Subject: LifeWorks Zoning and Neighborhood Plan Cases

LifeWorks would like to ask for the following cases to be scheduled for an indefinite postponement: C14-2010-0127, C14-2010-0136, NPA-2010-0012.01, NPA-2010-0012.02. These cases were indefinitely postponed from the December 14, 2010 Planning Commission and December 16, 2010 Council agendas last year and are due to expire in June. We are continuing to work on finding a tenant for the existing building that will determine the appropriate zoning request for the property. As such, we respectfully request that the cases be scheduled for the May 24, 2011 Planning Commission and May 26, 2011 City Council hearings in order to avoid expiration. We understand a re-notification fee will be required upon re-scheduling of the cases.

Please contact me if you need additional information.

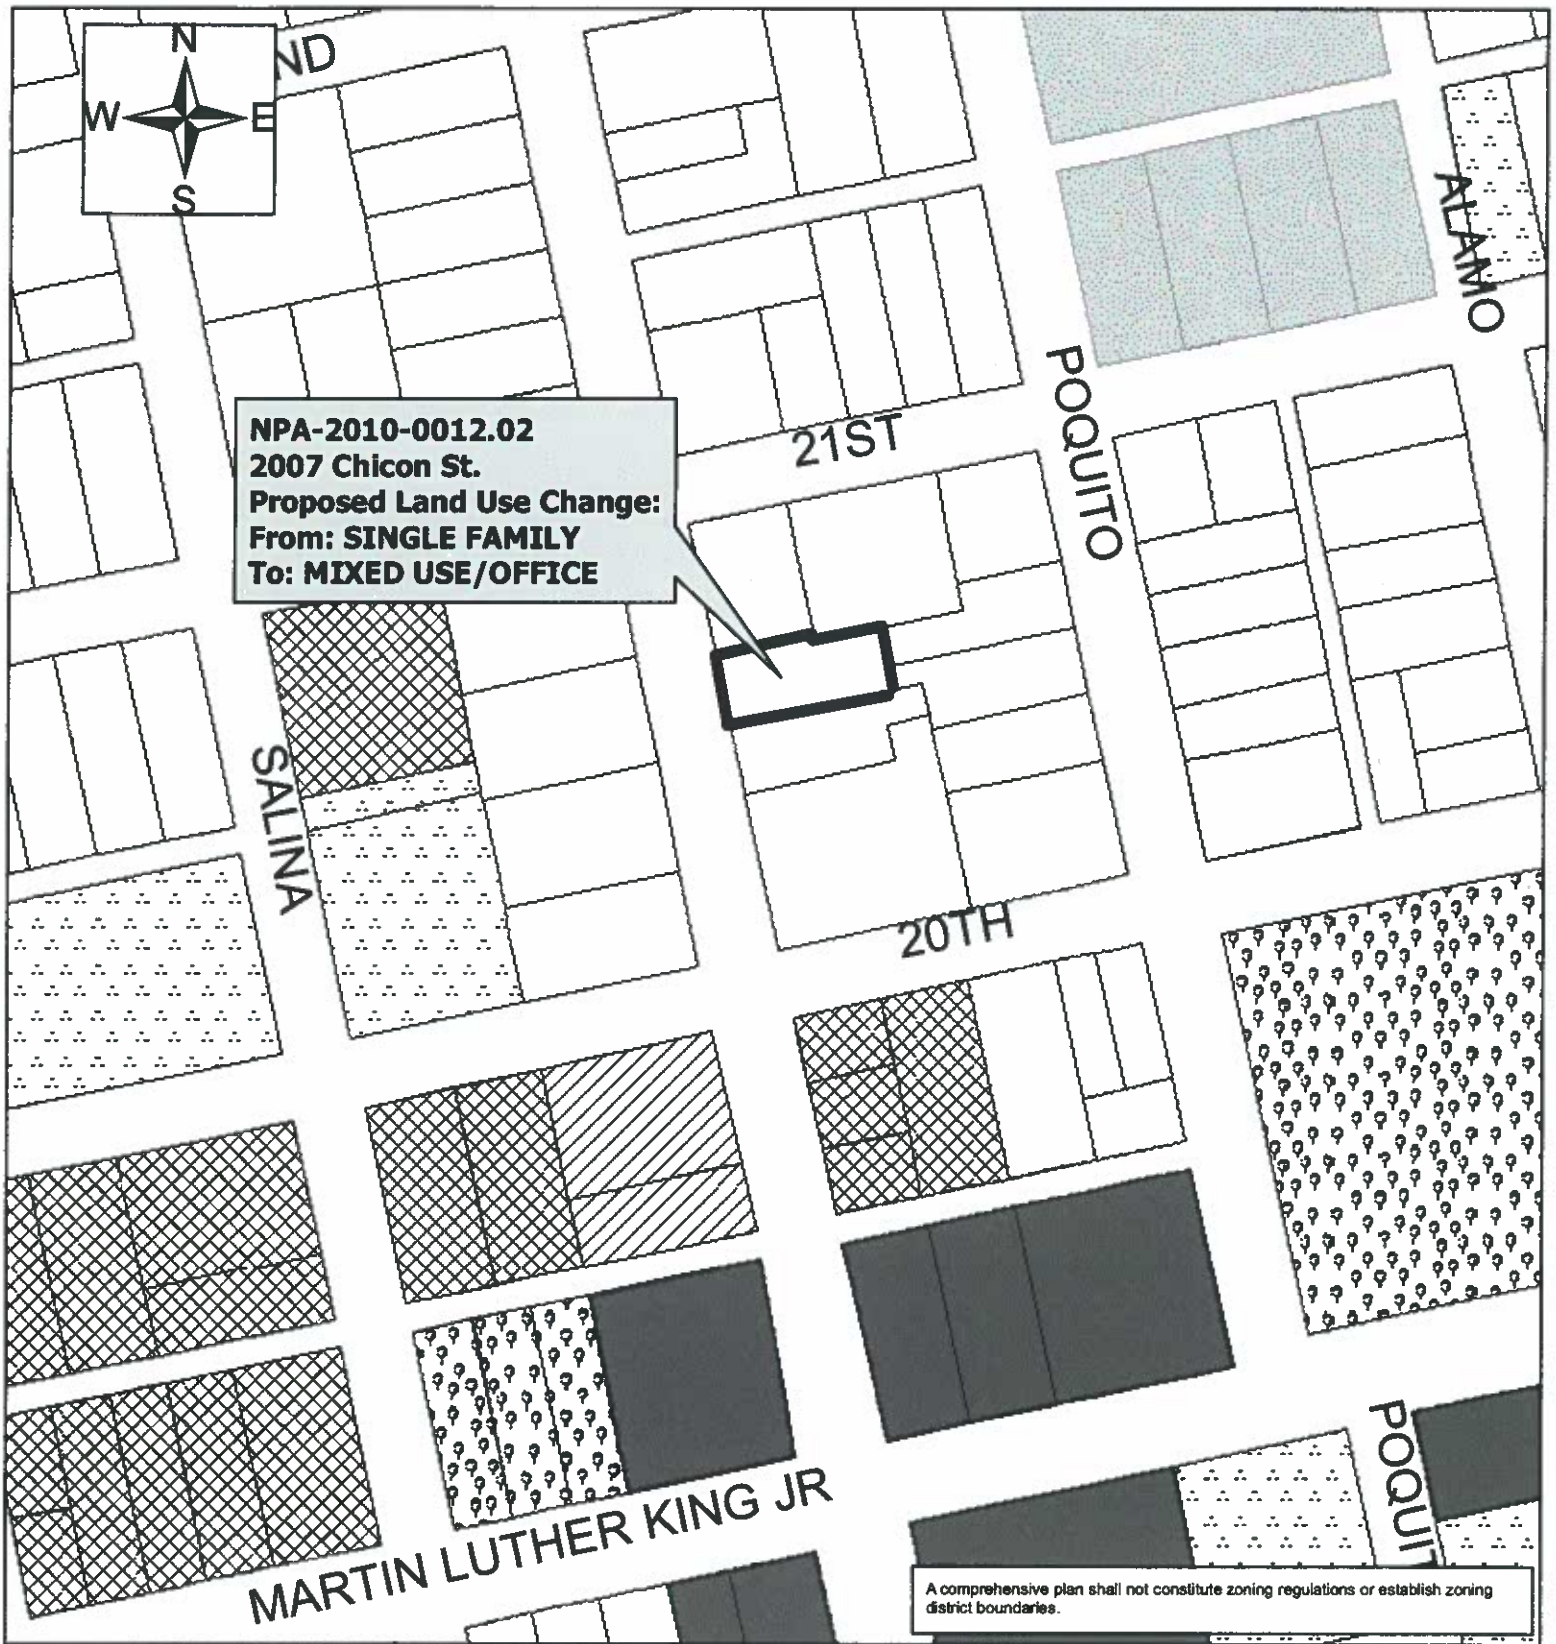

Thank you.
