Additional Backup Information

The 1999 Interlocal Agreement regarding the same matter is between the City and the Texas Department of Transportation. A new interlocal agreement between the City and the Texas Department of Motor Vehicles (TxDMV) is now necessary to continue receiving remote electronic access to the TxDMV's title and registration records, since the TxDMV took over the responsibility of maintaining these records from the Texas Department of Transportation.

The agreement is effective immediately upon execution by both parties. During the last fiscal year, the Municipal Court made 23, 889 inquiries for \$3,142 dollars.
