

Implementing the Comprehensive Plan

- **Work Plans – Step by Step Action**

Each program also includes a starting work program with short-term, long-term, and ongoing steps. Implementing each program will require elected officials, the public, staff, and city partners to develop a more detailed work plan that creates a step-by-step timeline of activities and milestones, connects community stakeholders, and allows progress in each program to be regularly monitored and evaluated to learn from experience, achieve results, and ensure effective use of community resources."
