Additional Backup Information

On March 12, 2012, the Planning and Development Review Department approved an Outdoor Music Venue Permit (OMV) for a venue known as Home Slice Pizza, located at 1415 S. Congress Avenue.

On March 20, 2012, Bill & Mary Ley, a property owner within 600', appealed approval of the permit on the basis that the restaurant is extremely close to residential, a serial noise violator, and have inadequate parking.

Chapter 9-2-54(B) and 9-2-56 of the City Code provides that an interested party may appeal a decision if they are:

- The applicant;
- The notice owner of a single-family use located within 600 feet of the proposed outdoor music venue;
- The notice owner of a multi-family use located adjacent to the venue (for new permits only); or
- A registered neighborhood organization whose declared boundaries are within 600 feet of the proposed venue.

Staff recommends denial of the appeal due to the following and conditions placed on the permit:

- Chapter 9-2-53(C) of the City Code, Noise and Amplified Sound; The accountable official may not deny an initial permit for an outdoor music venue located within the footprint of a restaurant (general) use under Section 25-2-808 (Restaurants and Cocktail Lounges), but the accountable official may:
 - (a) impose conditions on the permit, as provided in Subsection (B)(2) of this section; and
 - (b) Deny an application to renew the permit under Section 9-2-32 (Denial of Permit for Repeated Offenses) based on repeated violation of applicable decibel level.
- The patio speakers must be angled downward and all additional sound equipment must be located a minimum of 15 ft. from residential property line.
- Sound absorption material should be installed on portions (20%) of the hard reflective building surfaces
- No subwoofers larger than 15" shall be used at this location for any event
- Availability of responsible party to attend and monitor outdoor musical events
- No more than two larger events per year, one during the Spring Festival season and one during the Annual Business Anniversary and be restricted to 7:00 p.m. cut-off time
- Sound limit is 70 decibels and must have decibel meter on site.
