Additional Backup Information

On December 15, 2011, Council approved Resolution No. 20111215-065 directing the City Manager to prepare an ordinance aligning the franchise ownership requirements of Lone Star Cab with the requirements of Austin Cab and Yellow Cab companies. The City Manager was further directed to prepare an ordinance that would allow for the issuance of 30 additional franchise permits to Lone Star Cab and an additional 15 franchise permits to Austin Cab.

As a result of this resolution the Austin Transportation Department recommends deleting Part 4 of Ordinance No. 20070517-064 and to modify Part 3 of Ordinance No. 20070517-064 to allocate 30 additional franchise permits to Lone Star Cab.

In 2011 Lone Star Cab received 3 taxicab permits pursuant to the City's annual formula (Code Section 13-2-322). This ordinance takes those three permits into account in addition to those now authorized by Council.
