

HISTORIC LANDMARK COMMISSION
FEBRUARY 27, 2012
DEMOLITION AND RELOCATION PERMITS
HDP-2012-0020
2600 CANTERBURY STREET

PROPOSAL

Demolish a ca. 1937 house.

ARCHITECTURE

One-story, rectangular-plan side-gabled frame cottage with a central, front-gabled overdoor hood; single 1:1 fenestration.

RESEARCH

City building permit records and city directories indicate a construction date of 1937 for this house, which was built by Marvin Braswell as a rental unit. The house is listed as vacant in the 1939 city directory, the first time the address appears, then was home to a wide variety of renters, including UT students, carpenters, a shipping clerk, a sheet metal worker, and a tile-setter. With only one exception, the tenants lived in this house for around 2 years each.

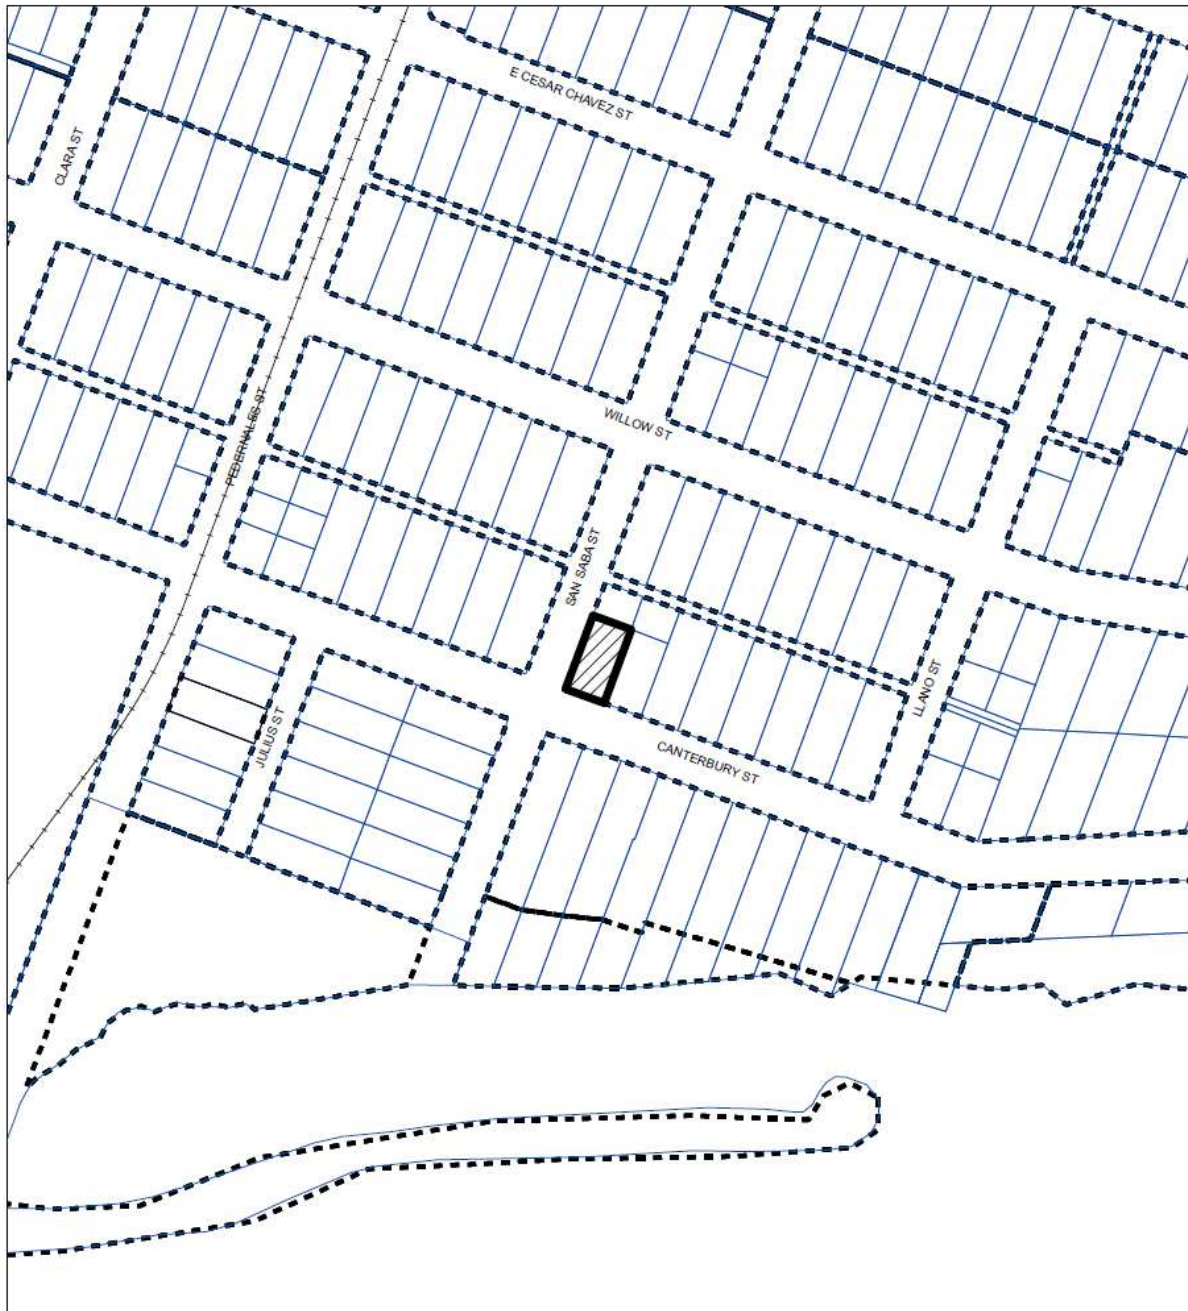

STAFF COMMENTS

The house does not appear in any city survey.

STAFF RECOMMENDATION

Release the demolition permit. The house has neither the architectural nor the historical significance to warrant individual designation as a historic landmark and is a common type of mid- to late 1930s working class housing.
