Additional Backup Information				
<p>This amendment was initiated at the request of Travis County to establish provisions for joint use driveways for subdivisions in the extra-territorial jurisdiction (ETJ). The amendment would specify that the developer must submit construction plans with the final plat for any driveway serving more than three residential units or three non-residential lots. For non-residential subdivisions with three lots or fewer, the construction plans could be deferred to the site plan. Joint use driveways would also have to be approved by the Travis County Fire Code Official.</p> <p>Staff recommends approval of the ordinance.</p>
