Public Works Department

**DATE:** July 10, 2006

**SUBJECT:** Additional Permits for Austin Cab

During the discussion regarding the Roy's Taxi / Yellow Cab permit transfer, the City Council directed staff to increase the taxicab permit allocation of Austin Cab by twenty (20) permits. Eight (8) of these permits come from the population / airport departure growth factors available in 2006, four (4) permits from the Roy's Taxi franchise, and the remaining eight (8) from future growth in the population / airport departure growth factors.

Public Works will allocate eight (8) additional permits to Austin Cab under the terms of Section 13-2-327 (Distribution of Additional Permits) of the City Code. The City Council will consider an ordinance on July 27, 2006 increasing the taxicab permit allocation of Austin Cab by an additional twelve (12) permits to a total of 159 taxicab permits.

The City Council has directed staff to proceed with the action necessary to increase the taxicab permit allocation of Austin Cab by twenty (20) permits. This item is on the agenda for the Commission's information. Staff will be available to answer questions.
