Remaining Balance:	<u>7,524,807.36</u>

Total Amount of this Action	<u><u>46,124.00</u></u>
-----------------------------	-------------------------

ANALYSIS / ADDITIONAL INFORMATION: The Martin Hill Transmission Main Project requires the acquisition of a temporary staging area and material storage site easement at the property located off Jollyville Road, along the northwest corner of Howard Lane and McNeil Road, in Austin, Travis County, Texas.

The Martin Hill Transmission Main Project will provide water for the northwest and north quadrants of the City of Austin. It is a part of the City of Austin's Strategic Water Facility Plan and will provide additional transmission capacity from the Martin Hill Reservoir. The proposed 54-inch main will extend from Parmer Lane to the Martin Hill Reservoir. Approximately two thirds of the project follows the McNeil Road/Howard Lane alignment until it veers north to terminate at the reservoir site. Easements are needed for the portion of the project east of the McNeil Road Cut-off to the Martin Hill Reservoir site.

The City of Austin has attempted to purchase the needed easements. The City and the property owner were unable to agree on the value of the needed acquisition. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.
