25
26 (5) the facility is manufactured housing built on a permanent chassis and
27 designed to be used without a permanent foundation.
28

29 **Article 3. Multi-Family Facilities.**
30

31 **§ 6-7-21 MULTI-FAMILY ENERGY AUDIT.**
32

- 33 (A) The owner of a multi-family facility which ~~[is]~~ will be at least ten years old
34 on June 1, ~~[2009]~~ 2011 must have an energy audit of the facility performed
35 not later than June 1, 2011.
36
37 (B) The owner of a multi-family facility not required to perform an energy audit
38 under subsection (A) must have an energy audit of the facility performed not
39 later than 10 years after construction of the facility is complete.
40

- 1 (C) The owner of a multi-family facility required to have an energy audit of the
2 facility performed under subsection (A) or (B) must have subsequent energy
3 audits performed not later than ten years after the date of the most recent
4 required audit for the facility.

5
6 **§ 6-7-22 DISCLOSURE REQUIRED.**

7
8 The owner of a multi-family facility must post and provide to current and
9 prospective tenants the results of the energy audit required under this article. The results
10 must be on a form and in locations prescribed by rule. In addition, the owner must
11 provide a copy of the required audit to the director not later than 30 days after the audit is
12 complete.

13
14 **§6-7-23 HIGH ENERGY USE FACILITIES.**

- 15
16 (A) Regardless of the date of construction of the facility, the director shall issue
17 a notice to the owner of a multi-family facility that the director determines
18 has an average per-square-foot energy usage exceeding 150% of the average
19 for multi-family facilities within the Austin Electric Utility service area.
20
21 (B) An owner who receives a notice issued under subsection (A) shall
22 implement energy efficiency improvements to the facility sufficient to
23 reduce [bring] the average per-square-foot energy usage of the facility [to
24 within 110%] by 20%[of the average per-square-foot energy usage of
25 multi-family facilities within the City] not later than eighteen months after
26 receipt of the notice. Energy efficiency improvements required under this
27 section shall not include replacement of windows or heating or air-
28 conditioning units, work that requires remediation of hazardous materials
29 (other than incidental lead paint removal), or extensive deconstruction work.
30
31 (C) An owner required to implement improvements under this section may apply
32 to the director for additional time to complete the improvements, but must
33 file the application not later than 90 days after receipt of the notice. If the
34 director determines that more than eighteen months is required to complete
35 the improvements, the owner may execute a contract in a form acceptable to
36 the director whereby the improvements required under this section will be
37 completed within a period of time determined by the director.
38
39 (D) Beginning 30 days after receipt of notice under Subsection 6-7-23(A), the
40 owner shall disclose to prospective tenants, in addition to the notice
41 requirements under Section 6-7-22, that the facility has been designated as

1 having higher than average energy usage, the percentage by which the
2 facility's energy usage exceeds the average per-square foot energy usage for
3 multi-family facilities within the Austin Electric Utility service area, and that
4 the facility's high average energy usage may result in a higher electric bill
5 than would be incurred by the prospective tenant in a similar unit in an
6 average energy use facility. The disclosure shall accompany the notice
7 required by Texas Property Code Section 92.3515 and be on a form
8 prescribed by rule. The owner's duty under this Subsection shall continue
9 until the director determines that the facility no longer has an average per-
10 square-foot energy usage in excess of that requiring notice under Subsection
11 6-7-23(A).

12 13 **§ 6-7-24 EXEMPTIONS.**

14
15 This article does not apply to a multi-family facility if:

- 16
17 (1) the owner completed comprehensive duct remediation work on the facility
18 though participation in an Austin Electric Utility rebate program no more
19 than ten years before [June 1, 2009] the otherwise applicable audit deadline
20 under this Article;
21
22 (2) HVAC equipment was replaced through an Austin Electric Utility rebate
23 program in all units of the facility no more than ten years before [June 1,
24 2009] the otherwise applicable audit deadline under this Article; or
25
26 (3) HVAC equipment was replaced with equipment meeting the requirements
27 for an Austin Electric Utility rebate program, though not participating in
28 the program, in all units of the facility no more than ten years before [June
29 1, 2009] the otherwise applicable audit deadline under this Article.
30

31 **Article 4. Commercial Facilities.**

32 33 **§ 6-7-31 COMMERCIAL FACILITY RATING.**

- 34
35 (A) The owner of a commercial facility that [is at least ten years old on June 1,
36 2009] has a gross floor area of 75,000 square feet or greater must calculate
37 an energy use rating for the facility not later than June 1, [2011]2012, using
38 an audit or rating system approved by the director.
39
40 (B) The owner of a commercial facility that has a gross floor area of 30,000
41 square feet or greater, but less than 75,000 square feet, must calculate an

1 energy use rating for the facility not later than June 1, 2013, using an audit
2 or rating system approved by the director.

3
4 (C) The owner of a commercial facility that has a gross floor area of 10,000
5 square feet or greater, but less than 30,000 square feet, must calculate an
6 energy use rating for the facility not later than June 1, 2014, using an audit
7 or rating system approved by the director.

8
9 (BD) The owner of a commercial facility not required to calculate an energy use
10 rating for the facility under subsection (A), (B), or (C) must calculate an
11 energy use rating for the facility by June 1 of each year following the first
12 rating required for the facility [not later than 10 years after construction of
13 the facility is complete,] using an audit or rating system approved by the
14 director.

15
16 **§ 6-7-32 DISCLOSURE REQUIRED.**

17
18 The owner of a commercial facility must make a copy of the energy rating
19 calculation required under this article available to a purchaser or prospective purchaser of
20 the facility before the time of sale and must provide a copy to the director not later than
21 30 days after the audit is complete.

22
23 **Article 5. Condominiums.**

24
25 **§ 6-7-35 CONDOMINIUM AUDIT AND DISCLOSURE.**

26
27 (A) The owner of five or more dwelling units located within one condominium
28 is required to meet the energy audit and disclosure requirements of Article 3
29 Multi-Family Facilities, with the exception of § 6-7-23 High Energy Use
30 Facilities, for all dwelling units within the condominium owned by the
31 owner.

32
33 (B) The owner of any number dwelling units located within one condominium is
34 required to meet the energy audit and disclosure requirements of Article 2
35 Residential Facilities, unless:

36
37 (1) an energy audit meeting the requirements of Article 3 Multi-Family
38 Facilities has been performed for the condominium, and

39
40 (2) a copy of the energy audit performed on the condominium is disclosed to
41 the purchaser or prospective purchaser prior to the time of sale.

1
2 **Article 5-6. Enforcement.**
3

4 **§ 6-7-41 PRESUMPTION OF VIOLATION.**
5

6 The record owner of property is presumed to be responsible for a violation of this
7 chapter that occurs at a facility on the property.
8

9 **§ 6-7-42 PENALTY.**
10

- 11 (A) A person commits a criminal offense if the person performs an act
12 prohibited by this chapter or fails to perform an act required by this chapter.
13 Each instance of a violation of this chapter is a separate offense.
14
15 (B) Each offense under this chapter is subject to a fine.
16
17 (1) Proof of culpable mental state is not required for a fine of up to \$500.
18
19 (2) If the person acts with criminal negligence, a fine of up to \$2,000.00 may
20 be assessed.
21
22 (C) Proof of a higher degree of culpability than criminal negligence constitutes
23 proof of criminal negligence.
24
25 (D) Prosecution of an offense and enforcement of other remedies under this
26 chapter are cumulative.
