Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Traffic volumes, traffic speeds, and pedestrian volumes and patterns were evaluated by the Transportation Department and the Public Works Department to determine if modifications were appropriate to improve the safety for the students attending Regents School of Austin. Based on this investigation, the Transportation Department recommends adding the following amendment to City Code Section 12-4-64(D) (20 Mile Per Hour School Zones) (Table of Speed Limits):

Add: Travis Country Circle from 350 feet north of Travis Green Lane to 1015 feet north of Travis Green Lane. (20 MPH School Zone).
