Additional Backup Information

This contract will provide for the delivery, placement, maintenance, and removal of temporary fencing and boarding. Temporary fencing is required for public safety or security, crowd control, theft deterrent, or equipment storage. Temporary board up is required to prevent property from storm damage as well as to secure a facility or property from unauthorized access.

City departments that will utilize this contract include the Financial and Administrative Services Department, Parks and Recreation Department, Austin Water Utility, Code Compliance Department, Aviation Department, Emergency Medical Services Department, Fire Department, and the Police Department.

In order to determine the best value to the City, evaluation criteria included the labor rate, cost of material, and the ability to provide other types of fencing.

This request allows for the execution of a contract with a bidder, who provides the best value to the City, that Council selects. If this bidder does not execute a contract with the City, staff will return to Council so that Council may select another best-value bidder and authorize a contract with this bidder.
