Subject: Request to postpone - 2712 east 12th Council agenda

Late Backup

Ms Chaffin -

I would like to request a postponement of the zoning case for 2712 east 12th street from today's council agenda to next Thursday, December 15, 2011 so that council can have all three hearings and hopefully approve it at next weeks meeting.

Please let me know if you request additional information

Best,
Sean Garretson
