

New Market Tax Credit (NMTC) Program Eligibility and Severely Distressed Status, as of 2000.

The red areas on the map are Census tracts that the CDFI Fund has determined are Eligible and meet the Primary Criteria requirements for the CDFI Fund's New Market Tax Credit (NMTC) Program Severely Distressed Status, as of 2000. Orange areas are Census tracts that are NMTC Eligible and meeting the requirements for Secondary Criteria Severely Distressed Status. Yellow areas indicate those Census tracts that meet the NMTC Program Eligibility but are not Severely Distressed. Grey areas on the map are considered ineligible for NMTC Program funding. For more information about the NMTC Program, please see our Data Directory.
