Sustaining Places: implementing comprehensive plans

Task Force endorses the plan

21-3

Council Resolution

- a) review the action items developed during the working group process for the comprehensive plan elements and make recommendations to ensure those ideas have been adequately incorporated into the draft comprehensive plan

Task Force received working group actions and incorporated changes during their review of the draft plan.

Council Resolution

- b) existing plans, including appendices of the current adopted comprehensive plan, and the draft comprehensive plan**

Comp Plan Committee reviewed 26 master plans and 28 neighborhood plans, incorporating changes to the plan text and growth concept map at their meetings in January and February.

Council Resolution

- c) provide community members an opportunity to request additional information and data for analysis of the draft comprehensive plan and help identify gaps in data analysis, if such gaps exist**

Public meeting on Nov. 14 allowed the community to request additional data. Several additional analyses of the preferred scenario or growth concept map (amount of growth over the aquifer, near SH-130, within City limits & ETJ, over floodplains and steep slopes, etc.) will be included in appendix.

Council Resolution

- d) complete an analysis of the Preferred Growth Scenario Map based on the sustainability indicators used to compare the Alternate Future Scenarios maps;**

Completed.

Council Resolution

- e) develop a method of tracking how the recommended action items relate to the policy recommendations within the draft comprehensive plan to provide additional insight on how the action items will advance the goals of the Vision Statement;

Staff produced a report connecting revised policies to revised actions. Working Group chairs reviewed this report and submitted comments that were incorporated into their adoption draft.

Council Resolution

- f) review and offer recommendations on amendments enhancing the performance measures and benchmarks within the draft comprehensive plan;**

Work program and metrics included with revised priority programs.

Council Resolution

- g) recommend a schedule for the completion of the comprehensive plan, including adequate time for review and discussion by the boards and commissions.
