## Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas traffic laws require that a traffic engineering investigation be performed. An investigation of RM 2222 was conducted by the Traffic Division of the Texas Department of Transportation in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 2006. The Austin Transportation Department recommends the following amendments to Code Section 12-4-64 (D) Table of Speed Limits:
