Subject: Wukasch-Patschke House -- C14H-2012-0008

Commissioners,

Please vote for historical zoning on the house at 603 W 30th St, C14H-2012-0008 – Wukasch-Patschke House.

This house is intact and the Walter Wukasch family is important to the history of Austin.

I am a resident of the Heritage Neighborhood, in which it resides. This house is very important as a potential contributing structure for a local historic district.

According to the back-up materials, there are other Wukasch houses. But 603 W 30th St. is the only intact home which would be appropriate to recognize its significance related to the Walter Wukasch branch of the family. (The house at 915 W 23rd has been moved and then connected to a condo complex. The house itself has 4 condo units and the attached complex has an additional 24 units. The house at 719 Carolyn Avenue has been significantly altered. The house at 1101 W. 22½ Street belonged to Joe Wukasch, a different branch of the family.)

Thank you for your consideration,

Anne Heinen
