- e. Robin Schneider, Texas Campaign for the Environment, spoke in support of the resolution.
- f. Andrew Dobbs, Texas Campaign for the Environment and Austin Zero Waste Alliance, spoke in support of the resolution.

Gretchen Kingham, Austin Resource Recovery, addressed the public posting of backup documents prior to ZWAC meetings. ZWAC is legally required to post agenda items and whether or not action will be taken on them. There is no deadline for posting backup documents, thus, ZWAC was in full compliance. Requiring backup documents to be posted at certain amount of time prior to ZWAC will be discussed at the next ZWAC meeting.

Commissioners and Bob Gedert, ARR Director, discussed the resolution.

Commissioner Dave Sullivan recommended amendment to the second to last sentence of the resolution: *Therefore, be it resolved that ZWAC directs Austin Resource Recovery to see that all the department rules exclude dirty MRFS from consideration as a form of diversion until such a time as technology advances demonstrated in peer reviewed scientific literature show that 80% diversion rates can be achieved. However, a dirty MRF demonstration project can be applied to handle no more than 5% of Austin's municipal solid waste.*

The proposal as amended was approved on a Commissioner Cathy Gattuso motion; Commissioner Brent Purdue second on a 5-1-0 vote. Commissioner Faye Kazi opposed.
