STIMULUS PROJECT UPDATES

The City of Austin received \$7.6 million in stimulus funds, in response to applications submitted to the U.S. Department of Housing and Urban Development (HUD) and the Texas Department of Housing and Community Affairs (TDHCA). The applications for Stimulus funds include:

- A \$2 million application for the Community Development Block Grant (CDBG-R) Program;
- A \$3.1 million application for the Homeless Prevention and Rapid Re-Housing (HPRP) Program; and
- A \$2.5 million application for Housing and Economic Recovery Act (HERA) submitted to TDHCA.

American Recovery and Reinvestment Act (ARRA) Funding

Community Development Block Grants (CDBG-R) (\$2 million)

The award is based on three major criteria: 1) sustainable, well-financed, established efforts; 2) yield significant results for the community; and 3) tangible results for the residents, especially low- to moderate-income populations and neighborhoods. CDBG-R guidelines issued May 5, 2009, set clear overall priorities to maximize job creation and economic benefit. Projects and project statuses are below:

\$500,000 for Lifeworks' East Austin Youth and Family Resource Center

A forgivable loan in the amount of \$500,000 was granted to LifeWorks, a local non-profit, for the purchase of land to construct a 32,000 square foot Resource Center to expand critical workforce and provide mental health services to low income populations. The center is scheduled to open in Mid-2011. The completed project will sustain 130 professional jobs and will create 20 construction jobs during the construction of the facility. The facility will have retail space that will create 20 part-time jobs. The facility will be located at the Northeast corner of Pleasant Valley and Lyons Road in Austin, Texas 78702. More information can be found at www.lifeworksweb.org.

Project Status: LifeWorks acquired the land in November 2009. The initial construction was delayed due to financing difficulties and rising construction costs. Construction on the project began in Mid-February 2011. Preliminary work consisted of parking lot excavation and initial foundation work.

\$500,000 for PeopleFund's Center for Economic Opportunity

People Fund, another Austin non-profit, received a forgivable loan in the amount of \$500,000 for the construction of the Center for Economic Opportunity. This completed, two-story facility provides comprehensive services to local small businesses and low- to moderate-income homebuyers. The facility also provides affordable office space to small businesses and serves as an incubator for small businesses. The facility is located at 2921 E. 17th Street, Austin, Texas 78702. More information can be found at www.peoplefund.org.

Project Status: The Center for Economic Opportunity opened for business in October 2010. The project created 23 construction jobs and to date, PeopleFund has hired 6 Full-

Time Equivalent (FTE) employees. These positions consisted of customer service positions, economic development manager positions and business development positions

\$552,703 for African-American Cultural and Heritage Facility

The creation of the African-American Cultural and Heritage Facility (formerly the Dedrick-Hamilton House) was a result of the City's African-American Quality of Life Initiative recommendation from November 2008, Austin voters confirmed support of the Cultural Facility in the bond election in an amount of \$1.5 million. In May 2009, Austin City Council approved an additional \$550,000 in stimulus funding from the U.S. Department of Housing and Urban Development (HUD) for the project. This Facility is planned as the anchor facility for the newly established African-American Heritage District and is to house a Visitor's Bureau, Pro Arts Collective, Inc. and Capital City African-American Chamber of Commerce. It will be located at 912 E. 11th Street, Austin, Texas 78702. More information can be found at www.ci.austin.tx.us/stimulus/. The project was fully funded in October of 2010.

Project Status: Building design is complete and construction is underway. Project completion is scheduled for July 2012.

\$250,000 for New Sidewalks in Central East Austin

The City of Austin received \$250,000 in CDBG-R funds to support the construction of sidewalks in Central East Austin, Texas. The proposed sidewalks were chosen with community input and are located in disadvantaged neighborhoods. The exact locations of the two miles of sidewalks are: the 1100 to 1200 blocks of Poquito Street, the 100-1000 blocks of Springdale Avenue, and the 100-400 blocks of San Marcos Street. The zip codes for the projects are 78702, 78721, and 78702 respectively. More information can be found at www.ci.austin.tx.us/stimulus/.

Project Status: The sidewalk project is completed and created 17 jobs. The jobs created include: Concrete Finishers, Front End Loaders, Tractor Operators, and Flaggers.

Administration

In addition to receiving approval for four projects, the City of Austin also received approval to spend \$203,003 in Administrative Dollars to administer the CDBG-R projects. Project Coordinator administrative work is being conducted at 1000 East 11th Street, Austin, Texas 78702. Responsibilities include coordination and reviewing construction related projects, assisting in the monitoring of project budgets, ensuring compliance with City and other regulatory requirements, and reviewing performance reports and processing pay requests. Technical assistance is also provided as necessary.

Project Status: To date, 5 FTEs have been created since commencement of the stimulus grant.

Homeless Prevention & Rapid Re-housing Program (HPRP) (\$3.1 million)

The Homeless Prevention and Rapid Re-housing Program, which is administered by the Austin/Travis County Health and Human Services Department (HHSD), has three primary goals: 1) Prevention: Prevent people from becoming homeless whenever possible; 2) Diversion: Intervene when people enter shelters and divert them into housing; and 3) Rapid Re-Housing: Move people who become homeless into permanent housing as quickly as possible. Projects and project statuses are below:

\$480,000 for Caritas of Austin (HPRP Outreach and Intake Specialists)

To identify, assess and qualify potential clients and to expand outreach to key eligible populations. An estimated 2,000 individuals will be served over two years.

Project Status: Direct client services were implemented on December 1, 2009. The project is on target for completion by July 2012.

\$240,000 for Caritas of Austin (Housing Locator and Inspector Services)

To identify and inspect available housing; negotiate with landlords; liaison between potential eligible tenants and landlords; and follow-up point of contact for landlords and tenants.

Project Status: Direct client services were implemented in December 1, 2009. The project is on target for completion by July 2012.

\$120,000 for Austin Tenants' Council (Tenant Mediation and Legal Services)

To expand existing mediation services for HPRP clients to resolve tenant/landlord disputes and will secure allowable legal services. An estimated 800 HPRP households will be served over two years.

Project Status: Direct client services were implemented on December 1, 2009. The project is on target for completion by July 2012.

\$1,970,000 for LifeWorks (Rent, Utilities and Other Direct Financial Assistance)

To provide short- or medium-term rent assistance to prevent homelessness or to rehouse homeless households. Other financial assistance includes utilities, deposits, moving expenses and hotel/motel vouchers. An estimated 2,000 individuals will be served over two years.

Project Status: Direct client services were implemented in December 1, 2009. The project is on target for completion by July 2012.

\$102,000 for Homeless Management Information System

Project Status: Direct client services were implemented in December 1, 2009. The project is on target for completion by July 2012.

Administration

Project Status: The balance of the \$3.1 million is \$153,000 for Administration of HPRP activities.

Housing and Economic Recovery Act (HERA) Funding (\$2.5 million)

The City of Austin applied for Neighborhood Stabilization Program (NSP) funds established by the Housing and Economic Recovery Act (HERA) of 2008 with the goal of creating permanent affordability rental opportunities. These federal funds are distributed by the Texas Department of Housing and Community Affairs (TDHCA). The City received \$2.5 million in NSP funding which will be used to purchase and rehab/renovate foreclosed homes, construct new single-family dwellings on vacant lots, and provide administrative costs. The NSP award was modified to approximately \$2 million in January 2011 to reflect the actual costs of acquisition and rehabilitation of foreclosed homes the City was able to purchase and the actual costs of the new construction.

The City of Austin's application proposes that after rehabilitation/construction, AHFC will sell the properties to homebuyers earning at or below 50 percent of MFI. Initially the program targeted zip code 78744 (Southeast Austin) and zip code 78758 (Northwest Austin), two areas in Austin that have seen the highest number of foreclosures; however, TDHCA modified the guidelines and now allows the cities to purchase within their full jurisdiction. The City of Austin now concentrates on its entire jurisdiction for potential purchases. TDHCA agreed to amend the NSP contract with AHFC to include construction of single-family homes on vacant, infill lots in the Frontier at Montana Subdivision.

Project Status: To date, NHCD staff has acquired the four foreclosed properties in southeast Austin, and have completed two of the rehabs. The other two rehabs should be completed by late May 2011. NHCD staff has marketed the foreclosed properties and are currently working with several potential homebuyers to verify their income eligibility and credit worthiness. One foreclosed property has a pending contract. For these properties TDHCA is offering up to \$30,000 of Down Payment Assistance and a 0 percent interest 30-year loan. These properties will be sold to households earning at or below 50 percent or below of MFI

Construction of the twelve new single-family homes began in late March 2011. The construction is expected to be completed by the mid-summer of 2011. Two of the 12 homes will be sold to households earning at or below 50 percent of MFI, the other ten units will be sold to households earning at or below 80 percent of MFI. NHCD has begun to market the homes

The Down Payment Assistance (DPA) program provides deferred and forgivable, zero-interest loans to low- and moderate-income first-time homebuyers to assist them with the down payment and closing costs of their Option 1) The amount of assistance per household will not exceed \$10,000 per household. Loans are secured by a subordinate lien on the property that is non-assumable. The loan will be recaptured by the City if the household sells or rents the home, requests an equity loan, or transfers the property title before the end of the ten-year affordability period. Eligible income for DPA is at or below 80 percent of MFI.

Option 2) DPA funds up to \$40,000, as a deferred, 30-year, zero percent interest loan, with a shared-equity provision and a City of Austin "right of first refusal" provision. This DPA option is not forgivable. Loans are secured by a subordinate lien on the property that is non-assumable. The loan will be recaptured by the City if the household sells or rents the home, requests an equity loan, or transfers the property title before the end of the 30-year affordability period. Eligible income for DPA is at or below 80 percent of MFI.

ACCOMPLISHMENT DESCRIPTION

Proposed Accomplishment

33 Households

The DPA Program will enable potential homeowners to overcome the obstacles preventing them from obtaining a home by providing assistance with down payment, closing costs, prepaid expenses, and/or mortgage assistance. Outreach for this program is done through community presentations, housing fairs, lender and real estate agent trainings, and to public housing authority residents. One-on-one program education with staff or legal representation regarding details of the program will be required for homeowners that utilize Option 2 with a shared-equity and "right of first refusal." All Down Payment Assistance participants must participate in homebuyer counseling through the Housing Smarts program or any other approved

Developer Incentive Programs IDIS Project # Non-Federal Funds PROJECT DESCRIPTION The Developer Incentive-Based Program provides incentives for housing developers to develop affordable rental and homebuyer housing in market rate developments. The current program format includes six developer incentive programs that offer development incentives for affordable housing to households at or below 80 percent of MFI, or at or below 120 percent of MFI in the Central Business District: 1) S.M.A.R.T. Housing™ - S.M.A.R.T. Housing™ assists non-profit and for-profit builders to create housing that is Safe, located in Mixed-income neighborhoods, Accessible, Reasonably-priced, Transit-oriented, and meets Austin Energy's Green Building standards. The program also provides fee waivers, fast-track reviews, problem-solving assistance, and regulatory reviews that facilitate the construction of rental and homeownership. 2) Vertical Mixed Use Ordinance (VMU) - The Austin City Council adopted changes to the "Commercial Design Standards" regarding VMU in 2007. The developments that want exemptions from certain dimensional and

- parking standards, must meet provide 10 percent of development as affordable housing for 40 years.

 3) Downtown Density Bonus The City is in the process of designing a density bonus program to encourage affordable housing downtown.
- **4) North Burnet/Gateway** This low-density neighborhood will be transformed into a high-density neighborhood with an incentive, whereby developers can receive a density bonus and must provide 10 percent affordable housing or pay a fee-in-lieu of six dollars a square foot. A few specific properties may be eligible to construct new collector streets in exchange for the density bonus, instead of meeting the affordable housing requirements.
- 5) University Neighborhood Overlay (UNO) The Austin City Council adopted an "opt-in" zoning overlay in the West campus area to allow for greater density and development entitlements. UNO requires two tiers of affordability, 10 percent of units at 80 percent of MFI and another 10 percent at 65 percent of MFI. The developer has the option to pay a fee in lieu of providing the units at 65 percent of MFI. In addition, units at 80 percent of MFI must be on-site.
- **6) Transit Oriented Development (TODs)** The City Council adopted three station area plans for MLK, Saltillo, and Lamar/Justin that include a density and height bonus. All TODs require developers to: reach the goal of 25 percent of affordable housing on-site or pay a fee-in-lieu for part of the affordable housing in exchange for density and height bonuses.

ACCOMPLISHMENT DESCRIPTION Proposed Accomplishment 650 Households The Cityle S.M.A.R.T. Housing T. program will provide for weivers fact track reviews problem solving.

The City's S.M.A.R.T. Housing™ program will provide fee waivers, fast-track reviews, problem-solving assistance, and regulatory reviews that facilitate the construction of rental and homeownership that serve households at or below 80 percent of MFI, or at or below 120 percent of MFI in the Central Business District. The additional developer incentive programs will encourage the development of affordable housing through density and height bonuses.
