Granting an Outdoor Music Permit
They have already violated the terms of their permits.
It is unreasonable to allow the playing of amplified music within 20 feet of our residence. It will further exacerbate the noise compliance with their approved site plan. It will exacerbate neighborhood parking congestion and safety issues. It will place us and our neighbors to maneuver to ensure compliance.

STATEMENT: Please provide the decision being appealed and the specific grounds for the appeal. If specific grounds are not provided appeal will not be considered valid:

I am appealing the decision to grant Lucy's a sound permit for 70 dB or less. During SXSW, the amplified music was definitely over 70 dB. Even from my home, which is on the west side of Lindell Ave., the music was very disruptive. Although I support live music all over this town and frequent venues regularly, Lucy's has proven itself to be a bad neighbor. My dear friends and neighbors at 2213, 2215 and 2217 Lindell Avenue are especially affected by the loud music at Lucy's. Please repeal this sound permit.

Lucy's was granted a permit based on bands playing at 70 decibels or below. They far exceeded that from March 14 - 18th. Lucy's is located directly behind our house. Our bedroom is feet from the bandstand. At the photos show, they blasted the neighborhood with microphones, amplifiers subwoofers and speakers. They encouraged people to park in our neighborhood on facebook because they used the spaces for seating. I am recovering from breast cancer. I had many surgeries last year with major complications, many treatments and lots of trauma. The most important thing for my recovery are sleep and lack of stress. An outdoor music permit will deny us any enjoyment of our property. We cannot sleep, watch TV, enjoy dinner with friends, or spend...
neighborhood. We are huge fans of local food and music. However, it seems completely unfair for a business to move into a residential neighborhood, and blast the neighborhood for days on end and totally end our peace and quiet as a sweet peaceful street. We purchased this property because it was on a sweet quiet street that ends in St. Ignatius Catholic Church. This permit will ruin the peace and quiet of our precious neighborhood. My health and peace of mind cannot take this horrible intrusion into our lives. They clearly proved that they will not even abide by the permit they applied for. We are so disappointed that they have turned out to be a bad neighbor.

As a big supporter of live music, I am not in favor of the noise levels at Larry's Outdoor Venue. I have a young child who is in bed by 8 pm and who also works on weekends. Noise levels from the outdoor music area will ruin the quality of rest and overall quality of life. Please rethink this decision.
