The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution or other entity qualified and authorized to serve in the capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice of the change to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or redemption of the Bonds, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices in St. Paul, Minnesota (the "Designated Payment/Transfer Office"). Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date), and such interest shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more maturities on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment for such maturity or maturities (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 6: REGISTRATION, TRANSFER, EXCHANGE OF BONDS; PREDECESSOR BONDS. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of the Eleventh Supplement. Any Bond may, in accordance with its terms and the terms of the Eleventh Supplement, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by the authorized agent of such person, upon surrender of the Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer

or request for exchange executed by the Holder or by the authorized agent of such person, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 9 of the Eleventh Supplement) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 9 of the Eleventh Supplement) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery of such Bonds, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under the Eleventh Supplement, as the Bonds surrendered in the transfer or exchange.

All transfers or exchanges of Bonds shall be made without expense or service charge to the Holder, except as otherwise provided in the Eleventh Supplement, except that the Paying Agent/Registrar shall require payment by the Holder requesting the transfer or exchange of any tax or other governmental charges required to be paid with respect to the transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions of the Eleventh Supplement are defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu of a mutilated, lost, destroyed or stolen Bond pursuant to Section 19 of the Eleventh Supplement and such new replacement

Bond shall be considered to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 7: BOOK-ENTRY-ONLY TRANSFERS AND TRANS-ACTIONS. Notwithstanding the provisions contained in Sections 5 and 6 of the Eleventh Supplement relating to the payment and transfer/exchange of the Bonds, the City approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations, by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 5 and 6 of the Eleventh Supplement.

SECTION 8: EXECUTION; REGISTRATION. The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of adoption of the Eleventh Supplement shall be deemed to be executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

No Bond shall be entitled to any right or benefit under the Eleventh Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 10(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her authorized agent, or a certificate of registration substantially in the form provided in Section 10(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond signed shall be conclusive evidence, and the only evidence, that such Bond has been certified, registered and delivered.

SECTION 9: INITIAL BOND(S). The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount specified in the Pricing Certificate with principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the "Initial Bond(s)"). In either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered and exchange for the Initial Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for the Holders; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the

designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 10: **FORMS.**

The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by the Eleventh Supplement and the Pricing Certificate and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends if the Bonds, or any maturities of the Bonds, are purchased with insurance and any reproduction of an opinion of counsel) on such Bonds as may, consistently with the provisions of the Eleventh Supplement, be established by the City or determined by the Pricing Officer or officers executing such Bonds as evidenced by their execution of such Bonds. The Pricing Certificate shall set forth the final and controlling terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse of the Bond, with an appropriate reference on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing the Bonds as evidenced by their execution of the Bonds.

If a Bond (or any portion of its principal sum) shall have been called for redemption and notice of such redemption given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after said redemption date, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

Additionally, the Bonds and the Series 2012B Bonds, together with the Previously Issued Electric Utility Obligations, shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Ordinances. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Electric Utility System, except with respect to the Net Revenues. The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System, in the same manner and to the same extent as the Previously Issued Electric Utility Obligations, the Bonds and the Series 2012B Bonds.

Reference is made to the Ordinances, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Electric Utility System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Ordinances; and for the other terms and provisions contained therein. Capitalized terms used in this Bond have the same meanings assigned in the Ordinances.

This Bond, subject to certain limitations contained in the Ordinances, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment on this Bond endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by, the Registered Owner, or the authorized agent of the Registered Owner. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

In the event of non-payment of interest on a scheduled payment date and for thirty (30) days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is certified, recited, represented and covenanted that the City is an organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the Bonds by a pledge of the Net Revenues of the Electric Utility System. If any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired by any such action. The terms and provisions of this Bond and the Ordinances shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

(or so much thereof as shall not have been redeemed prior to maturity) and to pay interest, computed on the basis of a 360-day year of twelve 30-day months, on the unpaid principal amounts of this Bond from the _____ at the per annum rates of interest specified above; such interest being payable on May 15 and November 15 in each year, commencing _____. Principal installments of this Bond are payable in the year of maturity to the Registered Owner by BOKF, NA dba Bank of Texas, Houston, Texas (the "Paying Agent/Registrar"), upon presentation and surrender, at its designated offices in St. Paul, Minnesota (the

"Designated Payment/Transfer Office"). If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 11: CRITERIA FOR ISSUANCE OF PARITY ELECTRIC UTILITY OBLIGATIONS. The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Electric Utility Obligations of the Electric Utility System pursuant to the Master Ordinance. The Eleventh Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment and redemption, and security of the Bonds which are a series of Parity Electric Utility Obligations. The Master Ordinance is incorporated by reference and made a part of the Eleventh Supplement for all purposes, except to the extent modified and supplemented by the Prior Supplements and the Eleventh Supplement, and the Bonds are Parity Electric Utility Obligations under the Master Ordinance and the Prior Supplements. The City determines that it will have sufficient funds to meet the financial obligations of the Electric Utility System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and the Series 2012B Bonds and to meet all financial obligations of the City relating to the Electric Utility System.

SECTION 12: PLEDGE. Subject to the prior claim on and lien on the Net Revenues of the Electric Utility System to the payment and security of the Prior First Lien Obligations currently Outstanding, including the funding and

maintenance of the special funds established and maintained for the payment and security of such Prior First Lien Obligations, the Net Revenues of the Electric Utility System are pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations, the Series 2012B Bonds and the Previously Issued Electric Utility Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Electric Utility System in accordance with the terms of the Master Ordinance and the Eleventh Supplement. Additionally, the Bonds, the Series 2012B Bonds and the Previously Issued Electric Utility Obligations shall be secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and the Reserve Fund in accordance with and to the extent required by the terms of the Master Ordinance, the Prior Supplements and the Eleventh Supplement. The Bonds are and will be secured by and payable only from the Net Revenues of the Electric Utility System, and are not secured by or payable from a mortgage or deed of trust on any properties, whether real, personal, or mixed, of the Electric Utility System. It is ordained that the Parity Electric Utility Obligations, and the interest thereon, shall constitute a lien on the Net Revenues of the Electric Utility System and be valid and binding and fully perfected from and after the date of adoption of the Eleventh Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of the Eleventh Supplement or any other act; all as provided in V.T.C.A., Government Code, Chapter 1208. The owners of the Parity Electric Utility Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Eleventh Supplement.

V.T.C.A., Government Code, Chapter 1208, applies to the issuance of the Bonds and the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12, and such pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Electric Utility System granted by the City under this Section 12 is to be subject to the filing requirements of V.T.C.A., Business & Commerce Code, Chapter 9, then to preserve to the Registered Owners the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of V.T.C.A., Business & Commerce Code, Chapter 9, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 13: DEBT SERVICE FUND. By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City agrees and covenants to

cause to be deposited to the credit of the Debt Service Fund an amount equal to one hundred per cent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the initial purchaser.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided in the Eleventh Supplement until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Electric Utility Obligations then Outstanding or (ii) the Bonds are no longer outstanding, i.e., fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest received from the initial purchaser(s) of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Electric Utility System.

SECTION 14: RESERVE FUND.

(a) Establishment. A Reserve Fund shall not be required to be established or maintained by the City for the payment of the Parity Electric Utility Obligations so long as the "Pledged Net Revenues" of the System for a Fiscal Year (the Net Revenues of the System in a Fiscal Year remaining after deducting the amounts, if any, expended to pay the annual debt service requirements for Prior First Lien Obligations and Prior Subordinate Lien Obligations in such Fiscal Year) equal or exceed one hundred fifty per cent (150%) of the Annual Debt Service Requirements of the Parity Electric Utility Obligations due and payable in such Fiscal Year. If for any Fiscal Year such "Pledged Net Revenues" do not exceed 150% of the Annual Debt Service Requirements of the Parity Electric Utility Obligations, the City shall be obligated to establish and maintain on the books of the City a separate fund or account designated as the "Electric Utility System Revenue Obligation Reserve Fund" (the "Reserve Fund"). Upon being established and except as provided in subsection (f) below, the amount on deposit to the credit of the Reserve Fund shall be maintained for the benefit of the owners of the Parity Electric Utility Obligations. There shall be deposited into the Reserve Fund any Reserve Fund Obligations so designated by the City. The amounts deposited to the

credit of the Reserve Fund shall be in a special fund maintained at an official depository of City. Reserve Fund Obligations in the Reserve Fund shall be used for the purpose of retiring the last of the Parity Electric Utility Obligations as they become due or paying principal of and interest on the Parity Electric Utility Obligations when and to the extent the amounts in the Debt Service Fund are insufficient for such purpose.

When a Reserve Fund is required to be established as noted above and while the same is required to be maintained, the Required Reserve Amount to be accumulated and maintained in such Fund shall be determined and redetermined as follows:

(i) ten per cent (10%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 150% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 140% of the annual Debt Service Requirement for such Fiscal Year;

(ii) twenty per cent (20%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 140% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 130% of the annual Debt Service Requirement for such Fiscal Year;

(iii) thirty per cent (30%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 130% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 120% of the annual Debt Service Requirement for such Fiscal Year;

(iv) forty per cent (40%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if the Pledged Net Revenues for the previous Fiscal Year were less than 120% of the annual Debt Service Requirement for such Fiscal Year, but greater than or equal to 110% of the annual Debt Service Requirement for such Fiscal Year;

(v) fifty per cent (50%) of the Maximum Debt Service Requirement for all Parity Electric Utility Obligations then Outstanding if

the Pledged Net Revenues for the previous Fiscal Year were less than 110% of the annual Debt Service Requirement for such Fiscal Year;

If at any time the City is required to fund the Required Reserve Amount, or to increase the Required Reserve Amount pursuant to a Supplement, the Required Reserve Amount or increase in the Required Reserve Amount, as applicable, may be funded in up to twelve (12) substantially equal consecutive monthly deposits commencing not later than the month following that receipt of audited financial statements for the System for the preceding Fiscal Year.

(b) Credit Facility. The City may initially fund the Reserve Fund or replace or substitute a Credit Facility for cash or Eligible Investments on deposit in the Reserve Fund or in substitution for or replacement of any existing Credit Facility. Upon such replacement or substitution, the cash or Eligible Investments on deposit in the Reserve Fund, taken together with the face amount of any existing Credit Facilities, in excess of the Required Reserve Amount may be withdrawn by the City, at its option, and transferred to the System Fund unless such excess was funded with the proceeds of sale of Parity Electric Utility Obligations in which case such excess shall be deposited to the credit of the Debt Service Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer.

(c) Priority of Draws. If the City is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the City shall promptly notify the issuer of such Credit Facility of the necessity for a withdrawal from the Reserve Fund for any such purposes, and shall make such withdrawal FIRST from available moneys and cash resulting from the sale or liquidation of Eligible Investments then on deposit in the Reserve Fund, and NEXT from a drawing under any Credit Facility to the extent of such deficiency.

In the event of a draw on a Credit Facility, the City shall reimburse the issuer of such Credit Facility for such draw, in accordance with the terms of any agreement pursuant to which the Credit Facility is issued, from Net Revenues, however, such reimbursement from Net Revenues shall be subject to the provisions of Section 14(d) below and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Parity Electric Utility Obligations.

(d) Reserve Amount Deficiency. In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund

Obligations, all in an aggregate amount at least equal to the Required Reserve Amount, then the City shall, subject to satisfying or making provision for the uses having a priority on the Gross Revenues before any deposits for the payment and security of the Parity Electric Utility Obligations and after making required deposits to the Debt Service Fund in accordance with the terms of the Eleventh Supplement and any Supplement, cause the aggregate Required Reserve Amount then required to be on deposit in the Reserve Fund to be fully restored within 12 months from the date such deficiency, termination or expiration occurred by (i) making substantially equal cash deposits to the Reserve Fund on or before the last day of each month from the available Net Revenues, (ii) depositing Eligible Investments or Credit Facility to the credit of the Reserve Fund or (iii) a combination of (i) and (ii).

(e) Excess Required Reserve. As Parity Electric Utility Obligations secured by the Reserve Fund are paid, redeemed or defeased and cease to be Outstanding under the terms of the Ordinance or a Supplement, the Required Reserve Amount may be recalculated and redetermined, and any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Required Reserve Amount may be withdrawn and transferred, at the option of the City, to (i) the System Fund, if an amount equal to such excess was funded with Net Revenues, or (ii) the Debt Service Fund.

(f) Application to Commercial Paper/Credit Agreements. For the purpose of this Section, the Reserve Fund shall not secure Parity Electric Utility Obligations issued in the form of commercial paper, or any Credit Agreement issued in support of such Parity Electric Utility Obligations issued in the form of commercial paper, except as otherwise may be provided in any Supplement.

SECTION 15: PAYMENT OF BONDS. On or before the first scheduled interest payment date, and on or before each interest payment date and principal payment date thereafter while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 16: COVENANTS TO MAINTAIN TAX EXEMPT STATUS.

(a) Definitions. When used in this Section, the following terms have the following meanings:

“Closing Date” means the date on which the Bonds are first authenticated and delivered to the purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and Section 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the preceding, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Obligations), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Obligations), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the preceding covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other

money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Underwriters and the loan of the money represented thereby and to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Debt Service Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, Deputy Chief Financial Officer, or City Treasurer, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such original obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding. The payment and discharge of the Refunded Notes will occur within ninety (90) days after the issuance of the Bonds and; therefore, the portion of the Bonds issued to refund such obligations is a current refunding.

(m) Qualified Advance Refunding. The portion of the Bond issued to refund the Refunded Bonds will be issued more than 90 days before the redemption thereof. The City represents as follows:

(1) The Bonds are the first advance refunding of the Refunded Bonds, within the meaning of section 149(d)(3) of the Code.

(2) The Refunded Bonds are being called for redemption, and will be redeemed not later than the earliest date on which such bonds may be redeemed.

(3) The initial temporary period under section 148(c) of the Code will end: (i) with respect to the proceeds of the Bonds not later than 30 days after the

date of issue of such Bonds; and (ii) with respect to proceeds of the Refunded Bonds on the Closing Date if not ended prior thereto.

(4) On and after the date of issue of the Bonds, no proceeds of the Refunded Bonds will be invested in Nonpurpose Investments having a Yield in excess of the Yield on such Refunded Bonds.

(5) The Bonds are being issued for the purposes stated in the preamble of the Eleventh Supplement. There is a present value savings associated with the refunding of the Refunded Bonds. In the issuance of the Bonds the City has neither: (i) overburdened the tax exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than reasonably necessary to accomplish the governmental purposes for which the Bonds were issued; (ii) employed on "abusive arbitrage device" within the meaning of Section 1.148-10(a) of the Regulations; nor (iii) employed a "device" to obtain a material financial advantage based on arbitrage, within the meaning of section 149(d)(4) of the Code, apart from savings attributable to lower interest rates and reduced debt service payments in early years.

SECTION 17: AMENDMENT OF ELEVENTH SUPPLEMENT.

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Eleventh Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Eleventh Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Eleventh Supplement so as to:

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds;
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
- (6) Amend this subsection (a) of this Section; or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Eleventh Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy is on file with the Paying Agent for the Bonds. Such publication is not required, however, if notice in writing is given by mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of said notice or (ii) the date of the mailing by the Paying Agent of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy on file with each Paying Agent, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, such consent may be revoked by the owner who gave such consent, or by a successor in title, by filing written notice of such revocation with the Paying Agent for such Bonds and the City, but such revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, the Eleventh Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under the Eleventh Supplement and all the owners of then

Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendment.

(f) Amendment without Consent. The preceding provisions of this Section notwithstanding, the City by action of its governing body may amend the Eleventh Supplement for any one or more of the following purposes:

(1) To vest the management and control of the Electric Utility System in an independent board of trustees or similar board pursuant to authority conferred by V.T.C.A., Government Code, Section 1502.070 et seq. or other law now or hereafter enacted;

(2) To add to the covenants and agreements of the City in the Eleventh Supplement contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power in the Eleventh Supplement reserved to or conferred upon the City;

(3) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in the Eleventh Supplement, or in regard to clarifying matters or questions arising under the Eleventh Supplement, as are necessary or desirable and not contrary to or inconsistent with the Eleventh Supplement and which shall not adversely affect the interests of the owners of the Bonds then outstanding;

(4) To modify any of the provisions of the Eleventh Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds outstanding at the date of the adoption of such modification shall cease to be outstanding;

(5) To make such amendments to the Eleventh Supplement as may be required, in the opinion of Bond Counsel, to ensure compliance with sections 103 and 141 through 150 of the Code and the regulations promulgated thereunder and applicable thereto;

(6) To make such changes, modifications or amendments as may be necessary or desirable to allow the owners of the Bonds to thereafter avail themselves of a book entry system for payments, transfers and other matters relating to the Bonds, which changes,

modifications or amendments are not contrary to or inconsistent with other provisions of the Eleventh Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(7) To make such changes, modifications or amendments as may be necessary or desirable to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(8) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any such amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory ordinance and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to the Eleventh Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy.

SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS. All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of the Eleventh Supplement when payment of the principal of such Bonds, redemption premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably

set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which such deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefit of the Eleventh Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Electric Utility System, and shall be entitled to payment solely from such money or Government Obligations.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, and interest on the Bonds, with respect to which such money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

Notwithstanding any other provisions of the Eleventh Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, shall be applied to and used for the payment of such Bonds, the redemption premium, if any, and interest thereon and the income on such money or Government Obligations shall not be considered to be "Gross Revenues" under the Eleventh Supplement.

SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. If any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner provided in this Section. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the

Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of the Eleventh Supplement equally and proportionately with any and all other Bonds issued under the Eleventh Supplement.

Notwithstanding the preceding provisions of this Section, if any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with V.T.C.A., Government Code, Section 1206.022, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and manner and with the effect, as provided in Section 6 of the Eleventh Supplement for Bonds issued in exchange for other Bonds.

SECTION 20: ELEVENTH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Bonds, the Eleventh Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in the Eleventh Supplement by the City and the covenants and agreements set forth in the Eleventh Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds over any of the others by reason of time of issuance, sale, or maturity

thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by the Eleventh Supplement.

SECTION 21: CONTINUING DISCLOSURE UNDERTAKING.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB’s Internet Web site or filed with the SEC.

(c) Notice of Certain Events. The City shall provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 Business Days after occurrence of the event:

- (14) Appointment of a successor or additional paying agent/registrars or the change of name of a paying agent/registrars, if material.

For these purposes, any event described in the immediately preceding paragraph 12 is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or

governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Bonds while, but only while, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) of this Section of any Bond calls and defeasance that cause the City to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State of Texas or undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided in this Section. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT

SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding any provisions in this Ordinance to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City and the State of Texas (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent *underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering.* If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 22: REMEDY IN EVENT OF DEFAULT. In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that if the City (a) defaults in payments to be made to the Debt Service Fund as required by the Eleventh Supplement or the Master

Ordinance, (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Eleventh Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Eleventh Supplement or the Master Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

SECTION 23: SALE OF BONDS; OFFICIAL STATEMENT APPROVAL. The Bonds are to be sold by the City to the Purchasers in accordance with a bond purchase agreement (the "Purchase Contract"), the terms and provisions of which Purchase Contract are to be determined by the Pricing Officer, in accordance with Section 4 of this Ordinance. With regard to such terms and provisions of said Purchase Contract, the Pricing Officer may come to an agreement with the Purchasers on the following, among other matters:

- (14) Any and all such other details that are found by the Pricing Officer to be necessary and advisable for the purchase and sale of the Bonds.

The Pricing Officer may execute said Purchase Contract for and on behalf of the City and as the act and deed of this City Council.

The Mayor and City Clerk of the City may manually or electronically execute and deliver for and on behalf of the City copies of a Preliminary Official Statement and Official Statement, prepared in connection with the offering of the Bonds by the Purchasers, in final form as may be required by the Purchasers, and such final Official Statement in the form and content as approved by the Pricing Officer or as manually or electronically executed by said officials shall be deemed to be approved by the City Council of the City and constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 24: SPECIAL ESCROW AGREEMENT. A "Special Escrow Agreement" (the "Escrow Agreement") by and between the City and an authorized escrow agent (the "Escrow Agent"), if any such agreement is required in connection with the issuance of the Bonds, shall be attached to, and approved in, the Pricing Certificate. Such Escrow Agreement is authorized to be finalized and executed by the Pricing Officer for and on behalf of the City and as the act and deed of this City Council; and such Escrow Agreement as executed by said Pricing Officer shall be deemed approved by the City Council and constitute the Escrow Agreement approved by this Ordinance. With regard to the finalization of certain terms and provisions of said Escrow Agreement, a Pricing Officer is authorized to come to an agreement with the Escrow Agent on the following details, among other matters:

- (1) The identification of the Refunded Bonds;
- (2) The creation and funding of the Escrow Fund or Funds; and

On or immediately prior to the date of the delivery of the Bonds to the Purchasers, the Pricing Officer shall also cause to be deposited (and is authorized to cause to be deposited) (a) with the Escrow Agent from moneys on deposit in the debt service fund(s) maintained for the payment of the Refunded Bonds an amount which, together with the proceeds of sale, and the investment earnings thereon, will be sufficient to pay in full the Refunded Bonds (or the amount of accrued interest due thereon) scheduled to mature and authorized to be redeemed on the earliest date established in the Pricing Certificate for the redemption of any of the Refunded Bonds (or the earliest date of payment, to be made from moneys in the Escrow Fund(s), as established in the Pricing Certificate, of the amount of accrued interest due thereon).

SECTION 25: REFUNDED BONDS. (a) In order to provide for the refunding, discharge, and retirement of the Refunded Bonds, the Refunded Bonds identified, described, and in the amounts set forth in the Pricing Certificate, are called for redemption on the first date such Refunded Bonds are subject to redemption or such other date specified by the Pricing Officer in the Pricing Certificate at the price of par plus accrued interest to the redemption date, and notice of such redemption shall be given in accordance with the applicable provisions of the ordinance adopted by the City Council of the City, which authorized the issuance of the Refunded Bonds. The Pricing Officer is authorized and directed to issue or cause to be issued a Notice of Redemption for the Refunded Bonds in substantially the form set forth as an Exhibit to the Pricing Certificate, to the paying agent/registrar for Refunded Bonds, in accordance with the redemption provisions applicable to the Refunded Bonds.

(b) The paying agent/registrar for Refunded Bonds is directed to provide the appropriate notice of redemption as required by the ordinance authorizing the Refunded Bonds and is directed to make appropriate arrangements so that the Refunded Bonds may be redeemed on the redemption date.

(c) The source of funds for payment of the principal of and interest on the Refunded Bonds on their respective maturity or redemption dates shall be from the funds deposited with the Escrow Agent or the paying agent/registrar for the Refunded Bonds pursuant to the provisions of V.T.C.A., Government Code, Chapter 1207, as amended, this Ordinance and the Pricing Certificate.

SECTION 26: PROCEEDS OF SALE. Immediately following the delivery of the Bonds, proceeds of sale (less those proceeds of sale designated to pay costs of issuance, proceeds of sale designated to fund the Reserve Fund and any accrued interest received from the Purchasers of the Bonds) shall be deposited with (i) U.S. Bank National Association (the "Deposit Agent") for the payment and discharge of the Refunded Notes or (ii) the Escrow Agent for application and disbursement in accordance with the provisions of the Escrow Agreement or deposited with the paying agent/registrar for the Refunded Bonds for the payment and redemption of the Refunded Bonds. The proceeds of sale of the Bonds not so deposited with the Escrow Agent (or the paying agent/registrar for the Refunded Bonds) for the refunding of the Refunded Bonds or with the Deposit Agent for the refunding of the Refunded Notes shall be disbursed for payment of costs of issuance, or deposited in the Debt Service Fund for the Bonds, all in accordance with written instructions from the City or its Financial Advisor. Accrued interest, if any, received from the Purchasers shall be deposited to the credit of the Debt Service Fund.

Furthermore, appropriate officials of the City in cooperation with the Deposit Agent and the Escrow Agent, as applicable, are authorized and directed to make the necessary arrangements for the deposit of funds for the payment of the Refunded Obligations; all as contemplated and provided in V.T.C.A., Government Code, Chapter 1207, and the Eleventh Supplement.

Additionally, the Pricing Officer shall determine the amount of any City contribution to the refunding from moneys on deposit in the interest and sinking fund(s) maintained for the payment of the applicable Refunded Obligations.

SECTION 27: CONTROL AND CUSTODY OF BONDS. The City Manager of the City shall be and is authorized to take and have charge of all necessary orders and records pending the delivery of the Bonds, and shall take and

have charge and control of the Initial Bond(s) pending the approval by the Attorney General, the registration by the Comptroller of Public Accounts and the delivery of the Initial Bond(s) to the Underwriters.

Furthermore, the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer, City Clerk, City Treasurer and City Attorney, any one or more of said officials, are authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General and registration by the Comptroller of Public Accounts and, together with the City's financial advisor, bond counsel and the Paying Agent/Registrar, make the necessary arrangements for printing of definitive Bonds and the delivery of the Bonds to the Underwriters.

SECTION 28: LEGAL OPINION. The obligation of the Underwriters to accept delivery of the Bonds is subject to being furnished a final opinion of Fulbright & Jaworski L.L.P., Attorneys, approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds. A true and correct reproduction of said opinion may be printed on the definitive Bonds or an executed counterpart of the opinion shall accompany the global Bonds deposited with The Depository Trust Company.

SECTION 29: CUSIP NUMBERS. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality of the Bonds and neither the City nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 30: PAYMENT AND PERFORMANCE ON BUSINESS DAYS. Whenever under the terms of the Eleventh Supplement or the Bonds, the performance date of any provision of the Eleventh Supplement or the Bonds, including the payment of principal of or interest on the Bonds, shall occur on a day other than a Business Day, then the performance of such provision, including the payment of principal of and interest on the Bonds, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

SECTION 31: LIMITATION OF BENEFITS WITH RESPECT TO THE ELEVENTH SUPPLEMENT. With the exception of the rights or benefits expressly conferred in the Eleventh Supplement, nothing expressed or contained in

the Eleventh Supplement or implied from the provisions of the Eleventh Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the City, the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to the Eleventh Supplement or any covenant, condition, stipulation, promise, agreement, or provision contained in the Eleventh Supplement. The Eleventh Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions of the Eleventh Supplement are intended to be and shall be for and inure to the sole and exclusive benefit of the City, the Holders, and the Paying Agent/Registrar as provided in the Eleventh Supplement and in the Bonds.

SECTION 32: NOTICES TO HOLDERS WAIVER. Wherever the Eleventh Supplement provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise expressly provided in the Eleventh Supplement) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where the Eleventh Supplement provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 33: GOVERNING LAW. The Eleventh Supplement shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 34: EFFECT OF HEADINGS. The Section headings in the Eleventh Supplement are for convenience only and shall not affect the construction of the Eleventh Supplement.

SECTION 35: CONSTRUCTION OF TERMS. If appropriate in the context of the Eleventh Supplement, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 36: SEVERABILITY. If any provision or the application of any provision of the Eleventh Supplement to any circumstance shall be held to be invalid, the remainder of the Eleventh Supplement and the application of the Eleventh Supplement to other circumstances shall nevertheless be valid, and the City Council declares that the Eleventh Supplement would have been enacted without such invalid provision.

SECTION 37: PUBLIC MEETING. It is officially found, determined, and declared that the meeting at which the Eleventh Supplement is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at the meeting, including the Eleventh Supplement, was given; all as required by V.T.C.A., Government Code, Chapter 551.

ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

Bank of Texas Corporate Trust Services
60 Livingston Avenue
St. Paul, MN 55107

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder’s risk and expense.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein

sometimes referred to as the "Security Register") for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except

upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which

qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.
