SECOND/THIRD READINGS SUMMARY SHEET

ZONING CASE NUMBER: C14-2011-0113 The Grand Hotel at Waller Creek

REQUEST: Approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code rezoning the property locally known as 608 E. Cesar Chavez Street (Waller Creek Watershed) from Central Business District (CBD) district zoning to Central Business District - Central Urban Redevelopment District (CBD-CURE) combining district zoning.

DEPARTMENT COMMENTS:

The conditions imposed by City Council on 1st reading have been incorporated into the ordinance and attachments.

APPLICANT: Manchester Texas Financial Group, L.L.C. (Doug Manchester)

AGENT: Winstead, P.C. (Michele Haussmann)

DATE OF FIRST READING: November 10th, 2011

The public hearing was conducted and the motion to close the public hearing and adopt the first reading of the ordinance for Central Business District - Central Urban Redevelopment District (CBD-CURE) combining district zoning was approved on consent on Council Member Spelman’s motion, Council Member Martinez’ second on a 7-0 vote.

CITY COUNCIL HEARING DATE:

ZONING CHANGE REVIEW SHEET

CASE: C14-2011-0113  
The Grand Hotel at Waller Creek

P. C. DATE: 10/11/11, 10/25/11

ADDRESS: 608 E. Cesar Chavez Street

AREA: 1.738 acres

APPLICANT: Manchester Texas Financial Group, L.L.C. (Doug Manchester)

AGENT: Winstead, P.C. (Michele Haussmann)

NEIGHBORHOOD PLAN AREA: Downtown

CAPITOL VIEW: No

T.I.A.: Waived – See the Transportation Reviewer’s comments.

HILL COUNTRY ROADWAY: No

WATERSHED: Town Lake

DESIRED DEVELOPMENT ZONE: Yes

ZONING FROM: CBD – Central Business District.

ZONING TO: CBD-CURE Central Business District - Central Urban Redevelopment District.

SUMMARY STAFF RECOMMENDATION:

The staff recommendation is to grant CBD- CURE – Central Business District – Central Urban Redevelopment District. The CURE overlay would allow a floor to area ratio of 16-1 with the applicant entering into a Restrictive Covenant that the applicant participates in the City of Austin Great Streets program for any new development on the property.

DEPARTMENT COMMENTS:

The property is currently undeveloped and serves as a public - pay parking lot. The applicant, Manchester Financial Group, is proposing a high rise hotel with approximately one thousand rooms. Of those rooms, approximately seven hundred and fifty will be four star guest rooms and two hundred and fifty will be five star guest rooms. The proposed hotel will have approximately one hundred thousand square feet of meeting space, two, three meal restaurants and a six hundred parking space underground parking garage. The applicant has indicated that this location is ideal due to its close proximity to the Austin Convention Center and the proposed improvements to Waller Creek. The applicant has indicated that the proposed hotel will achieve LEED certification. This request is similar to other requests in the Central Business District to add the “CURE” overlay to properties located in the urban core to allow for additional height for vertical development. This site is located within the “desired development zone” where development is encouraged to locate. This case was heard by the Downtown Commission on July 20th and the Commission recommended approval of the request. This case was heard by the Design Commission on September 26th and the Commission recommended approval of the request. Note: Single family, multifamily and commercial uses on properties zoned CBD or DMU are required to meet a 1-star rating under Austin Energy's Green Building Program.
PLANNING COMMISSION RECOMMENDATION:

The motion to approve staff’s recommendation with added conditions of:
- 1000 room limit;
- Parking developed underground;
- Great Streets on all 4 sides;
- That it meets design guidelines;
The motion was approved by Commissioner Mandy Dealey’s motion, Commissioner Saundra Kirk seconded the motion on a vote of 6-0; Commissioners Richard Hatfield, Jean Stevens and Dave Anderson was absent.

DOWNTOWN COMMISSION RECOMMENDATION:

The Downtown Commission at their regularly scheduled meeting on July 20th, 2011, after receiving a briefing, there was a motion by Commission Member Haas, seconded by Commission Member Cady, to support the project. A substitute motion, to support the project in concept, was approved on Commission Member Willenzik’s motion, Commission Haas’ second, on a 10-0-1 vote, with Commission Member Knight recusing.

DESIGN COMMISSION RECOMMENDATION:

The Design Commission at their regularly scheduled meeting on September 26th, 2011, voted to approve a motion to have Design Commission support the project as presented with comments regarding the sky bridge and requesting a presentation at the schematic stage of the project made by David Knoll and second by Juan Cotera was approved on a vote of 6-0.

BASIS FOR RECOMMENDATION:

1. Granting of the request should result in an equal treatment of similarly situated properties.

Granting the staff recommendation would be in keeping with granting similar requests to modify Floor-to-Area-Ratio (FAR) in the past.

**SCHOOLS:**

Matthews Elementary School, O’ Henry Middle School, Austin High School

**SITE PLAN:**

SP 1. Any new development is subject to Subchapter E Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

SP 2. This site is subject to the regulations of the Convention Center (CC) Combining District.

**ENVIRONMENTAL:**

1. The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Town Lake Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

2. Impervious cover is not limited in this watershed class; therefore the zoning district impervious cover limits will apply.

3. This site is required to provide on-site structural water quality controls (or payment in lieu of) for all development and/or redevelopment when 5,000 s.f. cumulative is exceeded, and detention for the two-year storm. At this time, no information has been provided as to whether this property has any pre-existing approvals which would preempt current water quality or Code requirements.
4. According to flood plain maps, there is no flood plain within the project area.

5. At this time, site-specific information is unavailable regarding existing trees and other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

6. Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

TRANSPORTATION:

TR1: No additional right-of-way is needed at this time.

TR2: A traffic impact analysis may be waived for this case until the site plan stage because this development is located within the CBD. [LDC, 25-6-117]

TR3: There are existing sidewalks along both sides of E. Cesar Chavez Street and Red River Street.

TR4. East Cesar Chavez Street is classified in the Bicycle Plan as Bike Route No. 56. Red River Street is classified in the Bicycle Plan as Bike Route No. 51.

TR5. Capital Metro bus service, (Routes No. 17, 21, 22, 122, 127, 482, and 490), is available along E. Cesar Chavez Street.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.
