Additional Backup Information

This agreement is for the Van Der Graaf motorized pulleys for ABIA's baggage handling system. This Agreement is to purchase motorized pulleys used to run the belt to the Vertical Sorter. The vertical sorter sorts bags and send them to the right location for processing. These motorized pulleys are essential to the Baggage Handling System and the Airport's operation.

This contract was competitively bid and awarded in 2009. This recommended Council action is to approve an administrative increase in an amount not to exceed \$36,112 for the second and third 12-month periods of the 36-month agreement and the authorization to enter into the final option periods for \$36,112 each when appropriate, for a final contract amount of \$180,560.
