PART 1. Findings. The Council finds:

- (A) Atmos Energy Corporation (“Atmos” or “Company”) filed a Statement of Intent with the City on or about January 31, 2012 to increase its revenue and change its rate schedules within the corporate limits of the City, specifically to increase its system-wide, annual revenue requirement by approximately \$49 million, which is an increase in base-rate exclusive of cost of gas of approximately 12 percent.
- (B) The City is a regulatory authority under the Gas Utility Regulatory Act (“GURA”) and under Chapter 104, § 103.001 et seq. of GURA has exclusive original jurisdiction over Atmos’ rates, operations, and services within the municipality.
