**MBE / WBE:**

This contract will be awarded in compliance with Chapter 2-9C of the City Code (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified; therefore, no goals were established for this solicitation.

**Additional Backup Information**
This contract is for printing services to provide human resources print materials distributed to City employees, dependents, and retirees. Federal Law requires the City to distribute many of the publications to employees in written format. These include employee benefits open enrollment publications, information included in the Employee and Retiree Benefit Guides, Affordable Care Act print materials, and the schedule of benefits of coverage. Organizational Development training materials such as the Diversity workbook, Supervisor Training manuals, and New Employee Orientation manuals are included in this contract. Personnel Policies manuals, Pay Plus Statements, and benefits forms must also be distributed to employees in written form. Printed materials also facilitate communication to field employees who do not have access to computers at the work place.

An Invitation for Bid, Best Value method was used for this solicitation. The evaluation panel consisting of benefits expert personnel from the Human Resources Department evaluated the bids based on company experience, personnel qualifications, prior experience, responsiveness to scope of work, acceptance of the City’s contract terms, and total cost. The recommendation for award was to Aus-Tex Printing and Mailing, the best evaluated bidder.

The previous contract was $75,000 a year. Increases in this request reflect the addition of Federal printing requirements due to Affordable Care Act and the inclusion of the Organizational Development training materials.

This request allows for the execution of a contract with a bidder, who provides the best value to the City, that Council selects. If this bidder does not execute a contract with the City, staff will return to Council so that Council may select another best value bidder and authorize a contract with this bidder.
