Subject: Postponement Request: Tarlton 360 Townhomes, Public Hearing, June 23rd, 2011

Hello Sue,

On behalf of the South Beecave Woods Neighborhood Association, I wish to request a postponement of the Tarlton 360 Townhomes Public Hearing dated June 23rd, 2011. I am also asking the City to support our request given the circumstances.

A postponement will allow members of our neighborhood association to review the documents requested in my letter to the City of Austin dated May 20th 2011 and pursuant to the Texas Public Information Act, and not yet available for review. Based on a telephone conversation with Carla Johnson, I understand that there is a considerable amount of documentation and that only three individuals have submitted personal emails to date.

A delay in this hearing will ensure that the City of Austin can fulfill its statutory duty (the documents were previously due but not provided) and that the South Beecave Woods Neighborhood Association will have an opportunity review the information.

Regards

Lynne Harrison-David
