Additional Backup Information

The Austin City Council adopted Ordinance No. 20120301-078 on March 1, 2012 to phase in the regulation of carryout bags within the City limits. Beginning March 1, 2013, a business establishment within the City limits must provide prominently displayed signage advising customers of the benefits of reducing, reusing and recycling and of the need to use reusable carryout bags, and may not provide single-use carryout bags to its customers or to any persons except for exemptions and/or special circumstances provided for by the ordinance.

This contract provides expertise and assistance in developing a creative media campaign and obtaining media placement and purchasing of media through a variety of outlets to reach business establishments and citizens of Austin. Through an in-depth campaign aimed at educating the public about the harmful impacts on the environment and wildlife created by single-use carryout bags, and by promoting the use of reusable carryout bags, this broad-based campaign will work collaboratively with community, worksite, faith-based and business partners. The media campaign will be evidence based, have broad reach and use powerful, effective advertising messages to motivate and educate individuals who live and work in Austin. The successful reduction of single-use carryout bags entering the City's solid waste stream, combined with the integration of reusable bags and increased recycling and composting, will help the City achieve its goal of Zero Waste by 2040.

Costs are not to exceed \$1,000,000 during the first year of the contract and \$750,000 during the second year of the contract for a total contract amount of \$1,750,000. Estimated costs for the campaign are broken down as follows:

<u>Description</u>	<u>Reimbursable</u>	<u>Direct Payments</u>
Paid Media	\$765,703.80	
Research		\$87,030.00
Creative Concepts, Design & Production		\$315,450.00
Social Media & Website Design/Development		\$95,670.00
Public Relations/Outreach		\$168,930.00
Strategic Planning, Consultation & Account Management		\$142,216.20
10% Upon Final Acceptance	<u>\$111,391.20</u>	<u>\$63,608.80</u>
Total	\$877,095.00	\$872,905.00

Sherry Matthews Advocacy Marketing was deemed the best evaluated proposal based on their ability to meet all criteria outlined in the Request for Proposal. The evaluation criteria included high level media plan; past performance, qualification, and experience; local business presence; and financial compensation.

This request allows for the development of an agreement with a qualified offeror that Council selects. If the City is unsuccessful in negotiating a satisfactory agreement with the selected offeror, negotiations will cease with that provider. Staff will return to Council so that Council may select another qualified offeror and authorize contract negotiations with that provider.
