(H) The second paragraph of Section 12.01 of the Authorizing Ordinance is deleted in its entirety.

(I) Subsection (d) of Section 12.02 of the Authorizing Ordinance is deleted in its entirety and replaced with the following:

Payment Date, the Paying Agent/Registrar shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and to its designated agent (if any) (the "Bond Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency, including the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Bond Insurer and the Bond Insurer's Fiscal Agent by 1:00 p.m., New York City time, on such Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Paying Agent/Registrar shall authenticate and deliver to affected Owners who surrender their Bonds a new Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered. The Paying Agent/Registrar shall designate any portion of payment of principal on Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Owner, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent/Registrar's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the City on any Bond or the subrogation rights of the Bond Insurer.

The Paying Agent/Registrar shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent/Registrar.

Upon payment of a claim under the Bond Insurance Policy the Paying Agent/Registrar shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent/Registrar shall have exclusive control and sole right of withdrawal. The Paying Agent/Registrar shall receive any amount

paid under the Bond Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent/Registrar to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Amounts held by the Paying Agent/Registrar in the Policy Payments Account shall not constitute Gross Revenues or Net Revenues under the Ordinance. Notwithstanding anything to the contrary otherwise set forth in this Ordinance, and to the extent permitted by law and subject to the appropriation thereof by the City from the Debt Service Fund, in the event amounts paid under the Bond Insurance Policy are applied to claims for payment of principal of or interest on the Bonds, interest on such principal of and interest on such Bonds shall accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank or its successor at its principal office in the City of New York, as its prime or base lending rate plus 3%, and (ii) the then applicable rate of interest on the Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent/Registrar and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent/Registrar. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Bond Insurer.

Notwithstanding the provisions of this Section 12.02(d) to the contrary, if the Paying Agent/Registrar determines that there will not be moneys in the funds and accounts established under this Ordinance in an amount sufficient to pay principal of or interest on Bank Bonds when due, the Paying Agent/Registrar shall not notify the Bond Insurer and seek payment of such amounts under the Bond Insurance Policy on behalf of the related Liquidity Facility Issuer unless directed to so in writing by such Liquidity Facility Issuer within sixty (60) days after such principal or interest was due. If a Liquidity Facility Issuer does not direct the Paying Agent/Registrar to seek payment of

such principal or interest within sixty (60) days after such payment was due, such Liquidity Facility Issuer shall be deemed to have waived its right to seek payment of such amounts under the Bond Insurance Policy.

In the event a payment is made under a Direct-Pay Credit Facility to pay scheduled principal of or interest on the Bonds and such payment is not reimbursed to the related Credit Facility Issuer within five (5) Business Days after such payment is made by such Credit Facility Issuer, the Paying Agent/Registrar, if directed to do so in writing by the related Credit Facility Issuer, may seek payment of such amounts under the Bond Insurance Policy on behalf of such Credit Facility Issuer to the extent provided by the Bond Insurance Policy. Upon payment of such amounts by the Bond Insurer, the Bonds shall continue to be outstanding for all purposes hereof and the Bond Insurer shall be entitled to exercise all subrogation rights granted to it pursuant to Section 12.02(e) hereof. If the Liquidity Facility Issuer does not direct the Paying Agent/Registrar to seek payment of such principal or interest within sixty (60) days after such payment was due, the Liquidity Facility Issuer shall be deemed to have waived its right to seek payment of such amounts under the Bond Insurance Policy.

(J) Subsection (f) of Section 12.02 of the Authorizing Ordinance is deleted in its entirety and replaced with the following:

(f) To the extent permitted by law and subject to the appropriation thereof by the City from the Administrative Expense Fund, the City shall pay or reimburse the Bond Insurer, as an Administrative Expense solely from the Administrative Expense Fund, any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document, (ii) the pursuit of any remedies under the Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Ordinance or any other Related Document whether or not executed or completed, (iv) the violation by the Issuer of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Ordinance or any other Related Document or the transactions contemplated thereby, other than amounts resulting from the failure of the Bond Insurer to honor its obligations under the Bond

Insurance Policy; provided, that any obligation of the City to pay or reimburse the Bond Insurer for any fees, costs and expenses which the Bond Insurer may pay or incur in connection with the cancellation or termination of the Bond Insurance Policy shall be governed by the terms of the Cancellation Agreement. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Ordinance or any other Related Document.

(K) Subsection (h) of Section 12.03 of the Authorizing Ordinance is deleted in its entirety and replaced with the following:

Amounts so held or available to be drawn under a Liquidity Facility for deposit in a Liquidity Facility Purchase Account shall not be available to pay the Purchase Price of Bonds of any subseries other than Bonds of a subseries that are supported by such Liquidity Facility.

(U) Subsection (c) of Section A-407 of the Authorizing Ordinance is deleted in its entirety and replaced with the following:

(2) To the extent a Liquidity Facility is in effect, the Tender Agent shall draw on the Liquidity Facility, in accordance with the terms thereof, by 12:25 p.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, in an amount equal to the Purchase Price of all Bonds of the Series tendered or deemed tendered less the aggregate amount of remarketing proceeds confirmed to the City, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent pursuant to clause (1) of this Section A-407(c) and shall cause the proceeds of such draw to be transferred to the Tender Agent by no later than 2:30 p.m. Notwithstanding the foregoing, the Tender Agent shall draw on the Liquidity Facility, if any, in an amount equal to the Purchase Price of all Bonds of the Series tendered or deemed tendered for purchase on each Purchase Date or Mandatory Purchase Date, as the case may be, if it does not receive a confirmation from the

Remarketing Agent pursuant to clause (1) above of this Section A-407(c).

ARTICLE A-V

LIQUIDITY FACILITIES AND CREDIT FACILITIES

Section A-501 Liquidity Facility and Credit Facility.

(a) At any time, the City may provide for the delivery of (i) an initial Liquidity Facility and an Alternate Liquidity Facility with respect to the Bonds of any subseries, and/or (ii) an initial Credit Facility and an Alternate Credit Facility with respect to the Bonds of any subseries. The City shall not obtain a Liquidity Facility for the Bonds of a subseries or provide for the delivery of a Liquidity Facility for the Bonds of a subseries without the prior consent of any Credit Facility Issuer for the Bonds of such subseries. Any such Liquidity Facility or Credit Facility shall provide that a Termination Date which permits the City to make on the Termination Tender Date a draw under the Liquidity Facility or the Credit Facility, as the case may be, shall not occur unless written notice thereof is given to the City, the Paying Agent/Registrar and the Tender Agent at least sixteen (16) days prior to the Termination Date. To the extent that any Liquidity Facility or Credit Facility permits the issuer thereof to assign its obligation thereunder, such Liquidity Facility or Credit Facility, as the case may be, shall provide that such assignment shall not be effective unless a written notice of such assignment is given to the City, the Paying Agent/Registrar, the Remarketing Agent and the Tender Agent at least sixteen (16) days prior to the effective date of such assignment. On or prior to the date on which a Liquidity Facility or Credit Facility is obtained or delivered to the City, the City shall obtain a Favorable Opinion of Bond Counsel. As provided in Section A-403 hereof, all Outstanding Bonds of the Series to which such Liquidity Facility or Credit Facility relates will become subject to mandatory tender for purchase on the Substitution Date.

(b) The City may execute and deliver any instrument that, upon such execution and delivery by the City, would constitute a "Credit Facility," a "Liquidity Facility" or both.

(c) The City shall deliver to the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Insurer and the Remarketing Agent a copy of each Liquidity Facility or Credit Facility obtained pursuant to this article on the effective date of such Liquidity Facility or Credit Facility. If at any time there shall have been delivered (i) an Alternate Credit Facility or Alternate Liquidity Facility in substitution for the Credit Facility or Liquidity Facility with respect to Bonds of a subseries then in effect and (ii) a Favorable Opinion of Bond Counsel, then, providing that any condition to substitution contained in the existing Credit Facility or Liquidity Facility shall have been satisfied, the Paying Agent/Registrar and/or the Tender Agent, as applicable, shall accept such Alternate Credit Facility or Alternate Liquidity Facility and, subject to subsection (d) of this Section A-501, shall surrender the Credit Facility or Liquidity Facility then in effect to the Credit Facility Issuer or Liquidity Facility Issuer on the effective date of the Alternate Credit Facility or Alternate Liquidity Facility. In the event of an extension of the Expiration Date, the City shall give the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Liquidity Facility Issuer and the Remarketing Agent a written notice of the new Expiration Date at least sixteen (16) days prior to the Expiration Tender Date. In the event of a substitution of a Liquidity Facility with an Alternate Liquidity Facility or of a Credit Facility with an Alternate Credit Facility, the City shall give the Paying Agent/Registrar, the Tender Agent, the Insurer and the Remarketing Agent a written notice of the Substitution Date at least sixteen (16) days prior to such Substitution Date. The City shall give the Paying Agent/Registrar, the Tender Agent, the Insurer and the Remarketing Agent a written notice of its election to terminate the Credit Facility or the Liquidity Facility at least sixteen (16) days prior to the Termination Tender Date resulting from its election to terminate such Credit Facility or Liquidity Facility.

(d) In no event shall the City surrender or cancel a Liquidity Facility relating to the Bonds of any subseries unless it has received funds, either from proceeds of remarketing or a draw under the Liquidity Facility to be surrendered or cancelled, sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase

Date. In no event shall the City surrender or cancel a Credit Facility relating to the Bonds of any subseries unless it has received funds sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date.

(e) The City shall not sell, assign or otherwise transfer the Credit Facility or Liquidity Facility, except in accordance with the terms of the Credit Facility or Liquidity Facility and the Ordinance.

(f) Prior to the Substitution Date, no drawing under an Alternate Liquidity Facility shall be made by the City if the predecessor Liquidity Facility shall be effective and available to make drawings thereunder on the date of such drawing. On or after the Substitution Date, no drawing under a predecessor Liquidity Facility shall be made by the City if the Alternate Liquidity Facility shall be effective and available to make drawings thereunder on the date of such drawing.

Section A-502 Direct-Pay Credit Facility Drawing Account.

(a) If a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, there shall be created and established and maintained with the Paying Agent/Registrar a separate account for the Bonds of such subseries to be known as the “[Name of Bonds of a subseries that are secured by such Credit Facility] Direct-Pay Credit Facility Drawing Account” (the “Direct-Pay Credit Facility Drawing Account”). The establishment of such Direct-Pay Credit Facility Drawing Account shall be evidenced in a certificate of an authorized representative of the Paying Agent/Registrar.

(b) The City shall make payments of principal and Redemption Price of and interest on the Bonds of a subseries in accordance with the Ordinance into the Debt Service Fund as and when the same shall become due and payable regardless of whether a Direct-Pay Credit Facility is in effect with respect to the Bonds of such subseries.

(c) If a Direct-Pay Credit Facility is in effect with respect to the Bonds of a subseries, the Paying Agent/Registrar shall take all action necessary to draw or make a claim on the related Direct-Pay Credit Facility in such amounts, at such times, and in such manner as shall be necessary to pay the principal and Redemption Price (including, to the extent amounts are available therefor under the

Direct-Pay Credit Facility, Sinking Fund Installments) of and interest on all Bonds payable therefrom as and when the same shall become due and payable; provided, however, in the event the Bond Insurance Policy is in effect, any such draw or claim on a Direct-Pay Credit Facility shall be made at such times in order to receive payment in immediately available funds by 11:30 a.m. on the Business Day immediately preceding the date on which payment is due on the Bonds. The Paying Agent/Registrar shall promptly deposit into the related Direct-Pay Credit Facility Drawing Account all moneys so drawn by the Paying Agent/Registrar under the related Direct-Pay Credit Facility, which shall not be commingled with any other moneys held by the Paying Agent/Registrar and which shall be applied to the payment of such principal, Redemption Price and interest.

(d) Subject to the immediately succeeding paragraph, on each Principal Installment due date or Redemption Date, as the case may be, and Interest Payment Date, the Paying Agent/Registrar shall make payments of principal or Redemption Price of and interest on the Bonds of each Series to their Owners in accordance with the Ordinance.

If a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, notwithstanding the immediately preceding paragraph, the Paying Agent/Registrar shall make payments of principal or Redemption Price of and interest on the Bonds of such subseries to their Owners in the manner provided for in the Ordinance from the moneys deposited in the related Direct-Pay Credit Facility Drawing Account pursuant to subsection (c) of this Section A-502. If sufficient funds are not available in the related Direct-Pay Credit Facility Drawing Account, the City shall apply other moneys, if any, available in the Debt Service Fund to the extent necessary to make such payment. If the principal or Redemption Price of and interest on the Bonds of a subseries has been paid in full when due and all payments required to be made under the Direct-Pay Credit Facility have been made, the City shall apply remaining moneys, if any, available in the Debt Service Fund in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer of the Direct-Pay Credit Facility for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer of the Direct-Pay Credit Facility. In the event the Credit Facility Issuer of the related Direct-

Pay Credit Facility for such draw or borrowing is not reimbursed by the City within five (5) Business Days of such draw or borrowing and the Bond Insurance Policy is in effect, the Paying Agent/Registrar may make a claim under the Bond Insurance Policy on behalf the Credit Facility Issuer, if instructed to do so in writing by such Credit Facility Issuer, to the extent provided for in the Bond Insurance Policy and Section 12.02(d) of the Ordinance.

(e) Amounts held by the Paying Agent/Registrar in each Direct-Pay Credit Facility Drawing Account shall not constitute Gross Revenues or Net Revenues under the Ordinance and shall be held uninvested and separate and apart from all other funds and accounts. Amounts so held or available to be drawn under a Direct-Pay Credit Facility for deposit in a Direct-Pay Credit Facility Drawing Account shall not be available to pay the principal or Redemption Price of or interest on any subseries other than Bonds of a subseries that are supported by such Direct-Pay Credit Facility.

(f) So long as the Bond Insurance Policy is in effect and a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, the Paying Agent/Registrar first shall take all action necessary to draw or make a claim on the related Direct-Pay Credit Facility in such amounts, at such times, and in such manner as prescribed by subsection (c) of this Section A-502.

(g) To the extent that any payment on the Bonds has been made to an Owner with funds provided by a draw under a Direct-Pay Credit Facility for which the related Credit Facility Issuer has not been reimbursed by the City, such Bonds shall be deemed to be unpaid and shall be deemed to remain outstanding for all purposes of this Ordinance and such Credit Facility Issuer shall be subrogated to the rights of the Owner of such Bond. In the event the related Credit Facility Issuer of the Direct-Pay Credit Facility is reimbursed for such draw by a payment under the Bond Insurance Policy or another Credit Facility, such Bond shall be deemed to continue to remain outstanding for all purposes of the Ordinance and the Bond Insurer or the Credit Facility Issuer of such other Credit Facility, as applicable, shall be subrogated to the rights of the Owner of such Bond until such Bond is paid in full by the City.

Section A-503 Amendments Relating to Credit Facilities and Liquidity Facilities. In addition to any amendments permitted pursuant to Article Nine of the Ordinance, the City, with the consent

of the Insurer, may amend any provisions of the Ordinance, including without limitation any provisions of this Appendix A, as the City deems necessary or appropriate in connection with the conversion to a Daily Rate Mode or a Weekly Rate Mode or with the delivery of any Credit Facility or Liquidity Facility.

(W) The third paragraph of Section A-602 of the Authorizing Ordinance is deleted in its entirety and replaced with the following:

The Tender Agent shall be selected by the City and shall be a bank or other financial institution that satisfies the qualifications determined by the City and set forth in any applicable provisions of law. The City's execution of a Certificate setting forth the effective date of the appointment of a Tender Agent and the name, address and telephone number of such Tender Agent shall be conclusive evidence that (i) such Tender Agent has been appointed and is qualified to act as Tender Agent under the terms hereof and (ii) if applicable, the predecessor Tender Agent has been removed in accordance with the provisions hereof. Notwithstanding any other provision of this Section A-602 to the contrary, so long as a Credit Agreement is in effect with respect to the Bonds and such Credit Agreement constitutes both a Credit Facility and a Liquidity Facility, the entity serving as Tender Agent for the Bonds shall also serve as Paying Agent/Registrar for the Bonds.

(X) Except as specifically amended by this Part 3, all other terms and provisions of the Authorizing Ordinance shall remain in full force and effect. In the event of any conflict or inconsistency between the terms and provisions contained in the Authorizing Ordinance and the terms and provisions contained in this Part 3, the terms and provisions of this Part 3 shall govern and prevail to the extent necessary to resolve such conflict or inconsistency.

PART 4. FURTHER PROCEDURES. Each Authorized Officer is authorized and directed to do any and all things necessary or convenient to carry out the terms of this ordinance.

PART 5. SEVERABILITY. The provisions of this ordinance are severable. If any provision of this ordinance or its applications to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this ordinance.

PART 6. OPEN MEETING. The City posted sufficient written notice of the date, hour, place, and subject of the meeting of the city council at which this

ordinance was adopted at a place convenient and readily accessible at all times to the general public at the Austin City Hall for the time required by the Open Meetings Law, Chapter 551, Texas Government Code. This meeting has been open to the public as required by law at all times during which this ordinance and its subject matter were discussed, considered, and formally acted upon. The city council ratifies, approves, and confirms such written notice, its contents and its posting.

PART 7. REPEALER. All orders, resolutions, and ordinances (other than the Authorizing Ordinance), or their parts that are inconsistent with this ordinance are repealed only to the extent needed to eliminate the inconsistency.

PART 8. EFFECTIVE IMMEDIATELY. Part 3 of this ordinance takes effect upon the satisfaction of the terms and provisions of Sections A-503 and A-701(b) of the Authorizing Ordinance. The delivery of the Alternate LOCs is conclusive evidence that Sections A-503 and A-701(b) of the Authorizing Ordinance have been satisfied and the delivery date of the Alternate LOCs will be the effective date of Part 3 of this ordinance. Parts 1, 2, 4, 5, 6, and 7 of this ordinance take effect immediately on its passage pursuant to Section 1201.028, Texas Government Code.

Section 2.13 Net of Taxes, Etc.

(a) *Taxes.* Any and all payments to the Bank by the City hereunder and under the Bank Fee Agreement shall be made free and clear of and without deduction for any and all taxes, levies, imposts, deductions, charges, withholdings or liabilities imposed thereon, excluding, however, taxes or franchise taxes or other charges imposed in lieu of such taxes imposed on or measured by the net income or capital of the Bank by any jurisdiction or any political subdivision or taxing authority thereof or therein solely as a result of a connection between the Bank and such jurisdiction or political subdivision (all such non excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as “*Taxes*”). If the City shall be required by law to withhold or deduct any Taxes imposed by the United States or any political subdivision thereof

from or in respect of any sum payable hereunder or under the Bank Fee Agreement to the Bank, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.13), the Bank receives an amount equal to the sum it would have received had no such deductions been made, (ii) the City shall make such deductions and (iii) the City shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law. If the City shall make any payment under this Section 2.13 to or for the benefit of the Bank with respect to Taxes and if the Bank shall claim a refund of such taxes or any credit or deduction for such Taxes against any other taxes payable by the Bank to any taxing jurisdiction in the United States, then the Bank shall pay to the City an amount equal to the amount of any refund actually received by the Bank or the amount by which such other taxes are actually reduced; *provided* that the aggregate amount payable by the Bank pursuant to this sentence shall not exceed the aggregate amount previously paid by the City with respect to such Taxes. Nothing herein shall interfere with the Bank's right to arrange its tax affairs in whatever manner it sees fit nor obligate it to claim any tax credit or to disclose any information relating to its tax affairs or any computations in respect thereof. In addition, the City agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the law of the United States of America, the State of Texas, the State of New York or any other taxing jurisdiction from any payment made hereunder or under the Bank Fee Agreement to the Bank or from the execution or delivery or otherwise by the Bank with respect to this Agreement or under the Bank Fee Agreement (hereinafter referred to as "*Other Taxes*"). The Bank shall provide to the City within a reasonable time a copy of any written notification it receives with respect to Taxes or Other Taxes owing by the City to the Bank hereunder; *provided* that the Bank's failure to send such notice shall not relieve the City of its obligation to pay such amounts hereunder.

(b) *Reimbursement.* The City shall, to the fullest extent permitted by law and subject to the provisions hereof, reimburse the Bank for the full amount of Taxes and Other Taxes, including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 2.13, paid by the Bank or any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted; *provided* that the City shall not be obligated to reimburse the Bank for any penalties, interest or expenses relating to Taxes or Other Taxes arising from the Bank's negligence or willful misconduct. The Bank agrees to give notice to the City of the assertion of any claim against the Bank relating to such Taxes or Other Taxes as promptly as is practicable after being notified of such assertion; *provided* that the Bank's failure to notify the City promptly of such assertion shall not relieve the City of its obligation under this Section 2.13. Payments by the City pursuant to this Section 2.13 shall be made within thirty (30) days after the date the Bank makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. The Bank agrees to repay to the City any refund (including that portion of any interest that was included as part of such refund) with respect to Taxes or Other Taxes paid by the City pursuant to this Section 2.13 received by the Bank for Taxes or Other Taxes that were paid by the City

pursuant to this Section 2.13. The term “*refund*,” solely as used in this Section 2.13(b) shall include any credit or deduction against other taxes payable by the Bank.

(c) *Notice.* Within thirty (30) days after the date of any payment of Taxes by the City, the City shall furnish to the Bank, the original or a certified copy of a receipt evidencing payment thereof.

(d) *Survival of Obligations.* The obligations of the City under this Section 2.13 shall survive the termination of this Agreement.

Section 2.14 Increased Costs

(a) If on or after the date hereof, the adoption of any law, rule or regulation, or any change therein, or in the interpretation or administration thereof by any court, governmental authority, central bank or comparable agency charged with the interpretation or administration thereof (each a “*Change in Law*”), or compliance by the Bank or any of its affiliates or subsidiaries with any request or directive made on or after the date hereof (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) shall subject the Bank or any of its affiliates or subsidiaries to any tax, duty or other charge with respect to this Agreement, the Bank Fee Agreement, or the Letters of Credit or any Bank Bonds purchased by the Bank or such affiliate or subsidiary hereunder, or shall change the basis of taxation of payments to the Bank or any of its affiliates or subsidiaries of any amounts due under this Agreement, the Bank Fee Agreement, or its Letters of Credit or any Liquidity Advances made by the Bank or any of its affiliates or subsidiaries hereunder (except for changes in the rate of (A) tax on the overall net income of the Bank or such affiliate or subsidiary or (B) franchise taxes or other charges imposed in lieu of such taxes); or

(ii) shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System), special deposit, or similar requirement against the assets of, deposits with or for the account of, or credit extended by, the Bank or any of its affiliates or subsidiaries or shall impose on the Bank or any of its affiliates or subsidiaries any other condition affecting its obligations under this Agreement, the Bank Fee Agreement, or the Letters of Credit;

and the result of any event referred to in subparagraphs (i) and (ii) above is to increase the cost to the Bank or an affiliate or subsidiary of the Bank of performing its obligations under this Agreement, the Bank Fee Agreement, or the Letters of Credit, or to reduce the amount of any sum received or receivable by the Bank or such affiliate or subsidiary under this Agreement or the Letters of Credit or any Bank Bonds purchased by the Bank or such affiliate or subsidiary hereunder, by an amount deemed by the Bank or such affiliate or subsidiary to be material, then, within sixty (60) days after demand by the Bank or such affiliate or subsidiary (or, if such increased costs will continue to be

incurred by the Bank or such affiliate or subsidiary, in arrears on a monthly basis as agreed between the City and the Bank or such affiliate or subsidiary), the City shall pay to the Bank or an affiliate or subsidiary of the Bank, such additional amount or amounts as will compensate the Bank or such affiliate or subsidiary for such increased cost or reduction.

(b) If the Bank or any of its affiliates or subsidiaries shall have determined that, after the date hereof, any Change in Law, or any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of the Bank or any of its affiliates or subsidiaries relating to the Bank's or its affiliate's or subsidiary's, as applicable, obligations hereunder, under the Bank Fee Agreement, or under the Letters of Credit, and such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy or liquidity) will reduce the Bank's or its affiliate's or subsidiary's, as applicable, rate of return on capital by a material amount, then from time to time, within sixty (60) days after written demand by the Bank or its affiliate or subsidiary, the City shall pay to the Bank or its affiliate or subsidiary, as applicable, such additional amount or amounts as will compensate the Bank or its affiliate or subsidiary, as applicable, for such additional costs.

(c) Notwithstanding the foregoing, for purposes of this Agreement (a) all requests, rules, guidelines or directives in connection with the Dodd-Frank Act shall be deemed to be a Change in Law, regardless of the date enacted, adopted or issued, and (b) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) or any Governmental Authority shall be deemed a Change in Law regardless of the date enacted, adopted or issued.

(d) A certificate of the Bank or any of its affiliates or subsidiaries claiming compensation under this Section and setting forth the additional amount or amounts to be paid to it hereunder and attaching such information in reasonable detail shall be conclusive in the absence of manifest error.

(e) No affiliate or subsidiary or other transferee of the Bank's rights shall be entitled to receive any greater payment under this Section 2.14 than the Bank would have been entitled to receive with respect to the rights transferred.

(f) The obligations of the City under this Section 2.14 shall survive the termination of this Agreement.

Section 2.15 Obligations Absolute. The obligations of the City to reimburse the Bank for amounts paid by the Bank under the Letters of Credit, together with interest thereon as provided herein and all other amounts due and owing the Bank, shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement and the Bank Fee Agreement, under all circumstances whatsoever, including without limitation the following circumstances:

- (i) any lack of validity or enforceability of any Letter of Credit or any of the Financing Documents;
- (ii) any amendment to, waiver of or consent to departure from any provision of, any Letter of Credit or any Financing Document;
- (iii) the existence of any claim, set off, defense or other right which the City may have at any time against the Paying Agent, any beneficiary of any Letter of Credit (or any Persons for whom the Paying Agent, any such beneficiary or any such transferee may be acting), the Bank, a Participant or any other Person, whether in connection with the Letters of Credit, the Financing Documents or any unrelated transaction;
- (iv) any statement or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;
- (v) payment by any Bank to the Paying Agent under any Letter of Credit against presentation of a draft or certificate which does not strictly comply with the terms of such Letter of Credit; or
- (vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Section 2.16 Maximum Rate. If the rate of interest payable hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (a) interest at the Maximum Rate shall be due and payable with respect to such interest period and (b) interest at the rate equal to the difference between (i) the rate of interest calculated in accordance with the terms hereof and (ii) the Maximum Rate (the “*Excess Interest*”) shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the City shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the earlier of (A) the date the related Liquidity Advance is repaid in full and (B) the date all related Reimbursement Obligations are payable hereunder following the termination of the applicable Letter of Credit, in consideration for the limitation of the rate of interest otherwise payable hereunder, the City, to the extent permitted by law, shall pay to the Bank a fee equal to the amount of all unpaid deferred Excess Interest; *provided* that in no event shall any such payment result in interest paid hereunder exceeding the Maximum Rate.

Section 2.17 Security. Notwithstanding any provision set forth herein to the contrary, the Bank acknowledges and agrees that the obligations of the City hereunder for the payment of Obligations owed to the Bank hereunder, under the Bank Fee Agreement and with respect to the Bank Bonds are secured by and payable solely from Net Revenues as provided in the Ordinance and are subject to all limitations on such sources and priorities with respect to payment therefrom

as are set forth in the Ordinance. Funds raised or to be raised by taxation shall not be available for the payment of Obligations owed to the Bank hereunder.

ARTICLE 3 **REPRESENTATIONS AND WARRANTIES**

Section 3.1 Representations of City. In order to induce the Bank to enter into this Agreement and the Bank to issue its Letters of Credit, the City hereby represents and warrants to the Bank as follows:

(a) *Organization and Authorization.* The City is a “Home Rule City”, acting as such under the Constitution and laws of the State, and has full legal right, power and authority to (i) charge and collect revenues related to the Airport System and (ii) pledge the Net Revenues to secure the Bonds (including Bank Bonds).

(b) *Authority to Adopt or Execute Documents.* The City had, as of the date of adoption thereof, full power and authority to adopt its ordinance or ordinances authorizing the execution and delivery of the Financing Documents to which the City is a party and the transactions contemplated hereby and thereby, has, or had as of the date of execution and delivery, full power and authority to execute and deliver this Agreement, the Bank Fee Agreement, and the Financing Documents to which the City is a party, and has full power and authority to perform its obligations under each of the foregoing.

(c) *Obligations Legal, Valid and Binding.* (i) The Financing Documents to which the City is a party have been duly and validly authorized, executed and delivered and constitute the legal, valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except insofar as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in equity, by the exercise by the State and its governmental bodies of the police power inherent in the sovereignty of the State or by the exercise by the United States of America of the power delegated to it by the Constitution of the United States of America.

(ii) No Default or City Event of Default has occurred and is continuing under this Agreement, and no event of default or condition, event or act which with notice or lapse of time or both would become or constitute a default or event of default under, or as such term is defined in, any other Financing Document to which it is a party or under any other material mortgage, indenture, contract, agreement or undertaking to which the City is a party or which purports to be binding on the City or on any of its assets which default would materially adversely affect the ability of City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(d) *No Legal Bar.* (i) The City is not in violation of any law of the State in any manner which would adversely affect the City’ existence or its powers and authority referred to in Section 3.1(b) hereof.

(ii) The execution, delivery and performance by the City of this Agreement, the Bank Fee Agreement, and the other Financing Documents to which it is a party, and all other agreements and instruments relating to this Agreement or the other Financing Documents executed and delivered by the City in connection herewith and therewith (i) do not violate any provision of the Constitution of the State or the laws of the State or any other applicable law, regulation, order, writ, judgment or decree of any court, arbitrator (to the extent that any ruling, finding or decision of any arbitrator is enforceable by a court of law) or governmental authority, and (ii) do not violate any provision of, constitute a default under, or result in the creation or imposition of any lien on any of the assets of the City pursuant to the provisions of, any mortgage, ordinance, resolution, indenture, contract, agreement or other undertaking to which the City is a party or which purports to be binding on the City or on any of its assets other than the liens created hereby or by the other Financing Documents, which violation would materially adversely affect the ability of the City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(iii) The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing any Payment Obligation of the City or any other contract or agreement which limits the amount of, or otherwise imposes restrictions on the incurring of, obligations of the City that would materially adversely affect the ability of City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(e) *Consents.* The City has obtained, or will obtain on or before the Closing Date, all consents, permits, licenses and approvals of, and has made, or will have made on or before the Closing Date, all filings, registrations and declarations with, governmental authorities required under law, to authorize the remarketing of the Bonds, the execution, delivery and performance of this Agreement, the Bank Fee Agreement, and the other Financing Documents to which it is a party and all other agreements delivered or to be delivered in connection with any thereof, and all such consents, permits, licenses, approvals, filings, registrations and declarations remain in full force and effect.

(f) *Litigation.* There is no action, suit, investigation or proceeding, inquiry or investigation before or by any court, public board or body pending or, to the knowledge of the City, threatened against or affecting the City in which an adverse determination could have a material adverse effect on the Airport System or the business, operations or condition (financial or otherwise) of the Airport System or its ability to perform its obligations hereunder or under the other Financing Documents to which it is a party.

(g) *Disclosure.* The representations and statements made by the City herein or in any other Financing Document, or in any other document furnished to the Bank by the City in connection herewith or therewith are accurate as of the date of this Agreement. All financial statements of the City furnished to the Bank were prepared in accordance with GAAP. Since the date of the audited financial statements of the City

included in the Remarketing Memorandum, no material adverse change has occurred in the business, operations or condition (financial or otherwise) of the City. The Remarketing Memorandum does not, as of its date, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation is made as to information with respect to the Insurer, the Bank, KBC or Royal Bank.

(h) *Insurance.* The City currently maintains insurance for the Airport System of such types and in such amounts or in excess of such amounts as are customarily carried by, and insures against such risks as are customarily insured against by, Texas home-rule cities operating properties of like type, size and character to the Airport System or provides self-insurance for the same.

(i) *No Proposed Legal Changes.* To the knowledge of the City, as of the date of execution of this Agreement, there is no amendment or proposed amendment to the Constitution of the State or any published administrative interpretation of the Constitution of the State or any State law (including, without limitation, any opinion of the attorney general of the State interpreting the Constitution of the State or any State law), or any legislation that has passed either house of the State legislature, or any published judicial decision by a court of competent jurisdiction interpreting any of the foregoing, the effect of which is (i) to materially adversely affect the Bonds or any holder thereof in its capacity as such or (ii) to materially adversely affect the ability of the City to perform its obligations under this Agreement or any other Financing Document to which it is a party.

(j) *No Immunity.* To the extent authorized by Texas Government Code Section 1371.059(c), the City has, in this Agreement, waived sovereign immunity from suit and liability for the purposes of adjudicating a claim to enforce this Agreement and the Bank Fee Agreement or for damages for breach of this Agreement or the Bank Fee Agreement. The City further represents that to the extent its obligations hereunder, under the Bank Fee Agreement and under the other Financing Documents to which it is a party represent the legal obligations of the City, it believes its non-discretionary duties are subject to enforcement in Texas courts by writ of mandamus, and that it is not immune to an equitable mandamus action.

(k) *Other MFN Clause.* The City does not currently have outstanding any Bank Agreement in which it has given to any Person or Persons that have made a loan or extended credit or liquidity to the City for the benefit of the Airport System an MFN Clause that provides such Person or Persons the benefit of any events of default contained in a separate Bank Agreement (entered into by the City on a future date with a different Person or Persons) that are in addition to or different from the events of default provided for in the Bank Agreement containing the subject MFN Clause.

(l) *Regulations U and X.* The City is not engaged in the business of extending purpose credit, secured directly or indirectly, by margin stock (within the meaning of Regulation U or X issued by the Board of Governors of the Federal Reserve

System); and the City will not use, or cause any other Person to use, the proceeds of the Bonds to extend purpose credit, secured directly or indirectly by margin stock, to any other Person.

(m) *Environmental Matters.* The City has not received any notice to the effect that the City is not in compliance with any requirement of law or is the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non compliance or remedial action could have a material adverse effect on the assets, financial condition, properties, business or operations of the Airport System or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(n) *ERISA.* The City is not subject to ERISA.

(o) *Compliance with Laws.* Except as disclosed in the Remarketing Memorandum or otherwise disclosed in writing to the Bank prior to the date hereof, the City is in compliance in all material respects with the requirements of all laws and all orders, writs, injunctions and decrees applicable to it or to its properties, except in such instances in which (a) such requirement of law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted or (b) the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a material adverse effect on the assets, financial condition, properties, business or operations of the Airport System or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(p) *Taxes.* The City has filed all Federal, state and other material tax returns and reports required to be filed and has paid all Federal, state and other material taxes, assessments, fees and other governmental charges levied or imposed upon it or its properties, income or assets otherwise due and payable, except those which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP. There is no proposed tax assessment against the City that would, if made, have a material adverse effect on the assets, financial condition, properties, business or operations of the City or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(q) *Interest.* None of the Financing Documents (including the Bonds and Bank Bonds) provide for any payments that would violate any applicable law regarding permissible maximum rates of interest under the laws of the State; *provided, however*, that the City makes no representation with respect to the last sentence of Section 2.16 hereof.

(r) *Prior Lien Bonds.* Other than the Prior Lien Bonds the City has no obligations secured by a lien on the Net Revenues that is superior to the lien on the Net Revenues securing the Series 2005 Bonds. The City has covenanted in the Ordinance not

to issue Additional Prior Lien Bonds (as defined in the ordinances authorizing the Prior Lien Bonds).

(s) *Bank Bonds.* The Bank Bonds purchased pursuant to this Agreement will be transferred to or held for the benefit of the Bank, free and clear of all liens, security interests or claims of any Person other than the Bank, except for such consensual liens or other security interests as may be created by the Bank.

(t) *The Paying Agent and Remarketing Agent.* The Paying Agent is the duly appointed and acting paying agent/registrar under the Ordinance. The Remarketing Agent is the duly appointed and acting remarketing agent for the Bonds.

(u) *Swap Termination Payments.* There is no lien on the Net Revenues securing any swap termination payments payable pursuant to any Swap Contract entered into by the City that is superior in priority to or on a parity with the lien securing the Bonds, the Bank Bonds and any other Obligations owed to the Bank hereunder or under the Bank Fee Agreement.

(v) *Incorporation of Representations and Warranties.* The City hereby makes to the Bank the same representations and warranties as were made by it in each Financing Document (other than this Agreement) to which it is a party, which representations and warranties, together with the related definitions of terms contained therein, are hereby incorporated by reference in this Section 3.1(v) with the same effect as if each and every such representation and warranty and definition were set forth in this Section 3.1(v) in its entirety. No amendment to or waiver of such representations and warranties or definitions made pursuant to such Financing Documents shall be effective to amend such representations and warranties and definitions as incorporated by reference in this Section 3.1(v) without the prior written consent of the Bank in accordance with Section 5.2(a).

(w) *Security.* Pursuant to the Ordinance the City has pledged the Net Revenues to the payment and security of the Bonds (including the Bank Bonds). The Ordinance validly grants the pledge which it purports to create to secure the Bonds (including the Bank Bonds) and the City's obligations hereunder as and to the extent provided herein and in the Ordinance and is a perfected lien in the manner provided by Chapter 1208, Texas Government Code.

ARTICLE 4 **CONDITIONS PRECEDENT**

Section 4.1 Conditions to Issuance and Delivery of the Letters of Credit. The obligation of the Bank to issue the Letters of Credit has been undertaken in reliance upon the due performance by the City of its obligations and agreements to be performed hereunder and under the other Financing Documents to which it is a party and the accuracy of and compliance with the representations, warranties, covenants, agreements and duties of the City contained herein on and as of the Closing Date. The obligation of the Bank to issue the Letters of Credit is also subject to the fulfillment of the following conditions precedent by the City on or before the Closing Date, in a manner satisfactory to the Bank and its counsel:

(a) The Bank shall have received (i) an executed original of each of this Agreement, the Bank Fee Agreement, the Custody Agreement and copies of the other Financing Documents, (ii) a specimen copy of each of the Bonds, and (iii) a certified copy of the Ordinance;

(b) The Bank shall have received a signed legal opinion of counsel to the City as to such matters as the Bank may reasonably request, such opinion shall be addressed to the Bank, dated the Closing Date and in form and substance satisfactory to the Bank and its counsel;

(c) The Bank shall have received a signed opinion of Vinson & Elkins, L.L.P., bond counsel, dated the Closing Date, addressed to the Bank and in form and substance satisfactory to the Bank and its counsel;

(d) The Bank shall have received evidence satisfactory to the Bank that the Bonds have been assigned an underlying long term rating of "A-" and that such rating is in full force and effect on the Closing Date;

(e) The Bank shall have received a certificate of the City signed by a duly authorized officer, dated the Closing Date, certifying the names and true signatures of the officers of the City authorized to execute, on behalf of the City, this Agreement and each other Financing Document required to be executed and delivered by the City as of the Closing Date;

(f) The Bank shall have received a certificate of the City, dated the Closing Date and signed by a duly authorized officer, stating that (i) the representations and warranties set forth in Article 3 hereof and in all other Financing Documents to which it is a party are true and correct in all material respects as of the Closing Date, (ii) no Default or City Event of Default has occurred and is continuing; and (iii) no material adverse change has occurred in the financial position or results of operation of the City since the date of the audited financial statements of the City included in the Remarketing Memorandum;

(g) All other legal matters pertaining to the execution and delivery of this Agreement, the other Financing Documents and the remarketing of the Bonds shall be reasonably satisfactory to the Bank and its counsel;

(h) The City shall have paid the fees and expenses and all other amounts (including, without limitation, attorneys' fees and expenses) payable on the Closing Date pursuant to the Bank Fee Agreement and Section 7.12 hereof for which the City shall have received an invoice prior to the Closing Date from the Bank; provided, however, that the failure by the Bank to provide an invoice with respect to any fees, expenses or other amounts payable by the City pursuant to the Bank Fee Agreement and Section 7.12 hereof shall not relieve the City from its liability to make such payments to the Bank;

(i) The Bank shall have received an executed Bank Bond Endorsement from the Insurer;

(j) The Bank shall have received a signed opinion of counsel to the Insurer, dated the Closing Date, addressed to the Bank and in form and substance satisfactory to the Bank;

(l) The Bank shall have received such other documents, certificates, opinions, approvals and filings with respect to this Agreement and the other Financing Documents as its counsel may reasonably request;

(m) The Bank shall have received satisfactory evidence of the termination of the Existing Agreement;

(n) The Bank shall have received the approval of the Texas Attorney General related to the proceedings related to this Agreement; and

(o) The Bank shall have received a CUSIP number specifically assigned to the Bank Bonds.

The issuance of its Letters of Credit to Wells Fargo Bank, N.A., in its capacities as Paying Agent and as Tender Agent (as Beneficiary as defined in the Letters of Credit), shall constitute an acknowledgement by the Bank that the conditions precedent set forth above have been satisfied or waived.

Section 4.2 Conditions Precedent to a Liquidity Advance. If at the time of payment by the Bank of any Liquidity Drawing under a Letter of Credit the Insurance Policy is no longer in effect, a Liquidity Advance shall be made available to the City only if on the date of payment of such Liquidity Drawing by the Bank (a) the representations and warranties contained in Article 3 of this Agreement are true and correct in all material respects as of such date (except to the extent that such representations and warranties specifically refer to an earlier date, in which case, they are true and correct as of such earlier date); and (b) no event has occurred and is continuing, or would result from the making of such Liquidity Advance, which constitutes a Default or a City Event of Default hereunder. The conditions described in this Section 4.2 shall be referred to herein as the "*Conditions Precedent*". Notwithstanding any other provision of this Agreement to the contrary and for the avoidance of doubt, so long as the Insurance Policy is in effect the payment or making by the Bank of any Liquidity Drawing or Liquidity Advance shall not be subject to or otherwise dependent upon the satisfaction of the Conditions Precedent.

Unless the City shall have previously advised the Bank in writing that the above statements are no longer true, the City shall be deemed to have represented and warranted on the date of such payment that the above statements are true and correct.

ARTICLE 5 **COVENANTS**

Section 5.1 Affirmative Covenants of the City. As long as this Agreement is in effect, and until all amounts payable hereunder, under the Bank Fee Agreement and under any Bank Bonds are fully paid or defeased in accordance with the Ordinance, the City will, as applicable, perform and observe the covenants set forth below:

(a) *Financial Records.* The City shall at all times maintain financial records and furnish to the Bank, as soon as available, but in any event within one hundred eighty (180) days after the end of each fiscal year, audited financial statements (including balance sheet and income statement) prepared in accordance with GAAP consistently applied and certified by an independent certified public accounting firm except to the extent State law requires otherwise.

(b) *Notice of Default.* The City shall notify the Bank in writing of the occurrence of (i) any Default or City Event of Default, (ii) any default under any Financing Document to which the City is a party, or (iii) any filing by the City of a petition in bankruptcy under the Bankruptcy Law. The City shall also notify the Bank of the occurrence of any default or other event under any ordinance, contract or instrument providing for the creation of any Payment Obligation (payable from Net Revenues) of the City where the effect thereof is to accelerate, or permit the acceleration of, the maturity of such Payment Obligation (payable from Net Revenues).

(c) *Budgets.* The City shall deliver to the Bank a copy of its annual budget for the next fiscal year promptly upon adoption of such budget.

(d) *Reports.* The City shall deliver to the Bank, as soon as available and in any event not later than forty-five (45) days after the end of each fiscal quarter, (i) quarterly unaudited financial statements of the Airport System prepared in accordance with GAAP consistently applied, except to the extent State law requires otherwise, and accompanied by comparative figures of the expected year-end balances and the budgeted amount for such fiscal period including relevant footnotes, (ii) quarterly mark-to-market valuations on Swap Contracts in place with respect to the Bonds and payable from Net Revenues, (iv) written notice of any change in insurance carriers or amount of any insurance coverage and (vii) all other information concerning the City which the City submits to or receives from any other party which is reasonably likely to have a material effect on the Bank's rights hereunder or under the Bank Fee Agreement or the City's obligations under any Financing Document to which it is a party.

(e) *Other Information.* The City shall furnish to the Bank promptly, as the Bank may reasonably request, such additional information concerning the Airport System or the City in order to enable the Bank to determine whether the covenants, terms and provisions of this Agreement and the other Financing Documents have been complied with by the City, and for that purpose all pertinent books, documents and vouchers relating to the City's business, affairs and properties shall at all reasonable times during regular business hours and upon reasonable notice be open to the inspection of such

accountants or other agents (who may make copies of all or any part thereof at their own cost and expense) as shall from time to time be designated by the Bank. Without limiting the foregoing, the City will permit the Bank to visit and inspect any of the properties of the City during regular business hours and to discuss the affairs, finances and accounts of the City with its respective officials and any accounting firm performing services for the City, as often as the Bank may reasonably request.

(f) *Compliance with Obligations.* The City shall observe and comply with all of its obligations arising in connection with the Airport System and all laws applicable to the Airport System, including, without limitation, all budgeting requirements of the Airport System, so as not to materially adversely affect the ability of the City to perform its obligations hereunder. The City shall observe and comply with all of its obligations arising in connection with the Financing Documents and all laws applicable to the City so as not to materially adversely affect the ability of the City to perform its obligations hereunder or under any other Financing Documents to which it is a party.

(dd) *Future Agreements.* In the event that the City shall hereafter enter into or otherwise consent to any Bank Agreement with any Person for a loan or to extend credit or liquidity to the City for the benefit of the Airport System and such Bank Agreement contains a "most favored nations" or "most favored lender" provision (each an "*MFN Clause*") that provides such Person the benefit of any additional or different events of default (contained in a separate Bank Agreement that is entered into by the City on a future date with a different Person) than are provided to such Person in such Bank Agreement, then within 5 Business Days after the effective date of such Bank

Upon the request of the Bank, the City shall promptly enter into an amendment to this Agreement to include the Incorporated Portion, *provided* that the Bank shall have the benefit of such Incorporated Portion of such MFN Clause even if the City fails to provide such amendment.

- (f) terminate this Agreement, the Bank Fee Agreement or the Ordinance (except as otherwise permitted herein or therein) or replace any Letter of Credit with a Substitute Credit Facility (except as otherwise permitted herein or in the Ordinance);

Section 6.3 Remedies. If a City Event of Default shall have occurred, the Bank may exercise any one or more of the following rights and remedies in addition to any other remedies herein or by law provided:

(a) give written notice of the occurrence of any City Event of Default hereunder to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all the Bonds pursuant to Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice, and the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement, in which case the City and the Bank shall take such action as shall be necessary to effect such termination pursuant to the Cancellation Agreement; *provided, however*, that if an Insurer Event of Default has also occurred and is continuing, the Bank may direct the City and the Paying Agent that the Insurance Policy shall not be terminated;

(b) pursue any rights and remedies it may have under the Financing Documents subject to the terms thereof, including instituting suit, actions or proceedings to enforce its rights under the Ordinance;

(d) declare all Obligations to be immediately due and payable, whereupon the same shall be immediately due and payable without any further notice of any kind, which notice is hereby waived by the City (unless such automatic acceleration is waived by the Bank in writing);

provided, however, that in the case of the foregoing clauses (b), (c) and (d), the Bank shall not exercise any such rights and remedies or pursue such other actions, including directions or remedies under the Ordinance, without the consent of the Insurer unless the following conditions are met: (i) the Insurance Policy is no longer in effect and (ii) unless an Insurer Event of Default has occurred and is continuing, the Insurer has been paid all amounts due and payable to it, and if such conditions are met, then the Insurer's rights derived through subrogation or assignment shall nonetheless continue in full force and effect; *provided further*, that, notwithstanding the condition set forth in clause (i) of the foregoing proviso, if an Insurer Event of Default has occurred, the Bank may, while the Insurance Policy is in effect, exercise any such rights and remedies and pursue such other actions, including directions or remedies under the Ordinance. If the Bank, with the consent of the Required Banks, has directed the Paying Agent to cause a mandatory tender of all of the Bonds pursuant to Section 6.3(a) or Section 6.4(a) hereof, the Bank shall, and hereby covenants with the Insurer that it will (unless, with respect to Section 6.3(a) hereof, an Insurer Event of Default has occurred and the Bank has directed the City and the Paying Agent that the Insurance Policy shall not be terminated) satisfy at the earliest time

practicable all applicable conditions to the effectiveness of termination of the Insurance Policy pursuant to the Cancellation Agreement and direct the Paying Agent not to draw on the Insurance Policy during the period between the Bank directing the Paying Agent to cause a mandatory tender of all of the Bonds and the effectiveness of termination of the Insurance Policy. Notwithstanding anything to the contrary herein, the Insurer's right to enforce the Bank's covenants set forth in this paragraph shall survive any termination of other rights of the Insurer.

Section 6.4 Mandatory Tender Events.

(a) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement on the sixteenth (16th) day following the Paying Agent's receipt of such notice. The City and the Bank shall take such action as may be necessary or required to effect such termination pursuant to the Cancellation Agreement. So long as no City Event of Default shall have occurred and be continuing, upon the termination of the Insurance Policy the City shall cause the Remarketing Agent to use its best efforts to remarket all tendered Bonds at the earliest date possible pursuant to the terms of the Ordinance; *provided* that, if after the Bonds have been called for mandatory tender by the Paying Agent but prior to the remarketing of such Bonds a City Event of Default shall have occurred and be continuing, such tendered Bonds shall only be remarketed with the written consent of the Bank and the Bank may at its sole discretion pursue any of its rights or remedies pursuant to this Agreement.

(b) If the City fails to pay the Letter of Credit Fee, the Bank may give written notice of such failure to pay to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

(c) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred and be continuing, and, in either case, a City Event of Default shall also have occurred and be continuing, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, as applicable, and such City Event of Default and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

ARTICLE 7 **MISCELLANEOUS.**

Section 7.1 Cancellation Agreement. The City and the Bank hereby acknowledge and agree that (i) pursuant to the terms of the Cancellation Agreement, if the Banks direct the Paying Agent to cause a mandatory tender of the Bonds pursuant to Section 6.3 or Section 6.4 hereof, the Paying Agent shall cause all other Series 2005 Bonds to be tendered for purchase and (ii) the Insurance Policy shall not be terminated prior to the mandatory tender date of all the Series 2005 Bonds established in accordance with the terms of the Ordinance. If the Bank in its sole and absolute discretion shall pay any amounts owed to the Insurer in connection with the cancellation of the Insurance Policy pursuant to the terms of the Cancellation Agreement, the City shall reimburse the Bank for such payments to the Insurer within five (5) Business Days after the City's receipt of written notice from the Bank as to such amount due to the Bank and amounts not paid when due shall accrue interest at the Default Rate. Any payments to the Insurer made by the Bank that are in respect of principal of or interest on the Bonds shall be deemed to be Reimbursement Obligations hereunder.

Section 7.2 Reimbursement. To the extent permitted by the law of the State, the City agrees to reimburse and hold the Bank and its officers, directors and employees (each a "*Reimbursed Party*") harmless from and against, and to pay on demand, any and all claims, damages, losses, liabilities, costs and expenses whatsoever which such Reimbursed Party may incur or suffer by reason of or in connection with the execution and delivery of this Agreement, the Bank Fee Agreement or the Letters of Credit, or any other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement or the Letters of Credit or in connection with the remarketing of the Bonds, or in connection with any payment under the Letters of Credit, including, but not limited to, the fees and expenses of counsel for such Reimbursed Party with respect thereto and with respect to advising such Reimbursed Party as to its rights and responsibilities under this Agreement, the Bank Fee Agreement and the Letters of Credit and all fees and expenses, if any, in connection with the enforcement or defense of the rights of such Reimbursed Party in connection with this Agreement, the Bank Fee Agreement, the Letters of Credit or any of the other Financing Documents, or the collection of any monies due under this Agreement, the Bank Fee Agreement or such other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement, the Letters of Credit or any of the other Financing Documents, except to the extent that any such claim, damage, loss, liability, cost or expense shall have resulted directly from or been caused by such Reimbursed Party's negligence or willful misconduct in connection with the Letters of Credit. Promptly after receipt by any Reimbursed Party of notice of the commencement, or threatened commencement, of any action subject to the reimbursement obligation contained in this Section 7.2, such Reimbursed Party shall promptly notify the City thereof, *provided* that failure to give such notice shall not relieve the City from any liability to such Reimbursed Party hereunder. The obligations of the City under this Section 7.2 shall survive payment of all Obligations owed under this Agreement and the expiration of the Letters of Credit. Net Revenues shall constitute the sole source of funds available to the City for the payments, if any, owing to a Reimbursed Party.

Section 7.3 Liability of the Bank. The City assumes all risks of the acts or omissions of the Tender Agent and the Paying Agent, or any agents thereof, and any transferee beneficiary of any Letter of Credit with respect to its use of any Letter of Credit. Neither the Bank nor any of its

officers or directors shall be liable or responsible for: (a) the use which may be made of any Letter of Credit or for any acts or omissions of the Tender Agent or the Paying Agent, any agent thereof or any transferee beneficiary in connection therewith; (b) the validity or genuineness of documents, or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged; (c) payment by the Bank against presentation of documents which do not comply with the terms of the applicable Letter of Credit, including failure of any documents to bear any reference or adequate reference to such Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under the Letters of Credit; *provided, however*, that the City shall have a claim against the Bank to the extent of any direct compensatory, as opposed to consequential, damages suffered by the City which the City proves were caused by the Bank's negligence or willful misconduct in connection with a Letter of Credit (it being understood that the Bank assumes no liability or responsibility for the genuineness, falsification or effect of any document which appears to be regular on its face). The Bank is hereby expressly authorized and directed to honor any demand for payment which is made under a Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between or among the City, the Tender Agent and the Paying Agent, any transferee beneficiary of any Letter of Credit or any other Person or the respective rights, duties or liabilities of any of them, or whether any facts or occurrences represented in any of the documents presented under the Letters of Credit are true and correct.

Section 7.4 Participations. The Bank may at any time, without the consent of, or notice to, the City, sell participations to any Person (other than a natural person or the City) (each, a "*Participant*") in all or a portion of the Bank's rights and obligations under this Agreement and the Bank Fee Agreement and its obligations under a Letter of Credit (including all or a portion of the applicable Commitment and of any Drawings or Liquidity Advances due and owing hereunder); *provided* that (i) the Bank's obligations under the Letters of Credit shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the City shall continue to deal solely and directly with the Bank in connection with the Bank's rights under this Agreement, the Bank Fee Agreement, and its obligations under the Letters of Credit.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Agreement and the Bank Fee Agreement and to approve any amendment, modification or waiver of any provision hereof or thereof; *provided* that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment or waiver described in Section 7.6(a), 7.6(b), 7.6(c) or 7.6(d) hereof that affects such Participant.

Section 7.5 Survival of this Agreement. All covenants, agreements, representations and warranties made in this Agreement shall survive the issuance of the Letters of Credit and shall continue in full force and effect so long as any Letter of Credit shall be unexpired or any Obligations shall be outstanding and unpaid. The obligation of the City to reimburse the Bank pursuant to Sections 2.13, 2.14, 7.2, 7.3 and 7.12 hereof shall survive the payment of the Bonds and termination of this Agreement.

Section 7.6 Modification of this Agreement. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by

the Bank and the City and consented to in writing by the Insurer, *provided, however*, that if an Insurer Event of Default shall have occurred and be continuing, then the Bank and the City may amend this Agreement without the consent of the Insurer unless such amendment would be adverse to the Insurer or would change its obligations in connection with any Bank Bonds; *provided, further*, that no consent of the Insurer shall ever be required in connection with the extension of the Stated Expiration Date of the Letters of Credit or any amendment to the Bank Fee Agreement or in the event the Insurance Policy is no longer in effect. No amendment, modification or waiver of any provision of the Letters of Credit shall in any event be effective unless the same shall be in writing and signed by the Bank (in its sole discretion). Any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the City in any case shall entitle the City to any other or further notice or demand in the same, similar or other circumstances.

Section 7.7 Waiver of Rights by the Bank. No course of dealing or failure or delay on the part of the Bank in exercising any right, power or privilege hereunder or under any Letter of Credit or the Bank Fee Agreement shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right or privilege. The rights of the Bank under the Letters of Credit, this Agreement and the Bank Fee Agreement are cumulative and not exclusive of any rights or remedies which the Bank would otherwise have.

Section 7.8 Severability. In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic and legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.9 Governing Law. This Agreement and the Bank Fee Agreement shall be deemed to be contracts under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the law of the State of Texas. Each party hereto irrevocably waives, if and to the extent permitted by applicable law, any and all, to the extent permitted by law, right to a trial by jury in any action, suit or legal proceedings arising out of or relating to this Agreement or any other Financing Document or the transactions contemplated hereby or thereby.

Section 7.10 Notices; Effectiveness; Electronic Communications.

(a) *Notices Generally.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to, the address, telecopier number, electronic mail address or telephone number specified for the recipient on its respective signature page hereto.

Notices and other communications sent by hand or overnight courier service or mailed by certified or registered mail shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not sent during normal business hours for the recipient, such communications shall be deemed to have been given at the opening of business on the next business day for the recipient).

(b) *Electronic Communications.* Notices and other communications to the Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Bank, *provided* that the foregoing shall not apply to notices to the Bank pursuant to Article II. The City may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communication pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

If the Bank has agreed to receive communications by e-mail and unless the Bank otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *Change of Address, Etc.* Each of the City and the Bank may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other party hereto. In addition, the Bank agrees to notify the City from time to time to ensure that the City has on record (i) an effective address, contact name, telephone number, telecopier number and, if applicable, e-mail address to which notices and other communications may be sent and (ii) accurate wire instructions for the Bank.

(d) *Reliance by the Bank.* The Bank shall be entitled to rely and act upon any notices (including telephonic notices with respect to any Drawing) purportedly given by or on behalf of the City even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein or (ii) the terms thereof, as understood by the Bank, varied from any confirmation thereof. The City shall reimburse the Bank for all losses, costs, expenses and liabilities resulting from the reliance by the Bank on each notice purportedly given by or on behalf of the City. All telephonic notices to and other telephonic communications with the Bank may be recorded by the Bank, and the City hereby consents to such recording.

Section 7.11 Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the City may not assign or otherwise transfer any of its respective rights or obligations hereunder or under any other Financing Document without the prior written consent of the Bank (and the Insurer if the Insurance Policy is still in effect), and the Bank may not assign or otherwise transfer any of its rights or obligations hereunder or under any Letter of Credit without the prior written consent of the City (and the Insurer if the Insurance Policy is still in effect); *provided, however,* that the obligations of the Bank under any Letter of Credit may be assigned or otherwise transferred with (A) the prior written consent of the City and (B) confirmation from each Rating Agency then rating the related subseries of Bonds that the long and short-term ratings on such subseries of Bonds will not be withdrawn or reduced as a result of such assignment or transfer. Notwithstanding the foregoing, the Bank may assign its right to receive payment of any Obligation of the City hereunder or under the Bank Fee Agreement without the prior written consent of the City or any other party. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and Participants to the extent provided in Section 7.4 hereof) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Certain Pledges.* Notwithstanding anything to the contrary set forth in this Agreement, the Bank may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and the Bank Fee Agreement to secure obligations of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release the Bank from any of its obligations hereunder or substitute any such pledgee or assignee for the Bank as a party hereto.

(c) *Electronic Execution of Assignments.* The words “execution,” “signed,” “signature,” and words of like import in any assignment and assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the Texas State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 7.12 Taxes and Expenses. The City will promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Financing Documents as set forth in the Bank Fee Agreement, (ii) the reasonable fees and disbursements of counsel to the Bank with respect to advising the Bank as to its rights and responsibilities under this Agreement and the other Financing Documents after the occurrence of a City Event of Default, and (iii) all reasonable costs and expenses, if any, in connection with any amendment to this Agreement, the

Bank Fee Agreement or any other Financing Document which requires the consent of the Bank or the waiver of such provision by the Bank or the enforcement of this Agreement, the Bank Fee Agreement and any other documents which may be delivered in connection herewith or therewith, including in each case the reasonable fees and disbursements of counsel to the Bank. In addition, the City shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing, and recording of this Agreement or the Bank Fee Agreement and the security contemplated by the Financing Documents and agrees, to the extent permitted by the law of the State, to hold the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees; *provided, however*, that the City may reasonably contest any such taxes or fees with the prior written consent of the Bank, which consent, if a City Event of Default does not then exist, shall not be unreasonably withheld. In addition, the City agrees to pay, after the occurrence of a City Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the City hereunder by reason of such City Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the City under this Section 7.12 shall survive the termination of this Agreement.

Section 7.13 Reserved.

Section 7.14 Payment Obligations of the City hereunder and under the Bank Fee Agreement. Notwithstanding anything set forth to the contrary herein, any provision of this Agreement or the Bank Fee Agreement which provides that the City will make payments to the Bank in respect of any Obligations hereunder or under the Bank Fee Agreement shall be an obligation of the City to make such payment to the Bank subject to the limitations contained in this Agreement as to the sources of funds available to the City for such purpose.

Section 7.15 Headings. The captions in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

Section 7.16 Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all taken together to constitute one instrument. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 7.17 Entire Agreement. This Agreement and the Bank Fee Agreement constitute the entire understanding of the parties with respect to the subject matter hereof and thereof and any prior agreements, whether written or oral, with respect thereto are superseded hereby and thereby.

Section 7.18 USA Patriot Act The Bank hereby notifies the City that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107 56 (signed into law October 26, 2001)) (the "*Patriot Act*"), it is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that

will allow the Bank to identify the City in accordance with the Patriot Act, and the City hereby agrees to take any action necessary to enable the Bank to comply with the requirements of the Patriot Act. The City shall comply with all applicable Bank Secrecy Act laws and regulations, as amended.

Section 7.19 Insurance Policy Claims. Following payment by the Bank of any Drawing under a Letter of Credit, the Bank shall have sixty (60) Business Days from the date of such payment to direct the Insurer to reimburse the Bank for the amount of the Drawing that was not reimbursed by the City, the Tender Agent or the Paying Agent from amounts in the funds and accounts under the Ordinance. In the event the Bank fails to direct the Insurer to reimburse the Bank within the sixty (60) Business Day period, the Bank shall be deemed to have elected not to receive reimbursement from the Insurer with respect to such payment under a Letter of Credit and to have waived its right to present such a claim to the Insurer for failure of the City to make such reimbursement. In no event shall the Bank be deemed to have waived its right to direct a mandatory tender of the Bonds with respect to any such reimbursement default as a result of the Bank waiving its right to present a claim of reimbursement to the Insurer.

Section 7.20 Insurer's Rights. Except as otherwise provided herein or in the Cancellation Agreement, the existence of all rights given to the Insurer hereunder with respect to the giving of consents, approvals or notices, or the direction of proceedings and its rights pursuant to Section 7.21 hereof is expressly conditioned upon (i) the Insurance Policy being in full force and effect or (ii) no Insurer Event of Default having occurred and being continuing. If either or both of such conditions is not satisfied, then only the Insurer's rights derived through subrogation or assignment shall continue in full force and effect except as expressly provided herein or in the Cancellation Agreement. Any such rights shall not be exercisable by the Insurer (but shall be exercisable by the Bank in accordance with the terms of the Ordinance) if at any time (i) the Insurance Policy is no longer in full force and effect as a result of a termination of the Insurance Policy and the Insurer has been paid all amounts due and payable to it or (ii) an Insurer Event of Default has occurred and is continuing; *provided* that this Section 7.20 shall not in any way limit or affect the rights of the Insurer as subrogee of the Bank or Owner of a Bond or as assignee of the Bank or Owner of a Bond or to otherwise be reimbursed and indemnified for its costs and expenses and other payments on or in connection with the Reimbursement Obligations or the Insurance Policy either by operation of law or at equity or by contract.

Section 7.21 Third Party Beneficiary. The Bank and the City acknowledge that, unless (i) the Insurance Policy has been terminated pursuant to Section 6.3(a) or 6.4(a) hereof and the Insurer has been paid all amounts due and payable to it (if applicable in accordance with Section 6.3(a) or Section 6.4(a) hereof) or (ii) an Insurer Event of Default has occurred and is continuing, the Insurer shall be an express third party beneficiary of the provisions of this Agreement relating to the Insurer with the power to enforce the same.

No Drawings shall be made under this Letter of Credit for Ineligible Bonds (as defined in the Reimbursement Agreement).

The term “*Cancellation Agreement*” shall mean the Insurance Policy Cancellation Agreement dated as of June 1, 2011 entered into by and among the City, Wells Fargo Bank, National Association, as Paying Agent/Register and Tender Agent, the Bank, KBC Bank N.V., acting through its New York Branch, Royal Bank of Canada, acting through a New York branch, and the Insurer.

The Letter of Credit shall be issued in the original stated amount of \$, which is the sum of (i) the principal amount of the Bonds outstanding on the Closing Date, plus (ii) interest thereon at the Cap Interest Rate for a period of fifty-three (53) days.

Section 2.2 Letter of Credit Drawings. The Paying Agent is authorized to make Drawings under the Letter of Credit in accordance with the terms thereof. No Drawing shall be made under the Letter of Credit for the payment of principal or purchase price of, or interest on, Ineligible Bonds. The City hereby irrevocably approves reductions and reinstatements of the Available Amount of the Letter of Credit as provided in the Letter of Credit.

Section 2.3 Reimbursement of Certain Drawings under the Letter of Credit; Mandatory Prepayment; Interest.

(a) (i) Each Liquidity Drawing made under the Letter of Credit shall constitute an advance (a “*Liquidity Advance*”) to the City; *provided, however*, that if at the time of payment by the Bank of any Liquidity Drawing the Insurance Policy is no longer in effect and the Conditions Precedent are not satisfied, then such Liquidity Drawing shall not constitute a Liquidity Advance and shall be due and payable pursuant to Section 2.3(a)(iv) hereof.

(ii) The City shall reimburse the Bank for the Interest Component of a Liquidity Advance on the earliest to occur of (A) the next succeeding Interest Payment Date, (B) the date on which the Letter of Credit is replaced by a Substitute Credit Facility pursuant to the terms of the Ordinance, (C) the date on which any Bonds purchased with funds disbursed under the Letter of Credit in connection with such Liquidity Drawing are redeemed, prepaid or canceled pursuant to the Ordinance, (D) the date on which any Bonds purchased with funds

payment by the Insurer pursuant to the Insurance Policy of any interest due to the Bank under this Agreement shall not relieve the City of its obligation to ensure that the Bank is paid in full on the date any such interest is due and payable to the Bank hereunder. All payments received by the Bank after 3:00 p.m. New York time shall be deemed to have been received on the next succeeding Business Day, and any applicable interest or fee shall continue to accrue.

Section 2.7 Voluntary Termination or Reduction of the Available Amount of the Letter of Credit. Notwithstanding any provisions of this Agreement, the Letter of Credit or any other Financing Document (other than the Bank Fee Agreement) to the contrary, the City agrees not to terminate the Letter of Credit or permanently reduce the Available Amount of the Letter of Credit unless such termination or permanent reduction is made in accordance with the terms of the Bank Fee Agreement. (a) The City may, by written notice to the Bank not earlier than 120 days prior to nor later than 60 days prior to the then current Stated Expiration Date of the Letter of Credit in effect (the “*Existing Expiration Date*”), request that the Bank consent to the extension of the Existing Expiration Date to a date agreed to by the Bank and the City. The date of receipt of any such notice from the City is hereinafter referred to as the “*Notice Date*.”

(d) Any such extension of the Existing Expiration Date shall be subject to such additional terms, including payment of extension fees to the Bank, as shall be agreed between the Bank and the City.

In addition, the City agrees to pay any present or future stamp, recording or documentary taxes and any other excise or property taxes, charges or similar levies that arise under the law of the United States of America, the State of Texas, the State of New York or any other taxing jurisdiction from any payment made hereunder or under the Bank Fee Agreement to the Bank or from the execution or delivery or otherwise by the Bank with respect to this Agreement or under the Bank Fee Agreement (hereinafter referred to as “*Other Taxes*”). Payments by the City pursuant to this Section 2.13 shall be made within thirty (30) days after the date the Bank makes written demand therefor, which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof. Section 2.16 Maximum Rate. If the rate of interest payable hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (a) interest at the Maximum Rate shall be due and payable with respect to such interest period and (b) interest at the rate equal to the difference between (i) the rate of interest calculated in accordance with the terms hereof and (ii) the Maximum Rate (the "*Excess Interest*") shall be deferred until such date as the

rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the City shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the earlier of (A) the date the related Liquidity Advance is repaid in full and (B) the date all related Reimbursement Obligations are payable hereunder following the termination of the Letter of Credit, in consideration for the limitation of the rate of interest otherwise payable hereunder, the City, to the extent permitted by law, shall pay to the Bank a fee equal to the amount of all unpaid deferred Excess Interest; *provided* that in no event shall any such payment result in interest paid hereunder exceeding the Maximum Rate.

Section 2.17 Security. Notwithstanding any provision set forth herein to the contrary, the Bank acknowledges and agrees that the obligations of the City hereunder for the payment of Obligations owed to the Bank hereunder, under the Bank Fee Agreement and with respect to the Bank Bonds are secured by and payable solely from Net Revenues as provided in the Ordinance and are subject to all limitations on such sources and priorities with respect to payment therefrom as are set forth in the Ordinance. Funds raised or to be raised by taxation shall not be available for the payment of Obligations owed to the Bank hereunder.

ARTICLE 3 **REPRESENTATIONS AND WARRANTIES**

Section 3.1 Representations of City. In order to induce the Bank to enter into this Agreement and the Bank to issue the Letter of Credit, the City hereby represents and warrants to the Bank as follows:

(a) *Organization and Authorization.* The City is a “Home Rule City”, acting as such under the Constitution and laws of the State, and has full legal right, power and authority to (i) charge and collect revenues related to the Airport System and (ii) pledge the Net Revenues to secure the Bonds (including Bank Bonds).

(b) *Authority to Adopt or Execute Documents.* The City had, as of the date of adoption thereof, full power and authority to adopt its ordinance or ordinances authorizing the execution and delivery of the Financing Documents to which the City is a party and the transactions contemplated hereby and thereby, has, or had as of the date of execution and delivery, full power and authority to execute and deliver this Agreement, the Bank Fee Agreement, and the Financing Documents to which the City is a party, and has full power and authority to perform its obligations under each of the foregoing.

(c) *Obligations Legal, Valid and Binding.* (i) The Financing Documents to which the City is a party have been duly and validly authorized, executed and delivered and constitute the legal, valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except insofar as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors’ rights generally and by equitable principles, whether considered at law or in

equity, by the exercise by the State and its governmental bodies of the police power inherent in the sovereignty of the State or by the exercise by the United States of America of the power delegated to it by the Constitution of the United States of America.

(ii) No Default or City Event of Default has occurred and is continuing under this Agreement, and no event of default or condition, event or act which with notice or lapse of time or both would become or constitute a default or event of default under, or as such term is defined in, any other Financing Document to which it is a party or under any other material mortgage, indenture, contract, agreement or undertaking to which the City is a party or which purports to be binding on the City or on any of its assets which default would materially adversely affect the ability of City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(d) *No Legal Bar.* (i) The City is not in violation of any law of the State in any manner which would adversely affect the City' existence or its powers and authority referred to in Section 3.1(b) hereof.

(ii) The execution, delivery and performance by the City of this Agreement, the Bank Fee Agreement, and the other Financing Documents to which it is a party, and all other agreements and instruments relating to this Agreement or the other Financing Documents executed and delivered by the City in connection herewith and therewith (i) do not violate any provision of the Constitution of the State or the laws of the State or any other applicable law, regulation, order, writ, judgment or decree of any court, arbitrator (to the extent that any ruling, finding or decision of any arbitrator is enforceable by a court of law) or governmental authority, and (ii) do not violate any provision of, constitute a default under, or result in the creation or imposition of any lien on any of the assets of the City pursuant to the provisions of, any mortgage, ordinance, resolution, indenture, contract, agreement or other undertaking to which the City is a party or which purports to be binding on the City or on any of its assets other than the liens created hereby or by the other Financing Documents, which violation would materially adversely affect the ability of the City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(iii) The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing any Payment Obligation of the City or any other contract or agreement which limits the amount of, or otherwise imposes restrictions on the incurring of, obligations of the City that would materially adversely affect the ability of City to perform its obligations hereunder or under any of the other Financing Documents to which it is a party.

(e) *Consents.* The City has obtained, or will obtain on or before the Closing Date, all consents, permits, licenses and approvals of, and has made, or will have made on or before the Closing Date, all filings, registrations and declarations with, governmental authorities required under law, to authorize the remarketing of the Bonds,

the execution, delivery and performance of this Agreement, the Bank Fee Agreement, and the other Financing Documents to which it is a party and all other agreements delivered or to be delivered in connection with any thereof, and all such consents, permits, licenses, approvals, filings, registrations and declarations remain in full force and effect.

(f) *Litigation.* There is no action, suit, investigation or proceeding, inquiry or investigation before or by any court, public board or body pending or, to the knowledge of the City, threatened against or affecting the City in which an adverse determination could have a material adverse effect on the Airport System or the business, operations or condition (financial or otherwise) of the Airport System or its ability to perform its obligations hereunder or under the other Financing Documents to which it is a party.

(g) *Disclosure.* The representations and statements made by the City herein or in any other Financing Document, or in any other document furnished to the Bank by the City in connection herewith or therewith are accurate as of the date of this Agreement. All financial statements of the City furnished to the Bank were prepared in accordance with GAAP. Since the date of the audited financial statements of the City included in the Remarketing Memorandum, no material adverse change has occurred in the business, operations or condition (financial or otherwise) of the City. The Remarketing Memorandum does not, as of its date, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation is made as to information with respect to the Insurer, the Bank, Royal Bank or JPMorgan.

(h) *Insurance.* The City currently maintains insurance for the Airport System of such types and in such amounts or in excess of such amounts as are customarily carried by, and insures against such risks as are customarily insured against by, Texas home-rule cities operating properties of like type, size and character to the Airport System or provides self-insurance for the same.

(i) *No Proposed Legal Changes.* To the knowledge of the City, as of the date of execution of this Agreement, there is no amendment or proposed amendment to the Constitution of the State or any published administrative interpretation of the Constitution of the State or any State law (including, without limitation, any opinion of the attorney general of the State interpreting the Constitution of the State or any State law), or any legislation that has passed either house of the State legislature, or any published judicial decision by a court of competent jurisdiction interpreting any of the foregoing, the effect of which is (i) to materially adversely affect the Bonds or any holder thereof in its capacity as such or (ii) to materially adversely affect the ability of the City to perform its obligations under this Agreement or any other Financing Document to which it is a party.

(j) *No Immunity.* To the extent authorized by Texas Government Code Section 1371.059(c), the City has, in this Agreement, waived sovereign immunity from suit and liability for the purposes of adjudicating a claim to enforce this Agreement and

the Bank Fee Agreement or for damages for breach of this Agreement or the Bank Fee Agreement. The City further represents that to the extent its obligations hereunder, under the Bank Fee Agreement and under the other Financing Documents to which it is a party represent the legal obligations of the City, it believes its non-discretionary duties are subject to enforcement in Texas courts by writ of mandamus, and that it is not immune to an equitable mandamus action.

(k) *Other MFN Clause.* The City does not currently have outstanding any Bank Agreement in which it has given to any Person or Persons that have made a loan or extended credit or liquidity to the City for the benefit of the Airport System an MFN Clause that provides such Person or Persons the benefit of any events of default contained in a separate Bank Agreement (entered into by the City on a future date with a different Person or Persons) that are in addition to or different from the events of default provided for in the Bank Agreement containing the subject MFN Clause.

(l) *Regulations U and X.* The City is not engaged in the business of extending purpose credit, secured directly or indirectly, by margin stock (within the meaning of Regulation U or X issued by the Board of Governors of the Federal Reserve System); and the City will not use, or cause any other Person to use, the proceeds of the Bonds to extend purpose credit, secured directly or indirectly by margin stock, to any other Person.

(m) *Environmental Matters.* The City has not received any notice to the effect that the City is not in compliance with any requirement of law or is the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non compliance or remedial action could have a material adverse effect on the assets, financial condition, properties, business or operations of the Airport System or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(n) *ERISA.* The City is not subject to ERISA.

(o) *Compliance with Laws.* Except as disclosed in the Remarketing Memorandum or otherwise disclosed in writing to the Bank prior to the date hereof, the City is in compliance in all material respects with the requirements of all laws and all orders, writs, injunctions and decrees applicable to it or to its properties, except in such instances in which (a) such requirement of law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted or (b) the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a material adverse effect on the assets, financial condition, properties, business or operations of the Airport System or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(p) *Taxes.* The City has filed all Federal, state and other material tax returns and reports required to be filed and has paid all Federal, state and other material taxes,

assessments, fees and other governmental charges levied or imposed upon it or its properties, income or assets otherwise due and payable, except those which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP. There is no proposed tax assessment against the City that would, if made, have a material adverse effect on the assets, financial condition, properties, business or operations of the City or the ability of the City to perform its obligations hereunder and under the other Financing Documents to which the City is a party.

(q) *Interest.* None of the Financing Documents (including the Bonds and Bank Bonds) provide for any payments that would violate any applicable law regarding permissible maximum rates of interest under the laws of the State; *provided, however*, that the City makes no representation with respect to the last sentence of Section 2.16 hereof.

(r) *Prior Lien Bonds.* Other than the Prior Lien Bonds the City has no obligations secured by a lien on the Net Revenues that is superior to the lien on the Net Revenues securing the Series 2005 Bonds. The City has covenanted in the Ordinance not to issue Additional Prior Lien Bonds (as defined in the ordinances authorizing the Prior Lien Bonds).

(s) *Bank Bonds.* The Bank Bonds purchased pursuant to this Agreement will be transferred to or held for the benefit of the Bank, free and clear of all liens, security interests or claims of any Person other than the Bank, except for such consensual liens or other security interests as may be created by the Bank.

(t) *The Paying Agent and Remarketing Agent.* The Paying Agent is the duly appointed and acting paying agent/registrar under the Ordinance. The Remarketing Agent is the duly appointed and acting remarketing agent for the Bonds.

(u) *Swap Termination Payments.* There is no lien on the Net Revenues securing any swap termination payments payable pursuant to any Swap Contract entered into by the City that is superior in priority to or on a parity with the lien securing the Bonds, the Bank Bonds and any other Obligations owed to the Bank hereunder or under the Bank Fee Agreement.

(v) *Incorporation of Representations and Warranties.* The City hereby makes to the Bank the same representations and warranties as were made by it in each Financing Document (other than this Agreement) to which it is a party, which representations and warranties, together with the related definitions of terms contained therein, are hereby incorporated by reference in this Section 3.1(v) with the same effect as if each and every such representation and warranty and definition were set forth in this Section 3.1(v) in its entirety. No amendment to or waiver of such representations and warranties or definitions made pursuant to such Financing Documents shall be effective to amend such representations and warranties and definitions as incorporated by reference in this Section 3.1(v) without the prior written consent of the Bank in accordance with Section 5.2(a).

(w) *Security.* Pursuant to the Ordinance the City has pledged the Net Revenues to the payment and security of the Bonds (including the Bank Bonds). The Ordinance validly grants the pledge which it purports to create to secure the Bonds (including the Bank Bonds) and the City's obligations hereunder as and to the extent provided herein and in the Ordinance and is a perfected lien in the manner provided by Chapter 1208, Texas Government Code.

ARTICLE 4 **CONDITIONS PRECEDENT**

Section 4.1 Conditions to Issuance and Delivery of the Letter of Credit. The obligation of the Bank to issue the Letter of Credit has been undertaken in reliance upon the due performance by the City of its obligations and agreements to be performed hereunder and under the other Financing Documents to which it is a party and the accuracy of and compliance with the representations, warranties, covenants, agreements and duties of the City contained herein on and as of the Closing Date. (f) The Bank shall have received a certificate of the City, dated the Closing Date and signed by a duly authorized officer, stating that (i) the representations and warranties set forth in Article 3 hereof and in all other Financing Documents to which it is a party are true and correct in all material respects as of the Closing Date, (ii) no Default or City Event of Default has occurred and is continuing; and (iii) no material

Section 4.2 Conditions Precedent to a Liquidity Advance. If at the time of payment by the Bank of any Liquidity Drawing under the Letter of Credit the Insurance Policy is no longer in effect, a Liquidity Advance shall be made available to the City only if on the date of payment of

such Liquidity Drawing by the Bank (a) the representations and warranties contained in Article 3 of this Agreement are true and correct in all material respects as of such date (except to the extent that such representations and warranties specifically refer to an earlier date, in which case, they are true and correct as of such earlier date); and (b) no event has occurred and is continuing, or would result from the making of such Liquidity Advance, which constitutes a Default or a City Event of Default hereunder. The conditions described in this Section 4.2 shall be referred to herein as the “*Conditions Precedent*”. Notwithstanding any other provision of this Agreement to the contrary and for the avoidance of doubt, so long as the Insurance Policy is in effect the payment or making by the Bank of any Liquidity Drawing or Liquidity Advance shall not be subject to or otherwise dependent upon the satisfaction of the Conditions Precedent.

Unless the City shall have previously advised the Bank in writing that the above statements are no longer true, the City shall be deemed to have represented and warranted on the date of such payment that the above statements are true and correct.

ARTICLE 5 **COVENANTS**

Section 5.1 Affirmative Covenants of the City. As long as this Agreement is in effect, and until all amounts payable hereunder, under the Bank Fee Agreement and under any Bank Bonds are fully paid or defeased in accordance with the Ordinance, the City will, as applicable, perform and observe the covenants set forth below:

(a) *Financial Records.* The City shall at all times maintain financial records and furnish to the Bank, as soon as available, but in any event within one hundred eighty (180) days after the end of each fiscal year, audited financial statements (including balance sheet and income statement) prepared in accordance with GAAP consistently applied and certified by an independent certified public accounting firm except to the extent State law requires otherwise.

The City shall also notify the Bank of the occurrence of any default or other event under any ordinance, contract or instrument providing for the creation of any Payment Obligation (payable from Net Revenues) of the City where the effect thereof is to accelerate, or permit the acceleration of, the maturity of such Payment Obligation (payable from Net Revenues).

(c) *Budgets.* The City shall deliver to the Bank a copy of its annual budget for the next fiscal year promptly upon adoption of such budget.

(d) *Reports.* The City shall deliver to the Bank, as soon as available and in any event not later than forty-five (45) days after the end of each fiscal quarter, (i) quarterly unaudited financial statements of the Airport System prepared in accordance with GAAP consistently applied, except to the extent State law requires otherwise, and accompanied by comparative figures of the expected year-end balances and the budgeted

(e) *Other Information.* The City shall furnish to the Bank promptly, as the Bank may reasonably request, such additional information concerning the Airport System or the City in order to enable the Bank to determine whether the covenants, terms and provisions of this Agreement and the other Financing Documents have been complied with by the City, and for that purpose all pertinent books, documents and vouchers relating to the City's business, affairs and properties shall at all reasonable times during regular business hours and upon reasonable notice be open to the inspection of such accountants or other agents (who may make copies of all or any part thereof at their own cost and expense) as shall from time to time be designated by the Bank. Without limiting the foregoing, the City will permit the Bank to visit and inspect any of the properties of the City during regular business hours and to discuss the affairs, finances and accounts of the City with its respective officials and any accounting firm performing services for the City, as often as the Bank may reasonably request.

(f) *Compliance with Obligations.* The City shall observe and comply with all of its obligations arising in connection with the Airport System and all laws applicable to the Airport System, including, without limitation, all budgeting requirements of the Airport System, so as not to materially adversely affect the ability of the City to perform its obligations hereunder. The City shall observe and comply with all of its obligations arising in connection with the Financing Documents and all laws applicable to the City so as not to materially adversely affect the ability of the City to perform its obligations hereunder or under any other Financing Documents to which it is a party.

(g) *Litigation.* The City shall promptly, and in any event within ten (10) Business Days, notify the Bank in writing with respect to any pending or, to the extent of its actual knowledge, threatened litigation with respect to the City or the Airport System, the existence of which causes the representation set forth in Section 3.1(f) hereof to be untrue or inaccurate in any material respect.

(h) *Licenses, Permits, Etc.* The City will take all necessary and appropriate action to ensure the continuance in force of all material consents, licenses, permits, orders, decrees, approvals, authorizations, registrations and filings obtained or made in connection with the Airport System, this Agreement, or the other Financing Documents to which the City is a party, or which are necessary to authorize the execution, delivery and performance the City of this Agreement and the other Financing Documents to which the City is a party and all other agreements to be delivered in connection with any thereof.

(i) *Books and Records.* The City shall keep or cause to be kept adequate and proper records and books of account with respect the City and the Airport System in which complete and correct entries shall be made.

(j) *Reserved.*

(k) *Maintenance of Existence.* Except as may be required by law, or unless it has obtained the prior written consent of the Bank (which consent shall not be unreasonably withheld), the City shall preserve and maintain its existence, and its rights, franchises and privileges material to the conduct of its business and shall not reorganize, merge or consolidate with or into any Person, wind up, liquidate or dissolve its affairs (or suffer any liquidation or dissolution) or convert, sell, assign, transfer, lease or otherwise dispose of (or agree to do any of the foregoing at any future time), whether in one transaction or a series of transactions, all or substantially all of its property or assets.

(l) *Notice of Adverse Change.* The City shall notify the Bank, as soon as possible, and in any event within ten (10) Business Days, after acquiring knowledge of the occurrence of (i) the filing of any action in a court of competent jurisdiction for an initiative or referendum which is reasonably likely to lead to the material diminution or reallocation of Net Revenues or the funds received by the City under any Swap Contract relating to the Bonds and payable from Net Revenues or (ii) any other event which is likely to have a material adverse effect on the financial condition or operations of the Airport System or materially adversely affect the ability of the City to perform its obligations under this Agreement or under any other Financing Document to which the City is a party.

(m) *Paying Agent and Other Agents.* The City shall immediately notify the Bank of any resignation of the Paying Agent, the Tender Agent or the Remarketing Agent. The City shall obtain the prior written consent of the Bank prior to the appointment of any successor Paying Agent, Tender Agent or Remarketing Agent. The City shall use reasonable efforts to cause the Remarketing Agent to at all times comply with the terms of the Financing Documents to which it is a party.

(n) *Other Matters.* The City shall execute and deliver to the Bank all such documents and instruments, and do all such acts and things, as may be necessary or reasonably required by the Bank to enable the Bank to exercise and enforce its rights under this Agreement and the Bank Fee Agreement and to realize thereon, and record and file and rerecord and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or reasonably required by the Bank to validate, preserve and protect the lien of the Bank on the Net Revenues under the Ordinance.

(o) *Payment of Obligations; Removal of Liens.* The City shall pay all indebtedness and obligations of the City in accordance with the terms thereof, including as the same respectively become due, all taxes, charges, assessments (general or special) and governmental charges of any kind whatsoever, that may be at any time lawfully

assessed or levied against or with respect to the Net Revenues and promptly discharge or cause to be discharged all liens, encumbrances and charges on Net Revenues.

(p) *Maintenance of Insurance.* The City covenants that it will maintain insurance or self insurance on the Airport System. The City shall maintain insurance of such type and in such amounts or in excess of such amounts as are customarily carried by, and insure against such risks as are customarily insured against by, Texas home-rule cities of like type, size and character to the City or provide self-insurance for the same.

(q) *Reserved.*

(r) *Liquidity.*

(i) The City shall use its best efforts to (A) obtain a Substitute Credit Facility to replace the Letter of Credit (to the extent replacement is commercially reasonable), (B) convert the interest rate on the related subseries of Bonds to an interest rate other than the Weekly Rate or (C) refund or refinance the related subseries of Bonds, in the event the Bank shall notify the City that it will not extend the Stated Expiration Date pursuant to Section 2.12 hereof.

(ii) The City agrees that any Substitute Credit Facility will require, as a condition to the effectiveness of the Substitute Credit Facility, that the issuer of the Substitute Credit Facility will provide funds to the extent necessary, in addition to other funds available, on the date the Substitute Credit Facility becomes effective, for the purchase of all Bank Bonds at par plus all accrued interest thereon through the date such Substitute Credit Facility becomes effective. On such date, any and all amounts due hereunder to the Bank shall be payable in full to the Bank.

(iii) The City shall not permit a Substitute Credit Facility to become effective with respect to less than all of the Bonds without the prior written consent of the Bank.

(s) *Conversion.*

(i) (A) The City shall promptly furnish, or cause to be furnished, to the Bank, not later than furnishing the same to the Paying Agent, a copy of any notice of conversion of the interest rate on any subseries of Bonds furnished by the City to the Paying Agent pursuant to the Ordinance indicating a proposed conversion of the interest rate on any subseries of the Bonds to a rate other than a Weekly Rate and (B) the City shall not permit, consent to, or request a conversion of the Bonds to an interest rate other than a Weekly Rate without the prior written consent of the Bank if, after giving effect to such conversion, there would be any other amounts payable to the Bank or in respect of Bank Bonds held by the Bank or any other Obligations owed to the Bank would not have been paid in full; and

(ii) In the event of a tender and a failed remarketing of the Bonds and the resulting Liquidity Drawing under the Letter of Credit remains outstanding for

a period of thirty (30) consecutive calendar days, the City shall use its best efforts to (A) replace the Letter of Credit with a Substitute Credit Facility (to the extent replacement is commercially reasonable), (B) convert the interest rate on the Bonds to a rate other than a Weekly Rate or (C) refund or refinance the Bonds, in any case not later than ninety (90) days immediately succeeding the thirtieth (30th) calendar day succeeding the date of the related Liquidity Drawing.

(t) *Selection of Bank Bonds for Redemption.* The City shall select, or cause to be selected, for optional redemption any and all Bank Bonds subject to optional redemption prior to selecting, or causing to be selected, for optional redemption any of the Bonds that are not Bank Bonds.

(u) *Incorporated by Reference.* The City agrees that it will, for the benefit of the Bank, comply with, abide by and be restricted by all of the agreements, covenants, obligations and undertakings of the City in the Financing Documents to which it is a party, which agreements, covenants, obligations and undertakings, together with the related definitions and ancillary provisions, are incorporated in this Section 5.1(u) by reference and made a part of this Section 5.1(u) to the same extent and with the same force and effect as if the same had been set forth in this Section 5.1(u) in their entirety, and they will be deemed to continue in effect for the benefit of the Bank, without regard or giving effect to any amendment or modification of such provisions or any waiver of compliance therewith, unless such amendment, modification or waiver is consented to in writing by the Bank in accordance with Section 5.2(a).

(v) *Maintenance of Ratings.* The City shall, at all times during the term of this Agreement, maintain a long-term unenhanced credit rating with respect to the Bonds with at least one of the Rating Agencies.

(w) *Paying Agent and Remarketing Agent.* The City shall at all times maintain a Paying Agent and a Tender Agent under the Ordinance reasonably acceptable to the Bank. The City shall cause the Remarketing Agent to use its best efforts to remarket the Bonds, including Bank Bonds, up to the maximum rate permitted under the Ordinance. If the Remarketing Agent fails to remarket the Bonds for thirty (30) consecutive days or at any time fails to perform its duties under the Remarketing Agreement and the Ordinance to the satisfaction of the Bank, the City will, at the direction of the Bank, replace such Remarketing Agent and, appoint a successor Remarketing Agent reasonably acceptable to the Bank and the Insurer. The City will not, without the prior written consent of the Bank, which consent shall not be unreasonably withheld, remove the then existing Remarketing Agent. Any remarketing agreement with a successor Remarketing Agent shall provide that (a) such successor Remarketing Agent may resign upon at least sixty (60) days prior written notice to the Paying Agent, the Bank, and the City, (b) such successor Remarketing Agent shall use its best efforts to remarket the Bonds without regard to the Bank Rate (i.e., whether or not the rate to be borne by the Bonds is less than the Bank Rate) and (c) such successor Remarketing Agent shall offer the Bonds for remarketing at the maximum rate permitted under the Ordinance prior to such Bonds being tendered for purchase pursuant to a Liquidity Drawing.

(x) *Credit Facilities.* In the event that the City shall hereafter enter into or otherwise consent to any credit agreement, bond purchase agreement, liquidity agreement, direct securities purchase agreement or other agreement or instrument in connection with the Airport System (or any amendment, supplement or modification thereto) (each such agreement or amendment, supplement or modification thereto shall be referred to herein as a “*Bank Agreement*”) under which any Person (other than the federal government or any agency thereof) undertakes to make loans or extend credit or liquidity to the City for the benefit of the Airport System, which Bank Agreement (or amendment thereto) provides such Person with additional or more restrictive covenants and/or greater rights and remedies than are provided to the Bank in this Agreement, the City shall provide the Bank with a copy of such Bank Agreement and such additional or more restrictive covenants and/or greater rights and remedies shall automatically be deemed to be incorporated into this Section 5.1(x) and the Bank shall have the benefits of such additional or more restrictive covenants and/or such greater rights and remedies as if specifically set forth in this Section 5.1(x). No amendment or waiver to any such Bank Agreement shall be effective as against the Bank without the written consent of the Bank. Upon the request of the Bank, the City shall promptly enter into an amendment to this Agreement to include such additional or more restrictive covenants, and/or greater rights or remedies, *provided* that the Bank shall maintain the benefit of such additional or more restrictive covenants and/or greater rights and remedies even if the City fails to provide such amendment.

Section 6.3 Remedies. If a City Event of Default shall have occurred, the Bank may exercise any one or more of the following rights and remedies in addition to any other remedies herein or by law provided:

(a) give written notice of the occurrence of any City Event of Default hereunder to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all the Bonds pursuant to Section A-403 of the Ordinance, thereby causing the Letter of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice, and the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement, in which case the City and the Bank shall take such action as shall be necessary to effect such termination pursuant to the Cancellation Agreement; *provided, however*, that if an Insurer Event of Default has also occurred and is continuing, the Bank may direct the City and the Paying Agent that the Insurance Policy shall not be terminated;

(b) pursue any rights and remedies it may have under the Financing Documents subject to the terms thereof, including instituting suit, actions or proceedings to enforce its rights under the Ordinance;

(c) pursue any other action available at law or in equity for specific performance of any covenant or agreement contained herein, in aid of execution of any power herein granted or for the enforcement of any proper legal remedy; or

(d) declare all Obligations to be immediately due and payable, whereupon the same shall be immediately due and payable without any further notice of any kind, which notice is hereby waived by the City (unless such automatic acceleration is waived by the Bank in writing);

provided, however, that in the case of the foregoing clauses (b), (c) and (d), the Bank shall not exercise any such rights and remedies or pursue such other actions, including directions or

remedies under the Ordinance, without the consent of the Insurer unless the following conditions are met: (i) the Insurance Policy is no longer in effect and (ii) unless an Insurer Event of Default has occurred and is continuing, the Insurer has been paid all amounts due and payable to it, and if such conditions are met, then the Insurer's rights derived through subrogation or assignment shall nonetheless continue in full force and effect; *provided further*, that, notwithstanding the condition set forth in clause (i) of the foregoing proviso, if an Insurer Event of Default has occurred, the Bank may, while the Insurance Policy is in effect, exercise any such rights and remedies and pursue such other actions, including directions or remedies under the Ordinance. If the Bank, with the consent of the Required Banks, has directed the Paying Agent to cause a mandatory tender of all of the Bonds pursuant to Section 6.3(a) or Section 6.4(a) hereof, the Bank shall, and hereby covenants with the Insurer that it will (unless, with respect to Section 6.3(a) hereof, an Insurer Event of Default has occurred and the Bank has directed the City and the Paying Agent that the Insurance Policy shall not be terminated) satisfy at the earliest time practicable all applicable conditions to the effectiveness of termination of the Insurance Policy pursuant to the Cancellation Agreement and direct the Paying Agent not to draw on the Insurance Policy during the period between the Bank directing the Paying Agent to cause a mandatory tender of all of the Bonds and the effectiveness of termination of the Insurance Policy. Notwithstanding anything to the contrary herein, the Insurer's right to enforce the Bank's covenants set forth in this paragraph shall survive any termination of other rights of the Insurer.

Section 6.4 Mandatory Tender Events.

(a) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement on the sixteenth (16th) day following the Paying Agent's receipt of such notice. The City and the Bank shall take such action as may be necessary or required to effect such termination pursuant to the Cancellation Agreement. So long as no City Event of Default shall have occurred and be continuing, upon the termination of the Insurance Policy the City shall cause the Remarketing Agent to use its best efforts to remarket all tendered Bonds at the earliest date possible pursuant to the terms of the Ordinance; *provided* that, if after the Bonds have been called for mandatory tender by the Paying Agent but prior to the remarketing of such Bonds a City Event of Default shall have occurred and be continuing, such tendered Bonds shall only be remarketed with the written consent of the Bank and the Bank may at its sole discretion pursue any of its rights or remedies pursuant to this Agreement.

(b) If the City fails to pay the Letter of Credit Fee, the Bank may give written notice of such failure to pay to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Letter of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

(c) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred and be continuing, and, in either case, a City Event of Default shall also have occurred and be continuing, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, as applicable, and such City Event of Default and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Letter of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

ARTICLE 7 **MISCELLANEOUS.**

Section 7.1 Cancellation Agreement. The City and the Bank hereby acknowledge and agree that (i) pursuant to the terms of the Cancellation Agreement, if the Banks direct the Paying Agent to cause a mandatory tender of the Bonds pursuant to Section 6.3 or Section 6.4 hereof, the Paying Agent shall cause all other Series 2005 Bonds to be tendered for purchase and (ii) the Insurance Policy shall not be terminated prior to the mandatory tender date of all the Series 2005 Bonds established in accordance with the terms of the Ordinance. If the Bank in its sole and absolute discretion shall pay any amounts owed to the Insurer in connection with the cancellation of the Insurance Policy pursuant to the terms of the Cancellation Agreement, the City shall reimburse the Bank for such payments to the Insurer within five (5) Business Days after the City's receipt of written notice from the Bank as to such amount due to the Bank and amounts not paid when due shall accrue interest at the Default Rate. Any payments to the Insurer made by the Bank that are in respect of principal of or interest on the Bonds shall be deemed to be Reimbursement Obligations hereunder.

Section 7.2 Reimbursement. To the extent permitted by the law of the State, the City agrees to reimburse and hold the Bank and its officers, directors and employees (each a "*Reimbursed Party*") harmless from and against, and to pay on demand, any and all claims, damages, losses, liabilities, costs and expenses whatsoever which such Reimbursed Party may incur or suffer by reason of or in connection with the execution and delivery of this Agreement, the Bank Fee Agreement or the Letter of Credit, or any other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement or the Letter of Credit or in connection with the remarketing of the Bonds, or in connection with any payment under the Letter of Credit, including, but not limited to, the fees and expenses of counsel for such Reimbursed Party with respect thereto and with respect to advising such Reimbursed Party as to its rights and responsibilities under this Agreement, the Bank Fee Agreement and the Letter of Credit and all fees and expenses, if any, in connection with the enforcement or defense of the rights of such Reimbursed Party in connection with this Agreement, the Bank Fee Agreement, the Letter of Credit or any of the other Financing Documents, or the collection of any monies due under this Agreement, the Bank Fee Agreement or such other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement, the Letter of Credit or any of the other Financing Documents, except to the extent that any such claim, damage, loss, liability, cost or expense shall have resulted directly from or been caused by such Reimbursed Party's negligence or willful misconduct in connection with the Letter of Credit. Promptly after receipt by any Reimbursed Party of notice of the commencement, or threatened commencement, of any

action subject to the reimbursement obligation contained in this Section 7.2, such Reimbursed Party shall promptly notify the City thereof, *provided* that failure to give such notice shall not relieve the City from any liability to such Reimbursed Party hereunder. The obligations of the City under this Section 7.2 shall survive payment of all Obligations owed under this Agreement and the expiration of the Letter of Credit. Net Revenues shall constitute the sole source of funds available to the City for the payments, if any, owing to a Reimbursed Party.

Section 7.3 Liability of the Bank. The City assumes all risks of the acts or omissions of the Tender Agent and the Paying Agent, or any agents thereof, and any transferee beneficiary of the Letter of Credit with respect to its use of the Letter of Credit. Neither the Bank nor any of its officers or directors shall be liable or responsible for: (a) the use which may be made of the Letter of Credit or for any acts or omissions of the Tender Agent or the Paying Agent, any agent thereof or any transferee beneficiary in connection therewith; (b) the validity or genuineness of documents, or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged; (c) payment by the Bank against presentation of documents which do not comply with the terms of the Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under the Letter of Credit; *provided, however*, that the City shall have a claim against the Bank to the extent of any direct compensatory, as opposed to consequential, damages suffered by the City which the City proves were caused by the Bank's negligence or willful misconduct in connection with the Letter of Credit (it being understood that the Bank assumes no liability or responsibility for the genuineness, falsification or effect of any document which appears to be regular on its face). The Bank is hereby expressly authorized and directed to honor any demand for payment which is made under the Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between or among the City, the Tender Agent and the Paying Agent, any transferee beneficiary of the Letter of Credit or any other Person or the respective rights, duties or liabilities of any of them, or whether any facts or occurrences represented in any of the documents presented under the Letter of Credit are true and correct.

Section 7.4 Participations. The Bank may at any time, without the consent of, or notice to, the City, sell participations to any Person (other than a natural person or the City) (each, a "*Participant*") in all or a portion of the Bank's rights and obligations under this Agreement and the Bank Fee Agreement and its obligations under the Letter of Credit (including all or a portion of the applicable Commitment and of any Drawings or Liquidity Advances due and owing hereunder); *provided* that (i) the Bank's obligations under the Letter of Credit shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the City shall continue to deal solely and directly with the Bank in connection with the Bank's rights under this Agreement, the Bank Fee Agreement, and its obligations under the Letter of Credit.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Agreement and the Bank Fee Agreement and to approve any amendment, modification or waiver of any provision hereof or thereof; *provided* that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment or waiver described in Section 7.6(a), 7.6(b), 7.6(c) or 7.6(d) hereof that affects such Participant.

Section 7.5 Survival of this Agreement. All covenants, agreements, representations and warranties made in this Agreement shall survive the issuance of the Letter of Credit and shall continue in full force and effect so long as the Letter of Credit shall be unexpired or any Obligations shall be outstanding and unpaid. The obligation of the City to reimburse the Bank pursuant to Sections 2.13, 2.14, 7.2, 7.3 and 7.12 hereof shall survive the payment of the Bonds and termination of this Agreement.

Section 7.6 Modification of this Agreement. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by the Bank and the City and consented to in writing by the Insurer, *provided, however*, that if an Insurer Event of Default shall have occurred and be continuing, then the Bank and the City may amend this Agreement without the consent of the Insurer unless such amendment would be adverse to the Insurer or would change its obligations in connection with any Bank Bonds; *provided, further*, that no consent of the Insurer shall ever be required in connection with the extension of the Stated Expiration Date of the Letter of Credit or any amendment to the Bank Fee Agreement or in the event the Insurance Policy is no longer in effect. No amendment, modification or waiver of any provision of the Letter of Credit shall in any event be effective unless the same shall be in writing and signed by the Bank (in its sole discretion). Any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the City in any case shall entitle the City to any other or further notice or demand in the same, similar or other circumstances.

Section 7.7 Waiver of Rights by the Bank. No course of dealing or failure or delay on the part of the Bank in exercising any right, power or privilege hereunder or under the Letter of Credit or the Bank Fee Agreement shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right or privilege. The rights of the Bank under the Letter of Credit, this Agreement and the Bank Fee Agreement are cumulative and not exclusive of any rights or remedies which the Bank would otherwise have.

Section 7.8 Severability. In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic and legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.9 Governing Law. This Agreement and the Bank Fee Agreement shall be deemed to be contracts under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the law of the State of Texas. Each party hereto irrevocably waives, if and to the extent permitted by applicable law, any and all, to the extent permitted by law, right to a trial by jury in any action, suit or legal proceedings arising out of or relating to this Agreement or any other Financing Document or the transactions contemplated hereby or thereby.

Section 7.10 Notices; Effectiveness; Electronic Communications.

(a) *Notices Generally.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier to, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to, the address, telecopier number, electronic mail address or telephone number specified for the recipient on its respective signature page hereto.

Notices and other communications sent by hand or overnight courier service or mailed by certified or registered mail shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not sent during normal business hours for the recipient, such communications shall be deemed to have been given at the opening of business on the next business day for the recipient).

(b) *Electronic Communications.* Notices and other communications to the Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Bank, *provided* that the foregoing shall not apply to notices to the Bank pursuant to Article II. The City may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communication pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

If the Bank has agreed to receive communications by e-mail and unless the Bank otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) *Change of Address, Etc.* Each of the City and the Bank may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other party hereto. In addition, the Bank agrees to notify the City from time to time to ensure that the City has on record (i) an effective address, contact name, telephone number, telecopier number and, if applicable, e-mail address to which notices and other communications may be sent and (ii) accurate wire instructions for the Bank.

(d) *Reliance by the Bank.* The Bank shall be entitled to rely and act upon any notices (including telephonic notices with respect to any Drawing) purportedly given by

or on behalf of the City even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein or (ii) the terms thereof, as understood by the Bank, varied from any confirmation thereof. The City shall reimburse the Bank for all losses, costs, expenses and liabilities resulting from the reliance by the Bank on each notice purportedly given by or on behalf of the City. All telephonic notices to and other telephonic communications with the Bank may be recorded by the Bank, and the City hereby consents to such recording.

Section 7.11 Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the City may not assign or otherwise transfer any of its respective rights or obligations hereunder or under any other Financing Document without the prior written consent of the Bank (and the Insurer if the Insurance Policy is still in effect), and the Bank may not assign or otherwise transfer any of its rights or obligations hereunder or under the Letter of Credit without the prior written consent of the City (and the Insurer if the Insurance Policy is still in effect); *provided, however,* that the obligations of the Bank under the Letter of Credit may be assigned or otherwise transferred with (A) the prior written consent of the City and (B) confirmation from each Rating Agency then rating the related subseries of Bonds that the long and short-term ratings on such subseries of Bonds will not be withdrawn or reduced as a result of such assignment or transfer. Notwithstanding the foregoing, the Bank may assign its right to receive payment of any Obligation of the City hereunder or under the Bank Fee Agreement without the prior written consent of the City or any other party. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and Participants to the extent provided in Section 7.4 hereof) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Certain Pledges.* Notwithstanding anything to the contrary set forth in this Agreement, the Bank may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement and the Bank Fee Agreement to secure obligations of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release the Bank from any of its obligations hereunder or substitute any such pledgee or assignee for the Bank as a party hereto.

(c) *Electronic Execution of Assignments.* The words “execution,” “signed,” “signature,” and words of like import in any assignment and assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the Texas State Electronic Signatures

and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

The City will promptly pay (i) the reasonable fees and expenses of counsel to the Bank incurred in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Financing Documents as set forth in the Bank Fee Agreement, (ii) the reasonable fees and disbursements of counsel to the Bank with respect to advising the Bank as to its rights and responsibilities under this Agreement and the other Financing Documents after the occurrence of a City Event of Default, and (iii) all reasonable costs and expenses, if any, in connection with any amendment to this Agreement, the Bank Fee Agreement or any other Financing Document which requires the consent of the Bank or the waiver of such provision by the Bank or the enforcement of this Agreement, the Bank Fee Agreement and any other documents which may be delivered in connection herewith or therewith, including in each case the reasonable fees and disbursements of counsel to the Bank. In addition, the City shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing, and recording of this Agreement or the Bank Fee Agreement and the security contemplated by the Financing Documents and agrees, to the extent permitted by the law of the State, to hold the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees; *provided, however*, that the City may reasonably contest any such taxes or fees with the prior written consent of the Bank, which consent, if a City Event of Default does not then exist, shall not be unreasonably withheld. In addition, the City agrees to pay, after the occurrence of a City Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the City hereunder by reason of such City Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the City under this Section 7.12 shall survive the termination of this Agreement.

Section 7.13 Reserved.

Section 7.14 Payment Obligations of the City hereunder and under the Bank Fee Agreement. Notwithstanding anything set forth to the contrary herein, any provision of this Agreement or the Bank Fee Agreement which provides that the City will make payments to the Bank in respect of any Obligations hereunder or under the Bank Fee Agreement shall be an obligation of the City to make such payment to the Bank subject to the limitations contained in this Agreement as to the sources of funds available to the City for such purpose.

Section 7.16 Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all taken together to constitute one instrument. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 7.17 Entire Agreement. This Agreement and the Bank Fee Agreement constitute the entire understanding of the parties with respect to the subject matter hereof and thereof and any prior agreements, whether written or oral, with respect thereto are superseded hereby and thereby.

Section 7.18 USA Patriot Act The Bank hereby notifies the City that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107 56 (signed into law October 26, 2001)) (the “*Patriot Act*”), it is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Bank to identify the City in accordance with the Patriot Act, and the City hereby agrees to take any action necessary to enable the Bank to comply with the requirements of the Patriot Act. The City shall comply with all applicable Bank Secrecy Act laws and regulations, as amended.

Section 7.19 Insurance Policy Claims. Following payment by the Bank of any Drawing under the Letter of Credit, the Bank shall have sixty (60) Business Days from the date of such payment to direct the Insurer to reimburse the Bank for the amount of the Drawing that was not reimbursed by the City, the Tender Agent or the Paying Agent from amounts in the funds and accounts under the Ordinance. In the event the Bank fails to direct the Insurer to reimburse the Bank within the sixty (60) Business Day period, the Bank shall be deemed to have elected not to receive reimbursement from the Insurer with respect to such payment under the Letter of Credit and to have waived its right to present such a claim to the Insurer for failure of the City to make such reimbursement. In no event shall the Bank be deemed to have waived its right to direct a mandatory tender of the Bonds with respect to any such reimbursement default as a result of the Bank waiving its right to present a claim of reimbursement to the Insurer.

Section 7.20 Insurer’s Rights. Except as otherwise provided herein or in the Cancellation Agreement, the existence of all rights given to the Insurer hereunder with respect to the giving of consents, approvals or notices, or the direction of proceedings and its rights pursuant to Section 7.21 hereof is expressly conditioned upon (i) the Insurance Policy being in full force and effect or (ii) no Insurer Event of Default having occurred and being continuing. If either or both of such conditions is not satisfied, then only the Insurer’s rights derived through subrogation or assignment shall continue in full force and effect except as expressly provided herein or in the Cancellation Agreement. Any such rights shall not be exercisable by the Insurer (but shall be exercisable by the Bank in accordance with the terms of the Ordinance) if at any time (i) the Insurance Policy is no longer in full force and effect as a result of a termination of the Insurance Policy and the Insurer has been paid all amounts due and payable to it or (ii) an Insurer Event of Default has occurred and is continuing; *provided* that this Section 7.20 shall not in any way limit or affect the rights of the Insurer as subrogee of the Bank or Owner of a Bond or as assignee of the Bank or Owner of a Bond or to otherwise be reimbursed and indemnified for its costs and expenses and other payments on or in connection with the Reimbursement Obligations or the Insurance Policy either by operation of law or at equity or by contract.

Section 7.21 Third Party Beneficiary. The Bank and the City acknowledge that, unless (i) the Insurance Policy has been terminated pursuant to Section 6.3(a) or 6.4(a) hereof and the Insurer has been paid all amounts due and payable to it (if applicable in accordance with Section 6.3(a) or Section 6.4(a) hereof) or (ii) an Insurer Event of Default has occurred and is continuing,

the Insurer shall be an express third party beneficiary of the provisions of this Agreement relating to the Insurer with the power to enforce the same.

BANK FEE AGREEMENT

This Bank Fee Agreement dated June 1, 2011, is between the City of Austin, Texas (the “City”) and JPMorgan Chase Bank, National Association (the “Bank”). Reference is hereby made to the Letter of Credit and Reimbursement Agreement dated June 1, 2011 (the “Reimbursement Agreement”) by and between the Bank and the City relating to the City’s Airport System Refunding Revenue Bonds, Series 2005(AMT), Subseries 2005-1 and Airport System Refunding Revenue Bonds, Series 2005(AMT), Subseries 2005-2 (collectively, the “Bonds”). Capitalized terms not otherwise defined herein shall have the meanings set forth in the Reimbursement Agreement.

The purpose of this Bank Fee Agreement is to set forth the agreement between the Bank and the City with respect to fees payable to the Bank pursuant to the Reimbursement Agreement. This Bank Fee Agreement constitutes the “Bank Fee Agreement” as such term is defined in the Reimbursement Agreement.

Article I. Fees

Section 1.1 Letter of Credit Fee. The City shall pay to the Bank a Letter of Credit Fee (the “Letter of Credit Fee”) on each Commitment during the term of each Letter of Credit at the Letter of Credit Fee Rate described in the chart below based on the long-term underlying rating (without giving effect to credit enhancement or bond insurance) (the “Rating”) assigned to the Bonds or other bonds issued by the City that are secured by and payable from the Net Revenues on a parity basis with the Bonds. The Letter of Credit Fee will be calculated on the basis of the actual number of days elapsed in a 360-day year and payable quarterly in arrears on first Business Day of each January, April, July and October commencing in July 2011.

<u>LEVEL</u>	<u>S&P RATING</u>	<u>LETTER OF CREDIT FEE RATE</u>
1	A- or above	1.35% per annum
2	BBB+	1.55% per annum
3	BBB	175% per annum
4	BBB- or below	195% per annum

Any change in the Letter of Credit Fee Rate resulting from a change in the Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to Ratings above are references to rating categories as determined by S&P at the date hereof, and in the event of the adoption by S&P of any new or changed rating system, including, without limitation, any recalibration or realignment of the long-term unenhanced rating assigned

to any other bonds issued by the City that are secured by and payable from Net Revenues on a parity basis with the Bonds in connection with the adoption of a “global” rating scale, the Rating in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as in effect at the date hereof.

In the event the Rating assigned by S&P is withdrawn or suspended, the Letter of Credit Fee Rate shall be increased immediately, without notice to the City, by an additional 100 basis points per annum over the Letter of Credit Fee Rate otherwise in effect. At any time an Event of Default shall have occurred and be continuing under the Reimbursement Agreement, the Letter of Credit Fee Rate shall be increased immediately, without notice to the City, by an additional 100 basis points per annum above the Letter of Credit Fee Rate in effect prior to the occurrence of such Event of Default for so long as such Event of Default is continuing.

Section 1.2 Drawing Fee. In connection with each Drawing under a Letter of Credit, the City shall pay to the Bank a drawing fee in the amount of \$250 as payment for the Bank’s transactional costs related to such Drawing. The drawing fee shall be payable on the same day as the related Drawing.

Section 1.3 Amendment and Transfer Fee. The City agrees to pay, or cause to be paid, to the Bank, on the date of each amendment, supplement or modification to the Reimbursement Agreement, a Letter of Credit or this Bank Fee Agreement, transfer of a Letter of Credit to a successor beneficiary, or execution of any standard waiver or consent, a non-refundable fee equal to \$2,500, plus, in each case, the reasonable fees and expenses of outside counsel to the Bank. Extensions to the term of a Letter of Credit alone will not require the payment of such fee, but will require the payment of related reasonable fees and expenses of outside legal counsel to the Bank.

Section 1.4. Termination/Reduction. The City may voluntarily terminate any Letter of Credit at any time with 30 days prior written notice to the Bank; *provided, however*, that in the event the City elects to terminate or permanently reduce (excluding in connection with mandatory sinking fund redemptions) the Available Amount of a Letter of Credit prior to its Stated Expiration Date, the City shall pay to the Bank the Letter of Credit Fees that would be due and payable to the Bank through the Stated Expiration Date based on the Available Amount in effect on date of such termination or reduction less the Letter of Credit Fees already paid (the “Make-Whole Fee”) up to and including the termination or reduction date. The City will not be required to pay the Make-Whole Fee to the Bank if: (a) a Letter of Credit is terminated due to a downgrade of the short-term rating of the Bank below “P-1” by Moody’s, “A-1” by S&P, or “F1” by Fitch; or (b) the related subseries of Bonds is refunded from a source of funds that does not require a credit facility or analogous facility from a bank or financial institution, or the rate of interest on the related subseries of Bonds is converted to a fixed rate or another interest rate mode that does not require a credit facility, a bank direct purchase facility, or an analogous facility from a bank or financial institution.

Section 1.5. Legal Fees. The City shall pay, or caused to be paid, on the Closing Date the legal fees of Andrews Kurth LLP for preparation of the Reimbursement Agreement and this

Bank Fee Agreement. The amount payable by the City with respect to the legal fees of Andrews Kurth LLP incurred in connection with the preparation of the Reimbursement Agreement and this Bank Fee Agreement, and incurred in connection with preparation of similar reimbursement agreements and bank fee agreements for other sub-series of the aforesaid Series 2005 Bonds being negotiated and delivered concurrently with the Reimbursement Agreement and this Bank Fee Agreement, shall not exceed in the aggregate \$75,000.

Section 1.6. Out of Pocket Expenses. As a condition to closing on the Reimbursement Agreement, the City shall pay the Bank's out-of-pocket expenses in an amount not to exceed \$3,000.

Section 1.7. Default Rate. Any amounts due to the Bank hereunder that are past due shall accrue interest at the Default Rate from the date due but excluding the date of payment in full.

Article II. Miscellaneous.

Section 2.1 Amendments. No amendment to this Bank Fee Agreement shall become effective without the prior written consent of the Bank and the City.

Section 2.2. Governing Law. This Bank Fee Agreement shall be deemed to be a contract under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the law of the State of Texas.

Section 2.3. Counterparts. This Bank Fee Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Bank Fee Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by email with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 2.4. Severability. Any provision of this Bank Fee Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Bank Fee Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first above written.

[KBC Fee Agreement]

BANK FEE AGREEMENT

This Bank Fee Agreement dated June 1, 2011, is between the City of Austin, Texas (the “City”) and KBC Bank, N.V., acting through its New York Branch (the “Bank”). Reference is hereby made to the Letter of Credit and Reimbursement Agreement dated June 1, 2011 (the “Reimbursement Agreement”) by and between the City and the Bank relating to the City’s Airport System Refunding Revenue Bonds, Series 2005 (AMT), Subseries 2005-3 (the “Bonds”). Capitalized terms not otherwise defined herein shall have the meanings set forth in the Reimbursement Agreement.

The purpose of this Bank Fee Agreement is to set forth the agreement between the Bank and the City with respect to fees payable to the Bank pursuant to the Reimbursement Agreement. This Bank Fee Agreement constitutes the “Bank Fee Agreement” as such term is defined in the Reimbursement Agreement.

Article I. Fees

Section 1.1 Letter of Credit Fee. The City shall pay to the Bank a Letter of Credit fee (“Letter of Credit Fee”) on the Commitment during the term of the Letter of Credit at the Letter of Credit Fee Rate described in the chart below based on the long term underlying rating (without giving effect to credit enhancement or bond insurance) (the “Rating”) assigned to the Bonds or other bonds issued by the City that are secured by and payable from the Net Revenues on a parity basis with the Bonds. The Letter of Credit Fee will be calculated on the basis of the actual number of days elapsed in a 360-day year and payable quarterly in arrears on first Business Day of each January, April, July and October commencing July 2011.

<u>LEVEL</u>	<u>S&P RATING</u>	<u>LETTER OF CREDIT FEE RATE</u>
1	A- or above	135 % per annum
2	BBB+	155 % per annum
3	BBB	175 % per annum
4	BBB- or below	195 % per annum

Any change in the Letter of Credit Fee Rate resulting from a change in the Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to Ratings above are references to rating categories as determined by S&P at the date hereof, and in the event of the adoption by S&P of any new or changed rating system, including, without limitation, any recalibration or realignment of the long-term unenhanced rating assigned to any other bonds issued by the City that are secured by and payable from Net Revenues on a

parity basis with the Bonds in connection with the adoption of a “global” rating scale, the Rating in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as in effect at the date hereof.

In the event the Rating assigned by S&P is withdrawn or suspended, the Letter of Credit Fee Rate shall be increased immediately, without notice to the City, by an additional 100 basis points per annum over the Letter of Credit Fee Rate otherwise in effect. At any time an Event of Default shall have occurred and be continuing under the Reimbursement Agreement, the Letter of Credit Fee Rate shall be increased immediately, without notice to the City, by an additional 100 basis points per annum above the Letter of Credit Fee Rate in effect prior to the occurrence of such Event of Default for so long as such Event of Default is continuing.

Section 1.2 Drawing Fee. In connection with each Drawing under the Letter of Credit, the City shall pay to the Bank a drawing fee in the amount of \$250 as payment for the Bank’s transactional costs related to such Drawing. The drawing fee shall be payable on the same day as the related Drawing.

Section 1.3 Amendment and Transfer Fee. The City agrees to pay, or cause to be paid, to the Bank, on the date of each amendment, supplement or modification to the Reimbursement Agreement, the Letter of Credit or this Bank Fee Agreement, transfer of the Letter of Credit to a successor beneficiary, or execution of any standard waiver or consent, a non-refundable fee equal to \$2,500, plus, in each case, the reasonable fees and expenses of outside counsel to the Bank. Extensions to the term of the Letter of Credit alone will not require the payment of such fee, but will require the payment of related reasonable fees and expenses of outside legal counsel to the Bank.

Section 1.4. Termination/Reduction. The City may voluntarily terminate the Letter of Credit at any time with 30 days prior written notice to the Bank; *provided, however*, that in the event the City elects to terminate or permanently reduce (excluding in connection with mandatory sinking fund redemptions) the Available Amount of the Letter of Credit prior to its Stated Expiration Date, the City shall pay to the Bank the Letter of Credit Fees that would be due and payable to the Bank through the Stated Expiration Date based on the Available Amount in effect on date of such termination or reduction less the Letter of Credit Fees already paid (the “Make-Whole Fee”) up to and including the termination or reduction date. The City will not be required to pay the Make-Whole Fee to the Bank if: (a) the Letter of Credit is terminated due to a downgrade of the short-term rating of the Bank below “P-1” by Moody’s, “A-1” by S&P, or “F1” by Fitch; or (b) the Bonds are refunded from a source of funds that does not require a credit facility or analogous facility from a bank or financial institution, or the rate of interest on the Bonds is converted to a fixed rate or another interest rate mode that does not require a credit facility, a bank direct purchase facility, or an analogous facility from a bank or financial institution.

Section 1.5. Legal Fees. The City shall pay, or caused to be paid, on the Closing Date the legal fees of Andrews Kurth LLP for preparation of the Reimbursement Agreement and this Bank Fee Agreement. The amount payable by the City with respect to the legal fees of Andrews

Kurth LLP incurred in connection with the preparation of the Reimbursement Agreement and this Bank Fee Agreement, and incurred in connection with preparation of similar reimbursement agreements and bank fee agreements for other sub-series of the aforesaid Series 2005 Bonds being negotiated and delivered concurrently with the Reimbursement Agreement and this Bank Fee Agreement, shall not exceed in the aggregate \$75,000. The City shall also pay the legal fees of the Bank's foreign counsel in an amount not to exceed \$3,150.

Section 1.6. Out-of-Pocket Expenses. As a condition to closing on the Reimbursement Agreement, the City shall pay the Bank's out-of-pocket expenses in an amount not to exceed \$3,000.

Section 1.7. Default Rate. Any amounts due to the Bank hereunder that are past due shall accrue interest at the Default Rate from the date due to but excluding the date of payment in full.

Article II. Miscellaneous.

Section 2.1 Amendments. No amendment to this Bank Fee Agreement shall become effective without the prior written consent of the Bank and the City.

Section 2.2. Governing Law. This Bank Fee Agreement shall be deemed to be a contract under, and for all purposes shall be governed by, and construed and interpreted in accordance with, the law of the State of Texas.

Section 2.3. Counterparts. This Bank Fee Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Bank Fee Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by email with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 2.4. Severability. Any provision of this Bank Fee Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

WHEREAS, AGM has also issued Municipal Bond Debt Service Reserve Fund Insurance Policy No. 205494-R (the “*Reserve Policy*”) for the debt service reserve fund requirement for the Bonds and Financial Guaranty Insurance Policy No. 205494-SWP with respect to the swap transaction relating to the Bonds (the “*Swap Policy*”); and

WHEREAS, the parties hereto have agreed that the Swap Policy and Reserve Policy shall be terminated as provided in Sections 15 and 16 hereof.

NOW, THEREFORE, in consideration of the premises and the mutual promises set

forth below, the parties hereto agree as follows:

AGREEMENT

Section 1. The Banks hereby request that, effective upon the occurrence of the conditions set forth herein, AGM cancel the Bond Policy, and AGM hereby agrees to comply with such request, subject to the terms of this Agreement.

Section 2. The Banks acknowledge and agree that, pursuant to the Reimbursement Agreements, the exercise by the Banks of certain rights and remedies, and the pursuit of other actions, referred to in Sections 6.3 and 6.4 of the Reimbursement Agreements, without the consent of AGM are subject to satisfaction of the conditions specified in Sections 6.3 and 6.4 of the Reimbursement Agreements, which (except in certain specified circumstances) contemplate termination of the Bond Policy and AGM being paid all amounts due and payable to it.

Section 3. The Banks will provide a written notice in the form attached hereto as Exhibit A-1 signed by at least two of the Banks (the “*Notice*”) of the exercise by the Banks of their right to request the cancellation of the Bond Policy pursuant to the terms of Sections 6.3 and 6.4 of the Reimbursement Agreements to the Issuer, the Agent and AGM specifying that the date of cancellation of the Bond Policy (the “*Cancellation Date*”), shall be the sixteenth (16th) day following the Agent’s receipt of the Notice, and the Agent shall take the steps required pursuant to Section A-405 of the Ordinance to effect the mandatory tender of all of the Bonds. The Banks agree that they shall not direct the Agent to draw on the Bond Policy, and the Agent agrees that it shall not draw on the Bond Policy, after the Banks have delivered the Notice. Upon delivery of the Notice and the Agent’s receipt thereof, the Issuer, the Banks and the Agent hereby irrevocably consent to the cancellation of the Bond Policy in accordance with the terms of this Agreement. The Banks, as Owners of the Bonds, shall confirm such consent in writing to AGM when they own the Bonds following the mandatory tender thereof and prior to the remarketing thereof. The cancellation of the Bond Policy will be effective upon the Cancellation Date specified in the Notice subject to the terms of this Agreement; *provided* that in no event shall the Cancellation Date occur prior to the Mandatory Purchase Date (as such term is defined in the Ordinance). The Agent agrees to deliver to AGM the original executed Bond Policy for cancellation, *provided, however*, that if the original Bond Policy cannot be located after diligent search, the Agent shall deliver a copy of the Bond Policy, together with a lost policy affidavit in form and substance satisfactory to AGM stating that the original cannot be located. Notwithstanding anything to the contrary herein, the failure to deliver the original Bond Policy or any such affidavit shall not invalidate the cancellation of the Bond Policy pursuant to this Agreement.

Section 4. The parties hereto acknowledge and agree that until the Bond Policy is cancelled pursuant hereto, AGM shall be deemed to be the sole holder of all of the Bonds entitled to control remedies under the Ordinance (subject to the provisions of the Ordinance). Furthermore the Banks agree to cooperate with AGM in the event of a draw on the Bond Policy for the purpose of reimbursing the Banks, including assigning any rights the Banks may have with respect to the related Bonds paid with a draw on a Letter of Credit.

Section 5. The parties hereto agree that as of the Cancellation Date no amounts will be due or payable by AGM with respect to the Bonds pursuant to the Bond Policy, and none of

Section 6. On or prior to the Cancellation Date, the Issuer shall deliver or cause to be delivered to the Agent for authentication new Bonds that (a) do not contain the AGM statement of insurance and (b) have new CUSIPs assigned reflecting the absence of insurance, with a list of such new CUSIPs to be provided to AGM.

Section 7. Notwithstanding any provision to the contrary in this Agreement, the Ordinance, the Reimbursement Agreements or the Bonds, the parties hereto acknowledge that to the extent AGM has made any payments under the Bond Policy prior to the Cancellation Date:

(a) each recognizes that, to the extent AGM has made payments, directly or indirectly (as by paying through the Agent), on account of principal of or interest on the Bonds to any holder of the Bonds (a “*Holder*”), AGM will be (i) subrogated to the rights of such Holder to receive the amount of such payment from the Issuer, as provided and from the sources stated in the Ordinance and the Bonds, and (ii) deemed to be the Holder of such Bond or Bonds for all purposes under the Ordinance, including, without limitation, the direction of remedies, the voting or giving of consent with respect to remedies and other actions or inactions of the Agent or the Issuer that may require such voting or consent, and the filing of proofs of claim and other indicia of ownership in any insolvency proceeding; and

(b) AGM is entitled to receive the amount of such principal and interest as provided in the Ordinance and the Bonds, and the parties hereto will otherwise treat AGM as the owner of such rights to the amount of such payment.

Section 8. The Issuer agrees that there will be no refund or return of the insurance premium for the Bond Policy or the Reserve Policy in connection with cancellation of the Bond Policy or the Reserve Policy. Furthermore the Issuer agrees to pay all reasonable out of pocket fees and expenses of AGM in connection with the cancellation of the Bond Policy and the Reserve Policy.

Section 9. The Issuer covenants that (a) in connection with any remarketing of the Bonds on or after the Cancellation Date, a disclosure document will be delivered to prospective Bondholders that states prominently that the Bond Policy is no longer in effect with respect to the Bonds and that the purchasers of the remarketed Bonds shall be deemed to have consented to the cancellation of the Bond Policy and (b) it will file with the Municipal Securities Rulemaking Board (“*MSRB*”) (or any successor repository of disclosure of information relating to the Bonds) on or as of the Cancellation Date a filing that discloses that the Bond Policy is no longer in effect with respect to the Bonds. The Issuer shall make such disclosure documents and MSRB filings available to AGM reasonably in advance of the use and/or filing of such materials.

Section 10. Prior to execution and delivery hereof, each party hereto shall receive opinions dated the date hereof and addressed to it from counsel to each of the other parties hereto to the effect, in each case, that this Agreement has been duly authorized, executed and delivered

Section 11. All notices shall be sent to the addresses and in the manner specified in Section A-702(c) of the Ordinance; *provided* that notices to the Issuer shall be sent to it at 700 Lavaca, Suite 940, Austin, Texas 78701, Attention: City Treasurer.

Section 12. This Agreement shall be binding upon and inure to the benefit of the Banks, subsequent beneficial owners of the Bonds, the Agent, the Issuer, and AGM and their respective successors and assigns.

Section 13. This Agreement may be executed in several counterparts, each of which shall be an original and all of which together shall constitute but one and the same instrument. This Agreement may be delivered by the exchange of executed signature pages by facsimile transmission or by email with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as the originally signed version of such signature page.

Section 14. Notwithstanding any other provision hereof, all financial obligations of the Issuer under or as a consequence of actions required by this Agreement are limited to the sources provided therefor in the Ordinance and are subject to all limitations on such sources and priorities with respect to payment therefrom as are set forth in the Ordinance.

Section 15. The parties acknowledge and agree that upon the termination of the Bond Policy in accordance herewith, the Series 2005 Swap Agreement entered into in connection with the Bonds or the Swap Policy shall be terminated in accordance with, and to the extent required by, the terms of the Agreement Regarding Insured Swap Transaction (City of Austin), dated the date hereof, between the Issuer and AGM.

Section 16. The parties hereto acknowledge and agree that upon the cancellation of the Bond Policy in accordance herewith (unless an Insurer Event of Default (as defined in the Reimbursement Agreements) has occurred and is continuing), the Reserve Policy shall be cancelled by a date that is not more than three years after the Cancellation Date, and the Issuer shall (i) beginning with the first full calendar month following the Cancellation Date, commence funding on a monthly basis an amount sufficient so that the Debt Service Reserve Fund Requirement is established (without giving effect to the Reserve Policy) by the date that is three years after the Cancellation Date and (ii) restore any draw on the Debt Service Reserve Fund from over a period of no more than 18 months as required by Section 5.07 of the Ordinance. The Issuer further agrees that, commencing on the date hereof, it shall not issue any Additional Revenue Bonds payable from the Reserve Policy. Following the date the Reserve Policy is cancelled pursuant to the terms hereof or otherwise terminates in accordance with its terms, the Agent agrees to return the original Reserve Policy to AGM.

Section 17. (a) Each Bank irrevocably agrees for the benefit of AGM, the Agent and the City that the only manner in which the Banks may direct the Agent to cause a mandatory tender of the Bonds (in connection with the cancellation of the Bond Policy, the termination of the Letters of Credit, or otherwise) is to provide a written notice in the form attached hereto as Exhibit A-1 or Exhibit A-2, as applicable, in accordance with the terms of this Agreement.

(b) Each Bank irrevocably agrees for the benefit of AGM, the Agent and the City that the Notice (and any confirmation of such Bank's consent to the cancellation of the Bond Policy required hereby) may be delivered by any two of the Banks and each Bank (regardless of whether it signed the Notice) shall be deemed to have irrevocably consented to (i) the delivery of the Notice, (ii) the cancellation of the Bond Policy, (iii) the mandatory tender of each Bank's subseries of the Bonds, and (iv) if stated in the Notice, the cancellation of each Bank's Letter of Credit, all pursuant to the appropriate subsection of Section 6.3 or Section 6.4 of the Reimbursement Agreements upon delivery of the Notice by any two of the Banks.

(c) Each Bank irrevocably agrees for the benefit of the Agent and the City that the notice attached hereto as Exhibit A-2 may be delivered to the Agent by any two of the Banks and each Bank (regardless of whether it has signed the notice attached hereto as Exhibit A-2) shall be deemed to have irrevocably consented to (i) the delivery of the notice attached hereto as Exhibit A-2, (ii) the mandatory tender of each Bank's subseries of the Bonds, and (iii) the cancellation of each Bank's Letter of Credit, all pursuant to the appropriate subsection of Section 6.3 or Section 6.4 of the Reimbursement Agreements upon delivery of the notice attached hereto as Exhibit A-2 by any two of the Banks.

[Swap Agreement]

**AGREEMENT REGARDING INSURED SWAP TRANSACTION
(CITY OF AUSTIN)**

THIS AGREEMENT REGARDING INSURED SWAP TRANSACTION (this "Agreement") dated as of June 1, 2011, is entered into by and between ASSURED GUARANTY MUNICIPAL CORP. (formerly known as Financial Security Assurance Inc.), a New York stock insurance company ("AGM"), and the CITY OF AUSTIN, TEXAS (the "City").

WHEREAS, AGM has previously issued a financial guaranty insurance policy number 205494-SWP (the "Swap Policy"), dated August 17, 2005, relating to a swap transaction (the "Swap Transaction") between the City and Morgan Stanley Capital Services Inc. (the "Counterparty"), evidenced by a Confirmation dated July 2, 2004 with reference number AUCGV (the "Confirmation"), and governed by an ISDA Master Agreement dated as of July 2, 2004, including the Schedule and Credit Support Annex thereto (the "Master Agreement," and together with the Confirmation, the "Swap Agreement"); and

WHEREAS, the Swap Transaction was entered into to hedge interest rate risk associated with the \$306,225,000 original principal amount of City of Austin, Texas Airport System Refunding Revenue Bonds, Series 2005 (the "Bonds"), which were insured by AGM under municipal bond insurance policy no. 205494-N (the "Bond Policy"); and

WHEREAS, the City is delivering one or more letters of credit (the "Letters of Credit") issued by the Banks (as defined below) to further secure the Bonds and in connection therewith certain events may result in the Banks electing at some future date to cause the cancellation of the Bond Policy, and in connection therewith AGM, the City, Wells Fargo Bank, National Association, as paying and tender agent, and each of JPMorgan Chase Bank, N.A., KBC Bank, N.V., acting through its New York Branch, and Royal Bank of Canada, acting through its New York Branch (each a "Bank" and collectively, the "Banks") have entered into a Insurance Policy Cancellation Agreement, dated as of June 1, 2011 (the "Cancellation Agreement"); and

WHEREAS, the Letters of Credit are being issued pursuant to respective Letter of Credit and Reimbursement Agreements entered into between each Bank and the City (the "Reimbursement Agreements"); and

WHEREAS, the City wishes to have the option to keep the Swap Transaction outstanding and insured by the Swap Policy, notwithstanding a cancellation of the Bond Policy; and

NOW, THEREFORE, in consideration of the agreement by AGM not to terminate the Swap Policy following a termination of the Bond Policy pursuant to the Cancellation Agreement and the other agreements set forth herein, the City does hereby agree and covenant with AGM as follows:

Section 1. *Reporting.* Following a termination of the Bond Policy pursuant to the Cancellation Agreement, the City shall provide the following to AGM: (i) on a monthly basis, a statement of the estimated aggregate mark-to-market value of the Swap Transaction in the form currently being provided to the City by the Counterparty and (ii) notice at such time, if any, as the aggregate mark-to-market value of the Swap Transaction is negative \$100,000 or an amount more favorable to the City within two (2) business days of that being the case (it being understood that such notice, if any, shall be based upon the monthly statement delivered pursuant to clause (i) hereinabove).

Section 2. *Termination.* Subject to Section 5 hereof, unless AGM directs or agrees otherwise, not later than the earlier of (a) ten (10) business days after the first date on which the estimated aggregate mark-to-market value of the Swap Transaction payable by the City is zero or on which such estimated value aggregate mark-to-market value is positive to the City (in each case as set forth in the reports delivered pursuant to Section 1 above), and (b) three (3) years of the date of the cancellation of the Bond Policy pursuant to the Cancellation Agreement, the City shall do one of the following:

(a) designate an Early Termination Date, or other optional termination, with respect to the Swap Transaction in accordance with the provisions of the Swap Agreement; or

(b) deliver to AGM the original Swap Policy together with an instrument from the Counterparty satisfactory to AGM deeming the Swap Transaction to no longer be an Insured Transaction under the Swap Agreement and releasing AGM from all further liability under the Swap Policy.

Section 3. *Not an Insurer-Directed Termination.* Enforcement of this Agreement by AGM shall not be deemed to constitute designation of an Early Termination Date by AGM for purposes of the Swap Agreement or the Swap Policy. Nothing herein shall otherwise limit or impair the rights granted to AGM under the Swap Agreement (including any right to designate an Early Termination Date as provided therein).

Section 4. *Swap Agreement Modification; Notional Amount Adjustment.* Notwithstanding anything to the contrary in the Swap Agreement or the transaction documents relating to the Bonds, the City hereby agrees and covenants to AGM that the Notional Amount shall not exceed the outstanding principal amount of the Bonds. In accordance with the foregoing, the City agrees and covenants to AGM that it shall not redeem, defease, refund, prepay or repurchase (other than to satisfy any scheduled mandatory sinking fund requirements that correspond to scheduled reductions in the Notional Amount of the Swap Transaction) any portion of the Bonds unless prior to or at the time of such redemption, defeasance, refunding, prepayment or repurchase, the City terminates all or a portion of the Swap Transaction so that the Notional Amount does not exceed the principal amount of the Bonds immediately following any such redemption, defeasance, refunding, prepayment or repurchase, unless AGM otherwise consents in writing to the Notional Amount not being so reduced. In addition (subject to Section 5 hereof), the City agrees that in the event any reimbursement obligation in respect of the principal amount of any Bonds (including Bank Bonds) owed a Bank under a Reimbursement Agreement is payable within a term of less than five years, the City shall terminate a portion of the Swap Transaction in a like Notional Amount at the time any such payment is made by the City to the Bank.

Section 5. *Effectiveness.* This Agreement shall not be effective unless and until each party hereto has delivered executed counterparts of this Agreement to the other party and an opinion of counsel to the effect that this Agreement is a legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms (subject to customary qualifications). Notwithstanding any other provision of this Agreement to the contrary, the parties hereto acknowledge and agree that in the event the Bond Policy is canceled as a result of the occurrence of an Insurer Event of Default (as defined in the Reimbursement Agreements), the City shall not be obligated to perform its obligations set forth in Section 2 or the last sentence of Section 4 of this Agreement.

WHEREAS, each Bank constitutes a Liquidity Facility Issuer and each Letter of Credit constitutes a Liquidity Facility pursuant to the Ordinance, as each such term is defined therein;

NOW, THEREFORE, in consideration of the premises and to provide for the coordination of said arrangements, the parties hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used in this Agreement and not defined herein shall have the meanings assigned to them in the Ordinance, including Appendix A thereto.

SECTION 2. Appointment of Tender Agent. Subject to the terms and conditions contained herein and in the Ordinance, Wells Fargo Bank, N.A., is hereby designated and appointed Tender Agent in the performance of its duties and obligations hereunder and under the Ordinance. Wells Fargo Bank, N.A., hereby accepts such appointment and the City consents to such designation and appointment. Wells Fargo Bank, N.A., hereby certifies that it has the capacity to, and agrees to, perform the duties and responsibilities of the Tender Agent herein and under the Ordinance. By its execution and delivery of this Agreement, the Tender Agent hereby covenants and agrees to comply with the provisions of the Ordinance applicable to the Tender Agent. To the extent of any conflict between the provision of this Agreement and the Ordinance, the Ordinance shall control.

During the term hereof, the Tender Agent hereby covenants and agrees to maintain an office where Bonds no longer held in the Book-Entry System may be delivered and tendered for purchase to the Tender Agent. The initial designated office of the Tender Agent is: 608 2nd Ave S, Minneapolis, Minnesota 55479, Attention: REORG N9303-121.

Bonds tendered for purchase which are held in Book-Entry System shall be tendered pursuant to such Book-Entry System.

SECTION 3. Creation of Purchase Fund. There has been established in the Ordinance and currently maintained with the Tender Agent, a separate fund known as the "Purchase Fund," which shall be held by the Tender Agent for the exclusive benefit of the Owners of Bonds who are entitled to be paid the Purchase Price of such Bonds from such Fund and, to the extent of any surplus, the Person who deposited the money into the applicable account of the Purchase Fund. The Tender Agent shall further establish and maintain separate accounts within the Purchase Fund known as the "Liquidity Facility Purchase Account" and the "Remarketing Proceeds Account."

Upon receipt from the Remarketing Agent of the proceeds of remarketing of Bonds of a Subseries on a Purchase Date or Mandatory Purchase Date, the Tender Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the remarketed Bond. Notwithstanding the foregoing, upon the receipt of the proceeds of remarketing of Bank Bonds, the Tender Agent shall immediately pay such proceeds to or for the account of the related Liquidity Facility Issuer to the extent of any amount owing to such Liquidity Facility Issuer.

Upon receipt by the Tender Agent of immediately available funds to pay the Purchase Price of Bonds pursuant to Section A-411 of the Ordinance, the Tender Agent shall deposit such money in the Liquidity Facility Purchase Account for application to the Purchase Price of the Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account shall not be sufficient. Any amounts deposited in the Liquidity Facility Purchase Account and not needed with respect to the Purchase Price for any Bonds of such subseries shall be immediately returned to the order of the applicable Liquidity Facility Issuer.

Amounts held in the Liquidity Facility Purchase Account and the Remarketing Proceeds Account by the Tender Agent shall be held uninvested and separate and apart from all other funds and accounts.

SECTION 4. Delivery of Bonds. The Bonds of a subseries shall be delivered in accordance with Section A-409 of the Ordinance.

SECTION 5. Tenders; Remarketing of the Bonds.

(a) Mandatory Tenders. At the times specified in Section A-405 of the Ordinance, notice of any mandatory tender of Bonds of a subseries shall state that such Bonds are to be purchased pursuant to Sections A-402, A-403 or A-404 of the Ordinance, and shall be provided by the Paying Agent/Registrar or caused to be provided by the Paying Agent/Registrar by mailing a copy of the notice of mandatory tender by first-class mail to each Owner of the Bonds of the subseries at the respective addresses shown on the registry books. Each notice of mandatory tender for purchase shall identify the reason for the mandatory tender for purchase, and specify the CUSIP number, Mandatory Purchase Date, the Purchase Price, the place and manner of payment, that the Owner has no right to retain such Bonds and that no further interest will accrue from and after the Mandatory Purchase Date to such Owner. Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Bonds of a subseries shall in addition specify the conditions that have to be satisfied pursuant to Section A-207 of the Ordinance in order for the New Mode to become effective and the consequences that the failure to satisfy any of such conditions would have. In the event a mandatory tender of Bonds of a subseries shall occur at or prior to the same date on which an optional tender for purchase is scheduled to occur, the terms and conditions of the applicable mandatory tender for purchase shall control. The Paying Agent/Registrar shall give a copy of any notice of mandatory tender given by it to the other Notice Parties. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of any Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice. Failure by the Paying Agent/Registrar to give a notice as provided in this Section shall not affect the obligation of the Tender Agent to purchase the Bonds of a subseries subject to mandatory tender for purchase on the Mandatory Purchase Date.

(b) Optional Tenders. Any Bond of a subseries (or portions thereof in Authorized Denominations) in the Daily Rate Mode that is not a Bank Bond is subject to purchase, on the demand of the Owner thereof, at a price equal to the Purchase Price on any Business Day (such purchase to be made on the Business Day upon which such demand is made), upon irrevocable notice submitted by Electronic Means to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner), delivered to the Tender Agent and the Remarketing Agent by telecopier by 11:00 a.m., New York City time, at their respective Principal Offices, which states the number and principal amount of such Bond being tendered and the Purchase Date. Such tender notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such tender notice was delivered and such tender shall occur on the Business Day specified in such Tender Notice. The Tender Agent shall, as soon as practicable, notify the City of the principal amount of Bonds of the Series being tendered. The contents of any such irrevocable telephonic tender notice shall be conclusive and binding on all parties.

The Owners of Bonds of a subseries in a Weekly Rate Mode that are not Bank Bonds may elect to have such Bonds (or portions thereof in Authorized Denominations) purchased at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender to the

Tender Agent and Remarketing Agent, at their respective Principal Offices, not later than 5:00 p.m., New York City time, on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner. Such notice shall (i) state the number and the principal amount of such Bond being tendered and (ii) state that such Bond shall be purchased on the Purchase Date so specified by the Owner. The Tender Agent shall notify the City by the close of business on the next succeeding Business Day of the receipt of any notice pursuant to this paragraph.

(c) Remarketing of the Bonds.

(i) The Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 11:45 a.m. (12:15 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, of the registration instructions as may be necessary to re-register the Bonds.

(ii) Unless otherwise permitted by the Securities Depository and the book-entry-only system applicable to a Series of Bonds, the Tender Agent shall authenticate and have available for delivery to the Remarketing Agent prior to 12:30 p.m., New York City time, on the Purchase Date or Mandatory Tender Date new Bonds of the Series for the respective purchasers thereof.

(iii) The Remarketing Agent shall at or before 12:00 p.m. (12:20 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, on the Purchase Date or Mandatory Purchase Date, as the case may be, confirm to the City, the Paying Agent/Registrar and the Tender Agent the transfer of the Purchase Price of remarketed Bonds of the subseries to the Tender Agent in immediately available funds at or before 11:45 a.m. (12:15 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, such confirmation to include the pertinent identifying information with respect to such transfer.

(iv) To the extent a Liquidity Facility is in effect for a subseries of Bonds, the Tender Agent shall draw on the related Liquidity Facility, in accordance with the terms thereof, by 12:25 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date, as the case may be, in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered less the aggregate amount of remarketing proceeds confirmed to the City, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent pursuant to clause (1) of Section A-407(c) of the Ordinance and shall cause the proceeds of such draw to be transferred to the Tender Agent by no later than 2:30 p.m., New York City time. Notwithstanding the foregoing, the Tender Agent shall draw on the related Liquidity Facility in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered for purchase on each Purchase Date or Mandatory Purchase Date, as the case may be, if it does not receive a confirmation from the Remarketing Agent pursuant to clause (1) of Section A-407(c) of the Ordinance.

(v) To the extent a Liquidity Facility is in effect for a subseries of Bonds, the Tender Agent shall confirm to the City by 2:40 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date, receipt of the proceeds of any draw on such Liquidity Facility.

SECTION 6. Tender of Bonds to Tender Agent. Each Owner who is required to tender its Bond to the Tender Agent must tender such Bond to the Tender Agent in accordance with Section A-410 of the Ordinance. For any Bonds required to be tendered for purchase which are not in fact delivered, the Tender Agent shall hold any funds received for purchase of those Bonds in trust in a separate account and shall pay such funds to the former Owners upon presentation of the Bonds subject to tender, and such Bonds shall be deemed tendered and cease to accrue interest as to the former Owners on the Purchase Date or Mandatory Purchase Date pursuant to the Ordinance.

SECTION 7. Source of Funds for Purchase of Bonds of a Subseries. On or before the close of business on the Purchase Date or Mandatory Purchase Date with respect to Bonds of a subseries, the Tender Agent shall purchase such Bonds from the Owners at the Purchase Price. Unless otherwise provided in a certificate of an Authorized Officer delivered to the Paying Agent/Registrar, the Insurer, the Tender Agent and the Remarketing Agent on a Purchase Date or Mandatory Purchase Date, funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated: (1) immediately available funds on deposit in the Remarketing Proceeds Account with respect to Bonds of such subseries; and (2) to the extent a Liquidity Facility is in effect, immediately available funds on deposit in the Liquidity Facility Purchase Account derived from the Liquidity Facility relating to Bonds of such subseries.

Notwithstanding the foregoing, unless otherwise provided in a certificate of an Authorized Officer delivered to the Tender Agent and the Remarketing Agent on a Purchase Date or Mandatory Purchase Date, the City shall have the option, but shall not be obligated, to transfer immediately available funds to the Tender Agent for the payment of the Purchase Price of any Bond that is tendered or deemed tendered for purchase in accordance with the terms of Appendix A of the Ordinance and the Purchase Price of which is not paid on the Purchase Date or Mandatory Purchase Date from the source identified above. Any Bonds purchased with such funds from the City shall be cancelled unless otherwise consented to by the Insurer. None of the City, the Tender Agent nor the Remarketing Agent shall have any liability or obligation to pay or advance its own funds or, except from the source identified above, make available such Purchase Price. Any Bonds held by or for the account of the City shall not be entitled to the benefit of a Liquidity Facility or the Bond Insurance Policy. Unless otherwise provided in a certificate of an Authorized Officer delivered to the Paying Agent/Registrar and the Tender Agent on a Purchase Date or Mandatory Purchase Date, the failure to pay any such Purchase Price for Bonds of a subseries that have been tendered or deemed tendered for purchase from the source identified above shall not constitute an Event of Default under the Ordinance and in the case of such failure such Bonds shall not be purchased and shall remain in the Mode in effect immediately preceding such Purchase Date or Mandatory Purchase Date, as the case may be, unless such Mode is automatically converted to a Weekly Rate Mode pursuant to Section A-205 of the Ordinance; provided, however, that if such Bonds were in the Auction Rate Mode immediately preceding such Date, such Bonds shall remain in the Auction Rate Mode for an Auction Period and bearing an Auction Period Rate as provided in Section A-207(c)(7) of the Ordinance.

SECTION 8. Purchase of Tendered Bonds by the Liquidity Facility Issuer; Deposits into the Liquidity Facility Purchase Account of the Purchase Fund; Notice to Paying Agent/Registrar and Tender Agent; Release of Bank Bonds. Each Liquidity Facility Issuer, upon receipt of the

appropriate notice pursuant to the respective Liquidity Facility, has agreed in such Liquidity Facility to purchase such unremarketed Bonds of a subseries by causing an amount equal to the aggregate Purchase Price of the unremarketed Bonds to be deposited in immediately available funds in the Liquidity Facility Purchase Account of the Purchase Fund no later than 2:30 p.m., New York City time, on the Purchase Date against delivery of such Bonds at the time and in the manner set forth in such Liquidity Facility.

The Tender Agent agrees to hold Bank Bonds as agent of each Liquidity Facility Issuer and to release any Bank Bonds solely in accordance with Section A-409 of the Ordinance.

SECTION 9. Disbursements from the Purchase Fund. Money in each of the Remarketing Proceeds Account and the Liquidity Facility Purchase Account of the Purchase Fund shall be applied by the Tender Agent by 3:00 p.m., New York City time, on each Purchase Date or Mandatory Purchase Date to purchase Bonds tendered to the Tender Agent at the Purchase Price in accordance with Appendix A of the Ordinance. Such Purchase Price shall be paid by wire transfer in immediately available funds on such Purchase Date or Mandatory Purchase Date; provided, however, for so long as the Bonds are held in the Book-Entry System, such payment will be in accordance with the requirements of the Book-Entry System.

SECTION 10. Transfer and Delivery of Tendered Bonds for Purchase. A principal amount of Bonds equal to the principal amount of Bonds purchased on behalf of the Remarketing Agent pursuant to Sections 5 and 11 hereof or by a Liquidity Facility Issuer pursuant to Section 8 hereof shall be authenticated by the Tender Agent and delivered to, or as instructed by, the Remarketing Agent or the respective Liquidity Facility Issuer, as applicable, and the Tender Agent shall cause the Paying Agent/Registrar to register such Bonds in the name or names provided by the Remarketing Agent or the respective Liquidity Facility Issuer, as applicable. The Remarketing Agent is required to redeliver such Bonds received from the Tender Agent to the respective purchasers not later than 3:30 p.m., New York City time.

Notwithstanding anything to the contrary in the foregoing paragraph, for so long as the Bonds are held in the system of book-entry of DTC in accordance with Section 3.09 of the Ordinance, (i) any Bond remarketed by the Remarketing Agent shall be delivered to the new beneficial owner thereof by a transfer in the book-entry system of DTC of such remarketed Bond to the applicable DTC Participant account for such beneficial owner; and (ii) Bank Bonds shall be delivered to the applicable Liquidity Facility Issuer by a transfer in the book-entry system of DTC of such Bank Bonds to the DTC Participant account of the Tender Agent for the benefit of such Liquidity Facility Issuer, as beneficial owner of such Bank Bonds.

SECTION 11. Remarketing of Bank Bonds. The Remarketing Agent has agreed in the Remarketing Agreement that it shall exercise its best efforts to solicit purchases of any Bank Bonds at a price of not less than 100% of the principal amount thereof, and upon receipt of the proceeds of any remarketing of such Bank Bonds the Tender Agent shall immediately pay such proceeds to or for the account of the related Liquidity Facility Issuer to the extent of any amount owing to such Liquidity Facility Issuer. Upon receipt by the Tender Agent of funds representing the proceeds of the remarketing of such Bank Bonds, new Bonds in place of such Bank Bonds so remarketed shall be registered in the names of the buyers thereof by the Paying Agent/Registrar and delivered by the Remarketing Agent to the buyers thereof and the proceeds of such

remarketing shall, prior to or simultaneously with such delivery, be transferred by the Tender Agent to the related Liquidity Facility Issuer by wire transfer.

SECTION 15. General.

(a) Payment of Tender Agent: Indemnification. The City shall pay the annual Tender Agent fee and all reasonable and actual out of pocket expenses of the Tender Agent for acting under and pursuant to this Agreement as set forth in Annex A hereto. To the extent permitted by law, the City shall indemnify and save harmless the Tender Agent and its officers and employees from and against any and all losses, costs, charges, expenses, judgments and liabilities to third parties arising out of its acting in good faith to carry out the transactions contemplated by this Agreement; provided, however, that such indemnification shall not apply to any losses, costs, charges, expenses, judgments or liabilities caused by the negligence or willful misconduct of the Tender Agent or its officers or employees. The terms of this Section 15(a) shall survive the termination of this Agreement and the payment of the all fees, expenses and amounts due hereunder shall be subject to annual appropriation of available funds by the City for the payment thereof.

(b) Tender Agent's Performance: Duty of Care. The Tender Agent consents and agrees to (i) hold all sums held by it for the payment of Bonds or Bank Bonds, as applicable, in trust for the benefit of the Owners or the related Liquidity Facility Issuer, as applicable, until such sums shall be paid to the Owners or the related Liquidity Facility Issuer or otherwise disposed of as herein provided, and (ii) perform and comply with all the terms and provisions on its part contained in this Agreement.

The duties and obligations of the Tender Agent shall be determined solely by the express provisions of this Agreement and the Ordinance, and no implied covenants or obligations shall be read into this Agreement against the Tender Agent; and in the absence of negligence or willful misconduct on the part of the Tender Agent, the Tender Agent may conclusively rely, as to the truth of the statements expressed therein, upon any document furnished to the Tender Agent and conforming to the requirements of this Agreement and the Tender Agent may rely and shall be protected in acting upon any document believed by it to be genuine and to have been signed or presented by the proper party or parties; but in the case of any such document which by any provision hereof is specifically required to be furnished to the Tender Agent, the Tender Agent shall be under a duty to examine the same to determine whether or not it conforms to the requirements of this Agreement.

No provision of this Agreement shall be construed to relieve the Tender Agent from liability for its own negligence or willful misconduct or that of its officers or employees.

(c) Payments. Any provision of this Agreement or any statute to the contrary notwithstanding, the Tender Agent hereby waives any rights to, or liens for, its fees, charges and expenses for services hereunder from funds or obligations credited to the Purchase Fund. The Tender Agent agrees that it will be reimbursed and compensated for its fees, charges and expenses for acting under and pursuant to this Agreement only from payments to be made by the City pursuant to Section 15(a) hereof.

(d) Term of this Agreement. This Agreement shall become effective upon the effective date of the Letters of Credit and shall remain in full force and effect until (i) such time as the principal of and premium, if any, and interest on all Bonds under the Ordinance shall have been paid or shall no longer have the right to be tendered for purchase; provided, however, that the City and the Tender Agent shall have fulfilled all their respective obligations hereunder, whereupon this Agreement shall terminate; or (ii) resignation by the Tender Agent or removal of the Tender Agent in accordance with Section 15(e) hereof, it being understood, in each case, that the Tender Agent does not waive or relinquish any rights it may have under Section 15(a) hereof.

(e) Resignation by or Removal of the Tender Agent. The Tender Agent may at any time resign and be discharged from the duties and obligations hereby created by giving at least sixty (60) days' written notice by first class mail, postage prepaid, to the City, the related Credit Facility Issuer and the related Liquidity Facility Issuer; provided, that resignation or removal (as set out below) shall not be effective until a successor Tender Agent, which shall be a bank or trust company duly qualified to act in the capacity as a successor Tender Agent, shall have been appointed by the City and acting under the Ordinance. The Tender Agent may be removed at any time, at the direction of the City, by an instrument filed with the Tender Agent and the Remarketing Agent.

(f) Amendments. (i) This Agreement may not be amended so as to adversely affect the right of the Owners or any Liquidity Facility Issuer to effect the purchase of Bonds pursuant to the Ordinance without the prior written approval of each effected Liquidity Facility Issuer and (ii) the City agrees to give to the Tender Agent prompt written notice of any modification or change of or supplement or amendment to the Ordinance which would affect the rights or

obligations of the Tender Agent hereunder. No such modification or change shall be effective against the Tender Agent unless the Tender Agent shall have consented thereto in writing.

(g) Successors and Assigns. The rights, duties and obligations of the City, the Paying Agent/Registrar, the Remarketing Agent and the Tender Agent hereunder shall inure, without further act, to their respective successors and permitted assigns; provided, however, that the Tender Agent may not assign or delegate its rights and obligations under this Agreement without the prior written consent of the City and, provided further, any successor Tender Agent shall execute a tender agent agreement substantially in the form and substance as this Agreement.

(h) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

(i) Limited Liability. Any obligation of the City created by or arising out of this Agreement and owing to the Tender Agent shall be a limited unsecured obligation of the City, payable solely from the Net Revenues of the Airport System, in accordance with the customary payment approval procedures, policies and processes of the City.

(j) Governing Law. This Agreement shall be governed by the laws of the State of Texas.

Such substitution will take place on June 21, 2011 (the "Tender Date"). The Series 2005 Bonds will be subject to mandatory tender for purchase on the Tender Date.

This Information Circular describes the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and JPMorgan Chase Bank, N.A. ("JPM"), with respect to Sub-Series 2005-1 and Sub-Series 2005-2 of the Series 2005 Bonds, the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and KBC Bank, N.V., acting through its New York Branch ("KBC"), with respect to Sub-Series 2005-3 of the Series 2005 Bonds, and the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and Royal Bank of Canada ("Royal Bank"), acting through its WFC, New York, Branch, with respect to Sub-Series 2005-4 of the Series 2005 Bonds (each such agreement a "Reimbursement Agreement" and collectively, the "Reimbursement Agreements"), that will be executed and delivered on or before the Tender Date. The Banks will each issue a letter of credit with respect to the particular Sub-Series of Series 2005 Bonds, as provided in the respective Reimbursement Agreement, in the amount of \$63,156,636.00, in the case of JPM with respect to Sub-Series 2005-1 of the Series 2005 Bonds, in the amount of \$63,131,200.00, in the case of JPM with respect to Sub-Series 2005-2 of the Series 2005 Bonds, in the amount of \$63,182,072.00, in the case of KBC with respect to Sub-Series 2005-3 of the Series 2005 Bonds, and in the amount of \$63,207,507.00, in the case of Royal Bank with respect to Sub-Series 2005-4 of the Series 2005 Bonds (individually, a "Letter of Credit" and collectively, the "Letters of Credit"), that will be delivered on the Tender Date. Each Letter of Credit is calculated on the basis of the currently outstanding principal amount of the Sub-Series of 2005 Bonds for which it is issued, plus fifty-three (53) days accrued interest thereon at the rate of twelve percent (12%) per annum calculated on the basis of a 365/366 day year. Each Letter of Credit will expire on June 21, 2014, unless extended or terminated sooner in accordance with the terms of the respective Reimbursement Agreement. See "**REIMBURSEMENT AGREEMENTS**" herein. The Letters of Credit also are referred to in this Information Circular as the "Credit Facility".

Pursuant to the Reimbursement Agreements, payment of principal of and interest on the Series 2005 Bonds will be effected through draws upon the Letters of Credit. Each Bank is severally liable solely with respect to the purchase price of the Series 2005 Bonds for which it is obligated and not for any other Series 2005 Bonds, and the Banks are not jointly liable for payment of the purchase price of the Series 2005 Bonds. Investors are advised to read this Information Circular in conjunction with the 2008 Remarketing Memorandum referenced below to obtain information essential to making an informed investment decision with respect to the Series 2005 Bonds.

PURPOSE OF THIS INFORMATION CIRCULAR

This Information Circular has been prepared for use by the Remarketing Agent with respect to the above-referenced Series 2005 Bonds (the "Series 2005 Bonds") and supplements the Remarketing Memorandum dated May 5, 2008 (the "2008 Remarketing Memorandum") relating to the Series 2005 Bonds. Sub-Series 2005-1 of the Series 2005 Bonds was remarketed on May 21, 2008. Sub-Series 2005-2 of the Series 2005 Bonds was remarketed on May 28, 2008. Sub-Series 2005-3 of the Series 2005 Bonds was remarketed on May 7, 2008. Sub-Series 2005-4 of the Series 2005 Bonds was remarketed on May 14, 2008.

The Series 2005 Bonds were issued by the City of Austin, Texas (the "City" or the "Issuer") pursuant to the ordinance adopted by the City on August 4, 2005, as amended and supplemented on May 26, 2011 (the "Ordinance").

The City intends to substitute four separate direct-pay letters of credit, each constituting a Direct-Pay Credit Facility and a Liquidity Facility, for the existing Liquidity Facility issued in support of the Series 2005 Bonds. Such substitution will take place on June 21, 2011 (the "Tender Date"). The Series 2005 Bonds will be subject to mandatory tender for purchase on the Tender Date.

This Information Circular describes the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and JPMorgan Chase Bank, N.A. ("JPM"), with respect to Sub-Series 2005-1 and Sub-Series 2005-2 of the Series 2005 Bonds, the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and KBC Bank, acting through its New York Branch ("KBC"), with respect to Sub-Series 2005-3 of the Series 2005 Bonds, and the Letter of Credit and Reimbursement Agreement dated as of June 1, 2011 between the City and Royal Bank of Canada ("Royal Bank"), acting through its WFC, New York, Branch, with respect to Sub-Series 2005-4 of the Series 2005 Bonds (each such agreement a "Reimbursement Agreement" and collectively, the "Reimbursement Agreements"), that will be executed and delivered on or before the Tender Date. JPM, KBC and Royal Bank are individually referred to herein as a "Bank" and collectively referred to herein as the "Banks". The Banks will each issue a letter of credit with

respect to the particular Sub-Series of Series 2005 Bonds, as provided in the respective Reimbursement Agreement, in the amount of \$63,156,636.00, in the case of JPM with respect to Sub-Series 2005-1 of the Series 2005 Bonds, in the amount of \$63,131,200.00, in the case of JPM with respect to Sub-Series 2005-2 of the Series 2005 Bonds, in the amount of \$63,182,072.00, in the case of KBC with respect to Sub-Series 2005-3 of the Series 2005 Bonds, and in the amount of \$63,207,507.00, in the case of Royal Bank with respect to Sub-Series 2005-4 of the Series 2005 Bonds (individually, a "Letter of Credit" and collectively, the "Letters of Credit"), that will be delivered on the Tender Date. Each Letter of Credit is calculated on the basis of the currently outstanding principal amount of the Sub-Series of Series 2005 Bonds for which it is issued, plus fifty-three (53) days accrued interest thereon at the rate of twelve percent (12%) per annum calculated on the basis of a 365/366 day year. Each Letter of Credit will expire on June 21, 2014, unless extended or terminated sooner in accordance with the terms of the respective Reimbursement Agreement. See **"REIMBURSEMENT AGREEMENTS"** herein. The Letter of Credit also is referred to in this Information Circular as the "Credit Facility".

Pursuant to the Reimbursement Agreements, payment of principal of and interest on the Series 2005 Bonds will be effected through draws upon the Letters of Credit. Pursuant to the Reimbursement Agreements, payment of the purchase price of each Series 2005 Bond tendered for purchase pursuant to the Ordinance and not remarketed will be payable, subject to the satisfaction of certain conditions, from funds drawn under the respective Letters of Credit to be paid by the Banks. Series 2005 Bonds tendered for purchase will be paid first, from the proceeds of remarketing, if any, and second, from a Liquidity Drawing on a Letter of Credit. Each Bank is severally liable solely with respect to the purchase price of the Series 2005 Bonds for which it is obligated and not for any other Series 2005 Bonds, and the Banks are not jointly liable for payment of the purchase price of the Series 2005 Bonds. The City has no obligation to purchase tendered Series 2005 Bonds. See **"REIMBURSEMENT AGREEMENTS"** herein.

The substitution of the Letters of Credit for the existing Liquidity Facility issued in support of the Series 2005 Bonds resulted in amendments to the Authorizing Ordinance adopted by the City. See **"APPENDIX D—AMENDMENTS TO MULTI-MODAL PROVISIONS"** to this Information Circular for a description of those amendments. The substitution of the Letters of Credit for the existing Liquidity Facility resulted in certain descriptions in the 2008 Remarketing Agreement being superseded for so long as the Letters of Credit remain in effect. See **"APPENDIX E—CERTAIN REVISIONS TO 2008 REMARKETING MEMORANDUM"** to this Information Circular for a description of those changes.

Copies of the Reimbursement Agreements may be obtained from the City or from the City's Financial Advisor, Public Financial Management, Inc. Austin, Texas. See **"APPENDIX A—INFORMATION REGARDING THE BANKS"** for certain information regarding the Banks. Certain defined terms used in this section of the Offering Circular have the meanings given said terms in **"APPENDIX B—REIMBURSEMENT AGREEMENT DEFINED TERMS"**.*

General

Upon compliance with the terms and conditions of each Reimbursement Agreement, and subject to the terms and conditions set forth therein, the Banks are each obligated, subject to the satisfaction of certain conditions precedent, to provide funds for the purchase of the particular Sub-Series of the Series 2005 Bonds that are tendered for purchase and not remarketed, whether at the option of the owner of such Sub-Series of the Series 2005 Bonds or upon mandatory tender for purchase. **The Banks are not jointly liable for payment of the Purchase Price of the Series 2005 Bonds, and neither Bank is liable for payment of the Purchase Price of any of the Series 2005 Bonds in excess of its particular percentage.**

The Paying Agent is authorized to make drawings for the scheduled payment of principal of and interest on the Bonds of any Sub-Series (each, a "Credit Drawing"). The Tender Agent is authorized to make a drawing for the payment of the purchase price of the Bonds bearing interest at the Weekly Rate that have been tendered and not remarketed (each, a "Liquidity Drawing"), subject to certain conditions set forth in the Letters of Credit and in the Reimbursement Agreement in respect to the Sub-Series of the Series 2005 Bonds to which the Letter of Credit is applicable.

Each Liquidity Drawing shall constitute an advance (a "Liquidity Advance") under a Letter of Credit. In each Reimbursement Agreement, the City promises to reimburse each Bank for the interest portion of each Liquidity Advance (as a result of a Liquidity Drawing under the applicable Letter of Credit) on the earliest to occur of (A) the next succeeding Interest Payment Date, (B) the date on which the applicable Letter of Credit is replaced by a Substitute Credit Facility pursuant to the terms of the Ordinance, (C) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the applicable Letter of Credit in connection with such Liquidity Drawing are redeemed, prepaid or canceled pursuant to the Ordinance, (D) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the applicable Letter of Credit in connection with such Liquidity Drawing are remarketed or deemed remarketed pursuant to the Ordinance, (E) the Conversion Date with respect to all of the Series 2005 Bonds supported by the applicable Letter of Credit, and (F) the termination of the applicable Letter of Credit pursuant to the terms of the applicable Reimbursement Agreement. In each Reimbursement Agreement, the City promises to reimburse each Bank for the principal portion of each Liquidity Advance under its applicable Letter of Credit on the earliest to occur of (A) the date on which the applicable Letter of Credit is replaced by a Substitute Credit Facility pursuant to the terms of the Ordinance, (B) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the applicable Letter of Credit in connection with such Liquidity Advance are redeemed, prepaid or canceled pursuant to the Ordinance, (C) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the applicable Letter of Credit in connection with such Liquidity Advance are remarketed or deemed remarketed pursuant to the Ordinance, (D) the date which is one (1) Business Day following the Conversion Date with respect to all of the Series 2005 Bonds supported by the applicable Letter of Credit, and (E) if on the Amortization Commencement Date the Bond Policy is no longer in effect and the Conditions Precedent are not satisfied, the Amortization Commencement Date.

The Sub-Series of the Series 2005 Bonds purchased by a Bank ("Bank Bonds") shall bear interest at the rates set forth in the Reimbursement Agreement applicable to such Sub-Series and shall be repaid as provided therein. All Liquidity Drawings and Credit Drawings shall be made under the applicable Letter of Credit in accordance with its terms. The City has directed the Banks to make payments under the applicable Letter of Credit in the manner provided therein. The City's obligation to repay the principal portion of each Liquidity Advance and to pay interest thereon shall be evidenced and secured by the Bank Bonds.

Unless otherwise paid in full on one of the dates provided above, the principal portion of each Liquidity Advance shall be payable by the City in semiannual installments ("Semiannual Principal Payments") on each Amortization Payment Date, with the final installment in an amount equal to the entire then outstanding principal amount of such Liquidity Advance due and payable on the Amortization End Date (the period commencing on the Amortization Commencement Date and ending on the Amortization End Date is

herein referred to as the "Amortization Period"). Each Semiannual Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) Semiannual Principal Payments over the applicable Amortization Period. Notwithstanding the foregoing, if an Amortization End Date is changed in accordance with the proviso to clause (b) of the definition of "Amortization End Date" (as a result of the Bond Policy being terminated after the related Amortization Commencement Date), the Amortization Period shall be adjusted to reflect the new Amortization End Date and each Semiannual Principal Payment due over the remaining term of the adjusted Amortization Period shall be that amount of principal which will result in equal (as nearly as possible) Semiannual Principal Payments over the remaining term of the adjusted Amortization Period.

If, however, at the time of payment by the Bank of any Liquidity Drawing the Bond Policy is no longer in effect and the Conditions Precedent are not satisfied, then all amounts of such Liquidity Drawing for which a Bank has not been reimbursed at the close of business of the day of the Bank's payment of such Liquidity Drawing shall be immediately due and payable and shall accrue interest at the Default Rate.

A Letter of Credit will terminate on the earliest of (i) the Stated Termination Date; (ii) the date which is one (1) Business Day following the date on which all of the Series 2005 Bonds of a Sub-Series are converted to bear interest at a rate other than a Weekly Rate; (iii) the date which is one (1) Business Day following receipt by the Bank of a certificate stating that the Sub-Series of the Series 2005 Bonds are no longer outstanding, the Available Amount has been reduced to zero and may not be reinstated, or a Substitute Credit Facility has been provided; (iv) the date on which a Stated Maturity Drawing (as defined in each Letter of Credit) is honored; (v) the date which is sixteen (16) days following receipt by the Paying Agent/Registrar and the Tender Agent of a written notice specifying the occurrence of a City Event of Default and the applicable Bank directing the Tender Agent to cause a mandatory tender of the Bonds in accordance with the Ordinance (but only with the written consent of the Insurer so long as the Bond Policy is in full force and effect and no Insurer Event of Default has occurred).

(e) default in the due observance or performance by the City of any other term, covenant or agreement set forth in the Reimbursement Agreement (not covered in clauses (a), (c) or (d) above) and the continuance of such default for thirty (30) days after the earlier to occur of (i) the City obtaining actual knowledge thereof or (ii) receipt by the City of notice thereof from the Bank; or

(f) the Ordinance shall terminate or cease to be of full force and effect, other than as a result of any prepayment in full of all of the Bonds or provision for such prepayment in full in accordance with the Ordinance; or any provision of the Ordinance relating to the security for the Series 2005 Bonds or the Obligations, the City's ability to pay the Obligations or perform its obligations hereunder or the rights and remedies of the Bank, or any other material provision of the Ordinance or of any other Financing Document to which the City is a party, shall cease to be in full force or effect, or the City or any Person acting on behalf of the City shall deny or disaffirm the City's obligations under the Ordinance or any other Financing Document to which the City is a party; or

(g) (i) the City shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate the City as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to the City or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets, or the City shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the City any case, proceeding or other action of a nature referred to in clause (i) above which (x) results in an order for such relief or in the appointment of a receiver or similar official or (y) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against the City any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof, or (iv) the City shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) the City shall generally not, or shall be unable to, or so admit in writing its inability to, pay its debts; or

(l) except as otherwise provided in the Reimbursement Agreements, the Bond Policy is canceled or terminated or the Insurer is replaced with another insurer or the terms of the Bond Policy are amended or modified in any respect which, in the sole discretion of the Banks, would have an adverse effect on the rights or security of the Banks, in any case, which was (i) not at the direction of the Banks or (ii) without the prior written consent of the Banks.

(m) the City shall (i) default in any payment of any principal or premium of or interest on any of the City's long-term indebtedness in the amount of \$5,000,000 or more payable from Net Revenues (other than the Series 2005 Bonds, the Liquidity Drawings and the Liquidity Advances) beyond the period of grace, if any, provided in the instrument or agreement under which such long-term indebtedness was created; or (ii) default in the observance or performance of any agreement or condition relating to any such long-term indebtedness payable from Net Revenues or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders of such long-term indebtedness (or a trustee or agent on behalf of such holder or holders) to cause (determined without regard to whether any notice is required), any such long-term indebtedness to become due prior to its stated maturity; or

(n) (i) a court or other governmental authority with jurisdiction to rule on the validity of the Reimbursement Agreement, the Ordinance or any other Financing Document to which the City is a party shall find, announce or rule that any material provision of the Reimbursement Agreement or any other Financing Document to which the City is a party, or any provision of the Ordinance, relating to the security for the Series 2005 Bonds or the Obligations, the City's ability to pay the Obligations or perform its obligations under the Reimbursement Agreements or the rights and remedies of the Banks under the respective Reimbursement Agreement or any other Financing Document, is not a valid and binding agreement of the City; or (ii) the City shall contest the validity or enforceability of the Reimbursement Agreements, any other Financing Document to which the City is a party or any provision of the Ordinance relating to the security for the Series 2005 Bonds or the Obligations, the City's ability to pay the Obligations or perform its obligations under the Reimbursement Agreements or the rights and remedies of the respective Bank under the respective Reimbursement Agreement or any other Financing Document; or (iii) the City or any other Person acting on behalf of the City shall seek an adjudication that the Reimbursement Agreements, any other Financing Document to which the City is a party or any provision of the Ordinance relating to the security for the Series 2005 Bonds or the Obligations, the City's ability to pay the Obligations or perform its obligations under the Reimbursement Agreements or the rights and remedies of the respective Bank under the respective Reimbursement Agreement or any other Financing Document to which the City is a party, is not valid and binding on the City.

Rights and Remedies

If a City Event of Default shall have occurred, the Banks may exercise any one or more of the following rights and remedies in addition to any other remedies provided by law:

(a) give written notice of the occurrence of any City Event of Default to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Series 2005 Bonds as provided in the Reimbursement Agreements, thereby causing the Letters of Credit to terminate on the date

specified by the Banks in such notice, which date shall be the sixteenth (16th) day following the Paying Agent's receipt of such notice, and the Bond Policy to terminate in accordance with the provisions of the Cancellation Agreement, in which case the City and the Banks shall take such action as shall be necessary to effect such termination pursuant to the Cancellation Agreement; *provided, however*, if an Insurer Event of Default has occurred and is continuing, the Banks may direct the City and the Paying Agent that the Bond Policy shall not be terminated;

(b) pursue any rights and remedies it may have under the Financing Documents subject to the terms thereof, including, instituting suit, actions or proceedings to enforce their rights under the Ordinance; or

(c) pursue any other action available at law or in equity either for specific performance of any covenant or agreement contained in the Reimbursement Agreements or in aid of execution of any power granted by the Reimbursement Agreements or for the enforcement of any proper legal remedy; or

(d) declare all Obligations to be immediately due and payable, without any further notice of any kind, notice being waived by the City (unless such automatic acceleration is waived by the Bank in writing);

provided, however, that in the case of the foregoing clauses (b) and (c), a Bank shall not exercise any such rights and remedies or pursue such other actions, including directions or remedies under the Ordinance, without the consent of the Insurer unless the following conditions are met: (i) the Bond Policy is no longer in effect and (ii) unless an Insurer Event of Default has occurred and is continuing, the Insurer has been paid all amounts due and payable to it in which event, the Insurer's rights derived through subrogation or assignment shall continue in full force and effect; and *provided further*, notwithstanding the condition set forth in clause (a) of the foregoing proviso, if an Insurer Ordinance Event of Default has occurred, the Banks may, while the Bond Policy is in effect, exercise any such rights and remedies and pursue such other actions, including directions or remedies under the Ordinance. If a Bank, with the consent of the Required Banks, shall have directed the Paying Agent to cause a mandatory tender of all of the Series 2005 Bonds pursuant to the Reimbursement Agreements, the Bank will (unless an Insurer Event of Default has occurred and the Bank has directed the City and the Paying Agent that the Bond Policy shall not be terminated) satisfy at the earliest time practicable all applicable conditions to the effectiveness of termination of the Bond Policy pursuant to the Cancellation Agreement and direct the Paying Agent not to draw on the Bond Policy during the period between the Banks directing the Paying Agent to cause a mandatory tender of all of the Series 2005 Bonds and the effectiveness of termination of the Bond Policy. Notwithstanding anything to the contrary, the Insurer's right to enforce certain of the respective Bank's covenants set forth in each Reimbursement Agreement shall survive any termination of other rights of the Insurer.

In addition, each Bank may pursue any rights and remedies it may have under the Ordinance subject to the terms of the Ordinance, or pursue any other action available at law or in equity either for specific performance of any covenant or agreement contained in the Reimbursement Agreement to which it is a party or in aid of execution of any power granted therein.

Mandatory Tender upon Insurer Event of Default or Insurer Downgrade

In accordance with the terms of each Reimbursement Agreement, if an Insurer Event of Default or an Insurer Downgrade Event shall have occurred each Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of an Insurer Event of Default or an Insurer Downgrade Event, as applicable, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Series 2005 Bonds in accordance with the Ordinance, thereby causing the Bond Policy to terminate in accordance with the terms of the Cancellation Agreement on the date specified in such notice, which date shall be the sixteenth (16th) day following the Paying Agent's receipt of

such notice. The City and the Banks shall take such action as may be necessary or required to effect such termination pursuant to the Cancellation Agreement. The Reimbursement Agreement defines "Insurer Downgrade Event" to mean the financial strength or claims-paying rating of the Insurer being (i) reduced below "Aa3" (or its equivalent) or suspended or withdrawn by Moody's and (ii) reduced below "AA-" (or its equivalent) or suspended or withdrawn by S&P.

If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred and be continuing and, in either case, a City Event of Default shall also have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, as applicable, and such a City Event of Default and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with the Ordinance, thereby causing the Letters of Credit to terminate on the date specified by the Bank in such notice, which date shall be the sixteenth (16th) day following the Paying Agent's receipt of such notice.

Mandatory Tender upon Failure to Pay Letter of Credit Fee

If the City fails to pay any Letter of Credit Fee, the Banks may give written notice of such failure to pay to the Paying Agent, with a copy to the City and the Tender Agent, and, with the consent of the Required Banks, direct the Paying Agent to cause a mandatory tender of all of the Series 2005 Bonds in accordance with the Ordinance, thereby causing the Letters of Credit to terminate on the date specified in such notice, with date shall be the sixteenth (16th) day following the Paying Agent's receipt of such notice.

The mandatory tenders of the Series 2005 Bonds described above in "REIMBURSEMENT AGREEMENTS - Mandatory Tender upon Insurer Event of Default or Insurer Downgrade" and "REIMBURSEMENT AGREEMENTS - Mandatory Tender upon Failure to Pay Letter of Credit Fee" are in addition to the mandatory tender provisions described in APPENDIX E under the heading "Mandatory Tenders".

CANCELLATION AGREEMENT

At the time the Letters of Credit are delivered, the Banks, the City, Wells Fargo Bank, National Association, as paying agent and tender agent (the "Agent"), and AGM will execute and deliver an Insurance Policy Cancellation Agreement, dated as of June __, 2011 (the "Cancellation Agreement"). Should the conditions occur that are described above in **"REIMBURSEMENT AGREEMENTS - Mandatory Tender upon Insurer Event of Default or Insurer Downgrade"**, and a City Event of Default also shall have occurred and be continuing, the Banks may provide written notice signed by at least two (2) of the Banks (the "Notice") of the exercise of their right granted under the Cancellation Agreement to request the cancellation of the Bond Policy, specifying the intended effective date of cancellation (the "Cancellation Date"), which shall be the sixteenth (16th) day following the Agent's receipt of the Notice, to the City, the Agent and AGM, and the Agent shall take steps to effect the mandatory tender of the Series 2005 Bonds. In the Cancellation Agreement, the Banks agree that they will not direct the Agent to draw upon the Bond Policy, and the Agent agrees that it will not draw upon the Bond Policy, after the Banks have delivered the Notice.

Upon the mandatory tender of the Series 2005 Bonds, in connection with any remarketing of the Series 2005 Bonds on and after the Cancellation Date, a disclosure document will be delivered to prospective holders of the Series 2005 Bonds that states prominently that the Bond Policy is no longer in effect with respect to the Series 2005 Bonds and the City will file with the MSRB (as herein defined) on or as of the Cancellation Date disclosing that the Bond Policy is no longer in effect with respect to the Series 2005 Bonds.

Should AGM have made payments, directly or indirectly, on account of principal of or interest on Series 2005 Bonds to any holder of the Series 2005 Bonds (the "Holder") prior to the Cancellation Date, AGM will be (a) subrogated to the rights of the Holder to receive the amount of such payment from the City, as provided and from the sources listed in the Ordinance and the Series 2005 Bonds, and (b) deemed the Holder of such Series 2005 Bonds for all purposes under the Ordinance, including, without limitation, the

direction of remedies, the voting or giving consent with respect to remedies and other actions or inactions of the Agent or the City that may require voting or consent, and the filing of proofs of claim and other indicia of ownership in any insolvency proceeding. AGM also will be entitled to receive the amount of principal and interest as provided in the Ordinance and the Series 2005 Bonds, and the parties to the Cancellation Agreement will otherwise treat AGM as the owner of such rights to the amount of such payment.

In connection with the issuance of the Series 2005 Bonds, a debt service reserve policy (the "Reserve Policy") was issued, and AGM is obligated under the terms of the Reserve Policy to make payments in the event conditions specified in the Ordinance occur which would result in a draw being necessary to pay debt service on the Series 2005 Bonds. The Cancellation Agreement provides that upon the cancellation of the Bond Policy in accordance with the terms of the Cancellation Agreement (unless an Insurer Event of Default has occurred and is continuing), the Reserve Policy shall be cancelled by a date that is not more than three years after the Cancellation Date, and the City shall (i) beginning with the first full calendar month following the Cancellation Date, commence funding on a monthly basis an amount sufficient so that the Debt Service Reserve Fund Requirement established pursuant to the Ordinance in support of the Series 2005 Bonds is established (without giving effect to the Reserve Policy) by the date that is three years after the Cancellation Date and (ii) restore any draw on the Debt Service Reserve Fund established pursuant to the Ordinance from over a period of no more than eighteen (18) months as required by the Ordinance. The City further agrees in the Cancellation Agreement not to issue any Additional Revenue Bonds payable from the Reserve Policy.

SWAP MANAGEMENT AGREEMENT

In connection with the issuance of the Series 2005 Bonds, the City entered into an interest rate swap agreement with Morgan Stanley Capital Services, Inc., as "Counterparty" (see "**CREDIT AGREEMENT**"). A financial guaranty insurance policy (the "Swap Policy") was issued relating to the swap transaction entered into by the City with the Counterparty (the "Swap Transaction"), and AGM is obligated to make certain payments under the Swap Policy in relation to certain events occurring with respect to the Swap Transaction. The City and AGM, in connection with the substitution of the Letters of Credit described in this Information Circular, have entered into an Agreement Regarding Insured Swap Transaction (the "Swap Management Agreement"), in which the City shall be required to terminate the Swap Policy if the Bond Policy is cancelled under the terms of the Cancellation Agreement. In the Swap Management Agreement, upon the termination of the Bond Policy pursuant to the Cancellation Agreement, the City shall provide AGM with (i) on a monthly basis, a statement of the estimated aggregate mark-to-market value of the Swap Transaction and (ii) notice at such time, if any, as the aggregate mark-to-market value of the Swap Transaction is negative \$100,000 or an amount more favorable to the City within two (2) Business Days of that being the case. Unless AGM directs or agrees otherwise, not later than the earlier of (a) ten (10) Business Days after the first date on which the estimated aggregate mark-to-market value of the Swap Transaction payable by the City is zero or on which such estimated aggregate mark-to-market value is positive to the City and (b) three (3) years of the date of the cancellation of the Bond Policy pursuant to the Cancellation Agreement, the City shall do one of the following: (1) designate an early termination date, or other optional termination, with respect to the Swap Transaction, or (2) deliver to AGM the original Swap Policy together with an instrument from the Counterparty satisfactory to AGM deeming the Swap Transaction to no longer be insured and releasing AGM from all further liability under the Swap Policy. **The Swap Management Agreement does provide, however, that the City and AGM agree that in the event the Bond Policy is cancelled as a result of the occurrence of an Insurer Event of Default, the City shall not be obligated to perform its obligations described in the immediately preceding sentence.**

BOND INSURANCE

Introduction

The following information has been supplied by Assured Guaranty Municipal Corp. ("Assured Guaranty Municipal", "AGM", or the "Insurer") for inclusion in this Information Circular. The following information is not complete and reference is made to Appendix E of the 2008 Remarketing Memorandum. No representation is made by the City, its Financial Advisor, the Remarketing Agent or the Banks as to the accuracy or completeness of this information.

Bond Insurance Policy

At the time of the issuance of the Series 2005 Bonds, a financial guaranty insurance policy (the "Bond Policy") was issued to guarantee the scheduled payment of principal of and interest on the Series 2005 Bonds when due. AGM is obligated under the terms of the Bond Policy; the form of the Bond Policy is set forth in Appendix E to the 2008 Remarketing Memorandum.

The Bond Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

Assured Guaranty Municipal Corp.

AGM is a New York domiciled financial guaranty insurance company and a wholly owned subsidiary of Assured Guaranty Municipal Holdings Inc. ("Holdings"). Holdings is an indirect subsidiary of Assured Guaranty Ltd. ("AGL"), a Bermuda-based holding company whose shares are publicly traded and are listed on the New York Stock Exchange under the symbol "AGO". AGL, through its operating subsidiaries, provides credit enhancement products to the U.S. and global public finance, infrastructure and structured finance markets. No shareholder of AGL, Holdings or AGM is liable for the obligations of AGM.

AGM's financial strength is rated "AA+" (stable outlook) by Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P") and "Aa3" (negative outlook) by Moody's Investors Service, Inc. ("Moody's"). An explanation of the significance of the above ratings may be obtained from the applicable rating agency. The above ratings are not recommendations to buy, sell or hold any security, and such ratings are subject to revision or withdrawal at any time by the rating agencies, including withdrawal initiated at the request of AGM in its sole discretion. Any downward revision or withdrawal of any of the above ratings may have an adverse effect on the market price of any security guaranteed by AGM. AGM does not guarantee the market price of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

Current Financial Strength Ratings

On January 24, 2011, S&P published a Request for Comment: Bond Insurance Criteria (the "Bond Insurance RFC") in which it requested comments on its proposed changes to its bond insurance ratings criteria. In the Bond Insurance RFC, S&P notes that it could lower its financial strength ratings on existing investment-grade bond insurers (including AGM) by one or more rating categories if the proposed bond insurance ratings criteria are adopted, unless those bond insurers (including AGM) raise additional capital or reduce risk. Reference is made to the Bond Insurance RFC, a copy of which is available at www.standardandpoors.com, for the complete text of S&P's comments.

On October 25, 2010, S&P published a Research Update in which it downgraded AGM's counterparty credit and financial strength rating from "AAA" (negative outlook) to "AA+" (stable outlook). Reference is made to the Research Update, a copy of which is available at www.standardandpoors.com, for the complete text of S&P's comments.

On December 18, 2009, Moody's issued a press release stating that it had confirmed its "Aa3" insurance financial strength rating of AGM, with a negative outlook. Reference is made to the press release, a copy of which is available at www.moodys.com, for the complete text of Moody's comments.

There can be no assurance as to any further ratings action that Moody's or S&P may take with respect to AGM.

For more information regarding AGM's financial strength ratings and the risks relating thereto, see AGL's Annual Report on Form 10-K for the fiscal year ended December 31, 2010, which was filed by AGL with the Securities and Exchange Commission (the "SEC") on March 1, 2011.

CREDIT AGREEMENT

In addition to the payment obligations of the City under the terms of each Reimbursement Agreement, in conjunction with the original delivery of the Series 2005 Bonds, and pursuant to the

Ordinance, the City entered into an Interest Rate Swap Agreement (the "Interest Rate Swap Agreement") with Morgan Stanley Capital Services, Inc. (the "Counterparty"), pursuant to which the City is obligated to make payments to the Counterparty calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2005 Bonds and a fixed interest rate of 4.051% per annum, and the Counterparty is obligated to make reciprocal payments to the City calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2005 Bonds and a variable rate equal to the 71% of the one-month London Interbank Borrowing Rate (LIBOR) for U.S. deposits. Payments under the Interest Rate Swap Agreement will be made on a net basis on the first day of each month, commencing in October 2008 and ending in November 2025. Interest on the Series 2005 Bonds is determined in a manner that differs from the LIBOR index used to calculate amounts payable to the City under the terms of the Interest Rate Swap Agreement. On the effective date of the Interest Rate Swap Agreement, the Counterparty was rated "Aa3" by Moody's, "AA-" by S&P and "AA-" by Fitch. Payments to be made by the City, if any, under the terms of the Interest Rate Swap Agreement (other than a "termination payment" as discussed below) are on a parity with the City's obligation to pay principal and interest on the Series 2005 Bonds. Arrangements made in respect of the Interest Rate Swap Agreement do not alter the City's obligation to pay principal of and interest on the Series 2005 Bonds and the obligations of the City under each Reimbursement Agreement. As of March 15, 2011, the net aggregate monthly payments the City has made under the Interest Rate Swap Agreement equal \$13,761,794.13.

If either party to the Interest Rate Swap Agreement commits an event of default, suffers a reduction in credit worthiness, or merges with a materially weaker entity, or in certain other circumstances, the Interest Rate Swap Agreement may be terminated at the option of the other party. Accordingly, no assurance can be given that the Interest Rate Swap Agreement will continue in existence until November 2025. If the Interest Rate Swap Agreement is terminated, then current market conditions will determine whether the City will owe a termination payment to the Counterparty or be entitled to receive a termination payment from the Counterparty. Such termination payment generally would be based on the market value of the Interest Rate Swap Agreement on the date of termination and could be substantial. In addition, a partial termination of the Interest Rate Swap Agreement could occur to the extent any Series 2005 Bonds are redeemed pursuant to the City exercising its right to effect an optional redemption of the Series 2005 Bonds. If such optional redemption were to occur, termination payments related to the portion of the Interest Rate Swap Agreement to be terminated will be owed by either the City or the Counterparty, depending on the existing market conditions. The obligation of the City to pay a termination payment to the Counterparty could result in the City issuing Additional Revenue Bonds or Subordinate Obligations (each as defined in the Ordinance) to enable the City to make such a termination payment.

The City's obligation to make scheduled payments under the Interest Rate Swap Agreement is insured by AGM under the terms of the Swap Policy issued in 2005. Any termination payment the City may become obligated to pay under the terms of the Interest Rate Swap Agreement is not covered by the Swap Policy. See "**SWAP MANAGEMENT AGREEMENT**" for a discussion of events that could result in the termination of the Swap Policy.

THE REMARKETING AGENT

Effective June 9, 2009, Morgan Stanley & Co. Incorporated became the sole Remarketing Agent for the Series 2005 Bonds. The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Series 2005 Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Remarketing Agreement), all as further described herein. The Remarketing Agent is appointed by the City and is paid by the City for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential holders of Series 2005 Bonds.

The Remarketing Agent acts a remarketing agent for a variety of variable rate demand obligations and, at its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agent is

permitted, but not obligated, to purchase tendered Series 2005 Bonds (*e.g.*, because there otherwise are not enough buyers to purchase Series 2005 Bonds), or for other reasons. However, the Remarketing Agent is not obligated to purchase Series 2005 Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Series 2005 Bonds by routinely purchasing and selling Series 2005 Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. The Remarketing Agent is not required, however, to make a market in the Series 2005 Bonds. The Remarketing Agent may also sell any Series 2005 Bond it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Series 2005 Bonds. The purchase of Series 2005 Bonds by the Remarketing Agent may cause the interest rate to be lower than it would be if the Remarketing Agent did not purchase Series 2005 Bonds and may create the appearance that there is greater third party demand for the Series 2005 Bonds in the market than is actually the case. The practices described above also may result in fewer Series 2005 Bonds being tendered in a remarketing.

Pursuant to the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of Series 2005 Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable Rate Determination Date (as defined in the Ordinance). The interest rate will reflect, among other factors, the level of market demand for the Series 2005 Bonds (including whether the Remarketing Agent is willing to purchase Series 2005 Bonds for its own account). The purchase of Series 2005 Bonds by the Remarketing Agent may cause the interest rate to be lower than it would be if the Remarketing Agent did not purchase Series 2005 Bonds. There may or may not be Series 2005 Bonds tendered and remarketed on a Rate Determination Date, the Remarketing Agent may or may not be able to remarket any Series 2005 Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Series 2005 Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent, in its sole discretion, may offer Series 2005 Bonds on any date, including the Rate Determination Date, at a discount to par to some investors.

The Remarketing Agent may buy and sell Series 2005 Bonds other than through the tender process. It is not obligated, however, to do so and may cease doing so at any time without notice and may require holders that wish to tender their Series 2005 Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Series 2005 Bonds other than by tendering the Series 2005 Bonds in accordance with the tender process.

Under certain circumstances, the Remarketing Agent may be removed or has the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement. In the event there is no Remarketing Agent, the Paying Agent/Registrar may assume such duties as described in the Ordinance.

RATINGS

The Series 2005 Bonds currently have an underlying rating of "A" from S&P. S&P is expected to assign the Series 2005 Bonds the rating of A-1 based on the Letters of Credit and the Reimbursement Agreements.

The Banks have furnished certain information and material to the rating agencies concerning themselves and the Letters of Credit, which are not included in this Information Circular.

The Series 2005 Bonds are also rated "___" by S&P as a result of the municipal bond insurance policy of the Insurer. See "**BOND INSURANCE**— Current Financial Ratings" for a description of the current state of the financial guaranty insurance industry and information regarding downgrading and negative changes to the ratings outlook of multiple financial guaranty insurers, including the Insurer.

The ratings described above reflect only the views of S&P, and any explanation of the significance of the ratings may be obtained only from S&P. There is no assurance that any of the ratings will continue for any given period of time or that any rating may not be lowered or withdrawn if, in the judgment of a rating agency, circumstances so warrant. Any such downward change in or withdrawal of the rating may have an adverse effect on the secondary market prices of the Series 2005 Bonds.

Amendments to the Ordinance

On May 26, 2011, the City Council approved amendments to the Ordinance to effect certain changes in respect to the delivery of the Letters of Credit including, without limitation, providing for the mandatory tender of the Series 2005 Bonds in connection with the cancellation of the Bond Policy. See Appendix D to this Information Circular.

Several of the amendments to the Ordinance relate to the Bond Insurer and the Bond Policy. With respect to claims under the Bond Policy and payments by and to the Bond Insurer, if by 12:00 noon, New York City time, on the Business Day prior to the related scheduled interest payment date or principal payment date (each, a "Payment Date"), there is not on deposit with the Paying Agent/Registrar, after making all transfers and deposits required under the Ordinance (including drawing on any Direct-Pay Credit Facility), moneys sufficient to pay the principal of and interest on the Series 2005 Bonds (other than Bank Bonds and Series 2005 Bonds paid by the Banks, as provided for below) due on a Payment Date, the Paying Agent/Registrar shall make a claim under the Bond Policy and give notice to the Bond Insurer and to its designated agent (if any) (the "Bond Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency, including allocation of such deficiency between the amount required to pay interest on the Series

2005 Bonds and the amount required to pay principal of the Series 2005 Bonds, confirmed in writing to the Bond Insurer and the Bond Insurer's Fiscal Agent by 1:00 p.m., New York City time, on such Business Day by filling in the Notice of Claim and Certificate delivered with the Bond Policy.

In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Paying Agent/Registrar shall authenticate and deliver to affected owners of Series 2005 Bonds who surrender their Series 2005 Bonds new Series 2005 Bonds in an aggregate principal amount equal to the unredeemed portion of the Series 2005 Bonds surrendered. The Paying Agent/Registrar shall designate any portion of payment of principal on Series 2005 Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2005 Bonds registered to the then current owner, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2005 Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp. in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent/Registrar's failure to so designate any payment or issue any replacement Series 2005 Bond shall have no effect on the amount of principal or interest payable by the City on any Series 2005 Bond or the subrogation rights of the Bond Insurer.

The Paying Agent/Registrar shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (hereinafter defined) and the allocation of such funds to payment of interest on and principal paid in respect of any Series 2005 Bonds. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent/Registrar.

Upon payment of a claim under the Bond Policy the Paying Agent/Registrar shall establish a separate special purpose trust account for the benefit of the Bondholders (the "Policy Payments Account") and over which the Paying Agent/Registrar shall have exclusive control and sole right of withdrawal. The Paying Agent/Registrar shall receive any amount paid under the Bond Policy in trust on behalf of the Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for the purpose of making payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent/Registrar to Bondholders in the same manner as principal and interest payments are to be made with respect to the Series 2005 Bonds. Amounts held by the Paying Agent/Registrar in the Policy Payments Account shall not constitute Gross Revenues or Net Revenues under the Ordinance. Notwithstanding anything to the contrary otherwise set forth in the Ordinance, and to the extent permitted by law and subject to appropriation thereof by the City from the Debt Service Fund, in the event amounts paid under the Bond Policy are applied to claims for payment of principal of and interest on the Series 2005 Bonds, interest on such principal and interest shall accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank or its successor at its principal office in The City of New York, as its prime or base lending rate plus 3%, and (ii) the then applicable rate of interest on the Series 2005 Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

Funds held in the Policy Payments Account shall not be invested and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent/Registrar. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Bond Insurer.

Airport System

The 2008 Remarketing Memorandum describes the financial information and statistical data the City has agreed to update on an annual basis, and as noted in "- General" above, that information is incorporated by reference into this Information Circular. The following information relating to the Airport System updates certain narrative information that was contained in the 2008 Remarketing Memorandum.

General

The Airport System is comprised of airport, heliport and aviation facilities or any interest therein owned, operated or controlled in whole or in part by the City and includes Austin Bergstrom International Airport ("ABIA"), but expressly excludes any heliport or heliports operated by City Departments other than the Aviation Department. ABIA is classified by the Federal Aviation Administration ("FAA") as a medium hub airport. According to Airports Council International, ABIA is the 47th largest airport in the United States based on 2009 total passengers.

The Airport's Five Year Capital Improvement Program beginning FY 2012, totaling \$144,985,000, is funded primarily from cash by Capital Fund contributions (85%), and anticipated FAA and Transportation Security Administration grant funding (15%). The projects for the five year program fall into three categories: Airfield/Apron - \$30,841,000; Terminal - \$81,775,000; and Parking and Roadways - \$32,369,000.

The Department of Aviation has entered into use and lease agreements with the eight major airlines serving ABIA. The current agreements were effective October 1, 2009 and extend five years through September 30, 2014. Under current City ordinance, any airline that does not have a written agreement to operate at the Airport must pay landing fees equal to double the rate paid by carriers who do have an agreement.

Transfers from Airport Capital Fund to Airport Operations Fund

The Airport System has supplemented revenues available for the payment of operation and maintenance expenses and debt service through the transfer of funds from other available Airport sources, including specifically from the Airport Capital Fund. For the Fiscal Years ended September 30, 2002 through the Fiscal Year ended September 30, 2010, the Airport System transferred on average \$7.4 million annually to the Airport Operating Fund. As is the case with other airports around the country, Airport management continues to explore opportunities to increase non-airline generated revenues at the Airport (e.g., parking, concessions, real estate and other activities).

Set forth below is a table showing the actual and budgeted transfers to the Airport Operating Fund.

Austin-Bergstrom International Airport Transfer from Airport Capital Fund to Airport Operating Fund

Fiscal Year 2007	Fiscal Year 2008	Fiscal Year 2009	Fiscal Year 2010	Fiscal Year 2011
<u>Actual</u>	<u>Actual</u>	<u>Actual</u>	<u>Actual</u>	<u>Budgeted</u>
\$6,820,511	6,879,187	\$7,146,363	\$7,930,449	\$8,341,513

The transfers to the Airport Operating Fund enable the City to satisfy the rate covenant set forth in the Ordinance as well as satisfying the tests governing the issuance of additional revenue bonds.

Passenger Facility Charges

Application. Under the Aviation Safety and Capacity Act of 1990 (the "PFC Act"), as modified by the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century ("AIR-21"), the FAA may authorize a public agency to impose a Passenger Facility Charge ("PFC") of \$1.00, \$2.00, \$3.00, \$4.00 or \$4.50 on each passenger enplaned at any commercial service airport controlled by the public agency, subject to certain limitations. On December 20, 1994, the Department of Aviation filed with the FAA a PFC application totaling \$337.8 million for funding a portion of the construction and the financing costs related to ABIA. The scope of the application, to impose and use a \$3.00 Passenger Facility Charge, included construction costs of a passenger terminal complex, airfield facilities, and landside facilities on a pay-as-you-go basis and the financing costs associated with these Passenger Facility Charge qualifying scopes of work.

The FAA approved application number 95-03-C00-AUS on February 8, 1995 for a total of \$333,232,479. PFC collections authorized by this application began in August, 1995. Amounts totaling \$27.2 million, collections through September 1998, together with over collections posted on two earlier applications, were used towards the actual construction costs of the PFC qualifying scopes of work. Beginning October 1998, interest earned and Passenger Facility Charges collected were used for the debt costs associated with the Passenger Facility Charge qualifying scope of work. As of September 2010, PFC collections and interest earned on collections totaled \$191.4 million.

The Aviation Department received approval from the FAA in 2004 amending its current outstanding PFC application to an increase in (i) the PFC collection rate from \$3.00 to \$4.50, (ii) the total authorized collections to \$343,074,546, and (iii) the PFC eligibility amount of the debt service related to the original project funding for the construction of ABIA, effective April 1, 2004. In September 2004, the FAA approved the \$4,125,000 application to impose and use PFC revenue for the installation of the EDS machines and the associated baggage handling system. The proceeds of the Passenger Facility Charges currently imposed by the City are not part of the Net Revenues pledged by the City to the payment of revenue bonds, including the Series 2005 Bonds. In the Ordinance, however, the City covenants and agrees, for the benefit of the owners of revenue bonds, that during each Fiscal Year the City will set aside from any passenger facility charges imposed by the City on enplaned passengers the lesser of (i) such passenger facility charges imposed and collected by the City or (ii) \$4.50 derived from each passenger facility charge so imposed and collected by the City for the payment of debt service on the Prior Lien Bonds and the Revenue Bonds (each as defined in the Ordinance) in the following Fiscal Year, unless the City receives a report from an Airport Consultant showing that an alternative use of all or a portion of such passenger facility charges will not reduce the forecast coverage of Debt Service Requirements with respect to the Prior Lien Bonds and the Revenue Bonds by forecast Net Revenues during the following Fiscal Year (or such longer forecast period as may be covered in the Airport Consultant's Report) to less than 125%.

Sufficiency. The Airport System's ability to collect PFC revenues will vary depending on the actual number of passenger enplanements at ABIA. If the number of enplaned passengers at ABIA falls below projections, actual PFC revenues will fall short of projections. Such a shortfall in PFC collections could have an adverse affect on the timely payment of debt service on bonds secured by a pledge of PFC revenues. This adverse impact could be direct or indirect, if the PFC shortfall results in sufficient increases in landing fees as to impact negatively ABIA's desirability to the airline industry and thus ultimately impact the collection of landing fees at ABIA. While passenger traffic fell after September 11, 2001, and during the economic crisis of 2008 and 2009, traffic at the Airport has recovered resulting in enplanements returning to near record levels in 2011. There can be no assurance as to what passenger traffic, and ABIA revenues, will be in the future.

Availability. The authority to impose and use PFCs is subject to the terms and conditions of the PFC Act, AIR-21 and the related regulations thereto. Failure to comply with the requirements of applicable law, such as the failure to use PFCs strictly for approved PFC projects, may cause the FAA to terminate or reduce the Airport System's authority to impose and collect PFCs. In addition, notwithstanding FAA regulations requiring airlines to collect PFCs to account for PFC collections separately and indicating that those PFC collections are to be regarded as funds held in trust by the collecting airline for the beneficial interest of the public agency imposing the PFC, in the event of a bankruptcy proceeding involving a collecting airline, there is the possibility that a bankruptcy court could hold that the PFCs in the airline's custody are not to be treated as trust funds and that ABIA is not entitled to any priority over other creditors of the collecting airline as to such funds. Also, there is no assurance that the PFC Act, AIR-21, or any other relevant legislation or regulation will not be repealed or amended to adversely affect the Airport System's ability to collect PFCs. The occurrence of any of these events could have an adverse impact on the timely payment of debt service on bonds secured in part by the pledge of PFCs.

No assurance can be given that PFCs will actually be received in the amount or at the time contemplated by the City, or that the Airport System will collect such PFC revenues in amounts or at times sufficient to pay debt service. The amount of actual PFC revenues collected, and the rate of collection, will

vary depending on the actual levels of qualified passenger enplanements at ABIA, and will not necessarily correlate in any way to the debt service requirements of the bonds or other obligations issued for the Airport System to which PFC revenues have been pledged. Regardless of the amount of PFC revenues, the City will be able to apply such revenues to pay debt service only to the extent the City applied bond proceeds to pay the costs of PFC approved projects described in the PFC application that was authorized by the FAA. In addition, the FAA may terminate ABIA's ability to impose PFCs, subject to formal and informal procedural safeguards, if (1) ABIA fails to use its PFC revenues for approved projects in accordance with the FAA's approval, the PFC Act or the regulations promulgated thereunder, or (2) ABIA otherwise violates the PFC Act or regulations.

(c) The City shall deliver to the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Insurer and the Remarketing Agent a copy of each Liquidity Facility or Credit Facility obtained pursuant to this article on the effective date of such Liquidity Facility or Credit Facility. If at any time there shall have been delivered (i) an Alternate Credit Facility or Alternate Liquidity Facility in substitution for the Credit Facility or

Liquidity Facility with respect to Bonds of a subseries then in effect and (ii) a Favorable Opinion of Bond Counsel, then, providing that any condition to substitution contained in the existing Credit Facility or Liquidity Facility shall have been satisfied, the Paying Agent/Registrar and/or the Tender Agent, as applicable, shall accept such Alternate Credit Facility or Alternate Liquidity Facility and, subject to subsection (d) of this Section A-501, shall surrender the Credit Facility or Liquidity Facility then in effect to the Credit Facility Issuer or Liquidity Facility Issuer on the effective date of the Alternate Credit Facility or Alternate Liquidity Facility. In the event of an extension of the Expiration Date, the City shall give the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Insurer and the Remarketing Agent a written notice of the new Expiration Date at least sixteen (16) days prior to the Expiration Tender Date. In the event of a substitution of a Liquidity Facility with an Alternate Liquidity Facility or of a Credit Facility with an Alternate Credit Facility, the City shall give the Paying Agent/Registrar, the Tender Agent, the Insurer and the Remarketing Agent a written notice of the Substitution Date at least sixteen (16) days prior to such Substitution Date. The City shall give the Paying Agent/Registrar, the Tender Agent, the Insurer and the Remarketing Agent a written notice of its election to terminate the Credit Facility or the Liquidity Facility at least sixteen (16) days prior to the Termination Tender Date resulting from its election to terminate such Credit Facility or Liquidity Facility.

(d) In no event shall the City surrender or cancel a Liquidity Facility relating to the Bonds of any subseries unless it has received funds, either from proceeds of remarketing or a draw under the Liquidity Facility to be surrendered or cancelled, sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date. In no event shall the City surrender or cancel a Credit Facility relating to the Bonds of any subseries unless it has received funds sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date.

(e) The City shall not sell, assign or otherwise transfer the Credit Facility or Liquidity Facility, except in accordance with the terms of the Credit Facility or Liquidity Facility and the Ordinance.

(f) Prior to the Substitution Date, no drawing under an Alternate Liquidity Facility shall be made by the City if the predecessor Liquidity Facility shall be effective and available to make drawings on the date of such drawing. On and after the Substitution Date, no drawing under a predecessor Liquidity Facility shall be made by the City if the Alternate Liquidity Facility shall be effective and available to make drawings on the date of such drawing.

Section A-502

Direct-Pay Credit Facility Drawing Account.

(a) If a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, there shall be created and established and maintained with the Paying Agent/Registrar a separate account for the Bonds of such subseries to be known as the "[Name of Bonds of a subseries that are secured by such Credit Facility] Direct-Pay Credit Facility Drawing Account" (the "Direct-Pay Credit Facility Drawing Account"). The establishment of such Direct-Pay Credit Facility Drawing Account shall be evidenced in a certificate of an authorized representative of the Paying Agent/Registrar.

(b) The City shall make payments of principal and Redemption Price of and interest on the Bond of a subseries in accordance with the Ordinance into the Debt Service Fund as and when the same shall become due and payable regardless of whether the Direct-Pay Credit Facility is in effect with respect to the Bonds of such subseries.

(c) If a Direct-Pay Credit Facility is in effect with respect to the Bonds of a subseries, the Paying Agent/Registrar shall take all action necessary to draw or make a claim on the related Direct-Pay Credit Facility in such amounts, at such times, and in such manner as shall be necessary to pay the principal and Redemption Price (including, to the extent amounts are available therefor under the Direct-Pay Credit Facility, Sinking Fund Installments) of and interest on all Bonds payable therefrom as and when the same shall become due and payable; provided, however, in the event the Bond Insurance Policy is in effect, any such draw or claim on a Direct-Pay

Credit Facility shall be made at such times in order to receive payment in immediately available funds by 11:30 a.m. on the Business Day immediately preceding the date on which payment is due on the Bonds. The Paying Agent/Registrar shall promptly deposit into the related Direct-Pay Credit Facility Drawing Account all moneys so drawn by the Paying Agent/Registrar under the related Direct-Pay Credit Facility, which shall not be commingled with any other moneys held by the Paying Agent/Registrar and which shall be applied to the payment of such principal, Redemption Price and interest.

(d) Subject to the immediately succeeding paragraph, on each Principal Installment due date or Redemption Date, as the case may be, and Interest Payment Date, the Paying Agent/Registrar shall make payments of principal or Redemption Price of and interest on the Bonds of each Series to their Owners in accordance with the Ordinance.

If a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, notwithstanding the immediately preceding paragraph, the Paying Agent/Registrar shall make payments of principal or Redemption Price of and interest on the Bonds of such subseries to their Owners in the manner provided for in the Ordinance from the moneys deposited in the related Direct-Pay Credit Facility Drawing Account pursuant to subsection (c) of this Section A-502. If sufficient funds are not available in the related Direct-Pay Credit Facility Drawing Account, the City shall apply other moneys, if available in the Debt Service Fund to the extent necessary to make such payment. If the principal or Redemption Price of and interest on the Bonds of a subseries has been paid in full when due and all payments required to be made under the Direct-Pay Credit Facility have been made, the City shall apply remaining moneys, if any, available in the Debt Service Fund in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Credit Facility to reimburse the Credit Facility Issuer of the Direct-Pay Credit Facility for such draw or borrowing after such draw or borrowing has been honored by the Credit Facility Issuer of the Direct-Pay Credit Facility. In the event the Credit Facility Issuer of the related Direct-Pay Credit Facility for such draw or borrowing is not reimbursed by the City within five (5) Business Days of such draw or borrowing and the Bond Insurance Policy is in effect, the Paying Agent/Registrar may make a claim under the Bond Insurance Policy on behalf of the Credit Facility Issuer, if instructed to do so in writing by such Credit Facility Issuer, to the extent provided for in the Bond Insurance Policy and Section 12.02(d) of the Ordinance.

(e) Any amount held by the Paying Agent/Registrar in each Direct-Pay Credit Facility Drawing Account shall not constitute Gross Revenues or Net Revenues under the Ordinance and shall be held uninvested and separate and apart from all other funds and accounts. Amounts so held or available to be drawn under a Direct-Pay Credit Facility for deposit in a Direct-Pay Credit Facility Drawing Account shall not be available to pay the principal or Redemption Price of or interest on any subseries other than the Bonds of a subseries that are supported by such Direct-Pay Credit Facility.

(f) So long as the Bond Insurance Policy is in effect and a Direct-Pay Credit Facility is in effect with respect to the Bonds of any subseries, the Paying Agent/Registrar first shall take all action necessary to draw or make a claim on the related Direct-Pay Credit Facility in such amounts, at such times, and in such manner as prescribed by subsection (c) of this Section A-502.

(g) To the extent that any payment on the Bonds has been made to an Owner with funds provided by a draw under a Direct-Pay Credit Facility for which the related Credit Facility Issuer has not been reimbursed by the City, such Bonds shall be deemed to be unpaid and shall be deemed to remain outstanding for all purposes of this Ordinance and such Credit Facility Issuer shall be subrogated to the rights of the Owner of such Bond. In the event the related Credit Facility Issuer of the Direct-Pay Credit Facility is reimbursed for such draw by a payment under the Bond Insurance Policy or another Credit Facility, such Bond shall be deemed to remain outstanding for all purposes of this Ordinance and the Bond Insurer or the Credit Facility Issuer of such other Credit Facility, as applicable, shall be subrogated to the rights of the Owner of such Bond until such Bond is paid in full by the City.

In addition to any amendments permitted pursuant to Article Nine of the Ordinance, the City, with the consent of the Insurer, may amend any provisions of the Ordinance, including without limitation any provisions of this Appendix A, as the City deems necessary or appropriate in connection with the conversion to a Daily Rate Mode or a Weekly Rate Mode or with the delivery of any Credit Facility or Liquidity Facility.

The third paragraph of Section A-602 was deleted in its entirety and replaced with the following:

The Tender Agent shall be selected by the City and shall be a bank or other financial institution that satisfies the qualifications determined by the City and set forth in any applicable provisions of law. The City's execution of a Certificate setting forth the effective date of the appointment of a Tender Agent and the name, address and telephone number of such Tender Agent shall be conclusive evidence that (i) such Tender Agent has been appointed and is qualified to act as Tender Agent under the terms hereof and (ii) if applicable, the predecessor Tender Agent has been removed in accordance with the provisions hereof. Notwithstanding any other provision of this Section A-602 to the contrary, so long as a Credit Agreement is in effect with respect to the Bonds and such Credit Agreement constitutes both a Credit Facility and a Liquidity Facility, the entity serving as Tender Agent for the Bonds shall also serve as Paying Agent/Registrar for the Bonds.

Except as reflected in the amendments described above, all other terms and provisions of the Authorizing Ordinance remain in full force and effect. To the extent of any conflict or inconsistency between the terms and provisions contained in the Authorizing Ordinance and the terms and provisions reflected in this Appendix E, the terms and provisions reflected in this Appendix E shall govern and prevail to the extent necessary to resolve such conflict or inconsistency.

APPENDIX E

CERTAIN REVISIONS TO 2008 REMARKETING MEMORANDUM

Certain summaries in the 2008 Remarketing Memorandum under the heading DESCRIPTION OF THE BONDS shall be superseded by the descriptions provided below.

The summary in the 2008 Remarketing Memorandum under the caption "DESCRIPTION OF THE BONDS – Mandatory Tenders" is replaced in its entirety by the following:

Mandatory Tenders

Except for Bank Bonds, the Bonds of a subseries to be changed to any Mode from any other Mode are subject to mandatory tender for purchase on the Mode Change Date at the amount equal to the principal amount of any Bonds of a subseries purchased on the Mandatory Purchase Date plus accrued interest (the "Purchase Price"). Except for Bank Bonds, the Bonds of a subseries shall be subject to mandatory tender for purchase on: (a) the second Business Day preceding the Expiration Date of a Credit Facility or Liquidity Facility, which second Business Day is hereinafter referred to as an "Expiration Tender Date"; (b) the fifth calendar day (or if such day is not a Business Day, the preceding Business Day) preceding the Termination Date of a Credit Facility, a Liquidity Facility or the Bond Insurance Policy which fifth calendar day is hereinafter referred to as a "Termination Tender Date", if the Credit Facility or Liquidity Facility permits a draw thereon on the Termination Tender Date; (c) the fifth calendar day (or if such day is not a Business Day, the preceding Business Day) following the receipt by the City of a written notice from the issuer of a Credit Facility that such Credit Facility will not be reinstated (in respect of interest) to an amount equal to the interest component of the Liquidity and Credit Amount required with respect to the Bonds of such subseries, which fifth calendar day is hereinafter referred to as an "Interest Non-Reinstatement Tender Date"; and (d) the Substitution Date for a Credit Facility or a Liquidity Facility. Except for Bank Bonds, the Bonds of a subseries in the Term Rate Mode are subject to mandatory tender for purchase on each Purchase Date at the Purchase Price. **Notwithstanding the foregoing, in connection with the 2011 substitution of the Letters of Credit for the existing Liquidity Facility, for so long as a Letter of Credit remains in effect, clause (c) does not apply to such Letter of Credit.**

Notice. The Paying Agent/Registrar shall, at least fifteen (15) days prior to the Expiration Tender Date with respect to Bonds of a subseries, give notice of the mandatory tender of the Bonds of such subseries on such Expiration Tender Date if it has not therefore received confirmation that the Expiration Date has been extended.

Upon receipt of a written notice from the Credit Facility Issuer, the Liquidity Facility Issuer or the City that the Credit Facility or the Liquidity Facility, as the case may be, will terminate or, that the obligation of the Credit Facility Issuer or Liquidity Facility Issuer, as the case may be, to provide a loan thereunder will terminate prior to its Expiration Date, or the Bond Insurance Policy will be cancelled or terminated, the Paying Agent/Registrar shall within one (1) Business Day give notice of the mandatory tender of the Bonds of such subseries that is to occur on such Termination Tender Date if it has not theretofore received from the Credit Facility Issuer, the Liquidity Facility Issuer or the City, as the case may be, a notice stating that the event which resulted in the Credit Facility Issuer, the Liquidity Facility Issuer or the City giving a notice of the Termination Date has been cured and that the Credit Facility Issuer, the Liquidity Facility Issuer or the City has rescinded its election to terminate the Credit Facility, the Liquidity Facility or the Bond Insurance Policy, as the case may be. Notwithstanding anything to the contrary below, such notice shall be given by Electronic Means capable of creating a written notice. Any notice given substantially as provided herein shall be conclusively presumed to have been duly given, whether or not actually received by each Owner.

Upon receipt of a written notice from the issuer of a Credit Facility that such Credit Facility will not be reinstated (in respect of interest) to an amount equal to the interest component of the Liquidity and Credit Amount

required with respect to the Bonds of such subseries, the Paying Agent/Registrar shall within one (1) Business Day give notice of the mandatory tender of the Bonds of such subseries on such Interest Non-Reinstatement Tender Date if it has not theretofore received from the issuer of the Credit Facility a notice stating that the Direct-Pay Credit Facility has been reinstated to an amount equal to the interest component of the Liquidity and Credit Amount. Notwithstanding anything to the contrary herein below, such notice shall be given by Electronic Means capable of creating a written notice. Any notice given substantially as provided herein shall be conclusively presumed to have been duly given, whether or not actually received by each Owner. **In connection with the 2011 substitution of the Letters of Credit for the existing Liquidity Facility, this provision is not applicable for so long as the Letters of Credit remain in effect.**

The Paying Agent/Registrar shall, at least fifteen (15) days prior to any Substitution Date with respect to a Liquidity Facility relating to any Bonds, give notice of the mandatory tender of such Bonds that is to occur on such Substitution Date.

The Paying Agent/Registrar shall, at least fifteen (15) days prior to (i) any Mode Change Date or (ii) the end of an Interest Period with respect to Bonds of a subseries in the Term Rate Mode, give notice of the mandatory tender for purchase of such Bonds that is to occur on such date.

Notice of any mandatory tender of Bonds of a subseries shall state that such Bonds are to be purchased pursuant to the Ordinance, and shall be provided by the Paying Agent/Registrar or caused to be provided by the Paying Agent/Registrar by mailing a copy of the notice of the mandatory tender by first-class mail to each Owner of Bonds of the Series at the respective addresses shown on the registry books. Each notice of mandatory tender for purchase shall identify the reason for the mandatory tender for purchase, and specify the CUSIP number, Mandatory Purchase Date, the Purchase Price, the place and manner of payment, that the Owner has no right to retain such Bonds and that no further interest will accrue from and after the Mandatory Purchase Date to such Owner. Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Bonds of a subseries shall in addition specify the conditions that have to be satisfied pursuant to the Ordinance in order for the new Mode to become effective and the consequences that the failure to satisfy any of such conditions would have. In the event a mandatory tender of Bonds of a subseries shall occur at or prior to the same date on which an optional tender for purchase is scheduled to occur, the terms and conditions of the applicable mandatory tender for purchase shall control. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of any Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice. Failure by the Paying Agent/Registrar to give such notice shall not affect the obligation of the Tender Agent to purchase the Bonds of a subseries subject to mandatory tender for purchase on the Mandatory Purchase Date.

The summary in the 2008 Remarketing Memorandum under the caption "DESCRIPTION OF THE BONDS – Optional Tender of Bonds in Weekly Rate Mode" is replaced in its entirety by the following:

Optional Tender of Bonds in Weekly Rate Mode

The Owners of Bonds of a subseries in a Weekly Rate Mode that are not Bank Bonds may elect to have such Bonds (or portions thereof in Authorized Denominations) purchased at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender to the Tender Agent and the Remarketing Agent, at their respective principal offices, not later than 5:00 p.m. on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner. Such notice shall (i) state the number and the principal amount of such Bond being tendered and (ii) state that such Bond shall be purchased on the Purchase Date so specified by the Owner. The Tender Agent shall notify the City by the close of business on the next succeeding Business Day of the receipt of any notice pursuant to this paragraph.

Notwithstanding anything herein to the contrary, during any period that the Bonds of a subseries are issued registered in the name of DTC or a nominee thereof pursuant to the Ordinance, (i) any notice of tender delivered

shall identify the DTC participant through whom the beneficial owner will direct transfer, (ii) on or before the Purchase Date, the beneficial owner must direct (or if the beneficial owner is not a DTC participant, cause its DTC participant to direct) the transfer of said Bond on the records of DTC and (iii) it shall not be necessary for Bonds of a subseries to be physically delivered on the date specified for purchase thereof, but such purchase shall be made as if such Bonds had been so delivered, and the Purchase Price thereof shall be paid to DTC. In accepting a notice of tender of any Bond of a subseries, the City, the Paying Agent/Registrar and the Tender Agent may conclusively assume that the Person providing the notice of tender is the beneficial owner of the Bonds being tendered and therefore entitled to tender them. The City, the Paying Agent/Registrar and the Tender Agent assume no liability to anyone in accepting a notice of tender from a Person whom it reasonably believes to be such a beneficial owner of the Bonds of the subseries.

The summary in the 2008 Remarketing Memorandum under the caption "DESCRIPTION OF THE BONDS – Substitute Liquidity Facility" is replaced in its entirety by the following:

Substitute Liquidity Facility

At any time, the City may provide for the delivery of (i) an initial Liquidity Facility and an Alternate Liquidity Facility with respect to the Bonds of any subseries, and/or (ii) an initial Credit Facility and an Alternate Credit Facility with respect to the Bonds of any subseries. The City shall not obtain a Liquidity Facility for the Bonds of a subseries or provide for the delivery of a Liquidity Facility for the Bonds of a subseries without the prior consent of any Credit Facility Issuer for the Bonds of such subseries. Any such Liquidity Facility or Credit Facility shall provide that a Termination Date which permits the City to make on the Termination Tender Date a draw under the Liquidity Facility or the Credit Facility, as the case may be, shall not occur unless written notice thereof is given to the City, the Paying Agent/Registrar and the Tender Agent at least sixteen (16) days prior to the Termination Date. To the extent that any Liquidity Facility or Credit Facility permits the issuer thereof to assign its obligation thereunder, such Liquidity Facility or Credit Facility, as the case may be, shall provide that such assignment shall not be effective unless a written notice of such assignment is given to the City, the Paying Agent/Registrar, the Remarketing Agent and the Tender Agent at least sixteen (16) days prior to the effective date of such assignment. On or prior to the date on which a Liquidity Facility or Credit Facility is obtained or delivered to the City, the City shall obtain a Favorable Opinion of Bond Counsel. The Ordinance provides that all Outstanding Bonds of the Series to which such Liquidity Facility or Credit Facility relates will become subject to mandatory tender for purchase on the Substitution Date.

The City may execute and deliver any instrument that, upon such execution and delivery by the City, would constitute a "Credit Facility" or "Liquidity Facility", or both.

The City shall deliver to the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Bond Insurer and the Remarketing Agent a copy of each Liquidity Facility or Credit Facility obtained pursuant to the Ordinance on the effective date of such Liquidity Facility or Credit Facility. If at any time there shall have been delivered (i) an Alternate Credit Facility or Alternate Liquidity Facility in substitution for the Credit Facility or Liquidity Facility with respect to Bonds of a subseries then in effect and (ii) a Favorable Opinion of Bond Counsel, then, providing that any condition to substitution contained in the existing Credit Facility or Liquidity Facility shall have been satisfied, the Paying Agent/Registrar and/or the Tender Agent, as applicable, shall accept such Alternate Credit Facility or Alternate Liquidity Facility and, subject to certain provisions of the Ordinance relating to the receipt of sufficient funds to pay the Purchase Price of Bonds then subject of mandatory tender, shall surrender the Credit Facility or Liquidity Facility then in effect to the Credit Facility Issuer or Liquidity Facility Issuer on the effective date of the Alternate Credit Facility or Alternate Liquidity Facility. In the event of an extension of the Expiration Date, the City shall give the Paying Agent/Registrar, the Tender Agent, the Credit Facility Issuer, the Liquidity Facility Issuer and the Remarketing Agent a written notice of the new Expiration Date at least sixteen (16) days prior to the Expiration Tender Date. In the event of a substitution of a Liquidity Facility with an Alternate Liquidity Facility or of a Credit Facility with an Alternate Credit Facility, the City shall give the Paying Agent/Registrar, the Tender Agent, the Bond Insurer, and the Remarketing Agent a written

notice of the Substitution Date at least sixteen (16) days prior to such Substitution Date. The City shall give the Paying Agent/Registrar, the Tender Agent, the Bond Insurer, and the Remarketing Agent a written notice of its election to terminate the Credit Facility or the Liquidity Facility at least sixteen (16) days prior to the Termination Tender Date resulting from its election to terminate such Credit Facility or Liquidity Facility.

In no event shall the City surrender or cancel a Liquidity Facility relating to the Bonds of any subseries unless it has received funds, either from proceeds of remarketing or a draw under the Liquidity Facility to be surrendered or cancelled, sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date. In no event shall the City surrender or cancel a Credit Facility relating to the Bonds of any subseries unless it has received funds sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date.

The City shall not sell, assign or otherwise transfer the Credit Facility or Liquidity Facility, except in accordance with the terms of the Credit Facility or Liquidity Facility and the Ordinance.

Prior to the Substitution Date, no drawing under an Alternate Liquidity Facility shall be made by the City if the predecessor Liquidity Facility shall be effective and available to make drawings thereunder on the date of such drawing. On or after the Substitution Date, no drawing under a predecessor Liquidity Facility shall be made by the City if the Alternate Liquidity Facility shall be effective and available to make drawings thereunder on the date of such drawing.

The summary in the 2008 Remarketing Memorandum under the caption "DESCRIPTION OF THE BONDS – Paying Agent/Registrar" is replaced in its entirety by the following:

Paying Agent/Registrar

Interest on and principal of the Bonds will be payable, and transfer functions will be performed at the Designated Payment/Transfer Office of the Paying Agent/Registrar; currently, its corporate trust office is in Minneapolis, Minnesota. In the Ordinance, the City retains the right to replace the Paying Agent/Registrar. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Bonds are outstanding and any successor Paying Agent/Registrar shall be a commercial bank, trust company organized under the laws of the State of Texas or the United States of America, or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause of written notice thereof to be sent to each registered owner of the Bonds by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar. So long as a Credit Agreement is in effect with respect to the Bonds and such Credit Agreement constitutes both a Credit Facility and a Liquidity Facility, the entity serving as Paying Agent/Registrar also shall serve as Tender Agent for the Bonds.
