The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice to be sent to each Holder by United States Mail, first class postage prepaid; this notice shall also give the address of the new Paying Agent/Registrar.
The principal of and premium, if any, on the Bonds are payable at the Stated Maturities or redemption of the Bonds, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices in Jersey City, New Jersey (the “Designated Payment/Transfer Office”). If the date for the payment of the principal of or interest on the Bonds shall be a day other than a Business Day, then the date for that payment shall be the next succeeding day which is a Business Day; and payment on this date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more Stated Maturities on a scheduled payment date, which non-payment shall continue for thirty (30) days thereafter, a new record date for such interest payment for such Stated Maturity or Maturities (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last Business Day next preceding the date of mailing of such notice.

SECTION 5: REDEMPTION.

(a) Optional Redemption. The Bonds having Stated Maturities on and after November 15, 2022, shall be subject to redemption prior to maturity, at the option of the City, in whole or in part, in principal amounts of $5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on November 15, 2021, or on any date after November 15, 2021, at the redemption price of par plus accrued interest to the date of redemption.

(b) Exercise of Redemption Option. At least forty-five (45) days prior to a redemption date for the Bonds (unless a shorter notification period is satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date of redemption. The decision of the City to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the City.
(c) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding, which is obtained by dividing the principal amount of such Bonds by $5,000, and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City’s expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the Business Day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount to be redeemed, shall become due and payable on the redemption date specified, and the interest on the Bonds, or on the portion of the principal amount of the Bonds to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption has been given or waived as provided in this Ordinance, that Bond (or the principal amount to be redeemed) shall become due and payable, and interest shall cease to accrue from and after the redemption date, provided moneys sufficient for the payment of these Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

(e) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of notice of redemption, the notice may state that the redemption is conditional upon the receipt of the moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if such prerequisites are not made or sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.
SECTION 6: REGISTRATION - TRANSFER - EXCHANGE OF BONDS - PREDECESSOR BONDS. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each Holder of the Bonds issued under this Ordinance. Any Bond may, in accordance with its terms and the terms of this Ordinance, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange executed by the Holder or by his authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 8 of this Ordinance) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of authorized denominations and of like Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 8 of this Ordinance) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any such transfer or exchange shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise provided in this Ordinance, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges that are required to be paid for the transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to this Ordinance are defined to be “Predecessor Bonds,” evidencing all or a portion of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or
transfer. Additionally, the term “Predecessor Bonds” includes any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu of the Bond pursuant to Section 22 of this Ordinance and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond; however, this limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 7: BOOK-ENTRY ONLY TRANSFERS AND TRANSACTIONS. Notwithstanding the provisions contained in Sections 4, 5 and 6 of this Ordinance relating to the payment, redemption and transfer/exchange of the Bonds, the City approves and authorizes the use of the “Book-Entry Only” securities clearance, settlement and transfer system provided by The Depository Trust Company (“DTC”), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations, by and between the City and DTC (the “Depository Agreement”).

SECTION 9: INITIAL BOND(S). The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount shown in Section 1 hereof, with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the “Initial Bond(s)”) and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the purchaser’s designee, shall cancel the Initial Bond(s) delivered and exchange them for definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses the Holders identified all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the purchaser’s designee, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

Registered Owner:

Principal Amount: DOLLARS

The City of Austin (the “City”), a body corporate and municipal corporation in the Counties of Travis, Williamson and Hays, State of Texas, for value received, hereby promises to pay to the order of the Registered Owner named above, or the registered assigns thereof, solely from the revenues identified in this Bond, on the Stated Maturity date specified above the Principal Amount stated above (or so much thereof as shall not have been paid upon prior redemption) and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on the unpaid Principal Amount hereof from the Issue Date at the per annum rate of interest specified above; such interest being payable
on May 15 and November 15 of each year, commencing November 15, 2012, until maturity or prior redemption. Principal of this Bond is payable at its Stated Maturity or redemption to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor; provided, however, while this Bond is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount hereof may be accomplished without presentation and surrender of this Bond. Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Ordinance) whose name appears on the “Security Register” maintained by the Paying Agent/Registrar at the close of business on the “Record Date”, which is the last Business Day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register on the Record Date or by such other method acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a day other than a Business Day, then the date for such payment shall be the next succeeding day which is a Business Day; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the registered owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of $_____________ (the “Bonds”) for the purpose of refinancing and refunding the Refunded Bonds and paying costs of issuance, under and in strict conformity with the Constitution and laws of the State of Texas, including V.T.C.A., Government Code, Chapter 1207, and pursuant to an Ordinance adopted by the governing body of the City (the “Ordinance”).

The Bonds maturing on and after November 15, 2022 may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of $5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on November 15, 2021, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty days prior to the date fixed for any redemption of Bonds, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall
have been called for redemption and notice of such redemption given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

The Bonds are special obligations of the City payable solely from and, together with the other Parity Obligations executed and delivered in connection with the issuance of the Bonds, equally and ratably secured by a subordinate parity lien on and pledge of, the Pledged Revenues in the manner provided in the Ordinance. Additionally, the Bonds shall be equally and ratably secured by a lien on the funds, if any, deposited to the credit of the Bond Fund and the Reserve Fund in accordance with the terms of the Ordinance. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City, except with respect to the Pledged Revenues. The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by ad valorem taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Pledged Revenues, in the same manner and to the same extent as the Bonds.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the Pledged Revenues pledged to the payment of the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the
terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinance may be discharged at or prior to the Stated Maturity of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained in the Ordinance. Capitalized terms used in this Bond have the same meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by, the registered owner hereof, or his authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on one or more maturities on a scheduled payment date, which non-payment shall have continued for thirty (30) days thereafter, a new record date for such interest payment for such maturity or maturities (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last Business Day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and covenanted that the City is an organized and legally existing municipal corporation under and pursuant to the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City.
have been properly done, have happened and have been performed in regular and due
time, form and manner as required by the Constitution and laws of the State of Texas and
the Ordinance; that the Bonds do not exceed any constitutional or statutory limitation;
and that due provision has been made for the payment of the Bonds by a pledge of the
Pledged Revenues. In case any provision in this Bond or any application thereof shall be
invalid, illegal, or unenforceable, the validity, legality, and enforcement of the remaining
provisions and applications shall not in any way be affected or impaired thereby. The
terms and provisions of this Bond and the Ordinance shall be construed in accordance
with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be
executed under the official seal of the City as of the Bond Date.

(or so much thereof as shall not have been prepaid prior to maturity) and to pay interest on the unpaid principal amounts hereof from the Issue Date at the per annum rates of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on May 15 and November 15 of each year, commencing November 15, 2012, until maturity or prior redemption. Principal installments of this Bond are payable in the year of maturity or on a redemption date to the registered owner hereof, by Deutsche Bank National Trust Company (the “Paying Agent/Registrar”), upon presentation and surrender, at its designated offices in Jersey City, New Jersey (the “Designated Payment/Transfer Office”). Interest is payable to the registered owner of this Bond whose name appears on the “Security Register” maintained by the Paying Agent/Registrar at the close of business on the “Record Date”, which is the last Business Day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of registered owner recorded in the Security Register on the Record Date or by such other method acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner or holder hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 11: PLEDGE AND SOURCE OF PAYMENT. The Bonds and other Parity Obligations shall constitute special obligations of the City payable from and, subject and subordinate to the payment of the Prior Lien Bonds and priority of uses contained in the ordinance authorizing the issuance of the Prior Lien Bonds, equally and ratably secured by a lien on the Pledged Revenues. Such Pledged Revenues, or other
lawfully available funds of the City, shall, in the manner provided in this Ordinance, be set aside for and pledged to the payment of the Parity Obligations and Junior Obligations, and all expenses of providing for their full and timely payment in accordance with their terms, in the Bond Fund and the Reserve Fund as provided in this Ordinance. The City grants a lien on the Pledged Revenues and Bond Fund to secure the payment of principal of and premium, if any, and interest on the Parity Bonds and all other payments due on the Parity Obligations and Junior Obligations; and the City further grants a lien on the Reserve Fund to secure the payment of principal of and premium, if any, and interest on the Parity Bonds. Except as otherwise expressly provided by their terms, all Parity Obligations shall be in all respects on a parity with and of equal dignity with one another. The liens granted under this Ordinance shall be valid and binding and fully perfected after the date of adoption of this Ordinance without physical delivery or transfer of control of the Pledged Revenues, the filing of this Ordinance or any other act; all as provided in Chapter 1208 of the Texas Government Code. The Holders of the Parity Bonds and the beneficiaries of the other Parity Obligations and Junior Obligations shall never have the right to demand payment of the principal of, interest on or any redemption premium on the Parity Bonds (or payment of other amounts owed by the City in respect of other Parity Obligations or Junior Obligations) out of any funds raised or to be raised by taxation, other than the Pledged Revenues.

If Texas law is amended at any time while the Bonds and Parity Obligations or Junior Obligations related to the Bonds are Outstanding such that the pledge of the Pledged Revenues granted by the City under this Section 11 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, or other law, then to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable filing requirements to continue the perfection of such security interest.

SECTION 12:  LEVY OF HOTEL OCCUPANCY TAX.

(a) The City has levied, and while any Bonds and Parity Obligations or Junior Obligations related to the Bonds remain Outstanding the City levies and covenants that it shall continue to levy, a Hotel Occupancy Tax on the cost of occupancy of any sleeping room furnished by any hotel within the corporate limits of the City, in which the cost of occupancy is $2.00 or more each day, at a rate of at least 7% of the consideration paid by the occupant of the sleeping room to the hotel, all as authorized by the Tax Act. The City further covenants that it shall enforce the provisions of this Ordinance, or any other ordinance levying a hotel occupancy tax, concerning the collection, remittance and payment of the Hotel Occupancy Tax.
In addition to the Hotel Occupancy Tax levied and to be collected pursuant to (a) above, the City has levied, and while any Parity Obligations or Junior Obligations remain Outstanding the City levies and covenants that it shall continue to levy, a Special Hotel Occupancy Tax on the cost of occupancy of any sleeping room furnished by any hotel within the corporate limits of the City, in which the cost of occupancy is $2.00 or more each day, at a rate of at least 2% of the consideration paid by the occupant of the sleeping room to the hotel, to finance or refinance the costs of the Convention Center/Waller Creek Venue Project, all to the extent authorized by V.T.C.A. Local Government Code, Chapter 334, particularly Subchapter H and an election held in the City on May 2, 1998. The City further covenants that it shall enforce the provisions of this Ordinance and Ordinance No. 980709-G, or any other ordinance levying a hotel occupancy tax, concerning the collection, remittance and payment of the Special Hotel Occupancy Tax.

SECTION 13: SPECIAL FUNDS.

(a) Hotel Occupancy Tax Special Funds. In accordance with the ordinance authorizing the issuance of the Prior Lien Bonds payable from and secured by a lien on and pledge of the Pledged Hotel Occupancy Tax Revenues, the following special funds and accounts have been created, established and shall be maintained while any of the Prior Lien Bonds remain Outstanding:

1. Convention Center Hotel Occupancy Tax Fund (“Tax Fund”);
2. Convention Center Hotel Occupancy Tax Bond Debt Service Fund (“Senior Debt Service Fund”);
3. Subordinate Lien Hotel Occupancy Tax Debt Service Fund (“Original Subordinate Debt Service Fund”, and together with the Senior Debt Service Fund, the “Debt Service Fund”);
4. Convention Center Hotel Occupancy Tax Bond Debt Service Reserve Fund (“Senior Debt Service Reserve Fund”); and
5. Subordinate Lien Hotel Occupancy Tax Debt Service Reserve Fund (“Original Subordinate Debt Service Reserve Fund”, and together with the Senior Debt Service Reserve Fund, the “Debt Service Reserve Fund”).

Such funds and accounts may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the federal government, provided such accounts or subaccounts are not inconsistent with the ordinance authorizing the issuance of the Prior Lien Bonds and this Ordinance.
(b) **Special Hotel Occupancy Tax Special Funds.** The City confirms the establishment of the Venue Project Fund maintained at an official depository of the City for the Convention Center/Waller Creek Venue Project in accordance with Section 334.042 of the Venue Act and pursuant to Ordinance No. 980709-G and the establishment of the following sub-accounts within such Venue Project Fund on the books of the City for the benefit of such Bonds, namely:

1. Convention Center/Waller Creek Venue Project Special Hotel Occupancy Tax Account (“Tax Account”);

2. Convention Center/Waller Creek Venue Project Bond Debt Service Account (“Debt Service Account”); and

3. Convention Center/Waller Creek Venue Project Bond Debt Service Reserve Account (“Debt Service Reserve Account”).

Such funds and accounts may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the federal government, provided such accounts or subaccounts are not inconsistent with the ordinance authorizing the issuance of the Previously Issued Bonds and this Ordinance.

(c) **Special Funds for Parity Obligations.** For the benefit of the Holders of the Parity Bonds and the beneficiaries of the other Parity Obligations, the City agrees and covenants to establish and maintain the following special funds or accounts:

1. Subordinate Lien Hotel Occupancy Tax Fund (the “Bond Fund”) for the payment of the Parity Obligations when and as the same shall become due and payable; and

2. Subordinate Lien Hotel Occupancy Tax Reserve Fund (the “Reserve Fund”) to provide a reserve to pay the principal of and interest on the Parity Bonds when funds in the Bond Fund are insufficient.

The Bond Fund and Reserve Fund may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the federal government, provided such accounts or subaccounts are not inconsistent with the provisions of this Ordinance.

**SECTION 14: FLOW OF FUNDS.**

(a) **Flow of Funds Regarding Pledged Hotel Occupancy Tax Revenues.** The City covenants and agrees that all Pledged Hotel Occupancy Tax Revenues shall be
deposited as received into the Tax Fund. Money from time to time credited to the Tax Fund shall be applied as follows in the following order of priority:

First, to transfer all amounts to the Debt Service Fund required by the ordinance authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Second, to transfer all amounts to the Debt Service Reserve Fund required by the ordinance authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Third, to transfer to the Bond Fund all amounts necessary to provide for the payment of Parity Obligations.

Fourth, to transfer to the Reserve Fund the amounts required pursuant to Section 16 of this Ordinance.

Fifth, to the payment of all Junior Obligations secured under this Ordinance on a pari passu basis.

Sixth, for any lawful purpose under the Tax Act.

(b) Flow of Funds Regarding Special Hotel Occupancy Tax. The City covenants and agrees that all receipts and revenues collected and received by the City from the Special Hotel Occupancy Tax shall be deposited to the credit of the Venue Project Fund and more particularly to the credit of the Tax Account. Following the issuance of the Bonds and while Parity Obligations and Junior Obligations remain Outstanding, money from time to time credited to the Tax Account shall be applied as follows in the following order of priority:

First, to transfer all amounts to the Debt Service Account required by the ordinance authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Second, to transfer all amounts to the Debt Service Reserve Account required by the ordinance authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Third, to transfer to the Bond Fund all amounts necessary to provide for the payment of the Parity Bonds and Parity Obligations related to the Bonds.

Fourth, to transfer to the Reserve Fund the amounts required pursuant to Section 16 of this Ordinance.
Fifth, to the payment of all Junior Obligations related to the Parity Bonds related to the Bonds secured hereunder on a pari passu basis.

Sixth, to pay the costs of operating or maintaining the Convention Center/Waller Creek Venue Project.

SECTION 15: BOND FUND. Subject to satisfying the required payments for the benefit of the Prior Lien Bonds in accordance with the ordinance authorizing their issuance, the City covenants and agrees that before each Interest Payment Date, stated maturity date and mandatory redemption date for the Parity Bonds (and before the dates payments are due on other Parity Obligations) there shall be deposited into the Bond Fund, which is to be an Eligible Account held for the benefit of the Parity Obligations, from the Pledged Revenues, an amount equal to one hundred percent (100%) of the amount required to fully pay the amount then due and payable on the Parity Obligations, and such deposits shall be made in substantially equal quarterly installments (based on the total annual Debt Service Requirements to be paid on the Parity Obligations divided by the number of Transfer Dates to occur during the period covered by such calculation) on or before each Transfer Date, beginning on the first Transfer Date to occur after the delivery of the Bonds.

In addition, on each Transfer Date, the City covenants and agrees to cause to be deposited into the Bond Fund from the Pledged Revenues an amount calculated to pay all expenses of providing for the full and timely payment of the principal of, premium, if any, and interest on the Parity Bonds in accordance with their terms, including without limitation, all fees charged or incurred for paying agent/registrar services rendered in connection with the Parity Bonds.

Money credited to the Bond Fund shall be used solely for the purpose of paying on a pari passu basis (except as otherwise provided) principal (at maturity or prior redemption or to purchase Parity Bonds issued as term bonds in the open market to be credited against mandatory redemption requirements), interest and redemption premiums on Parity Bonds and all other amounts due on other Parity Obligations, plus all other charges, costs and expenses relating to such payment, including those described in the preceding paragraph. On the Business Day immediately preceding each payment due date for the Parity Obligations, the City shall transfer from the Bond Fund and Reserve Fund, if necessary, to the appropriate paying agent/registrar amounts equal to the amounts due on the Parity Obligations on such date.

The City may establish and utilize such accounts within the Bond Fund as it may, from time to time, deem appropriate.
SECTION 16: RESERVE FUND.

(a) The Reserve Fund has been established for the benefit of the Parity Bonds. The City shall establish and maintain a balance in the Reserve Fund equal to the Reserve Fund Requirement. The Reserve Fund Requirement may be funded by a Reserve Fund Surety Bond issued by an insurance company or other entity that maintains ratings (either for the long term unsecured debt of the issuer of such Reserve Fund Surety Bond or for obligations insured, secured or guaranteed by such issuer) in the highest letter category by two major municipal securities credit rating services.

(b) In accordance with the provisions of the ordinance authorizing the issuance of the Previously Issued Bonds, there is currently on deposit in the Reserve Fund the sum of $_________ (the “Current Reserve Amount”). By reason of the issuance of the Bonds, the total amount to be accumulated and maintained as the Reserve Fund Requirement has been determined to be $_________. The difference between the Reserve Fund Requirement and the Current Reserve Amount will be funded in full on the date of the delivery of the Bonds with proceeds of sale of the Bonds.

(c) At such time as the Previously Issued Bonds are no longer Outstanding, paragraph (a) above shall be amended to read as follows:

(a) “The Reserve Fund has been established for the benefit of the Parity Bonds. The City shall establish and maintain a balance in the Reserve Fund equal to the Reserve Fund Requirement. In addition to or in lieu of cash on deposit in the Reserve Fund, the Reserve Fund Requirement may be funded by a Reserve Fund Surety Bond issued by an insurance company or other entity that is rated as of the date of acquisition of the Reserve Fund Surety Bond (either for the long term unsecured debt of the issuer of such Reserve Fund Surety Bond or for obligations insured, secured or guaranteed by such issuer) in either of the two highest letter categories by two major municipal securities credit rating services.”

(d) In any Transfer Period in which the Reserve Fund contains less than the Reserve Fund Requirement, or in which the City is obligated to repay or reimburse any issuer of a Reserve Fund Surety Bond (in the event such Reserve Fund Surety Bond is drawn upon), then after making all required transfers to the Bond Fund, there shall be transferred into the Reserve Fund from the available Pledged Revenues on each Transfer Date amounts necessary to reestablish the Reserve Fund Requirement and satisfy any repayment obligations to the issuer of any Reserve Fund Surety Bond. After such amount has been accumulated in the Reserve Fund and after satisfying any repayment obligation to any Reserve Fund Surety Bond issuer and so long thereafter as such fund
contains such amount and all such repayment obligations have been satisfied, no further transfers shall be required to be made, and any excess amounts in such fund may be transferred to the Bond Fund. But, if and whenever the balance in the Reserve Fund is reduced below the Reserve Fund Requirement, or any Reserve Fund Surety Bond repayment obligations arise, transfers to the Reserve Fund shall be resumed and continued in the manner stated above to restore the Reserve Fund Requirement and to pay such reimbursement obligations.

(e) The Reserve Fund shall be used to pay the principal of and interest on the Parity Bonds at any time when there is not sufficient money available in the Bond Fund for such purpose and to make any payments required to satisfy repayment obligations to issuers of Reserve Fund Surety Bonds, and may also be used to make the final payments for the retirement or defeasance of the Parity Bonds.

(f) If an Authorized Official determines that doing so would be in the best interest of the City, the Reserve Fund Requirement may be funded wholly or partly by a Reserve Fund Surety Bond selected by an Authorized Official (the “Surety Bond Issuer”). An Authorized Official may approve the terms and form of the Reserve Fund Surety Bond and of a guaranty or other agreement pursuant to which the City is obligated to pay premiums, fees, and reimbursement obligations owing to the Surety Bond Issuer (a “Guaranty Agreement”). In connection with a Reserve Fund Surety Bond and any Additional Bonds that are Parity Bonds, the City, the Paying Agent/Registrar and the Surety Bond Issuer may approve procedures providing for a reasonable allocation among Reserve Fund Surety Bonds and funds held in the Reserve Fund to make payments on Parity Bonds and to provide for repayments to Surety Bond Issuers.

SECTION 17: DEFICIENCIES IN FUNDS OR ACCOUNTS. Subject to satisfying the required payments for the benefit of the Prior Lien Bonds in accordance with the ordinance authorizing their issuance, if on any Transfer Date there shall not be transferred into any fund or account maintained pursuant to this Ordinance the full amounts required in this Ordinance, amounts equivalent to such deficiency shall be set apart and transferred to such fund or account from the first available and unallocated Pledged Revenues, and such transfer shall be in addition to the amounts otherwise required to be transferred to such fund or account on any succeeding Transfer Date or Transfer Dates.

SECTION 18: INVESTMENT OF FUNDS; TRANSFER OF INVESTMENT INCOME.

(a) Money in all funds shall, at the option of the City, be invested in the manner provided by Texas law and the City’s investment policy; except all such deposits and investments shall be made in such manner that the money required to be expended from
any fund will be available at the proper time or times. All such investments shall be valued no less frequently than the last Business Day of the City’s Fiscal Year at market value, except that any direct obligations of the United States of America - State and Local Government Series shall be continuously valued at their par value or principal face amount. For purposes of maximizing investment returns, money in such funds may be invested, together with money in other funds or with other money of the City, in common investments or in a common pool of such investments maintained by the City at an official depository of the City or in any fund or investment vehicle permitted by Texas law, which shall not be considered to be a loss of the segregation of such money or funds if safekeeping receipts, certificates of participation or other documents clearly evidencing the investment or investment pool in which such money is invested and the share purchased with such money or owned by such funds are held by or on behalf of each such fund. If and to the extent necessary, such investments or participations in these funds shall be promptly sold to prevent any default.

(b) All interest and income derived from deposits and investments credited to the Bond Fund and Reserve Fund shall remain a part of the fund from which such investment was made, and such investment interest and income shall reduce by like amount any required transfer to such funds from the Pledged Revenues, except at any time when the Reserve Fund has on deposit an amount more than the Reserve Fund Requirement, all investment interest and income received on any investment of funds in such fund shall be deposited to the credit of the Bond Fund.

(c) Notwithstanding anything to the contrary contained in this Ordinance, any interest and income derived from deposits and investments of any amounts credited to any fund or account may be (i) transferred into any rebate account or subaccount and (ii) paid to the federal government if in the opinion of nationally recognized bond counsel such payment is required to comply with any covenant contained in an order, resolution or ordinance to prevent interest on any Parity Bonds from being includable within the gross income of the owners thereof for federal income tax purposes.

SECTION 19: ADDITIONAL BONDS

(a) No Prior Lien Bonds. The City covenants that it will not issue any additional bonds or other obligations payable from and secured by a lien on and pledge of the Pledged Revenues that is senior to the lien securing the Parity Obligations.

(b) Refunding Bonds. The City expressly reserves the right to issue refunding bonds to refund all or a portion of the Parity Bonds or refunding bonds previously issued to refund Parity Bonds. Such refunding bonds may be secured by a lien on Pledged Revenues on a parity with or subordinate to the lien securing the Parity Bonds.
(c) **Other Additional Bonds.**

(1) In regard to the Pledged Revenues, the City reserves and retains the right to issue or incur additional obligations secured wholly or partly by a parity lien on such Pledged Revenues or by a lien junior and subordinate to the lien on such Pledged Revenues securing payment of the Parity Bonds; provided, however, that no such Parity Bonds or Junior Subordinate Lien Bonds shall be issued unless the following conditions are satisfied:

   (i) the City’s Chief Financial Officer (or other officer of the City having primary responsibility for the financial affairs of the City) shall provide a certificate showing that, for the City’s most recent completed Fiscal Year or for any consecutive 12-month period out of the most recently 18 months preceding the month the ordinance authorizing the issuance of the Parity Bonds or Junior Subordinate Lien Bonds is adopted (the “Coverage Period”), (A) the Pledged Hotel Occupancy Tax Revenues for the Coverage Period are equal to at least 130% of the maximum annual Debt Service Requirement of all Prior Lien Bonds and Parity Bonds then Outstanding scheduled to occur in the then current or any future Fiscal Year after taking into consideration the issuance of the Parity Bonds, if any, proposed to be issued, and deducting from the maximum annual Debt Service Requirement for such Prior Lien Bonds and Parity Bonds an amount equal to the revenues received from the Special Hotel Occupancy Tax for the Coverage Period and (B) the “Net Pledged Hotel Occupancy Tax Revenues” for the Coverage Period (i.e., the Pledged Hotel Occupancy Tax Revenues after deducting an amount equal to the maximum annual Debt Service Requirement applied in satisfying the coverage requirement in clause (A) above), together with any other revenues pledged wholly or partly to the payment of any Junior Subordinate Lien Bonds, are equal to at least 130% of the maximum annual Debt Service Requirement on all Junior Subordinate Lien Bonds then Outstanding and scheduled to occur in the then current or any future Fiscal Year after giving effect to the issuance of the Junior Subordinate Lien Bonds then being issued, if any; provided, however, at such time as the Prior Lien Bonds are no longer Outstanding, the coverage requirement in clause (A) above shall be reduced to 125% and the coverage requirement of clause (B) shall be reduced to 100%; and
(ii) provision is made in the ordinance authorizing issuance of the Parity Bonds or Junior Subordinate Lien Bonds, as the case may be, for the complete funding of any required reserves for payment of principal of and interest on such Parity Bonds or Junior Subordinate Lien Bonds as of their initial delivery.

(2) Among the future obligations authorized to be issued or incurred pursuant to this Section 19(c) are Credit Agreements. The City may enter into such a Credit Agreement payable from and secured wholly or partly by a lien on Pledged Revenues if it obtains either (i) the consent from any Credit Facility Provider issuing a Credit Facility (as such terms are defined in the ordinance authorizing the Previously Issued Bonds) in support of the Bonds or (ii) written confirmation from each Rating Agency then rating the Parity Bonds at the request of the City that issuance of the Credit Agreement will not cause a withdrawal or reduction in the rating assigned to the Bonds; provided, however, that such consent in clause (i) and confirmation in clause (ii) above is not required for Interest Rate Management Agreements. The City may secure its obligations under a future Credit Agreement by a lien on Pledged Revenues if such lien is on a parity with or subordinate to the lien securing the Parity Bonds.

(3) If the City issues Variable Rate Obligations, it shall use the following procedures for purposes of determining the maximum and the average annual Debt Service Requirements of Variable Rate Obligations:

(i) At the sole discretion of the City, such Variable Rate Obligations shall be deemed to bear interest at one of the following rates: (A) an interest rate equal to the average rate borne by such obligations (or by comparable debt if such obligations have not been outstanding during the preceding 24 months) for any 24-month period ending within 30 days before the date of calculation; (B) if the City has entered into a related Credit Agreement in the nature of an Interest Rate Management Agreement, the rate payable by the City under such Credit Agreement; or (C) an interest rate equal to the 30-Year Tax-Exempt Revenue Bond Index rate as published in The Bond Buyer on any date selected by the City within 30 days before the date of calculation. If such index is no longer published in The Bond Buyer, an index of tax-exempt revenue bonds with maturities of 20 years, or more, published in a financial
newspaper or journal with national circulation may be selected by the City and used for this purpose.

(ii) If the City has entered into a Credit Agreement in connection with an issue of obligations payable from and secured by Pledged Revenues and if Clause B of paragraph (c)(1)(i) above does not apply, (X) payments due under the Credit Agreement, from either the City or the other party to the Credit Agreement, shall be included in such calculation except to the extent that the payments are already taken into account in the debt service calculation, (Y) any payments that would otherwise be included under the debt service calculation which are to be replaced by payments under a Credit Agreement from either the City or the other party to the Credit Agreement shall be excluded from such calculation, and (Z) payments due under a Credit Agreement that are paid at a variable rate shall be deemed to be made at a fixed rate determined in a manner consistent with clause A of paragraph (c)(1)(i) above. For any calculation of historic data, only those payments actually made in the subject period shall be taken into account in making such calculation and for prospective calculations, only those payments reasonably expected to be made in the subject period shall be taken into account in making the calculation.

(4) If the City has entered into a Credit Agreement to discharge or purchase any of its obligations payable from or secured by Pledged Revenues under arrangements where the City’s obligation to repay the amounts advanced under the Credit Agreement for the discharge or purchase is payable over more than one year from the advance under the Credit Agreement, then the portion of the obligations committed to be discharged or purchased pursuant to the Credit Agreement shall be excluded from any calculation of debt service requirements, and the principal of and interest requirements that constitute the City’s reimbursement obligation shall be added.

(5) In determining the Pledged Hotel Occupancy Tax Revenues available to satisfy the coverage requirements of condition (c)(1) above, the City may take into consideration an increase in the portion of the Pledged Hotel Occupancy Tax Revenues that became effective during the Coverage Period and, for purposes of satisfying the above coverage tests, make a pro forma determination of the Pledged Hotel Occupancy Tax Revenues for the
Coverage Period based on such increased portion of the Pledged Hotel Occupancy Tax Revenues being in effect for the entire Coverage Period.

(6) Any Additional Bonds may bear any name or designation provided by the ordinance authorizing their issuance and may be issued in such form and manner as may be authorized by law. Furthermore, any such bonds may be secured by any other source of payment lawfully available for such purposes, including a Credit Agreement, financial guaranty insurance policy or similar credit or liquidity support. Any Reimbursement Obligation or obligation under a Credit Agreement may be secured by Pledged Revenues on a basis pari passu with the Parity Bonds or Junior Subordinate Lien Bonds.

SECTION 20: COVENANTS AND PROVISIONS RELATING TO ALL PARITY OBLIGATIONS

(a) Punctual Payment of Parity Obligations. The City covenants it will punctually pay or cause to be paid the interest and any premium on and principal of all Parity Obligations according to their terms and will faithfully do and perform, and at all times fully observe, any and all covenants, undertakings, stipulations and provisions contained in this Ordinance and in any other ordinance authorizing the issuance of such Parity Obligations.

(b) Pledge and Encumbrance of Pledged Revenues. The City covenants and represents that it has the lawful power to create a lien on and to pledge the Pledged Revenues to secure the payment of the Parity Obligations and Junior Obligations and has lawfully exercised such power under the Constitution and laws of the State of Texas. The City further covenants and represents that, other than to the payment of the Prior Lien Bonds, the bonds and obligations authorized and reserved to be issued in this Ordinance, the Pledged Revenues are not and will not be made subject to any other lien, pledge or encumbrance to secure the payment of any debt or obligation of the City unless such lien, pledge or encumbrance is junior and subordinate to the lien and pledge securing payment of the Parity Obligations.

(c) Bondholders’ Remedies. This Ordinance shall constitute a contract between the City and the Holders of the Bonds from time to time Outstanding and the beneficiaries of other Parity Obligations and Junior Obligations and this Ordinance shall be and remain irrepealable until the Bonds and the other Parity Obligations and Junior Obligations shall be fully paid or discharged or provision for payment or discharge shall have been made as provided in this Ordinance. In the event of a default in the payment of the principal of or interest or any premium on any of the Bonds or a default in the performance of any duty or covenant provided by law or in this Ordinance, each Holder
of a Bond and each beneficiary of any Parity Obligation or Junior Obligations may pursue all legal remedies afforded by the Constitution and laws of the State of Texas to compel the City to remedy such default and to prevent further default or defaults. Without in any way limiting the generality of the preceding, it is expressly provided that each Holder of a Bond and each beneficiary of any Parity Obligation or Junior Obligations may at law or in equity, by suit, action, mandamus, or other proceedings, enforce and compel performance of all duties required to be performed by the City under this Ordinance, including the application of Pledged Revenues in the manner required in this Ordinance; provided, however, that no Holder of a Bond and no beneficiary of a Parity Obligation or a Junior Obligation shall ever have the right to demand payment of the principal of, interest on or any redemption premium on the Bonds or any payment on any Parity Obligation or Junior Obligations out of any funds raised or to be raised by taxation, other than the Pledged Hotel Occupancy Tax Revenues and the Special Hotel Occupancy Tax.

(d) Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of the Pledged Revenues under this Ordinance and all other obligations of the City to the Holders shall cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) of the Bonds shall be considered to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) of the Bonds at maturity or to the redemption date, together with all interest due on such Bonds, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of, premium, if any, and interest on such Bonds, or the principal amount(s), on and before the Stated Maturity thereof or (if notice of redemption has been given or waived or if irrevocable arrangements acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of money or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as “arbitrage bonds” within the meaning of section 148 of the Code, or Regulations.

Any money so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying
Agent/Registrar or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest on the Bonds with respect to which such money has been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such money was deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt for the funds. Notwithstanding the above and preceding, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

With respect to the Previously Issued Bonds, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section 21(d) shall be used at the first practicable date to pay the Purchase Price or Redemption Price, as applicable, of the Bonds being deemed paid, retired and no longer outstanding as contemplated in the first paragraph of this Section 21(d). Capitalized terms used in this paragraph and not otherwise defined in this Ordinance shall have the meanings assigned in the ordinance authorizing the issuance of the Previously Issued Bonds.

(e) Non-Business Days. In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds or the due date for the payment or performance of any obligation shall be other than a Business Day, then such payment need not be made on such due date but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or other due date, and no interest shall accrue for the period from the scheduled due date to the date of actual payment. If any Transfer Date shall not be a Business Day, then the transfer otherwise required to be made on such date pursuant to Section 15 shall be made on the next succeeding Business Day.

SECTION 21: ALTERATION OF RIGHTS AND DUTIES; AMENDMENT OF ORDINANCE.

Capitalized terms used in this Section and not otherwise defined in this Ordinance shall have the meanings assigned in the ordinance authorizing the Previously Issued Bonds.

(a) Alteration of Rights and Duties. The rights, duties, and obligations of the City and the Holders of the Bonds are subject in all respects to all applicable federal and state laws including, without limitation, the provisions of federal law regarding the
composition of indebtedness of political subdivisions, as the same now exist or may be amended.

(b) Amendment of Ordinance Without Consent. The City may, without the consent of or notice to any of the Holders of the Bonds, amend this Ordinance for any one or more of the following purposes:

(1) to cure any ambiguity, defect, omission or inconsistent provision in this Ordinance or in the Bonds; or to comply with any applicable provision of law or regulation of federal agencies; provided, however, that such action shall not adversely affect the interests of the Holders of the Bonds;

(2) to change the terms or provisions of this Ordinance to the extent necessary to prevent the interest on the Bonds from being includable within the gross income of the owners thereof for federal income tax purposes;

(3) to grant to or confer upon the Holders of the Bonds any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders of the Bonds;

(4) to add to the covenants and agreements of the City contained in this Ordinance other covenants and agreements of, or conditions or restrictions upon, the City or to surrender or eliminate any right or power reserved to or conferred upon the City in this Ordinance;

(5) to amend any provisions relating to the issuance of Additional Bonds if the City first obtains a Rating Confirmation Notice with respect to such amendment; and

(6) to subject to the lien and pledge of this Ordinance additional Pledged Revenues, provided such amendment does not cause any reduction in any rating assigned to the Bonds by any major municipal securities evaluation service then rating the Bonds;

provided, however, that if and to the extent required by a Credit Facility, Liquidity Facility, an Interest Rate Management Agreement, another Credit Agreement or other provision of this Ordinance, the City shall first obtain the consent of the Credit Facility Provider, any Liquidity Facility Provider and the Interest Rate Management Agreement Counterparty to any such amendment pursuant to this Section 21.
(c) Amendments of Ordinance Requiring Consent.

(1) The City may at any time adopt one or more ordinances amending, modifying, adding to or eliminating any of the provisions of this Ordinance but, if such amendment is not of the character described in Section 21(b) of this Ordinance, only with the consent given in accordance with Section 21(d) of this Ordinance of the Holders of not fewer than a majority of the aggregate unpaid principal amount of the Parity Bonds then Outstanding and affected by such amendment, modification, addition, or elimination; provided, however, that nothing in this Section 21(c) shall permit (1) an extension of the maturity of the principal of or interest on any Bond issued hereunder, or (2) a reduction in the principal amount of any Bond or the rate of interest on any Bond or redemption price, or (3) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (4) a reduction in the aggregate principal amount of the Bonds required for consent to such amendment.

(2) If and to the extent required by a Credit Facility, Liquidity Facility, an Interest Rate Management Agreement, another Credit Agreement or other provision of this Ordinance, the City shall first obtain the consent of the Credit Facility Provider, any Liquidity Provider and the Interest Rate Management Agreement Counterparty to any such amendment pursuant to this Section 21(c).

(d) Consent of Holders. Any consent required by Section 21(c) shall be considered given

(1) By all Holders of Outstanding Bonds if a Credit Facility is in effect, the Credit Facility Provider is not in default under the Credit Facility and the Credit Facility Provider has given its written consent to the amendments in writing,

(2) By all Holders of Outstanding Bonds if the Bonds are remarketed following a mandatory tender of all Bonds and the substance of such amendment has been disclosed to the market in connection with such remarketing,

(3) By all Holders of Outstanding Bonds if the Bonds are in an Auction Rate Mode and if written notice of the substance of the proposed amendment has been furnished to the Holders and if following such disclosure, there have occurred at least two consecutive Auctions and in
each such Auction either Sufficient Clearing Bids existed or the Auction Rate determined was the Winning Bid Rate;

(4) By any Holder in any number of concurrent writings of similar tenor, signed by such Holder or his authorized attorney. Proof of the execution of any such consent or of the writing appointing any such attorney and of the ownership of Parity Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted to be taken by the City under such instrument, namely:

(i) the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution; and

(ii) the fact of the ownership by any person of any Bond and the date of the ownership of same may be proved by a certificate executed by an appropriate officer of the Paying Agent/Registrar, stating that at the date thereof such Bond was registered in the name of such party in the Security Register.

In lieu of the preceding the City may accept such other proofs of the preceding as it shall consider appropriate.

Consents obtained pursuant to Section 21(d)(4) shall be valid only if given following the mailing of notice by or on behalf of the City requesting such consent and setting forth the substance of the amendment of this Ordinance in respect of which such consent is sought and stating that copies thereof are available at the office of the City Clerk for inspection. Such notice shall be mailed by certified mail to each Holder of the Parity Bonds affected at the address shown on the Security Register.

(e) Revocation of Consent. Any consent by any Holder of a Bond pursuant to the provisions of Section 21(d)(4) shall be irrevocable for a period of six months from the date of mailing of the notice provided for in this Section, and shall be conclusive and binding upon all future Holders of the same Bond and any Bond delivered on transfer thereof or in exchange for or replacement thereof during such period. Such consent may be revoked at any time after six months from the date of the first mailing of such notice by the owner who gave such consent or by a successor in title, by filing notice thereof with the Paying Agent/Registrar, but such revocation shall not be effective if the Holders of a majority in aggregate principal amount of the Parity Bonds Outstanding as in this
Ordinance defined have, before the attempted revocation, consented to and approved the amendment.

SECTION 22: MUTILATED - DESTROYED - LOST AND STOLEN BONDS. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, destroyed, lost or stolen.

Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION 23: TAX EXEMPTION.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“Closing Date” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.
“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) **Not to Cause Interest to Become Taxable.** The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) **No Private Use or Private Payments.** Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds),
and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.
(g) **Information Report.** The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) **Rebate of Arbitrage Profits.** Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

1. The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

2. Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

3. As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Bond Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.
The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the City Manager, Chief Financial Officer and City Treasurer, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Bonds within three years after such Bonds are issued and (2) not more than 50% of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding. The Refunded Bonds being refunded by the Bonds constitute a current refunding as the payment and/or redemption of such Refunded Bonds will occur within 90 days of the delivery of the Bonds.

SECTION 24: SALE OF BONDS – BOND PURCHASE AGREEMENT.
The Bonds authorized by this Ordinance are sold by the City to Estrada Hinojosa & Company, Inc. and RBC Capital Markets LLC (collectively, the “Purchasers” or “Underwriters”) in accordance with the Bond Purchase Agreement, dated March 1, 2012, substantially in the form attached as Exhibit B and incorporated by reference as a part of this Ordinance for all purposes. The Mayor or Mayor Pro Tem is authorized and directed to execute said Bond Purchase Agreement for and on behalf of the City and as the act and deed of this Council, and in regard to the approval and execution of the Purchase Contract, the Council finds, determines and declares that the representations, warranties
and agreements of the City contained in the Bond Purchase Agreement are true and correct in all material respects and shall be honored and performed by the City.

SECTION 25: OFFICIAL STATEMENT. Furthermore, the use of the Official Statement by the Purchasers in connection with the public offering and sale of the Bonds is ratified, confirmed and approved in all respects. The final Official Statement reflecting the terms of sale (together with such changes approved by the Mayor, City Clerk, City Manager, Chief Financial Officer, Deputy Chief Financial Officer or City Treasurer, one or more of said officials), shall be and is in all respects approved and the Purchasers are authorized to use and distribute said final Official Statement, dated March 1, 2012, in the offering, sale and delivery of the Bonds to the public. The Mayor and City Clerk are further authorized and directed to manually execute and deliver for and on behalf of the City copies of said Official Statement in final form as may be required by the Purchasers, and such final Official Statement in the form and content manually executed by said officials shall be deemed to be approved by the City Council and constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 26: ESCROW AGREEMENT APPROVAL AND EXECUTION. The “Escrow Agreement” (the “Agreement”) by and between the City and Deutsche Bank National Trust Company, Jersey City, New Jersey (the “Escrow Agent”), attached as Exhibit C and incorporated by reference as a part of this Ordinance for all purposes, is approved as to form and content, and such Agreement in substantially the form and substance attached to this Ordinance, together with such changes or revisions as may be necessary to accomplish the refunding or benefit the City, is authorized to be executed by the Mayor or Mayor Pro Tem and City Clerk for and on behalf of the City and as the act and deed of this City Council; and such Agreement as executed by said officials shall be deemed approved by the City Council and constitute the Agreement approved by this Ordinance.

Furthermore, appropriate officials of the City in cooperation with the Escrow Agent are authorized and directed to make the necessary arrangements for the deposit of a portion of the proceeds of sale of the Bonds and other available funds of the City to the credit of the “SPECIAL 2012 CITY OF AUSTIN, TEXAS, HOTEL OCCUPANCY TAX/CONVENTION CENTER/WALLER CREEK VENUE PROJECT REFUNDING BOND ESCROW FUND” (the “Escrow Fund”) maintained by the Escrow Agent for the payment and redemption of the Refunded Bonds on April 24, 2012; all as contemplated and provided in V.T.C.A., Government Code, Chapter 1207, as amended, this Ordinance and the Agreement. The Escrow Agent is not a depository of the City.

SECTION 27: PROCEEDS OF SALE. Immediately following the delivery of the Bonds, proceeds of sale in the sum of (i) $_________ shall be deposited to the
credit of the Escrow Fund, (ii) $_________ shall be deposited to the credit of the Bond Fund, and (iii) $____________ shall be deposited to the Reserve Fund as provided in this Ordinance. The balance of the proceeds of sale of the Bonds shall be expended to pay costs of issuance and municipal bond insurance premium and any excess amount budgeted for such purpose shall be deposited to the credit of the Bond Fund.

On or prior to the date of the delivery of the Bonds, the City Treasurer or other appropriate official, shall cause to be transferred in immediately available funds to the Escrow Agent from moneys on deposit in the interest and sinking fund maintained for the payment of the Refunded Bonds the sum of $____________ to accomplish the refunding.

SECTION 28: REDEMPTION OF REFUNDED BONDS. (a) The Refunded Bonds scheduled to mature on November 15 in each of the years 2012, 2019 and 2029, and aggregating in principal amount $20,175,000, shall be redeemed and the same are called for redemption on April 24, 2012, at the redemption price of par and accrued interest to the date of redemption. The City Clerk is authorized and directed to file a copy of this Ordinance, together with a suggested form of notice of redemption to be sent to bondholders, with The Bank of New York Mellon Trust Company, N.A. (the successor paying agent/registrar to Chase Bank of Texas, National Association, the paying agent for the Refunded Bonds), in accordance with the redemption provisions applicable to the Refunded Bonds; such suggested form of notice of redemption being attached as Exhibit D and incorporated by reference as a part of this Ordinance for all purposes.

(b) The redemption of the obligations described above being associated with the refunding of such obligations, the approval, authorization and arrangements given in this Section and provided for the redemption of such obligations on the redemption date designated and in the manner provided shall be irrevocable upon the issuance and delivery of the Bonds; and the City Clerk is authorized and directed to make all arrangements necessary to notify the holders of such obligations of the City’s decision to redeem such obligations on the date and in the manner provided in this Section and in accordance with the ordinances authorizing the issuance of the obligations and this Ordinance.

SECTION 29: CONTROL AND CUSTODY OF BONDS. The Mayor of the City shall be and is authorized to take and have charge of all necessary orders and records pending the delivery of the Bonds, and shall take and have charge and control of the Initial Bond(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchaser(s).
Furthermore, the Mayor, Mayor Pro Tem, City Clerk, City Manager, Chief Financial Officer, Deputy Chief Financial Officer, City Attorney and City Treasurer, any one or more of said officials, are authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General and registration by the Comptroller of Public Accounts and, together with the City’s financial advisor, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond(s) to the initial Purchasers and the exchange thereof for obligations described in this Ordinance and in the Official Statement.

SECTION 30: LEGAL OPINION. The obligation of the Purchasers to accept delivery of the Bonds is subject to being furnished a final opinion of Fulbright & Jaworski L.L.P., Attorneys, Dallas, Texas, approving such Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for such Bonds. A true and correct reproduction of said opinion is authorized to be printed on the definitive Bonds or an executed counterpart thereof shall accompany the global Bonds deposited with the Depository Trust Company.

SECTION 31: CUSIP NUMBERS. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 32: BENEFITS OF ORDINANCE. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 33: INCONSISTENT PROVISIONS. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are repealed to the extent of such conflict and the provisions of this Ordinance shall be and remain controlling as to the matters contained in this Ordinance.

SECTION 34: GOVERNING LAW. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 35: SEVERABILITY. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this
Ordinance and the application thereof to other circumstances shall nevertheless be valid, and the Council declares that this Ordinance would have been enacted without such invalid provision.

SECTION 36: CONSTRUCTION OF TERMS. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 37: NOTICES TO HOLDERS-WAIVER. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise in this Ordinance expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 38: CANCELLATION. All Bonds surrendered for payment, redemption, transfer or exchange, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 39: CONTINUING DISCLOSURE UNDERTAKING.

“MSRB” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time or officially interpreted by the SEC.
“SEC” means the United States Securities and Exchange Commission.

(b) **Annual Reports.** The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year ending in or after 2012, financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by Section 25 of this Ordinance, being the information described in the attached Exhibit E, and (2) if not provided as part such financial information and operating data, audited financial statements of the City, when and if available. Any financial statements so to be provided shall be prepared in accordance with the accounting principles described in the attached Exhibit E, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not available by the required time, the City will provide unaudited financial information and operating data of the general type included in the Official Statement as Appendix B by the required time and audited financial statements when and if such audited financial statements become available.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB’s Internet Web site or filed with the SEC.

(c) **Notice of Certain Events.** The City shall provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

(i) Principal and interest payment delinquencies;

(ii) Non-payment related defaults, if material;

(iii) Unscheduled draws on debt service reserves reflecting financial difficulties;

(iv) Unscheduled draws on credit enhancements reflecting financial difficulties;

(v) Substitution of credit or liquidity providers, or their failure to perform;
(vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;

(vii) Modifications to rights of holders of the Bonds, if material;

(viii) Bond calls, if material, and tender offers;

(ix) Defeasances;

(x) Release, substitution, or sale of property securing repayment of the Bonds, if material;

(xii) Bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below;

(xiii) The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

For these purposes, any event described in the immediately preceding paragraph (xii) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.
The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Bonds while, but only while, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and/or defeasances that cause the City to no longer be such an “obligated person”.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State of Texas or undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided in this Section. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.
Notwithstanding anything in this Ordinance to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount and Maturity Amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City’s right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 40: INCORPORATION OF FINDINGS AND DETERMINATIONS. The findings and determinations of the City Council contained in the preamble hereof are incorporated by reference and made a part of this Ordinance for all purposes as if the same were restated in full in this Section.

SECTION 41: BOND INSURANCE. The Bonds will be insured by Assured Guaranty Municipal Corp., a New York stock insurance company (the “Insurer” or “AGM”). The following provisions shall apply to the Insurance Policy (defined below), but only for so long as the Insurance Policy is in effect with respect to the Bonds:

(a) “Insurance Policy” shall be defined as follows: “the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due”. The term “Insurer” or “AGM” shall include any successor thereto or assignee thereof. The term “Insured Bonds” shall mean any Bonds covered by the Insurance Policy.

(b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Fund.
(c) The Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the Ordinance pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Paying Agent/Registrar. Remedies granted to the Bondholders shall expressly include mandamus.

(d) No grace period for a covenant default shall exceed thirty (30) days or be extended for more than sixty (60) days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(e) The Insurer shall be included as a third party beneficiary to the Ordinance.

(f) Upon the occurrence of an extraordinary optional redemption, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Ordinance which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

(g) Any amendment, supplement, modification to, or waiver of, the Ordinance or any other transaction document, including any underlying security agreement (each a “Related Document”), that requires the consent of Holders or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(h) The rights granted to the Insurer under this Ordinance or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer’s contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Holders or any other person is required in addition to the consent of the Insurer.

(i) Only (i) cash, (ii) noncallable direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (iii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iv) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent.
AAA or its equivalent and (v) any other then authorized securities or obligations under applicable law that may be used to defease obligations such as the Bonds, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the City shall cause to be delivered (i) either (A) with respect an advanced refunding, a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date (the “Verification”), or (B) with respect a current refunding, a certificate or report of either the City’s financial advisor or the paying agent for the Refunded Bonds verifying the sufficiency of the refunding bond proceeds and other cash on hand, if applicable, to pay the principal of and interest on the Bonds in full on the maturity or redemption date (the “Sufficiency”), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), if necessary, (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer “Outstanding” under the Ordinance and (iv) a certificate of discharge of the Paying Agent/Registrar with respect to the Bonds; each Verification or Sufficiency, as applicable, and defeasance opinion shall be acceptable in form and substance, and addressed, to the City, Paying Agent/Registrar and Insurer. The Insurer shall be provided with final drafts of the above referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed “Outstanding” under this Ordinance unless and until they are in fact paid and retired or the above criteria are met.

(j) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Ordinance and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the City in accordance with the Ordinance. The Ordinance shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(k) The City covenants and agrees to take such action, or to cause the Paying Agent/Registrar to take such action, as is necessary from time to time to preserve the priority of the pledge of the Pledged Revenues under applicable law.

(l) Claims Upon the Insurance Policy and payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date (“Payment Date”) there is not on deposit with the Paying Agent/Registrar, after making all transfers and deposits required under the Ordinance, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent/Registrar shall give notice to the Insurer and to its designated agent (if
any) (the “Insurer’s Fiscal Agent”) by telephone or telexcopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent/Registrar shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer’s Fiscal Agent (if any) by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent/Registrar shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent/Registrar’s failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the City on any Bond or the subrogation rights of the Insurer.

The Paying Agent/Registrar shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent/Registrar.

Upon payment of a claim under the Insurance Policy, the Paying Agent/Registrar shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the “Policy Payments Account” and over which the Paying Agent/Registrar shall have exclusive control and sole right of withdrawal. The Paying Agent/Registrar shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the
payments for which a claim was made. Such amounts shall be disbursed by
the Paying Agent/Registrar to Bondholders in the same manner as principal
and interest payments are to be made with respect to the Bonds under the
sections hereof regarding payment of Bonds. It shall not be necessary for
such payments to be made by checks or wire transfers separate from the
check or wire transfer used to pay debt service with other funds available to
make such payments. Notwithstanding anything herein to the contrary, the
City agrees to pay to the Insurer (i) a sum equal to the total of all amounts
paid by the Insurer under the Insurance Policy (the “Insurer Advances”); and
(ii) to the extent permitted by law and subject to annual appropriation,
interest on such Insurer Advances from the date paid by the Insurer until
payment thereof in full, payable to the Insurer at the Late Payment Rate per
annum (collectively, the “Insurer Reimbursement Amounts”). “Late
Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of
interest, publicly announced from time to time by JPMorgan Chase Bank at
its principal office in The City of New York, as its prime or base lending
rate (any change in such rate of interest to be effective on the date such
change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then
applicable highest rate of interest on the Bonds and (b) the maximum rate
permissible under applicable usury or similar laws limiting interest rates.
The Late Payment Rate shall be computed on the basis of the actual number
of days elapsed over a year of 360 days. The City hereby covenants and
agrees that the Insurer Advances are secured by a lien on and pledge of the
Pledged Revenues and payable from such Pledged Revenues on a parity with
debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by
the Paying Agent/Registrar and may not be applied to satisfy any costs,
expenses or liabilities of the Paying Agent/Registrar. Any funds remaining
in the Policy Payments Account following a Bond payment date shall
promptly be remitted to the Insurer.

(m) The Insurer shall, to the extent it makes any payment of principal of or
interest on the Bonds, become subrogated to the rights of the recipients of such payments
in accordance with the terms of the Insurance Policy. Each obligation of the City to the
Insurer under the Related Documents shall survive discharge or termination of such
Related Documents.

(n) To the extent permitted by law, the City shall pay or reimburse the Insurer
any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur
in connection with (i) the administration, enforcement, defense or preservation of any
rights or security in any Related Document; (ii) the pursuit of any remedies under the
Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Ordinance or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Ordinance or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Ordinance or any other Related Document.

(o) After payment of reasonable expenses of the Paying Agent/Registrar, the application of funds realized upon default shall be applied to the payment of expenses of the City or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Reserve Fund to the Reserve Fund Requirement.

(p) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the City (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Ordinance, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.

(q) The notice address of the Insurer is: Assured Guaranty Municipal Corp., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director - Surveillance, Re: Policy No. _____. Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an event of default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(r) The Insurer shall be provided with the following information by the City or Paying Agent/Registrar, as the case may be:

(1) Annual audited financial statements within one hundred eighty (180) days after the end of the City’s fiscal year (together with a certification of the City that it is not aware of any default or event of default under the Ordinance), and the City’s annual budget within thirty (30) days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(2) Notice of any draw upon the Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in
excess of the Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Bonds;

(3) Notice of any default known to the Paying Agent/Registrar or City within five Business Days after knowledge thereof;

(4) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(5) Notice of the resignation or removal of the Paying Agent/Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(6) Notice of the commencement of any proceeding by or against the City commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”);

(7) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(8) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(9) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

In addition, to the extent that the City has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(s) The Insurer shall have the right to receive such additional information as it may reasonably request.

(t) The City will permit the Insurer to discuss the affairs, finances and accounts of the City or any information the Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the City and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the City on any business day upon reasonable prior notice.
(u) The City shall notify the Insurer of any failure of the City to provide notices, certificates and other information under the transaction documents.

(v) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Ordinance, no such issuance may occur (1) if an event of default (or any event which, once all notice or grace periods have passed, would constitute an event of default) exists unless such default shall be cured upon such issuance and (2) unless the Reserve Fund is fully funded at the Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.

(w) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Ordinance would adversely affect the security for the Bonds or the rights of the Bondholders, the Paying Agent/Registrar shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(x) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(y) Any interest rate exchange agreement (“Swap Agreement”) entered into by the City shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months, and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by the Insurer, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to debt service on the Bonds and on any debt on parity with the Bonds. The City shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of the Insurer prior to the payment of any such termination amount that such payment will not cause the City to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least “A-” and “A3” by Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business (“S&P”) and Moody’s Investors Service, Inc. (“Moody’s”). If the counterparty or guarantor’s rating falls below “A-” or “A3” by either S&P or Moody’s, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to the Insurer. If the counterparty or the guarantor’s long term unsecured rating falls below “Baa1” or
“BBB+” by either Moody’s or S&P, a replacement counterparty or guarantor, acceptable to the Insurer, shall be required.

(z) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with the notice or lapse of time would constitute an Event of Default, amounts on deposits in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.

(aa) There shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge from the paying agent/registrar for the Refunded Bonds, to the effect that, upon the making of the required deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred. An executed copy of such opinion and reliance letter, if applicable, or discharge certificate, as the case may be, shall be forwarded to the Insurer prior to the delivery of the Bonds.

SECTION 42:  PUBLIC MEETING. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by V.T.C.A., Government Code, Chapter 551, as amended.
