SUBJECT: Pedicab Storage and Dispatch – Postponement Request

Staff is requesting a postponement of the following item until the City Council meeting on September 27, 2012.

Conduct a public hearing and consider an ordinance amending Chapter 25-2 of the City Code to define a new land use "Pedicab Storage and Dispatch" and to identify the zoning districts in which the use is permitted.

The City of Austin is working to initiate a bicycle sharing program in 2013. Staff is requesting a postponement of this item to allow staff to ensure the proposed code amendment will include language that would accommodate facilities necessary for the bike sharing program.
