Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date), and such interest shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. In the event of a non-payment of interest on one or more maturities on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment for such maturity or maturities (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 6: REGISTRATION-TRANSFER-EXCHANGE OF BONDS - PREDECESSOR BONDS. The Paying Agent/Registrar shall obtain, record, and

maintain in the Security Register the name and address of each registered owner of the Bonds issued under the provisions of the Twentieth Supplement. Any Bond may, in accordance with its terms and the terms of the Twentieth Supplement, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange executed by the Holder or by his authorized agent, in form satisfactory to the Paying Agent/ Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 9 of the Twentieth Supplement) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under the Twentieth Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds under this Section shall be made without expense or service charge to the Holder, except as otherwise provided in the Twentieth Supplement, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer under the provisions of the Twentieth Supplement are defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer. Additionally, the term

“Predecessor Bonds” shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered under Section 19 of the Twentieth Supplement and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the “Beneficial Owners”) being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. The Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 4, 5 and 6 of the Twentieth Supplement.

The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the

manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

No Bond shall be entitled to any right or benefit under the Twentieth Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 10(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her authorized agent, or a certificate of registration substantially in the form provided in Section 10(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond signed shall be conclusive evidence, and the only evidence, that such Bond has been certified, registered and delivered.

SECTION 9: INITIAL BOND(S). The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount specified in the Pricing Certificate with principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the “Initial Bond(s)”). In either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered and exchange for the Initial Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for the Holders; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 10: FORMS. (a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by the

Twentieth Supplement and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any maturities of the Bonds, are purchased with insurance and any reproduction of an opinion of counsel) as may be established by the City or determined by the officers executing such Bonds as evidenced by their execution of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse of the Bonds, with an appropriate reference on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution of the Bonds.

All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (the “Bonds”) for the purpose of refinancing and refunding the Refunded Obligations (identified and defined in the Twentieth Supplement), in conformity with the Constitution and laws of the State of Texas, including V.T.C.A., Government Code, Chapter 1207, and pursuant to a Master Ordinance and Twentieth Supplement adopted by the City Council of the City, together the Pricing Certificate executed pursuant thereto (collectively referred to as the “Ordinances”).

The Bonds maturing on the dates identified below (the “Term Bonds”) are subject to mandatory redemption prior to maturity with funds on deposit in the Debt Service Fund established and maintained for the payment of the Bonds in the Master Ordinance,

and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

	\$,000		\$,000
	\$,000		\$,000
			\$,000

The particular Term Bonds of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like stated maturity which, at least fifty days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not previously credited against a mandatory redemption requirement.

The Bonds maturing on and after _____, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on _____ or on any date thereafter at the redemption price of par plus accrued interest thereon to the redemption date.

Not less than thirty days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinances. If a Bond (or any portion of its principal sum) shall have been called for redemption and notice of such redemption given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinances for the then unredeemed balance of the principal sum of such Bond or Bonds will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five days of the redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from and, together with the Prior Subordinate Lien Obligations, the Previously Issued Separate Lien Obligations, and Previously Issued Parity Water/Wastewater Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Water/Wastewater System in the manner provided in the Ordinances. Additionally, the Bonds and Previously Issued Parity Water/Wastewater Obligations referenced above shall be equally and ratably secured by a parity lien on the funds, if any, deposited to the credit of the Debt Service Fund and the Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Water/Wastewater System, except with respect to the Net Revenues. The Holder of this Bond shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System, in the same manner and to the same extent as the Bonds.

Reference is made to the Ordinances, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Water/Wastewater System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Ordinances; and for the other terms and provisions contained in the Ordinances. Capitalized terms used in this Bond have the same meanings assigned in the Ordinances.

This Bond, subject to certain limitations contained in the Ordinances, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by the Registered Owner, or the authorized agent of the Registered Owner. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the Registered Owner of this Bond whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and covenanted that the City is a duly organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues of the Water/Wastewater System. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired. The terms and provisions of this Bond and the Ordinances shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

SECTION 11: CRITERIA FOR ISSUANCE OF PARITY WATER/ WASTEWATER OBLIGATIONS. The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Water/Wastewater Obligations of the Water/Wastewater System pursuant to the Master Ordinance and Prior Supplements. The Twentieth Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment, and security of the Bonds which are Parity Water/Wastewater Obligations. The Master Ordinance is incorporated by reference and made a part of the Twentieth Supplement for all purposes, except to the extent modified and supplemented by the Prior Supplements and the Twentieth Supplement, and the Bonds are declared to be Parity Water/Wastewater Obligations under the Master Ordinance and Prior Supplements. The

City determines that it will have sufficient funds to meet the financial obligations of the Water/Wastewater System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and the Previously Issued Parity Water/Wastewater Obligations and to meet all financial obligations of the City relating to the Water/Wastewater System.

SECTION 12: PLEDGE. Subject to the prior claim and lien on the Net Revenues of the Water/Wastewater System to the payment and security of the Prior First Lien Obligations currently Outstanding, including the funding and maintenance of the special funds established and maintained for the payment and security of such Prior First Lien Obligations, the Net Revenues of the Water/Wastewater System are pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations, the Previously Issued Separate Lien Obligations and the Previously Issued Parity Water/Wastewater Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System in accordance with the terms of the Master Ordinance and the Twentieth Supplement. Additionally, the Bonds and the Previously Issued Parity Water/Wastewater Obligations shall be equally and ratably secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Master Ordinance, the Prior Supplements and the Twentieth Supplement. It is ordained that the Parity Water/Wastewater Obligations, and the interest on the Parity Water/Wastewater Obligations, shall constitute a lien on the Net Revenues of the Water/Wastewater System and be valid and binding and fully perfected from and after the date of adoption of the Twentieth Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of the Twentieth Supplement or any other act, all as provided in Chapter 1208 of the Texas Government Code. The owners of the Parity Water/Wastewater Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Twentieth Supplement.

Section 1208 of the Texas Government Code applies to the issuance of the Bonds and the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12, and such pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 13: DEBT SERVICE FUND. By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City hereby agrees and covenants that in addition to the deposits for the payment of the Previously Issued Parity Water/Wastewater Obligations there shall be deposited to the credit of the Debt Service Fund an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the Purchasers.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided in this Section until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Water/Wastewater Obligations then Outstanding or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest received from the Purchasers of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Water/Wastewater System.

SECTION 14: RESERVE FUND. In accordance with the provisions of the Prior Supplements authorizing the issuance of the Previously Issued Water/Wastewater Obligations, the Required Reserve Amount is funded with cash and surety bonds issued by MBIA Insurance Corporation, Financial Security Assurance Inc., Ambac Assurance Corporation and XL Capital Assurance Inc. By reason of the issuance of the Bonds, the Required Reserve Amount shall be as specified in the Pricing Certificate. The Required Reserve Amount allocable to the Bonds shall be in the amount as specified in the Pricing Certificate will be funded as provided in the Pricing Certificate. Any draws on the surety bonds or other credit agreements funding the Required Reserve Amount on which there is available coverage shall be made on a pro rata basis (calculated by reference to coverage then available under each such surety bond or credit agreement) after applying available cash and investments in the Reserve Fund.

The Insurance Agreement, if any, will be attached to and approved by the Pricing Certificate such Insurance Agreement in substantially the form and substance attached to the Pricing Certificate and approved by the Pricing Officer, together with such changes or revisions as may be necessary to comply with Texas law, is authorized to be executed by the Pricing Officer for and on behalf of the City and as the act and deed of this governing

body; and such Insurance Agreement as executed by said official shall be deemed approved by the City Council and constitute the Insurance Agreement approved.

The provisions of Section 8 of the Master Ordinance relating to the Reserve Fund, particularly paragraphs (b), (c) and (d) thereof, are incorporated by reference and made a part of the Twentieth Supplement as if the same were restated in full in this Section, and to the extent of any conflict between the provisions of said Section 8 and these provisions with respect to draws on any Credit Agreement and the reinstatement of the full amount afforded by Credit Agreement, the provisions of the Prior Supplements with respect to such Credit Agreement and such Credit Agreement shall govern. Furthermore, in accordance with Section 10(d) of the Master Ordinance, the City Council finds that the Gross Revenues will be sufficient to meet the obligations of the Water/Wastewater System, including sufficient Net Revenues to satisfy the Annual Debt Service Requirements of Parity Water Wastewater Obligations currently Outstanding and the financial obligations of the City under any Credit Agreement entered into with the above-named surety bond providers.

SECTION 15: PAYMENT OF BONDS. On or before the first scheduled interest payment date, and on or before each subsequent interest payment date and principal payment date while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund and Reserve Fund, if necessary, sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 16: COVENANTS TO MAINTAIN TAX-EXEMPT STATUS.

(a) Definitions. When used in this Section 16, the following terms have the following meanings:

“*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the Purchasers against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1986, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Obligations), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Obligations), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Debt Service Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by

section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, Deputy Chief Financial Officer, City Treasurer, City Clerk or Deputy City Clerk, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such original obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding. The Refunded Obligations being refunded by the Bonds constitute a current refunding as the payment and/or redemption of such Refunded Obligations will occur within 90 days of the delivery of the Bonds.

SECTION 17: AMENDMENT OF TWENTIETH SUPPLEMENT.

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Twentieth Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Twentieth Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Twentieth Supplement so as to:

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds;
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
- (6) Amend this subsection (a) of this Section; or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Twentieth Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the notice is on file with the Paying Agent for the Bonds. Such publication is not required, however, if notice in writing is given by United States Mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of said notice or (ii) the date of the mailing by the Paying Agent of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy of such instrument on file with each Paying Agent, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the

date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, such consent may be revoked by the owner who gave such consent, or by a successor in title, by filing written notice thereof with the Paying Agent for such Bonds and the City, but such revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, the Twentieth Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under the Twentieth Supplement and all the owners of then Outstanding Bonds shall be determined, exercised and enforced in all respects in accordance with such amendment.

(f) Amendment without Consent. The preceding provisions of this Section notwithstanding, the City by action of its governing body may amend the Twentieth Supplement for any one or more of the following purposes:

(1) To add to the covenants and agreements of the City contained in the Twentieth Supplement, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power reserved in the Twentieth Supplement to or conferred upon the City;

(2) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in the Twentieth Supplement, or in regard to clarifying matters or questions arising under the Twentieth Supplement, as are necessary or desirable and not contrary to or inconsistent with the Twentieth Supplement and which shall not adversely affect the interests of the owners of the Bonds then Outstanding;

(3) To modify any of the provisions of the Twentieth Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds outstanding at the date of the adoption of such modification shall cease to be outstanding;

(4) To make such amendments to the Twentieth Supplement as may be required, in the opinion of Bond Counsel, to ensure compliance with sections 103 and 141 through 150 of the Code and the regulations promulgated under and applicable to such sections and regulations;

(5) To make such changes, modifications or amendments as may be necessary or desirable to allow the owners of the Bonds to avail themselves of a book-entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of the Twentieth Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(6) To make such changes, modifications or amendments as may be necessary or desirable to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(7) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any such amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory ordinance and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to the Twentieth Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy.

SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLI-GATIONS.

All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of the Twentieth Supplement when payment of the principal of, and redemption premium, if any, on such Bonds, plus interest on the Bonds to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of such Bonds, or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by

an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which such deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be paid under the Twentieth Supplement, as aforesaid, it shall no longer be secured by or entitled to the benefit of the Twentieth Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Water/Wastewater System, and shall be entitled to payment solely from such money or Government Obligations.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, with respect to which such money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

Notwithstanding any other provisions of the Twentieth Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, shall be applied to and used for the payment of such Bonds, the redemption premium, if any, and interest on such Bonds and the income on such money or Government Obligations shall not be considered to be "Gross Revenues" under the Twentieth Supplement.

SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. In the event any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner provided in this Section. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction

of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of the Twentieth Supplement equally and proportionately with any and all other Bonds issued under the Twentieth Supplement.

Notwithstanding the preceding provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with V.T.C.A., Government Code, Section 1206.022, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and manner and with the effect, as provided in Section 6 of the Twentieth Supplement for Bonds issued in exchange for other Bonds.

SECTION 20: TWENTIETH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Bonds by the Holders from time to time, the Twentieth Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in the Twentieth Supplement by the City and the covenants and agreements set forth in the Twentieth Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized under the Twentieth Supplement over any of the others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by the Twentieth Supplement.

- (14) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding paragraph 12 is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Bonds while, but only while, the City remains an “obligated person” with respect to

the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State of Texas or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City and the State of Texas (such as nationally

recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 22: REMEDY IN EVENT OF DEFAULT. In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Debt Service Fund or Reserve Fund as required by the Twentieth Supplement or the Master Ordinance, (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Twentieth Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Twentieth Supplement or the Master Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence in such default, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

Such Escrow Agreement is hereby authorized to be finalized and executed by the Pricing Officer for and on behalf of the City and as the act and deed of this City Council; and such Escrow Agreement as executed by said Pricing Officer shall be deemed approved by the City Council and constitute the Escrow Agreement herein approved. With regard to the finalization of certain terms and provisions of said Escrow Agreement, a Pricing Officer is hereby authorized to come to an agreement with the Escrow Agent on the following details, among other matters:

The Twentieth Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where the Twentieth Supplement provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 33: GOVERNING LAW. The Twentieth Supplement shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.
