Additional Backup Information

This case is a personal injury action arising out of a motor-vehicle accident in October 2006. The City of Austin's Solid Waste Services driver died in the collision and damage to the tanker truck driven by the plaintiff has already been paid at \$21,548.65. Mr. Galvan suffered back injury and a 5% permanent impairment rating. Following mediation in June, Mr. Galvan, his lawyer and his workers' compensation third party administrator agreed to settle all personal injury claims, subject to the approval of City Council.
