Lee and Greg,

I was very disappointed when I found out that Lee and Greg had a conference call with Malacom Yeatts about his postponement request this morning and I wasn't contacted. I just spoke to Rick about it as well.

Rick Vaughn and I had an agreement prior to PC about liquor sales which he decided some time ago not to honor. I have emailed staff and asked for a copy of the draft ordinance and it wasn't until last Friday November 29, that Lee informed me the case was posted for 1st reading only and they applicant had decided not to honor our agreement. If I hadn't downloaded the back-up I don't know when I would have found out a TIA had been submitted on November 15.

I didn't submit a written request of a postponement due to the fact that Mr. Yeatts was going to submit one but I will be requesting a postponement this afternoon. I've made it very clear to Rick what my position is on this case and why. I can understand why neighborhoods distrust developers.
