Subject: Clarification

Ms. Ochoa:

TRC would like to submit for the record and clarify that former Mayor Gus Garcia is not and has not served as a consultant and/or lobbyist for TRC on any past, current and or future solicitations, including the Holly Street Demolition contract currently pending before the City of Austin. Mayor Garcia's name was referenced as a potential point of contact and reference for and by the media to address the historic perspectives of the Holly Power Plant to the East Austin community.

Please contact me if you have any questions.

Thank You,
Mike Holder, TRC
