Additional Backup Information

The purpose of these contracts is to provide consulting and other professional services in the City's interests during the 113th Congress. The contractors will provide advice to the City, be responsible for assisting the City's efforts before Congress and for selected related activities requiring additional action such as communicating with federal agencies. The contractors will also assist the City with major pieces of legislation. This includes annual appropriations such as local earmark requests, modifications of Austin's requests as the surface transportation legislation moves forward, and any additional job creation legislation. The consultants will be in a position to advance the interests of the City in legislation and to influence the legislative process.
