Additional Backup Information			
<p>The City of Austin Wireless Communications Services Division repairs radios and electronic equipment for both internal and external inter-local customers.</p> <p>At times, the extent of repairs exceeds the City's authorizations as a field level repair facility. This contract provides for repair parts and maintenance services directly from Motorola in these circumstances.</p> <p>The Motorola Factory Depot Repair Center is the only certified and authorized repair center that warrants the repair of equipment to factory specifications. The equipment contains proprietary firmware that only Motorola can restore. In addition, only Motorola can provide the current version of software upgrades with all unit repairs.</p> <p>This repair contract is vitally important to the operations of the City's Public Safety and Public Service departments utilizing the Regional Radio System, Mobile Data, and Conventional Radio systems.</p>
