

RESOLUTION NO.

WHEREAS, the City Council of the City of Austin, and the citizens it represents, are deeply concerned about the harmful effects of alternative financial service business practices, including payday lenders and auto title lenders, in the City of Austin and elsewhere in the state of Texas; and

WHEREAS, in the state of Texas there are over 2,800 of these unlicensed and unregulated lending storefronts draining over \$600 million in loan fees and lost assets from our communities every year; and

WHEREAS, these businesses in our local community promise “easy credit” that in fact hurt consumers with annual interest rates often between 300% and 500%, and loan terms that pull people deeper into debt; and

WHEREAS, 15 states have adopted a 36% or lower annual percentage rate cap for these small loans, and the federal government has adopted a similar rate cap for payday and auto title loans to military personnel based on a Department of Defense finding that these loans, “undermine military readiness, harm the morale of troops and their families, and add to the cost of fielding an all-volunteer fighting force”; and

WHEREAS, the City of Austin does not have the authority to regulate interest rates, but does have land use authority; and

WHEREAS, the City Council believes there is a public benefit to restricting locations of payday and auto title lenders to reduce the negative impact on consumers in our community; **NOW, THEREFORE**,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The City Council initiates code amendments to City Code Title 25 (*Land Development Code*) and directs the City Manager to process code amendments to regulate the location and use of buildings and land for alternative financial services businesses in a manner substantially consistent with the purpose and objectives of the attached Exhibit A.

 - c. The cashing of checks, warrants, drafts, money orders, or other commercial paper for compensation by any person or entity for a fee.
3. *Payday advance/loan business.* An establishment that makes small consumer loans, usually backed by a postdated check or authorization to make an electronic debit against an existing financial account, where the check or debit is held for an agreed-upon term, or until a customer's next payday, and then cashed unless the customer repays the loan to reclaim such person's check. Such establishments may charge a flat fee or other service charge and/or a fee or interest rate based on the size of the loan amount.
4. *Car title loan business.* An establishment that makes small consumer loans that leverage the equity value of a car or other vehicle as collateral where the title to such vehicle is owned free and clear by the loan applicant and any existing liens on the car or vehicle cancel the application.
