ARTICLE III

APPLICABLE ORDINANCES

Section 3.01 Applicable Requirements.

- A. All of the City's laws, ordinances, manuals, and administrative rules, including but not limited to the Land Development Code, regarding land development, as amended from time to time, shall apply to subdivisions within the Property except as otherwise specified in this Agreement. Prior to full purpose annexation, subdivisions are subject to applicable regulations in Title 30 of the Land Development Code, and after full purpose annexation, subdivisions are subject to applicable regulations in Title 25 of Land Development Code. Property shall be developed in accordance with plats and other permit applications submitted to, and approved by, the City and Travis County through their Single Office for subdivision regulation, and as finally approved by the appropriate approval bodies.

- B. Owner hereby waives any and all claims under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any actions Owner has taken in violation of Article II of this Agreement.
- C. Pursuant to Section 43.035(b)(1)(B) of the Texas Local Government Code, the City is authorized to enforce city regulations and planning authority that does not materially interfere with the use of the Property for agriculture, wildlife management, and/or timber management, in the same manner the regulations are enforced within the City's boundaries. The City specifically reserves its authority pursuant to Chapter 251 of the Texas Local Government Code to exercise eminent domain over property that is subject to a Chapter 43 and/or Chapter 212 development agreement.

ARTICLE IV

ANNEXATION

Section 4.01 Annexation.

- A. The parties intend that this Agreement guarantee the continuation of the extraterritorial status as herein set forth. The City guarantees the continuation of the extraterritorial status of the Property, its immunity from annexation by the City, and its immunity from City property taxes for the term of this Agreement, subject to the provisions of this Agreement. Except as provided in this Agreement, the City agrees not to involuntarily annex the Property for the term of this Agreement.
- B. The Owner acknowledges that if (i) any plat or related development document is filed in violation of this Agreement, or (ii) the Owners commence development of the Property in violation of this Agreement, then in addition to the City's other remedies, such act will constitute a petition for voluntary annexation by the Owner, and the Property will be subject to annexation at the discretion of the City Council. The Owner agrees that, if and either condition B(i) or B(ii) is met, such annexation shall be voluntary and Owner hereby consents to such annexation as though a petition for such annexation had been tendered by Owner.
- C. Owner and City agree that the City shall have the option, but not the obligation, to annex for full purposes pursuant to the terms of this Agreement. If the Property is annexed pursuant to the terms of this Agreement, then the City shall provide services to the Property pursuant to

Chapter 43 of the Texas Local Government Code. Property voluntarily annexed pursuant to this Agreement may require infrastructure improvements to facilitate development, including but not limited to, streets and roads, street and road drainage, land drainage, and water, wastewater, and other utility systems. Owner hereby acknowledges the provision of infrastructure improvements necessitated by proposed future development shall be the sole responsibility of the Owner.

- D. After full purpose annexation, all city ordinances, regulations and requirements applicable in the City's full purpose jurisdiction, including city taxation, shall apply to the area annexed. From the date of annexation until the Property is zoned, Property is designated in accordance with the zoning district provided for under City Code Section 25-2-222. During the term of this Agreement, the City shall not annex any part of the Property except as provided in this Article IV.

ARTICLE V

LEGISLATIVE DISCRETION; REPRESENTATIONS AND WARRANTIES

Section 5.01 Legislative Discretion. This Agreement is not intended to bind, and the parties agree in fact and law that the Agreement does not bind, the legislative discretion of the City Council to approve or disapprove any proposed annexation ordinance for the Property, subject to and in accordance with the provisions hereof.

Section 5.02 Representations and Warranties of Owner.

Owner has the absolute and unrestricted right, power, authority, and capacity to execute and deliver this Agreement and to perform his obligations under this Agreement.

Section 5.03 Representations and Warranties of the City.

- A. **Organization and Good Standing.** The City is a duly organized and validly existing municipal corporation in good standing under the laws of

The City has the absolute and unrestricted right, power, authority, and capacity to execute and deliver this Agreement and to perform its obligations under this Agreement.

ARTICLE VI

FRUSTRATION OF PURPOSE

Section 6.01 Frustration of Purpose. If any word, phrase, clause, sentence, paragraph, section or other part of this Agreement is affected in whole or in part as a result of amendments to the underlying statutory authority for this Agreement, or a final judicial decree for which all appeals have expired or been exhausted, or if the Texas Legislature amends state law in a manner having the effect of limiting or curtailing any right or obligation of the parties under this Agreement, then the parties agree and understand that the purpose of this Agreement may be frustrated. In such case, the parties agree to work in good faith to amend this Agreement so that the purpose of this Agreement may be fully realized, including full purpose annexation if necessary. Owner agrees not to protest annexation of the Property in accordance with this Agreement, and further agrees not to sponsor or support legislation that would hinder the City's ability to annex any portion of the Property in accordance with the provisions hereof.

ARTICLE VII

Section 7.01 Default. It shall be a default under this Agreement by a party, if such party shall fail to perform any of its obligations under this Agreement and such failure shall remain uncured following the expiration of ten (10) business days after written notice of such failure. Section 7.02 Remedies between the City and Owner. Should any default between Owner and the City remain uncured after Notice to the other as provided in Section 8.01, the non-defaulting party, whether Owner or City, may pursue any remedy that is available at law or in equity at the time of breach.

Section 7.03 Mediation. In order to avoid unnecessary litigation, in the event either party fails to cure an alleged default within the cure period set out in Section 7.01 above, then if requested by either party, prior to seeking any form of relief from a court of law or agency of competent jurisdiction, each party agrees to enter into mediation concerning the alleged default for a period of not more than thirty (30) days prior to filing of any court action. Nothing in this Agreement shall be construed to limit the parties from mediating a default after any court or agency action may have been filed.
