

MANAGED GROWTH AGREEMENT
BETWEEN THE CITY OF AUSTIN AND MADISON CITY HOMES

This Managed Growth Agreement ("Agreement") Between the City of Austin, Texas ("City") and Madison City Homes. ("Madison City Homes") is made and entered into by the City, a home rule municipal corporation acting by and through its duly authorized City Manager and Madison City Homes. Madison City Homes and the City may be referred to jointly as Parties or singly as "Party" in this Agreement.

RECITALS

1. On February 7, 2008, Madison City Homes filed an application for a consolidated site plan for the construction of town home units on property described in Exhibit A, which is attached hereto and incorporated herein ("the Property").
2. On December 15, 2008, the City approved Site Plan No. SP-2008-0061C, authorizing the construction of a phased housing development, which included 145 town homes, with attached garages, amenity center, internal drives, water quality and detention ponds, and infrastructure on 34.94 acres. ("the Project"). Portions of the Project, including 37 homes, detention and water quality pond, and infrastructure improvements, have been completed.
3. Madison City Homes desires to obtain buyers for the town homes, realizing that due to the current economic conditions, it could take 8 years to construct all units.

NOW, THEREFORE, for and in consideration of the mutual covenants, and conditions contained in this Agreement, and other good and valuable consideration, the City and Madison City Homes agree as follows:

A R T I C L E I
PURPOSE & LEGAL AUTHORITY

Section 1.01 Purpose.

The purpose of this Agreement is to provide certainty that the Project will not be required to undergo design changes as a result of changes to City regulations over a long period of time required for Madison City Homes to obtain buyers and complete the Project in phases.

Section 1.02 Legal Authority.

Section 25-1-540 of the City Code authorizes the execution of managed growth agreements for planning and developing large projects, long term projects, or any project having special benefits that are in the public interest. The Project is a large

project situated on 34.94 acres with 144 town home units and a long term project.

Section 1.03 Expiration Date

Section 25-1-540 provides that a managed growth agreement may specify the time period during which a project may comply with the regulations in effect when the first application for the project is filed and establish an expiration date for each application necessary to complete the project. By Ordinance No. _____, the City Council directed that the expiration date is to be February 7, 2019.

ARTICLE II **TERMS**

Section 2.01 Original Regulations; Expiration Date

Subject to Section 2.03 below, Madison City Homes may construct the Project to comply with City regulations in effect on February 7, 2008, which is the day the application was originally submitted under the **Comprehensive Watershed Ordinance** and Land Development Code ("Original Regulations"). The expiration date of Site Plan No. SP-2008-0061C for purposes of Chapter 25-5 of the City Code and the expiration date of the Project for purposes of Article 12 of Chapter 25-1 of the City Code shall be February 7, 2019.

Section 2.02 Revisions to the Site Plan; Change in Ownership

Minor revisions to the Project shall be permitted in accordance with the City Code and City regulations. However, Madison City Homes. may not construct any improvements on the Property that the City Manager determines to vary substantially from the Project as defined by Site Plan No. SP-2008-0061C without forfeiting the rights granted under this Agreement to develop the Project under Original Regulations. This Agreement does not abridge the rights of Madison City Homes or its successors (including homebuilders who acquire one or more town home units for resale to third parties) to sell and convey town home units within the Project. However, if, without the City's written consent, title to the remaining unsold inventory of units within the Project is conveyed or assumed by an entity other than Madison City Homes or an entity that directly or indirectly controls, is controlled by, or is under common control with Madison City Homes, the City Manager may terminate the rights granted under this Agreement to develop the Project under Original Regulations, in which case the Project and Site Plan No. SP-2008-0061C will expire on its original expiration date of December 15, 2012.

Section 2.03 Exceptions from Right to Develop Under Original Regulations

In this section, Madison City Homes. agrees to comply with City regulations adopted after December 15, 2012, as they pertain to:

- a. erosion and sedimentation controls;
- b. uniform building, fire, electrical, plumbing, or mechanical codes adopted by recognized national code organizations or local amendments to those codes enacted to address imminent threats of destruction of property or injury to persons;
- c. regulations to prevent the imminent destruction of property or injury to persons that do not affect landscaping, tree preservation, open space, or park dedication, lot size or dimensions, lot coverage, building size, residential or commercial density, or timing of the project, or that change development permitted by a restrictive covenant required by the City.
