

**RESOLUTION NO.**

**WHEREAS**, commercial entertainment venues that host performances such as live music concerts and plays in an outdoors setting, such as in an amphitheater or similar structure, are considered by the City Code to be “outdoor entertainment” uses; and

**WHEREAS**, “outdoor entertainment” is a conditional use in every zoning district where it may be considered, requiring approval of a conditional use site plan by the Land Use Commission; and

**WHEREAS**, consideration of a conditional use site plan includes the evaluation of a project’s impacts on adjacent uses, such as noise, parking, and traffic circulation; and

**WHEREAS**, a land use determination was made that an amphitheater may be used as part of a primary use in certain non-commercial circumstances; and

**WHEREAS**, any amphitheater or similar structure may have significant impacts on the adjacent community and should be evaluated fairly, regardless of its status as a commercial or non-commercial venue; and

**WHEREAS**, the below direction is not intended to affect the way commercial venues are currently regulated or permitted; **NOW, THEREFORE,**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

- A. To address the potential impacts of non-commercial venues, the City Council initiates amendments to City Code Chapter 25-2 (*Zoning*) and

directs the City Manager to develop a proposed ordinance to make outdoor amphitheaters or similar structures a conditional use in all zoning districts, similar to outdoor entertainment, even if the amphitheater or similar structure is associated with a civic or residential use.

- B. The proposed ordinance should include an option for council consideration that would exempt existing or approved amphitheaters or similar structures from the general limitations applicable to legally non-conforming uses under Chapter 25-2 (*Zoning*).
