

# **South Lamar Neighborhood Association**

1 September 2012

To whom it may concern:

The South Lamar Neighborhood Association, by vote of the membership present at the August 16, 2012 regular meeting, declares its support of the Wheatsville Coop's intention to open another store, on South Lamar north of Ben White Boulevard.

We explicitly state our support for the sales of beer and wine at that location for off-site consumption. We hope the City Council will grant Wheatsville Coop the needed variance and permit those sales.

Respectfully submitted,

Nancy Maclaine  
South Lamar Neighborhood Association President, 2012.
