Additional Backup Information

The Austin Transportation Department has worked with ground transportation stakeholders to implement a process that would allow vehicles and drivers to be temporarily permitted (up to 16 days) in order to satisfy increased demand for for-hire services during large scale special events. The adoption of an enabling ordinance (*Ordinance # 20121018-062*) makes this process possible. This action is to adopt fees associated with permitting vehicles and drivers under this process.

In discussing the fees with the UTC, the Commission recommended staff identify standard fees as well as consider implementing a fee for expediting late requests. Staff agrees with the recommendation and offers a list of all proposed fees:

Temporary Vehicle-for-hire permit valid from 3 to 16 days

Temporary Vehicle Permit - \$75.00/vehicle (Limousines/Charters/Shuttles)

Temporary Chauffeur Permit - \$20.00/person

Temporary Sponsorship - \$10.00/per additional sponsor

Applications for permits received within 18 days of the event will also incur an additional fee for expediting:

Expedited Temporary Vehicle Permit - \$50.00/vehicle

Expedited Temporary Chauffeur Permit - \$10.00/person

Expedited Temporary Sponsorship - \$10.00/per additional sponsor
