Leon and Dora,

Thank you for your help on this matter. Per our previous correspondence, the issues affecting the above-referenced property have been resolved based on our discussions and the attached "red tag" has been cancelled. The appeal of the "red tag" had been postponed until November 6, 2012. Since there is no stop work order affecting the agreed upon improvements, there is nothing to appeal, but to the extent it is thought to be necessary, the appeal is withdrawn.

As a result, this item should not be placed on the November 6, 2012 Zoning and Platting Commission agenda.

Thank you, once again, Leon, for your responsiveness and focus on this matter.

-Peter
