On August 17, 2012 the Planning and Development Review Department approved an Outdoor Music Venue (OMV) permit for a venue known as Cheer Up Charlie's, located at 1104 E 6th St.

On August 30, 2012 Tamara Hoover, applicant and owner of Cheer Up Charlie's, appealed the restrictions on hours of operation placed on the Outdoor Music Permit. Chapter 9-2-54(B) and 9-2-56 of the City Code provides that an interested party may appeal a decision if they are:

- The applicant;
- The notice owner of a single-family use located within 600 feet of the proposed outdoor music venue;
- The notice owner of a multi-family use located adjacent to the venue (for new permits only); or
- A registered neighborhood organization whose declared boundaries are within 600 feet of the proposed venue.

Staff recommends denial of the appeal due the following reasons:

- Hours for which permit is issued are consistent with those established by City Code.
- No agreements or letters of support were received from owners, tenants or neighborhood organizations during the notice period prior to permit approval. Several neighbors expressed opposition during this time period.
- Long record of sound curfew complaints and warnings against venue.
